32 termination shall be provided in a clear and conspicuous location on the nonregulated power  
33 producer's internet website, and a method by which a customer without internet access may  
34 cancel service; and

1 (6) Any other information required by the division.

2 (l) Between thirty (30) and sixty (60) days, inclusive, prior to the expiration of a contract

7 option to change the method of notification at any time during the contract.

8 (m) On and after August 1, 2019, no nonregulated power producer shall automatically  
9 renew or cause to be automatically renewed a contract with a residential customer; provided,  
10 however, that a new contract with a residential customer shall be required if the terms for electric-  
11 generation services change from variable to fixed rates, fixed to variable rates, or to a different  
12 fixed rate. [This provision shall not apply to, or otherwise affect, any government body that](#)

14 [3-1.2.](#)

15 (n) No nonregulated power producer shall charge an electric-generation-service rate to a

19 writing and shall conform to any rules that may be promulgated by the division.

20 (o) No third-party agent may sell electric-generation services on behalf of a nonregulated

23 from the nonregulated power producer.

24 (p) All sales and solicitations of electric-generation services by a nonregulated power  
25 producer, aggregator, or agent of a nonregulated power producer or aggregator to a customer  
26 conducted and consummated entirely by United States mail; door-to-door sale; telephone or other  
27 electronic means; during a scheduled appointment at the premises of a customer; or at a fair, trade

32 identification badge stating the name of the person's employer or the nonregulated power  
33 producer the person represents and shall not wear apparel, carry equipment, or distribute  
34 materials that includes the logo or emblem of an electric-distribution company or contains any

1 language suggesting a relationship that does not exist with an electric-distribution company,  
2 government agency, or other supplier.

3 (r) No nonregulated power producer, aggregator, or agent of a nonregulated power  
4 producer or aggregator shall advertise or disclose the price of electricity to mislead a reasonable  
5 person into believing that the electric-generation services portion of the bill will be the total bill  
6 amount for the delivery of electricity to the customer's location, or make any statement, oral or  
7 written, suggesting a prospective customer is required to choose a supplier. When advertising or  
8 disclosing the price for electricity, the nonregulated power producer, aggregator, or agent of a
