STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2019

A N A C T

RELATING TO TOWNS AND CITIES -- REDEVELOPMENT AGENCIES AND PROJECTS

Introduced By: Representatives Tobon, Barros, Messier, Johnston, and Lyle

Date Introduced: May 24, 2019

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 45-33.4-2, 45-33.4-3 and 45-33.4-5 of the General Laws in
2 Chapter 45-33.4 entitled "City of Pawtucket Downtown Redevelopment Project" are hereby
3 repealed in their entirety.

~~**45-33.4-2. Findings and legislative determinations.**~~

~~4 (a) After lengthy study, review of and comment on various proposals, numerous public
5 hearings, and substantial due diligence, the general assembly hereby finds that:~~

~~6 (1) McCoy Stadium was constructed seventy five (75) years ago in the city, has
7 undergone two renovations since that time and, being near the end of its useful life, will not meet
8 the standards for Triple A baseball without major repairs and renovations; and~~

~~9 (2) The estimated cost to repair and renovate McCoy Stadium is approximately the same
10 as the cost of constructing a new facility, with no expected catalytic impact on ancillary
11 development surrounding McCoy Stadium; and~~

~~12 (3) The downtown area of the city has been economically depressed and has seen very
13 limited new infrastructure, development, or investment in decades and the ballpark is anticipated
14 to jumpstart new economic initiatives in the city and in the Blackstone Valley and create new jobs
15 in the state; and~~

~~16 (4) The city is developing a redevelopment plan that contemplates public uses of the
17 ballpark and a mixed use real estate development in an adjacent area that may include retail,
18 entertainment, restaurant, public park, civic space, hotel, office space, and residential components
19~~

1 as part of a larger redevelopment of downtown Pawtucket; and

2 ~~(5) The ballpark will operate and be utilized as a public park and will create public~~
3 ~~recreational, social, and communal benefits; and~~

4 ~~(6) It is proposed that the agency will own the ballpark and lease the ballpark to the team~~
5 ~~and that the state will not be a party to the lease or any sublease of the ballpark; and~~

6 ~~(7) In order to reduce interest rate costs to finance the ballpark and land costs, the city has~~
7 ~~proposed that the agency will issue the bonds to finance such costs on a tax exempt basis, to the~~
8 ~~extent permitted by federal tax law; and~~

9 ~~(8) Revenues to be generated by the downtown Pawtucket redevelopment project are~~
10 ~~projected by industry experts to be more than sufficient to cover the costs of financing the~~
11 ~~ballpark and land costs; and~~

12 ~~(9) Land costs and ballpark construction costs are expected to be approximately eighty-~~
13 ~~three million dollars (\$83,000,000), excluding financing costs; and~~

14 ~~(10) The PawSox propose to contribute forty five million dollars (\$45,000,000),~~
15 ~~including twelve million dollars (\$12,000,000) in equity contributions from PawSox owners to~~
16 ~~the total project cost, which equity contributions shall be expended toward the construction of the~~
17 ~~ballpark and shall be expended in full no later than the opening of the ballpark, and thirty three~~
18 ~~million dollars (\$33,000,000) to be financed by bonds issued by the agency; and~~

19 ~~(11) The bonds shall, to the extent practicable, be issued by means of a public offering,~~
20 ~~and shall not be sold by means of a private placement unless it is impracticable or economically~~
21 ~~inefficient to issue and sell the bonds in a public offering. If bonds are privately placed, the~~
22 ~~underwriters, placement agent, or purchasers of the bonds, or a municipal financial advisor~~
23 ~~registered with the Securities and Exchange Commission, shall certify that the interest rates,~~
24 ~~prices, and yields of the bonds represent fair market prices of the bonds.~~

25 ~~(12) The team, the agency and the state shall conduct due diligence with the underwriters~~
26 ~~or placement agent for the bonds in accordance with federal securities laws and rules of the~~
27 ~~United States Securities and Exchange Commission and Municipal Securities Rulemaking Board~~
28 ~~to ensure that the contributions and financial responsibilities of the parties are fully and publicly~~
29 ~~disclosed.~~

30 ~~(13) The state proposes to contribute state economic activity taxes realized from activities~~
31 ~~in the ballpark district and at McCoy Stadium to support bonds issued by the agency; and~~

32 ~~(14) The city proposes to contribute city tax increment revenues and city economic~~
33 ~~activity taxes in order to support bonds of the agency; and~~

34 ~~(15) Energy costs for public buildings are skyrocketing and will likely continue to~~

1 increase; energy use by public buildings contributes substantially to the problems of pollution and
2 global warming; public buildings can be built and renovated using high performance methods
3 that save energy, reduce water consumption, improve indoor air quality, preserve the
4 environment, and make workers and students more productive; and

5 (16) The use of green and sustainable infrastructure in the development and construction
6 of the ballpark will address stormwater runoff and reduce flooding, reduce pollutant levels in
7 nearby waterways, and may reduce long term operating costs of the ballpark.

8 (b) The general assembly hereby determines and declares that the financing, construction,
9 and development of a ballpark in the city to be used primarily as a venue for minor league
10 baseball and also as a public park, as well as the redevelopment of the surrounding depressed
11 neighborhood, are public uses that are in the interest of, and for benefit of, the citizens of the
12 state, and will contribute substantially to the social and economic well-being of the citizens of the
13 state and significantly enhance the economic development and employment opportunities within
14 the city and the state;

15 (c) The general assembly hereby determines and declares that government support in
16 facilitating the presence of minor league baseball and the development of a public park in the city
17 provides to the state and its citizens highly valued intangible benefits that increase the quality of
18 life and civic relationships of their citizens; and

19 (d) The general assembly hereby determines and declares that the expenditure of public
20 money for these purposes is necessary and serves a public purpose.

21 **45-33.4-3. Contributions from parties.**

22 Debt service payments on the bonds shall be payable from lease rental payments by the
23 PawSox, from annual naming rights payments received by the PawSox, and any such other
24 payments necessary to fully cover the team's annual lease obligation, state economic activity
25 taxes, city tax increment revenues, and city economic activity taxes, each year for a period of up
26 to thirty (30) years or any combination thereof.

27 **45-33.4-5. Renewal and replacement reserve fund.**

28 (a) The team, the agency, and the state shall establish and maintain a renewal and
29 replacement reserve fund for the long term capital needs of the ballpark to ensure that the
30 ballpark remains a first class, Triple A minor league baseball facility and an asset to the agency
31 and the surrounding community. The team shall be responsible for a minimum of fifty percent
32 (50%) of the costs of annual capital expenditures for structural repairs including, but not limited
33 to, repairs and improvements to the roof and exterior walls of the facility, protective coatings,
34 ramps, plumbing, and all repairs, replacements, and improvements, whether capital or ordinary,

1 ~~needed to preserve the ballpark. The team, the city, and the state, from legally available funds,~~
2 ~~shall contribute a combined minimum of one hundred fifty thousand dollars (\$150,000) per year~~
3 ~~in total to the renewal and replacement reserve fund for use to finance capital expenditures. The~~
4 ~~team shall contribute a minimum of seventy five thousand dollars (\$75,000) of the one hundred~~
5 ~~fifty thousand dollars (\$150,000). Under no condition shall monies in the renewal and~~
6 ~~replacement reserve fund be utilized for operations of the ballpark or public park. The state, the~~
7 ~~team, and the agency shall jointly develop a renewal and replacement capital plan between every~~
8 ~~two (2) to five (5) years, which plan shall include directives to the parties to make contributions~~
9 ~~to the renewal and replacement reserve fund in order to carry out the capital improvements set~~
10 ~~forth in the renewal and replacement capital plan.~~

4 agreement shall provide for a reconciliation of contributions of ~~the team~~, the agency, the city and
5 the state from time to time, ~~but no less than every three (3) years. The reconciliation shall be~~
6 ~~subject to review by the state auditor general. The review shall be provided to the governor,~~
7 ~~speaker of the house, and the president of the senate;~~ provided however, that the state hereby
8 pledges to and agrees with any person, firm, or corporation, or federal agency subscribing to or
9 acquiring any bonds secured by revenues under this chapter, that the state will not limit or alter
10 the rights vested in the city or the agency or such bondholders until all bonds at any time issued,
11 together with their interest, are fully met and discharged. The state does further pledge to and
12 agree with the United States, and any other federal agency, that in the event that any federal
13 agency constructs or contributes any funds for the construction, extension, improvement,
14 equipping, furnishing, or enlargement of any project, or any portion of it, the state will not alter or
15 limit this chapter in any manner that would be inconsistent with the due performance of any
16 agreements with the federal agency; and the city and the agency continue to have and may
17 exercise all powers granted by this chapter, so long as the powers are necessary or desirable for
18 the carrying out of the purposes of this chapter.

19 (c) The economic activity taxes agreement shall not constitute indebtedness of the state or
20 any of its subdivisions, or a debt for which the full faith and credit of the state or any of its
21 subdivisions is pledged. The state's obligation to make payments of state economic activity taxes
22 under the state economic activity taxes agreement shall be solely from legally available funds.

23 (d) The economic activity taxes agreement may be terminated upon agreement of the
24 parties thereto, provided, however, the economic activity taxes agreement shall not be terminated
25 so long as any bonds secured by the economic activity taxes remain outstanding.

26 (e) By no later than September 30, 2019, the State Department of Revenue shall establish
27 the baseline to be used in the calculation of State revenues in the State Economic Activity Tax
28 Agreement. By that date, the Department of Revenue, in consultation with the State Commerce
29 Corporation shall develop a template of an Economic Activity Tax Agreement to be executed
30 between the City, the Agency and the State at such time that a redevelopment project is submitted
31 for consideration. Upon submission of a redevelopment project by the City or the agency for
32 financing under this statute, the State shall complete negotiations and finalize approval of an
33 Economic Activity Agreement within 120 days of the submission of the request for financing.

1 agency and the Rhode Island Commerce Corporation shall submit a performance review report to
2 the general assembly which includes, but is not limited to, the following information: sources and
3 uses of project funds, permanent job and construction job creation numbers, local and State tax

8 ~~and the lease shall include, but shall not be limited to, the following terms:~~

10 ~~commence upon the completion of the construction of the ballpark, shall establish the obligations~~
11 ~~and commitments of the team and the Minor League Baseball Association, and shall not be~~
12 ~~subject to any escape clause; and~~

13 ~~(2) The team shall be responsible for the daily maintenance of the ballpark, including, but~~
14 ~~not limited to, keeping the facility in good condition and repair, maintaining the office areas,~~

18 ~~assistance with respect to the "public park" aspect of the ballpark, which will operate year round~~
19 ~~in and around the ballpark separate and apart from the ballpark's baseball related uses.~~

20 ~~(c) The team shall be solely responsible for any ballpark construction costs that exceed~~
21 ~~the projected eighty three million dollar (\$83,000,000) total project cost.~~

22 ~~(d) In the event that the total ballpark construction costs and land costs are less than the~~
23 ~~projected eighty three million dollars (\$83,000,000), or in the event that not all of the bond~~
24 ~~proceeds are needed to complete the specified project, any unused bond proceeds shall be used to~~
25 ~~pay the debt service on the bonds as provided in the bond indenture, trust agreement, or economic~~
26 ~~activity taxes agreement. No land costs or ballpark construction costs savings will be credited~~
27 ~~toward the team's twelve million dollar (\$12,000,000) equity contribution.~~

28 ~~(e) Members of the team ownership shall develop independently, or with partners secure~~
29 ~~the development of, a minimum of fifty thousand square feet (50,000 ft²) of real estate on the~~
30 ~~ballpark site or in the ancillary redevelopment area, subject to the city or agency's acquisition and~~
31 ~~delivery of developable land, and the development shall align contemporaneously with the~~
32 ~~construction of the ballpark.~~

33 ~~(f) Advance ticket prices for children, senior citizens, and general admission will not~~
34 ~~increase from the cost of those tickets in the 2017 regular and postseason for a minimum period~~

1 of five (5) years from the opening of the ballpark, or before September 30, 2025, whichever is
2 earlier.

3 ~~(g) Any person working at the ballpark during the planning, construction, or operational~~
4 ~~phases, including, but not limited to, concessions, the box office, or custodial services, shall be~~
5 ~~employed with the protections of both federal and state labor standards, including fair pay, health~~
6 ~~and safety, anti-discrimination, and provisions that prevent labor misclassification by incorrectly~~
7 ~~designating workers as "independent contractors".~~

8 ~~(h) The contract for construction of the ballpark shall be a guaranteed maximum price~~
9 ~~contract.~~

10 ~~(i)~~(a) The general assembly encourages:

11 (1) The use of green and sustainable building materials, techniques, and standards,
12 including those enacted by the general assembly in the Rhode Island green buildings act, chapter
13 24 of title 37; and

14 (2) The use of highly efficient energy systems, the use of water conservation measures,
15 and the potential use of on-site renewable energy generation in the development and construction
16 of the ~~ballpark~~ [project](#).

17 ~~(j)~~(b) In furtherance of building ~~an~~ energy efficient and sustainable ~~ballpark~~, [projects](#), the
18 general assembly encourages the use of financing programs available through the Rhode Island
19 infrastructure bank established pursuant to chapter 12.2 of title 46, including, to the extent
20 practicable, the state revolving funds and the efficient buildings fund, which provide low-cost
21 financing for eligible renewable and energy efficiency, stormwater abatement, water
22 conservation, and other sustainable infrastructure projects.

23 SECTION 3. Sections 45-32-5, 45-32-24.1 and 45-32-24.2 of the General Laws in

20 (7) To prepare or have prepared all plans necessary for the redevelopment of blighted and

32 land lies for an order for this purpose. Upon the filing of a petition, due notice of it shall be served

12 title, to the United States, the state government, any state public body, or any private corporation,
13 firm, or individual at its fair value for uses in accordance with the redevelopment plan,
14 irrespective of the cost of acquiring and preparing the property for redevelopment. In determining
15 the fair value of the property for uses in accordance with the redevelopment plan, the agency shall
16 take into account, and give consideration to, the uses and purposes required by the plan, the
17 restrictions upon, and the obligations assumed by the purchaser or lessee of the property, and the
18 objectives of the redevelopment plan for the prevention of the recurrence of blighted and
19 substandard conditions. Any lease or sale of the property may be made without public bidding,
20 provided that no sale or lease is made until at least ten (10) days after the legislative body of the

24 (i) Use the property only for the purpose and in the manner stated in the redevelopment

26 (ii) Begin and complete the construction or rehabilitation of any structure or improvement
27 within a period of time that the agency fixes as reasonable; and

28 (iii) Comply with other conditions that, in the opinion of the agency are necessary to
29 prevent the recurrence of blighted and substandard conditions and otherwise to carry out the
30 purposes of chapters 31 -- 33 of this title. The agency, by contractual provisions, may make any

32 provide that, upon breach thereof, the fee reverts to the agency.

33 (13) To exercise all or any part or combination of the powers granted in this chapter.

4 nonprofit organization or governmental or quasi-governmental entity or private enterprise, in
5 order to finance the cost of any portion of a redevelopment project authorized pursuant to
6 chapters 31 through 33 of this title, including, without limiting the generality of the foregoing, the
7 cost of acquiring land for, and constructing or rehabilitating, furnishing and equipping residential,
8 commercial, industrial, institutional, public, or recreational facilities, within a redevelopment
9 area, or to loan bond or note proceeds in order to refinance any such loans.

10 (16) To retain a master developer for all or any portion of a project. Any master
11 developer position shall be subject to advertising and solicitation of applicants shall be approved
12 at a duly posted public meeting of the agency.

13 ~~(b) Nothing contained in this chapter authorizes an agency to retain for a period in excess~~
14 ~~of five (5) years from the date of acquisition, or within another additional period of time that the~~
15 ~~legislative body fixes as reasonable, the fee or any estate or interest in it to any building,~~
16 ~~structure, or other improvement, not demolished or otherwise removed, that has been acquired by~~
17 ~~the agency in accordance with the redevelopment plan.~~

18 **45-32-24.1. Finding with respect to use of the power of eminent domain with respect**
19 **to recreational redevelopment projects that create and/or preserve jobs within the State.**
20 **Finding with respect to use of the power of eminent domain with respect to recreational**
21 **redevelopment projects that create and/or preserve jobs within the state and projects**
22 **financed with incremental tax revenues.**

23 (a) The general assembly hereby determines and declares that the financing, construction,
24 and development of recreational ~~facilities~~ projects (as defined in section 42-34-6(4) of the general
25 laws), with planned redevelopment of the surrounding project area, and projects in municipalities
26 with a population greater than 60,000 but less than 80,000 that will create and/or preserve jobs
27 within the state, are public uses of statewide concern and are in the interest of, and for benefit of,
28 the citizens of the state, and will contribute substantially to the social and economic well-being of
29 the citizens of the state and significantly enhance the economic development and employment
30 opportunities within the state; and

31 (b) The general assembly hereby determines and declares that government support in
32 facilitating the presence of recreational ~~facilities~~ projects (as defined in section 42-34-6(4) of the
33 general laws), with planned redevelopment of the surrounding project area and projects in
34 municipalities with a population greater than 60,000 but less than 80,000, and the creation and/or

1 preservation of jobs within the state, provides to the state and its citizens highly valued intangible
2 benefits that increase and/or improve the quality of life and civic relationships of their citizens.

3 ~~45-32-24.2. Power of eminent domain with respect to recreational redevelopment~~
4 ~~projects that create and/or preserve jobs within the State. Power of eminent domain with~~
5 ~~respect to recreational redevelopment projects that create and/or preserve jobs within the~~
6 ~~state and projects financed with incremental tax revenues.~~

7 (a) With respect to any project in the state that includes the financing, construction, and
8 development of recreational ~~facilities~~ projects (as defined in section 42-34-6(4) of the general
9 laws), with planned redevelopment of the surrounding project area, and projects in municipalities
10 with a population greater than 60,000 but less than 80,000 that will create and/or preserve jobs
11 within the state, the provisions of this section shall apply rather than the provisions of §§ 45-32-
12 26 through 45-32-37.

13 (b) The acquisition of real property for the construction of recreational ~~facilities~~ projects
14 (as defined in section 42-34-6(4) of the general laws), with planned redevelopment of the
15 surrounding project area and projects in municipalities with a population greater than 60,000 but
16 less than 80,000, that will create and/or preserve jobs within the state, is declared to be a public
17 use for economic development purposes.

18 (c) If, for any of the purposes of this chapter, an agency shall find it necessary to acquire
19 any real property, whether for immediate or future use, the agency may find and determine that
20 the property, whether a fee simple absolute or a lesser interest, is required for the acquisition,
21 construction, or operation of a project, and upon that determination, the property shall be deemed
22 to be required for public use until otherwise determined by the agency; and with the exceptions
23 hereinafter specifically noted, the determination shall not be affected by the fact that the property
24 has been taken for, or is then devoted to, a public use; but the public use in the hands or under the
25 control of the agency shall be deemed superior to the public use in the hands of any other person,
26 association, or corporation; provided further, however, that no real property or interest, estate, or
27 right in these belonging to the state shall be acquired without consent of the state; and no real
28 property or interest, estate, or right in these belonging to any municipality shall be acquired
29 without the consent of the municipality; and no real property, or interest or estate in these,
30 belonging to a public utility corporation may be acquired without the approval of the public
31 utility commission or another regulatory body having regulatory power over the agency.

32 (d) As part of an agency's diligence in determining whether it is necessary to acquire
33 certain real property, whether for immediate or future use, the agency may enter the real property
34 and conduct environmental testing upon giving the owner not less than two (2) weeks' written

1 notice.

2 (e) The agency may proceed to acquire, and is authorized to and may proceed to acquire,
3 property, whether a fee simple absolute or a lesser interest, by the exercise of the right of eminent
4 domain in the manner prescribed in this chapter.

5 (f) Nothing contained in this section shall be construed to prohibit the agency from
6 bringing any proceedings to remove a cloud on title or any other proceedings that it may, in its
7 discretion, deem proper and necessary, or from acquiring property by negotiation or purchase.

8 (g) The necessity for the acquisition of property under this chapter shall be conclusively
9 presumed upon the adoption by the agency of a vote determining that the acquisition of the
10 property or any interest in property described in that vote is necessary for the acquisition,
11 construction, or operation of a project. Within six (6) months after its passage, the agency shall
12 cause to be filed in the appropriate land evidence records a copy of its vote together with a
13 statement signed by the chairperson or vice-chairperson of the agency that the property is taken
14 pursuant to this chapter, and also a description of the real property indicating the nature and
15 extent of the estate or interest in the estate taken and a plat of the real property, which copy of the
16 vote and statement of the chairperson or vice-chairperson shall be certified by the secretary of the
17 agency and the description and plat shall be certified by the city or town clerk for the city or town
18 within which the real property lies.

19 (h) Forthwith thereafter the agency shall cause to be filed, in the superior court in and for
20 the county within which the real property lies, a statement of the sum of money estimated to be
21 just compensation for the property taken, and shall deposit in the superior court to the use of the
22 persons entitled to the money the sum set forth in the statement. The agency shall satisfy the court
23 that the amount deposited with the court is sufficient to satisfy the just claims of all persons
24 having an estate or interest in the real property. Whenever the agency satisfies the court that the
25 claims of all persons interested in the real property taken have been satisfied, the unexpended
26 balance shall be ordered repaid forthwith to the agency.

27 (i) Upon the filing of the copy of the vote, statement, description, and plat in the land
28 evidence records, and upon the making of the deposit in accordance with the order of the superior
29 court, title to the real property in fee simple absolute or any lesser estate or interest specified in
30 the resolution shall vest in the agency, and that real property shall be deemed to be condemned
31 and taken for the use of the agency and the right to just compensation for the condemned property
32 shall vest in the persons entitled to compensation, and the agency thereupon may take possession
33 of the real property. No sum paid unto the court shall be charged with clerks' fees of any nature.

34 (j) After the filing of the copy of the vote, statement, description, and plat, notice of the

1 taking of that land or other real property shall be served upon the owners of, or persons having
2 any estate or interest in, the real property by the sheriff, or his or her deputies, of the county in
3 which the real estate is situated by leaving a true and attested copy of the vote, statement,
4 description, and plat with each of those persons personally, or at the last and usual place of abode
5 in this state with some person living there, and in case any of those persons are absent from this
6 state and have no last and usual place of abode therein occupied by any person, the copy shall be
7 left with the person or persons, if any, in charge of, or having possession of, the real property
8 taken of the absent persons, and another copy shall be mailed to the address of the person, if the
9 address is known to the officer serving the notice.

10 (k) After the filing of the vote, description, and plat, the agency shall cause a copy to be
11 published in some newspaper having general circulation in the city or town in which the real
12 property lies at least once a week for three (3) successive weeks.

13 (l) If any party shall agree with the agency upon the price to be paid for the value of the
14 real property so taken and of appurtenant damage to any remainder or for the value of his or her
15 estate, right, or interest therein, the court, upon application of the parties in interest, may order
16 that the sum agreed upon be paid forthwith from the money deposited, as the just compensation to
17 be awarded in the proceedings.

18 (m) Any owner of, or person entitled to any estate or right in, or interested in any part of,
19 the real property taken, who cannot agree with the agency upon the price to be paid for his or her
20 estate, right, or interest in the real property taken and the appurtenant damage to the remainder,
21 may, within three (3) months after personal notice of the taking, or if he or she has no personal
22 notice, may, within one year from the time the sum of money estimated to be just compensation is
23 deposited in the superior court to the use of the persons entitled to the compensation, apply by
24 petition to the superior court for the county in which the real property is situated, setting forth the
25 taking of his or her land or his or her estate or interest in these and praying for an assessment of
26 damages by the court or by a jury. Upon the filing of the petition, the court shall cause twenty
27 (20) days' notice of the filing of the petition to be given to the agency by serving the chairperson
28 or vice chairperson of the agency with a certified copy of the notice.

29 (n) After the service of notice, the court may proceed to the trial thereof. The trial shall be
30 conducted as other civil actions at law are tried. The trial shall determine all questions of fact
31 relating to the value of the real property, and any estate or interest, and the amount of this value
32 and the appurtenant damage to any remainder and the amount of this damage, and the trial and
33 decision or verdict of the court or jury shall be subject to all rights to except to rulings, to move
34 for new trial, and to appeal, as are provided by law. Upon the entry of judgment in those

1 proceedings, execution shall be issued against the money deposited in court and in default against
2 any other property of the agency. Pre-judgment interest and post-judgment interest,
3 notwithstanding § 9-21-10, shall be computed in accordance with either the methodology set forth
4 in § 37-6-23 or § 9-21-10, whichever produces the lower interest cost. The interest shall be paid
5 by the agency out of any funds appropriated and available therefor.

6 (o) In case two (2) or more petitioners make claim to the same real property, or to any
7 estate or interest, or to different estate or interests in the same real property, the court shall, upon
8 motion, consolidate their several petitions for trial at the same time, and may frame all necessary
9 issues for the trial.

10 (p) If any real property or any estate or interest, in which any minor or other person not
11 capable in law to act in his or her own behalf is interested, is taken under the provisions of this
12 chapter, the superior court, upon the filing of a petition by or in behalf of the minor or person or
13 by the agency, may appoint a guardian ad litem for the minor or other person. Guardians may,
14 with the advice and consent of the superior court, and upon any terms as the superior court may
15 prescribe, release to the agency all claims for damages for the land of the minor or other person or
16 for any estate or interest. Any lawfully appointed, qualified, and acting guardian or other
17 fiduciary of the estate of any minor or other person, with the approval of the court of probate
18 within this state having jurisdiction to authorize the sale of lands and properties within this state
19 of the minor or other person, may before the filing of any petition, agree with the minor or other
20 person for any taking of his or her real property or of his or her interest or estate, and may, upon
21 receiving the amount, release to the agency all claims for damages for the minor or other person
22 for the taking.

23 (q) In case any owner of, or any person having an estate or interest in, the real property
24 fails to file his or her petition, the superior court for the county in which the real property is
25 situated, in its discretion, may permit the filing of the petition within one year subsequent to the
26 year following the time of the deposit in the superior court of the sum of money estimated to be
27 just compensation for the property taken; provided, the person shall have had no actual
28 knowledge of the taking of the land in season to file the petition; and provided, no other person or
29 persons claiming to own the real property or estate or interest shall have been paid the value; and
30 provided, no judgment has been rendered against the agency for the payment of the value to any
31 other person or persons claiming to own the real estate.

32 (r) If any real property or any estate or interest is unclaimed or held by a person or
33 persons whose whereabouts are unknown, after making inquiry satisfactory to the superior court
34 for the county in which the real property lies, the agency, after the expiration of two (2) years

1 from the first publication of the copy of the vote, statement, description, and plat, may petition the
2 court that the value of the estate or interest of the unknown person or persons be determined.
3 After the notice by publication to any person or persons that the court in its discretion may order,
4 and after a hearing on the petition, the court shall fix the value of the estate or interest and shall
5 order the sum to be deposited in the registry of the court in a special account to accumulate for
6 the benefit of the person or persons, if any, entitled to it. The receipt of the clerk of the superior
7 court shall constitute a discharge of the agency from all liability in connection with the taking.
8 When the person entitled to the money deposited shall have satisfied the superior court of his or
9 her right to receive that money, the court shall cause it to be paid over to him or her, with all
10 accumulations thereon.

11 (s) The superior court shall have power to make any orders with respect to encumbrances,
12 liens, taxes, and other charges on the land, if any, as shall be just and equitable.

13 (t) Whenever, in the opinion of the agency, a substantial saving in the cost of acquiring
14 title can be effected by conveying other real property, title to which is in the agency, to the person
15 or persons from whom the estate or interest in real property is being purchased or taken, or by the
16 construction or improvement by the agency of any work or facility upon the remaining real
17 property of the person or persons from whom the estate or interest in real property is being
18 purchased or taken, the agency shall be and hereby is authorized to convey that other real
19 property to the person or persons from whom the estate or interest in real property is being
20 purchased or taken and to construct or improve any work or facility upon the remaining land of
21 the person or persons.

22 (u) At any time during the pendency of any proceedings for the assessment of damages
23 for property or interests taken or to be taken by eminent domain by the agency, or in any appeal
24 of any order entered in any such proceeding, the agency or any owner may apply to the court for
25 an order directing an owner or the agency, as the case may be, to show cause why further
26 proceedings should not be expedited, and the court may upon that application make an order
27 requiring that the hearings proceed and that any other steps be taken with all possible expedition.

28 (v) In the event that an owner of, or a person entitled to any estate or right in, or
29 interested in any part of, the real property taken (a "petitioning party") files a petition with the
30 court challenging the amount that the agency had estimated to be just compensation for the
31 property taken (the "estimated value"), and the final judgment of the court, exclusive of
32 prejudgment interest, is an amount equal to or less than the estimated value, the petitioning party
33 shall be required to pay the reasonable attorneys' fees and expenses incurred by the agency, and
34 the reasonable expert witness fees and expenses incurred by the agency, in defending the

1 estimated value.

2 (w) Chapter 64.12 of title 42 shall not apply to property taken by eminent domain
3 pursuant to § 45-32-24.1 [and § 45-32-24.2](#).

4 SECTION 4. This act shall take effect upon passage.
