2 hereby amended by adding thereto the following section:

3 **16-21-23.2. Threat assessment teams and oversight committees.**

4 (a) Each local school board or committee shall adopt written policies for the
5 establishment of threat assessment teams, including the assessment of and intervention with
6 individuals whose behavior may pose a threat to the safety of school staff or students consistent
7 with the model policies developed by the school safety committee. Such policies shall include
8 procedures for referrals to community services or health care providers for evaluation or

14 (c) Each district superintendent shall establish, for each school, a threat assessment team
