- (g) The council shall notify the corporation director of any other changes to the program on an ongoing basis, whenever they occur, without resubmission of the plan to the corporation director for approval. Such changes shall include, but not be limited to, a change in the composition, officers, or contact information of the council.
 - (h) On or before July 1, 2015, and every two (2) years thereafter, the council shall propose a uniform fee for all mattresses sold in this state. The council may propose a change to the uniform fee more frequently than once every two (2) years if the council determines such change is needed to avoid funding shortfalls or excesses. Any proposed fee shall be reviewed by an independent auditor to ensure that such assessment does not exceed the costs of the mattress stewardship program described in subsection (b) of this section and to maintain financial reserves sufficient to operate the program over a multi-year period in a fiscally prudent and responsible manner. Not later than sixty (60) days after the council proposes a mattress stewardship fee, the auditor shall render an opinion to the corporation director as to whether the proposed mattress stewardship fee is reasonable to achieve the goals set forth in this section. If the auditor concludes that the mattress stewardship fee is reasonable, then the proposed fee shall go into effect not less than ninety (90) days after the auditor notifies the corporation director that the fee is reasonable. If the auditor concludes that the mattress stewardship fee is not reasonable, the auditor shall provide the council with written notice explaining the auditor's opinion. Copies of all documents related to the auditor's evaluation and opinion, along with the financial information provided by the council, shall be filed with the corporation and considered public documents pursuant to chapter 2 of title 38 ("access to public records"). Not later than fourteen (14) days after the council's receipt of the auditor's opinion, the council may either propose a new mattress stewardship fee, or provide written comments on the auditor's opinion. If the auditor concludes that the fee is not reasonable, the corporation director shall decide, based on the auditor's opinion and any comments provided by the council, whether to approve the proposed mattress stewardship fee. Such auditor shall be selected by the council. The cost of any work performed by such auditor pursuant to the provisions of this subsection and subsection (i) of this section shall be funded by the council.
 - (i)(1) On and after the implementation of the mattress stewardship program, each retailer shall add the amount of the fee established pursuant to subsection (b) of this section and described in subsection (h) of this section to the purchase price of all mattresses sold in this state. The fee shall be remitted by the retailer to the council. The council may, subject to the corporation

1	director's approval, establish an alternative, practicable means of collecting of remitting such fee.
2	(2) On and after the implementation date of the mattress stewardship program, no
3	producer, distributor or retailer shall sell or offer for sale a mattress to any person in the state if
4	the producer is not a member of the council.
5	(3) No retailer or distributor shall be found to be in violation of the provisions of this
6	section, if, on the date the mattress was ordered from the producer or its agent, the producer of
7	said mattress was listed on the corporation's website in accordance with the provisions of this
8	chapter.
9	(j) Not later than October 1, 2016, and annually thereafter, the council shall submit an
10	annual report to the corporation director. The corporation director shall post such annual report on
11	the corporation's website. Such report shall include, but not be limited to:
12	(1) The weight of mattresses collected pursuant to the program from:
13	(i) Municipal and/or transfer stations;
14	(ii) Retailers; and
15	(iii) All other covered entities;
16	(2) The weight of mattresses diverted for recycling;
17	(3) Identification of the mattress recycling facilities to which mattresses were delivered
18	for recycling;
19	(4) The weight of discarded mattresses recycled, as indicated by the weight of each of the
20	commodities sold to secondary markets;
21	(5) The weight of mattresses, or parts thereof, sent for disposal at each of the following:
22	(i) Rhode Island resource recovery corporation; and
23	(ii) Any other facilities;
24	(6) Samples of public education materials and methods used to support the program;
25	(7) A description of efforts undertaken and evaluation of the methods used to disseminate
26	such materials;
27	(8) Updated performance goals and an evaluation of the effectiveness of the methods and
28	processes used to achieve performance goals of the program; and
29	(9) Recommendations for any changes to the program.
30	(k) Two (2) years after the implementation of the program and upon the request of the
31	corporation director, but not more frequently than once a year, the council shall cause an audit of
32	the program to be conducted by the auditor described in subsection (h) of this section. Such audit
33	shall review the accuracy of the council's data concerning the program and provide any other
34	information requested by the corporation director. Such audit shall be paid for by the council. The

council shall maintain all records relating to the program for not less than three (3) years.

(I) No covered entity that participates in the program shall charge for receipt of mattresses generated in the state. Covered entities may charge a fee for providing the service of collecting mattresses and may restrict the acceptance of mattresses by number, source or physical

5 condition.

(m) Covered entities that, upon the date of this act's passage, have an existing program for recycling discarded mattresses may continue to operate such program without coordination of the council, so long as the entities are able to demonstrate, in writing, to the corporation director that the facilities to which discarded mattresses are delivered are engaged in the business of recycling said mattresses and the corporation director approves the written affirmation that the facility engages in mattress recycling of mattresses received by the covered entity. A copy of the written affirmation and the corporation's approval shall be provided to the council by the corporation director in a timely manner.

SECTION 2. This act shall take effect upon passage.
