RELATING TO DOMESTIC RELATIONS -- UNIFORM LAW ON PATERNITY -- UNIFORM PARENTAGE ACT

Introduced By: Representatives McEntee, Mattiello, Craven, Caldwell, and Shekarchi

Date Introduced: February 12, 2020

Referred To: House Judiciary

It is enacted by the General Assembly as follows:

1	SECTION 1. Chapter 15-8 of the General Laws entitled "Uniform Law on Paternity" is
2	hereby repealed in its entirety.
3	CHAPTER 15-8
4	Uniform Law on Paternity
5	15-8-1. Obligations of the father.
6	The father of a child which is or may be born out of lawful wedlock is liable to the same
7	extent as the father of a child born in lawful wedlock, whether or not the child is born alive, for
8	the reasonable expense of the mother's pregnancy and confinement, and the education, necessary
9	support and maintenance, and medical and funeral expenses of the child and for reasonable
10	counsel fees for the prosecution of paternity proceedings. A child born out of lawful wedlock also
11	includes a child born to a married woman by a man other than her lawful husband.
12	<u>15-8-2. Enforcement.</u>
13	Paternity may be determined upon the complaint of the father, mother, the child, or the
14	public authority chargeable by law with the support of the child. If paternity has been determined
15	or has been acknowledged according to the laws of Rhode Island, the liabilities of the father may
16	be enforced in the same or other proceedings by the mother, the child, or the public authority
17	which has furnished or may furnish the reasonable expenses of pregnancy, confinement,
18	education, necessary support, or funeral expenses, and by other persons, including private

1	agencies, to the extent that they have furnished the reasonable expenses of pregnancy,
2	confinement, education, necessary maintenance and support, or funeral expenses.
3	15-8-3. Presumption of paternity.
4	(a) A man is presumed to be the natural father of a child if:
5	(1) He and the child's natural mother are or have been married to each other and the child
6	is born during the marriage, or within three hundred (300) days after the marriage is terminated
7	by death, annulment, declaration of invalidity, or divorce, or after a decree of separation is
8	entered by a court;
9	(2) Before the child's birth, he and the child's natural mother have attempted to marry
10	each other by a marriage solemnized in apparent compliance with law, although the attempted
11	marriage is or could be declared invalid, and:
12	(i) If the attempted marriage could be declared invalid only by a court, the child is born
13	during the attempted marriage, or within three hundred (300) days after its termination by death,
14	annulment, declaration of invalidity, or divorce; or
15	(ii) If the attempted marriage is invalid without a court order, the child is born within
16	three hundred (300) days after the termination of cohabitation;
17	(3) After the child's birth, he and the child's natural mother have married, or attempted to
18	marry, each other by a marriage solemnized in apparent compliance with law, although the
19	attempted marriage could be declared invalid, and:
20	(i) He has acknowledged his paternity of the child in writing filed with the clerk of the
21	family court;
22	(ii) With his consent, he is named as the child's father on the child's birth certificate; or
23	(iii) He is obligated to support the child under a written voluntary promise or by court
24	order;
25	(4) He acknowledges his paternity of the child in a writing filed with the clerk of the
26	family court, who shall promptly inform the mother of the filing of the acknowledgement, and
27	she does not dispute the acknowledgement, within a reasonable time after being informed, in a
28	writing filed with the clerk of the family court. If another man is presumed under this section to
29	be the child's father, acknowledgement may be effected only with the written consent of the
30	presumed father or after the presumption has been rebutted. The written acknowledgement of
31	paternity shall be admissible as evidence of paternity;
32	(5) He has submitted to blood testing and the results establish a conclusive presumption
33	in accordance with § 15-8-11(e); or
34	(6) A sworn acknowledgment of paternity of a child born out of wedlock is signed by

both parents on forms prescribed in accordance with § 23-3-9, either at the department of human 1 2 services or division of taxation within the department of administration, and is forwarded to the 3 state registrar of vital records for the purpose of amending the birth certificate. Before signing the 4 sworn acknowledgment of paternity, the parents shall be given written notice of their respective 5 rights and responsibilities. The sworn acknowledgment of paternity becomes a conclusive presumption if there is no court challenge to this acknowledgement within sixty (60) days of the 6 signing of this acknowledgment. The only defenses which may be raised to the signing of this 7 8 acknowledgment after the sixty (60) day period are fraud, duress or mistake of fact.

9 (b) Except for a conclusive presumption under subdivisions (a)(5) and (a)(6) of this 10 section, a presumption under this section may be rebutted in an appropriate action only by clear 11 and convincing evidence. If two (2) or more presumptions arise which conflict with each other, 12 the presumption, which on its facts, is founded on the weightier considerations of policy and logic 13 controls. The presumption is rebutted by a court decree establishing paternity of the child by 14 another man.

15

15-8-4. Limitation on recovery from the father.

16 The father's liabilities for past education and necessary support and maintenance are 17 limited to a period of six (6) years next preceding the commencement of an action under the 18 provisions of this chapter.

23 commenced during the lifetime of the father.

(b) This section shall in no way limit the provisions of § 33–1–8, permitting the inheriting
 or transmitting inheritance by a child born out of wedlock.

5 courts of this state as to any action with respect to a child who may have been conceived by that

- 14 Trial shall be by the court.
- 15 <u>15-8-9. Venue.</u>

9

- The action may be brought in the county in which the child or the alleged father resides

 or could be commenced.
- 19 **15-8-10. Time of trial.**

If the issue of paternity is raised in an action commenced during the pregnancy of the
 mother, the trial shall not, without the consent of the alleged father, be held until after the birth or
 miscarriage.

23 <u>15-8-11. Parentage tests.</u>

24 (a) In a proceeding under this chapter before trial, the court, upon application made by or on behalf of any party to the action, and supported by sworn affidavit, or on its own motion, shall 25 26 order that the mother, child, alleged father, and any other party to the action submit to blood or 27 tissue typing tests which may include, but are not limited to, tests of red cell antigens, red cell 28 isoenzymes, human leukocyte antigens, serum proteins, DNA and other genetic testing, to 29 determine whether the alleged father is likely to be, or is not, the father of the child. The sworn 30 affidavit must include a statement alleging paternity and setting forth facts establishing a 31 reasonable possibility of sexual contact during the probable period of conception or a statement 32 denying paternity and setting forth facts establishing a reasonable possibility of the nonexistence 33 of sexual contact during the probable period of conception. In a proceeding to establish paternity 34 and/or support brought pursuant to the Rhode Island state plan for child and spousal support

enforcement, in conformance with title IV, part D of the federal Social Security Act, 42 U.S.C. § 1 2 651 et seq., if the alleged father denies paternity in response to a paternity complaint and provides a sworn affidavit as provided in this section, the division of taxation within the department of 3 4 administration shall have the authority to administratively order the parties to attend a blood or 5 tissue typing test and schedule blood or tissue typing test for the parties, of the type described in this section, without the necessity of making application to the court, and the parties shall attend 6 and submit to a blood or tissue typing test under penalty of default in accordance with § 15-8-7 8 18.1.

9 (b) A blood or tissue typing test shall be made by a person the court determines is
10 qualified as an examiner of blood or tissue types.

(c) The court shall fix or approve the compensation of any expert at a reasonable amount, and may direct the compensation to be paid by the state, or by any other party to the case, or by both, in the proportions and at the times the court prescribes, and that, after payment by a party, all or part or none of the payment shall be taxed as costs in the action. Before the making of a blood or tissue typing test, the court may order any part or all of the compensation paid in advance.

17 (d) The result of a blood or tissue typing test and, if a determination of exclusion of paternity cannot be made, a calculation of the probability of paternity made by a person the court 18 19 determines is qualified as an examiner of blood or tissue types based on the result of a blood or 20 tissue typing test shall be admissible in evidence in the trial of the case. A written report of the 21 test results, including a calculation of the probability of paternity or a determination of exclusion 22 of paternity, prepared by the duly qualified expert conducting the test, or by a duly qualified 23 expert under whose supervision or direction the test and analysis have been performed, certified 24 by an affidavit duly subscribed and sworn to by him or her before a notary public, may be 25 introduced into evidence without the need for foundation testimony or other proof of authenticity or accuracy and without the necessity of calling the expert as a witness, unless an objection 26 27 challenging the test procedures or results has been filed within ten (10) days before any hearing at 28 which the results may be introduced into evidence and a cash bond posted with the registry of the 29 family court in an amount sufficient to cover the costs of the duly qualified expert to appear and testify. 30

31 (e) If the results of the blood or tissue typing tests duly admitted into evidence establish a
 32 ninety seven percent (97%) or greater probability of inclusion that a party is the biological father
 33 of the child, then that probability shall constitute a conclusive presumption of paternity.

34 (f) Any reference to "blood test" in this chapter means blood or tissue typing test.

19	under other laws of the state of Rhode Island or the equitable powers of the courts, except as
20	provided in this chapter.
21	5-8.1-104. Parentage proceeding.
22	(a) A proceeding to adjudicate the parentage of a child shall be maintained in accordance
23	with this chapter and with the family court rules of domestic relations procedure and/or the rules

26	(b) If a complaint is brought by the office of child support services, the complaint shall be
27	accompanied by an affidavit of the parent whose rights have been assigned. In cases where the
28	assignor is not a genetic parent or is a genetic parent who refuses to provide an affidavit, the
29	affidavit may be submitted by the office of child support services, but the affidavit alone shall not
30	support a default judgment on the issue of parentage.
31	(c) Original actions to adjudicate parentage may be commenced in the family court,
32	except that proceedings for orders of parentage under § 15-8.1-804, may be commenced in either

Subject to other provisions of this chapter, a proceeding to adjudicate parentage may be 6 7 maintained by: 8 (1) The child; 9 (2) The individual who gave birth to the child unless a court has adjudicated that the 10 individual is not a parent or the individual is a gestational carrier who is not a parent under article 11 8 of this chapter; 12 (3) An individual whose parentage is to be adjudicated; 13 (4) An individual who is a parent under this chapter; 14 (5) The office of child support services; 15 (6) The department of children, youth and families; or 16 (7) A representative authorized by law to act for an individual who would otherwise be entitled to maintain a proceeding but who is deceased, incapacitated, or a minor. 17 18 5-8.1-106. 1 judgment void. Lack of notice shall not preclude an individual entitled to notice under subsection 2 (a) of this section from bringing a proceeding pursuant to this chapter. 3 (d) Notice of complaints for orders of parentage under § 15-8.1-804 shall be as required 4 in § 15-8.1-804. 5 (e) Donors, as defined in § 15-8.1-102, are not entitled to notice. 6 5-8.1-107. Personal jurisdiction. 7 (a) An individual shall not be adjudicated a parent unless the court has personal 8 jurisdiction over the individual. 9 (b) A court having jurisdiction to adjudicate parentage may exercise personal jurisdiction 10 over a nonresident individual, or the guardian or conservator of the individual, if the conditions 11 prescribed for actions regarding interstate child support, pursuant to § 15-23.1-201 of the 12 Uniform Interstate Family Support Act, are fulfilled. 13 (c) Lack of jurisdiction over one person does not preclude the court from making an 14 adjudication of parentage binding on another individual over whom the court has personal 15 jurisdiction. 16 5-8.1-108. Venue. 17 Venue for a proceeding to adjudicate parentage shall be in the county in which: 18 (1) The child resides or is present or, for purposes of article 7 or 8 of this chapter, is or 19 will be born; 20 (2) Any parent or intended parent resides; 21 (3) The respondent resides or is present if the child does not reside in this state; 22 (4) A proceeding for probate or administration of the parent or alleged parent's estate has 23 been commenced; or 24 (5) A child protection proceeding with respect to the child has been commenced. 25 **5-8.1-109.** Joinder of proceedings. 26 (a) Except as otherwise provided in subsection (b) of this section, a proceeding to 27 adjudicate parentage may be joined with a proceeding for parental rights and responsibilities, 28 parent-child contact, child support, child protection, termination of parental rights, divorce, 29 annulment, legal separation, guardianship, probate or administration of an estate or other 30 appropriate proceeding, or a challenge or rescission of acknowledgment of parentage. Such 31 proceedings shall be in the family court. 32 (b) A respondent may not join a proceeding set forth in subsection (a) of this section with a proceeding to adjudicate parentage brought as part of an interstate child support enforcement 33 action under § 15-23.1-201 of the Uniform Interstate Family Support Act. 34

1	<u>5-8.1-110. Orders.</u>
2	(a) In a proceeding under this chapter, the court may issue an interim order for support of
3	a child in accordance with the child support guidelines under § 15-5-16.2 and as established by

5	(1) A presumed, acknowledged, or adjudicated parent of the child;
6	(2) Petitioning to have parentage adjudicated;
7	(3) Identified as the genetic parent through genetic testing under article 6 of this chapter;
8	(4) An alleged genetic parent who has declined to submit to genetic testing;
9	(5) Shown by a preponderance of evidence to be a parent of the child;
10	(6) The individual who gave birth to the child, other than a gestational carrier; or
11	(7) A parent under this chapter.
12	(b) In a proceeding under this chapter, the court may make an interim order regarding
13	parental rights and responsibilities on a temporary basis.
14	(c) Final orders concerning child support or parent rights and responsibilities shall be
15	governed by title 15.
16	5-8.1-111. Admission of parentage authorized.
17	(a) A respondent in a proceeding to adjudicate parentage may admit parentage of a child
18	when making an appearance or during a hearing in a proceeding involving the child or by filing a
19	pleading to such effect. An admission of parentage pursuant to this section is different from an
20	acknowledgment of parentage, as provided in article 3 of this chapter.
21	(b) If the court finds an admission to be consistent with the provisions of this chapter and
22	rejects any objection filed by another party, the court may issue an order adjudicated the child to
23	be the child of the individual admitting parentage.
24	5-8.1-112. Order on default.
25	The court may issue an order adjudicating the parentage of an individual who is in
26	default, provided that:
27	(1) The individual was served with notice of the proceeding; and
28	(2) The individual is found by the court to be the parent of the child based on a
29	preponderance of the evidence.
30	5-8.1-113. Order adjudicating parentage.
31	(a) In a proceeding under this chapter, the court shall issue a final order adjudicating
32	whether a person alleged or claiming to be a parent is the parent of a child.
33	(b) A final order under subsection (a) of this section, shall identify the child by name and
34	date of birth.

1 (c) On request of a party and for good cause shown, the court may order that the name of 2 the child be changed. (d) If the final order under subsection (a) of this section, is at variance with the child's 3 4 birth certificate, the department of health, division of vital statistics, shall issue an amended birth 5 certificate. 5-8.1-114. Binding effect of determination of parentage. 6 7 (a) Except as otherwise provided in subsection (b) of this section, a determination of 8 parentage shall be binding on: 9 (1) All signatories to an acknowledgment form of parentage or denial of parentage, as 10 provided in article 3 of this chapter; and 11 (2) All parties to an adjudication by a court acting under circumstances that satisfy the 12 jurisdictional requirements of § 15-8.1-107. 13 (b) In a proceeding to dissolve a marriage, the court is deemed to have made an 14 adjudication of the parentage of a child if: 15 (1) The court acts under circumstances that satisfy the jurisdictional requirements of § 16 15-8.1-107; and 17 (2) The final order: (i) Expressly identified a child as a "child of the marriage" or "issue of the marriage" or 18 19 by similar words indicates that the parties are the parents of the child; or 20 (ii) Provides for support of the child by the parent or parents. 21 (c) Except as otherwise provided in this chapter, a determination of parentage shall be a 22 defense in a subsequent proceeding seeking to adjudicate parentage by a person who was not a 23 party to the earlier proceeding. 24 (d) Appeal of adjudication. 25 (1) A party to an adjudication of parentage or a party who received notice under § 15-8.1-26 106, may challenge the adjudication only by appeal or in a manner otherwise consistent with the 27 rules governing a collateral attack on a judgment. 28 (2) An individual who has standing under § 15-8.1-105, but who did not receive notice of 29 the adjudication of parentage under § 15-8.1-106, and was not a party to the adjudication, may 30 challenge the adjudication within two (2) years after the effective date of the adjudication. The 31 court, in its discretion, shall permit the proceeding only if it finds that it is in the best interests of 32 the child. If the court permits the proceeding, the court shall adjudicate parentage under § 15-8.1-206. 33 34 (e) An appeal of an acknowledgment by a nonsignatory shall be provided in article 3 of

1	this chapter.
2	(f) A child shall not be bound by a determination of parentage under this chapter unless:
3	(1) The determination was based on an unrescinded acknowledgment of parentage and
4	the acknowledgment is consistent with the results of genetic testing;
5	(2) The determination was based on a finding consistent with the results of genetic
6	testing;
7	(3) The determination of parentage was made under article 7 or 8 of this chapter; or
8	(4) The child was a party or was represented by an attorney, guardian ad litem, or similar
9	individual in the proceeding in which the child's parentage was adjudicated.
10	5-8.1-115. Full faith and credit.
11	This state shall give full faith and credit to a determination of parentage and to an
12	acknowledgment of parentage from another state if the determination or acknowledgment is valid
13	and effective in accordance with the law of the other state.
14	Article 2. Establishment of Parentage.
15	5-8.1-201. Recognized parents.
16	A person may establish parentage by any of the following:
17	(1) Giving birth to the child, except as otherwise provided in article 8 of this chapter;
18	(2) Adoption of the child pursuant to chapter 7 of title 15;
19	(3) An effective voluntary acknowledgment of parentage under article 3 of this chapter;
20	(4) An adjudication of parentage under this chapter, including adjudications based on an
21	admission of parentage under § 15-8.1-111;
22	(5) A presumption of parentage under article 4 of this chapter, unless the presumption is
23	overcome in a judicial proceeding or a valid denial of parentage is made under article 3 of this
24	<u>chapter.</u>
25	(6) An adjudication of de facto parentage under article 5 of this chapter;
26	(7) An adjudication that an alleged genetic parent is a parent under article 6 of this
27	<u>chapter;</u>
28	(8) Consent to assisted reproduction under article 7 of this chapter; or
29	(9) Establishment of parentage under article 8 of this chapter.
30	5-8.1-202. Nondiscrimination.
31	Every child has the same rights under law as any other child without regard to the marital
32	status or gender of the parents or the circumstances of the birth of the child.
33	5-8.1-203. Consequences of establishment of parentage.
34	Unless parentage has been terminated by a court order or an exception has been stated

1	explicitly in this chapter, parentage established under this chapter applies for all purposes,
2	including the rights and duties of parentage under the law.
3	5-8.1-204. Determination of maternity and paternity.
4	Provisions of this chapter relating to determination of paternity may apply to
5	determination of maternity as needed to determine parentage consistent with this chapter.
6	5-8.1-205. No limitation on child.
7	Nothing in this chapter limits the right of a child to bring an action to adjudicate
8	parentage.
9	5-8.1-206. Adjudicating competing claims of parentage.
10	(a) In a proceeding to adjudicate competing claims of parentage or challenges to a child's
11	parentage by two (2) or more persons, the court shall adjudicate parentage in the best interests of
12	the child, based on the following factors:
13	(1) The age of the child;
14	(2) The length of time during which each individual assumed the role of parent of the
15	<u>child;</u>
16	(3) The nature of the relationship between the child and each individual:
17	(4) The harm to the child if the relationship between the child and each individual is not
18	recognized:
19	(5) The basis for each individual's claim to parentage of the child;
20	(6) Other considerations arising from the disruption of the relationship between the child
21	and each individual or the likelihood of other harm to the child; and
22	(7) Other equitable factors that the court deems relevant to the child's best interests.
23	(b) If a person challenges parentage based on the results of genetic testing, in addition to
24	the factors listed in subsection (a) of this section, the court shall consider:
25	(1) The facts surrounding the discovery the individual might not be the genetic parent of
26	the child; and
27	(2) The length of time between that of the time the individual was placed on notice that
28	the individual might not be a genetic parent and the commencement of the proceeding.
29	(c) Consistent with the establishment of parentage under this chapter, a court may
30	determine that a child has more than two (2) parents if the court finds that the failure to recognize
31	more than two (2) parents would be detrimental to the child. A finding of detriment to the child
32	does not require a finding of unfitness of any parent or individual seeking an adjudication of
33	parentage. In determining detriment to the child, the court shall consider all relevant factors
34	including the harm if the child is removed from a stable placement with an individual who has

1 fulfilled the child's physical needs and psychological needs for care and affect and has assumed 2 the role for a substantial period. 3 Article 3. Voluntary Acknowledgment of Parentage. 4 15-8.1-301. Acknowledgment of parentage. 5 (a) The following individuals may sign an acknowledgment of parentage to establish parentage of a child: 6 7 (1) An individual who gave birth to the child; 8 (2) An individual who is the alleged genetic parent of the child; 9 (3) An individual who is an intended parent of the child under § 15-8.1-703; and 10 (4) A presumed parent under article 4 of this chapter. 11 (b) The acknowledgment shall be signed by both the individual who gave birth to the 12 child and by the individual seeking to establish a parent-child relationship and shall be witnessed 13 and signed by at least one other individual and shall contain the following provisions: 14 (1) A statement that the child whose parentage is being acknowledged does not have a 15 presumed parent other than the individual seeking to establish the parent-child relationship or has 16 a presumed parent whose full name is stated and does not have another acknowledged, 17 adjudicated or "intended" parent under Articles 3, 7 and 8 of this chapter. 18 (2) A statement that the signatories understand that the acknowledgment is the equivalent 19 of an adjudication of parentage of the child and that a challenge to the acknowledgment by the 20 parties is barred two (2) years after the effective date of the acknowledgment unless there is 21 another presumed parent or genetic parent who could not reasonably have known about the birth 22 of the child and commences a proceeding under this section within two (2) years after learning of 23 the child's birth. 24 15-8.1-302. Acknowledgment of parentage void. An acknowledgment of parentage shall be void if, at the time of signing: 25 26 (1) An individual other than the individual seeking to establish parentage is a presumed 27 parent, unless a denial of parentage in a signed record has been filed with the state registrar for 28 vital records; or 29 (2) An individual, other than the individual who gave birth, is an acknowledged or 30 adjudicated parent, or an intended parent under article 7 or 8 of this chapter. 31 15-8.1-303. Denial of Parentage. 32 (a) An individual presumed to be a parent or an alleged genetic parent may sign a denial of parentage only in the limited circumstances set forth in this section. 33 34

1 (1) An acknowledgment of parentage by another individual has been filed pursuant to this 2 chapter; 3 (2) The denial is in a record and is witnessed and signed by at least one other individual; 4 and 5 (3) The presumed or alleged genetic parent executing the denial has not previously: (i) Acknowledged parentage, unless the previous acknowledgment has been rescinded 6 7 pursuant to § 15-8.1-307, or successfully challenged the acknowledgment pursuant to § 15-8.1-8 308; or 9 (ii) Been adjudicated to be the parent of the child. 10 15-8.1-304. Conditions for acknowledgment or denial of parentage. 11 (a) Completed forms for acknowledgment of parentage and denial of parentage shall be 12 filed with the state registrar for vital records. 13 (b) An acknowledgment of parentage or denial of parentage may be signed before or after 14 the birth of a child. 15 (c) An acknowledgment of parentage or denial of parentage takes effect on the date of the 16 birth of the child or the filing of the document with the department of vital records, whichever 17 occurs later. (d) An acknowledgment of parentage or denial of parentage signed by a minor shall be 18 19 valid provided it is otherwise in compliance with this chapter. 20 15-8.1-305. Equivalent to adjudication, no ratification required. 21 (a) Except as otherwise provided in §§ 15-8.1-307 and 15-8.1-308, a valid 22 acknowledgment of parentage under § 15-8.1-301, filed with the department of vital records, is 23 equivalent to an adjudication of parentage of a child and confers upon the acknowledged parent 24 all of the rights and duties of a parent. 25 (b) Judicial or administrative ratification is neither permitted nor required for an 26 unrescinded or unchallenged acknowledgment of parentage. (c) Except as otherwise provided in §§ 15-8.1-307 and 15-8.1-308, a valid denial of 27 28 parentage under § 15-8.1-303, filed with the department of vital records, in conjunction with a 29 valid acknowledgment of parentage under § 15-8.1-301, is equivalent to an adjudication of the 30 non-parentage of the presumed parent or alleged genetic parent and discharges the presumed 31 parent or alleged genetic parent from all rights and duties of a parent. 32 (d) A signatory of an acknowledgment of parentage may rescind or challenge the acknowledgment in accordance with §§ 15-8.1-307 through 15-8.1-309. 33 34 15-8.1-306. Waiver of filing Fee.

1	If an acknowledgment of parentage or denial of parentage is filed at a hospital,
2	contemporaneously with birth, the department of health shall not charge a filing fee.
3	15-8.1-307. Timing of rescission.
4	(a) A signatory may rescind an acknowledgment of parentage or denial of parentage
5	under this chapter, for any reason, by either of the following methods:
6	(1) Filing a rescission with the department of vital records in a signed record, which shall
7	be notarized, before the earlier of:
8	(i) Sixty (60) days after the effective date of the acknowledgment or denial, as provided
9	in § 15-8.1-304; or (ii) The date of the first hearing before a court in a proceeding, to which the
10	signatory is a party, to adjudicate an issue relating to the child, including a proceeding that
11	establishes support.
12	(2) Commencing a court proceeding before the earlier of:
13	(i) Sixty (60) days after the effective date of the acknowledgment or denial, as provided
14	in § 15-8.1-304; or (ii) The date of the first hearing before a court in a proceeding, to which the
15	signatory is a party, to adjudicate an issue relating to the child, including a proceeding that
16	establishes child support.
17	(b) If an acknowledgment of parentage is rescinded under this section, any associated
18	denial of parentage becomes invalid, and the department of human services shall notify:
19	(1) The individual who gave birth to the child;
20	(2) Any individual who signed a denial of parentage of the child; and
21	(3) The department of vital records that the acknowledgment of parentage has been
22	rescinded. Failure to provide notice as required by this section does not affect the validity of the
23	rescission.
24	15-8.1-308. Challenge to acknowledgment after expiration of period for rescission.
25	(a) After the period for rescission under § 15-8.1-307 has expired, a signatory of an
26	acknowledgment of parentage or denial of parentage may commence a proceeding to challenge
27	the acknowledgment or denial only:
28	(1) On the basis of fraud, duress, coercion, threat of harm, or material mistake of fact; and
29	(2) Within two (2) years after the acknowledgment or denial is effective in accordance
30	with § 15-8.1-304.
31	(b) If an acknowledgment of parentage has been made in accordance with this chapter, an
32	individual who is neither the child nor a signatory to the acknowledgment who seeks to challenge
33	the validity of the acknowledgment and adjudicate parentage shall commence a proceeding within
34	two (2) years after the effective date of the acknowledgment unless the individual did not know

1 and could not reasonably have known of the individual's potential parentage due to a material 2 misrepresentation or concealment, in which case the proceeding shall be commenced within two 3 (2) years after the discovery of the individual's potential parentage. An individual under this 4 section who seeks to challenge the validity of an acknowledgment and adjudicate parentage must have standing under § 15-8.1-105. The court may permit the proceeding only if the court finds 5 that the proceeding is in the best interests of the child. If the court permits the proceeding, the 6 7 court shall adjudicate parentage under § 15-8.1-206. 8 (c) An individual challenging an acknowledgment of parentage or denial of parentage 9 pursuant to this section has the burden of proof by clear and convincing evidence. 10 (d) A court proceeding in which the validity of an acknowledgment of parentage is 11 challenged shall be consolidated with any other pending court actions regarding the child. 12 15-8.1-309. Procedure for rescission or challenge. 13 (a) Every signatory to an acknowledgment of parentage and any related denial of 14 parentage shall be made a party to a proceeding to judicially rescind an acknowledgment under § 15 15-8.1-307(a)(2) or a challenge to the acknowledgment or denial under § 15-8.1-308. 16 (b) For the purposes of a judicial rescission under § 15-8.1-307(a)(2) or a challenge to an 17 acknowledgment of parentage or denial of parentage under § 15-8.1-308, a signatory submits to 18 personal jurisdiction of this state by signing the acknowledgment or denial, effective upon the 19 filing of the document with the department of vital records pursuant to § 15-8.1-304. 20 (c) Except for good cause shown, during the pendency of a proceeding to judicially 21 rescind under § 15-8.1-307(a)(2) or challenge an acknowledgment of parentage or denial of parentage under § 15-8.1-308, the court shall not suspend the legal responsibilities of a signatory 22 23 arising from the acknowledgment, including the duty to pay child support. 24 (d) A proceeding to challenge an acknowledgment of parentage or denial of parentage 25 under § 15-8.1-308 shall be conducted as a proceeding to adjudicate parentage pursuant to article 26 <u>1 of this chapter.</u> 27 (e) At the conclusion of a proceeding to rescind or challenge an acknowledgment of 28 parentage or denial of parentage, the court shall order the department of vital records to amend the birth record of the child, if appropriate. 29 30 15-8.1-310. Forms for acknowledgment and denial of parentage. 31 (a) The department of vital records shall develop an acknowledgment of parentage form 32 and denial of parentage form for execution of parentage under this chapter. 33 (b) The acknowledgment of parentage form shall provide notice of the alternatives to, the legal consequences of, and the rights and responsibilities that arise from signing the 34

- 1 acknowledgment and shall state that: 2 (1) There is no other presumed parent of the child or, if there is another presumed parent, 3 shall state that parent's full name; 4 (2) There is no other acknowledged parent, adjudicated parent, or individual who is an 5 intended parent under articles 7 or 8 of this chapter other than the individual who gave birth to the child; and 6 7 (3) The signatories understand that the acknowledgment is the equivalent of a court 8 adjudication of parentage of the child and that a challenge to the acknowledgment is permitted 9 only under limited circumstances. 10 (c) A valid acknowledgment of parentage or denial of parentage is not affected by a later 11 modification of the prescribed form. 12 15-8.1-311. Release of information. 13 The department of health may release information relating to an acknowledgment of 14 parentage under § 15-8.1-301, as set forth in § 23-3-23. 15 15-8.1-312. Adoption of rules. 16 The department of health shall promulgate rules and regulation to implement this chapter. 17 **Article 4. Presumed Parentage.** 15-8.1-401. Presumption of parentage. 18 19 (a) Except as otherwise provided in this chapter, an individual is presumed to be a parent 20 of a child if: 21 (1) The individual and the individual who gave birth to the child are married to each other and the child is born during the marriage; 22 23 (2) The individual and the individual who gave birth to the child were married to each 24 other and the child is born not later than three hundred (300) days after the marriage is terminated by death, annulment, declaration of invalidity, divorce, or dissolution; 25 26 (3) The individual and the individual who gave birth to the child married each other after 27 the birth of the child and the individual at any time asserted parentage of the child and the 28 individual agreed to be and is named as a parent of the child on the birth certificate of the child; 29 (4) The individual resided in the same household with the child, and the individual and 30 another parent of the child openly held out the child as that person's own from the time the child 31 was born or adopted and for a period of two (2) years thereafter, including periods of temporary 32 absence, and assumed personal, financial or custodial responsibilities for the child; or 33 (5) The individual resided with the birth parent and entered into an agreement with the
- 34 birth parent to have a child through assisted reproduction and to assume all the duties and

- 1 responsibilities of parentage, to raise the child together as co-parents, and consented to be named
- 2 <u>as a parent on the child's birth certificate.</u>
- 3 (b) A presumption of parentage shall be rebuttable and may be overcome, and competing
- 4 claims to parentage resolved only by court order under this chapter or a valid denial of parentage
- 5 pursuant to article 3 of this chapter.
- 6

15-8.1-402. Challenge to presumed parent.

- 7 (a) Except as provided in subsection (b) of this section, a proceeding to challenge the
- 8 parentage of an individual whose parentage is presumed under § 15-8.1-401, shall be commenced
- 9 within two (2) years after the birth of the child.
- 10 (b) A proceeding to challenge the parentage of an individual whose parentage is
- 11 presumed under § 15-8.1-401, may be commenced two (2) years or more after the birth of the
- 12 <u>child in the following circumstances:</u>
- 13 (1) A presumed parent who is not the genetic parent of a child and who could not
- 14 reasonably have known about the birth of the child may commence a proceeding under this
- 15 <u>section within two (2) years after learning of the child's birth.</u>
- 16 (2) An alleged genetic parent who did not know of the potential genetic parentage of a
- 17 child and who could not reasonably have known on account of material misrepresentation or
- 18 concealment may commence a proceeding under this section within two (2) years after
- 19 <u>discovering the potential genetic parentage.</u>
- 20 If the person is adjudicated to be the genetic parent of the child, the court may not
- 21 disestablish a presumed parent.
- 22 (3) Regarding a presumption under § 15-8.1-401(a)(4), another parent of the child may
- 23 challenge a presumption of parentage if that parent openly held out the child as the presumptive
- 24 parent's child due to duress, coercion, or threat of harm. Evidence of duress, coercion, or threat of
- 25 harm may include whether within the prior ten (10) years, the person presumed to be a parent
- 26 pursuant to § 15-8.1-401(a)(4), has been convicted of domestic assault, sexual assault, or sexual
- 27 exploitation of the child or another parent of the child, was subject to a final abuse protection
- 28 order pursuant to chapter 15 of title 15, because the person was found to have committed abuse
- 29 against the child or another parent of the child, or was substantiated for abuse against the child or
- 30 <u>another parent of the child pursuant to § 11-9-5.3.</u>
- 31 (c) Challenges under this subsection shall be addressed pursuant to §15-8.1-206.
- 32 <u>15-8.1-403. Multiple presumptions or conflicting claims.</u>
- 33 (a) If two (2) or more conflicting presumptions arise under this chapter, the court shall
- 34 <u>adjudicate parentage pursuant to § 15-8.1-206.</u>

1	(b) If in a proceeding to adjudicate a presumed parent's parentage of a child, another
2	individual, in addition to the individual who gave birth to the child, asserts a claim to parentage of
3	the child, the court shall adjudicate parentage pursuant to § 15-8.1-206.
4	Article 5. De Facto Parentage
5	<u>15-8.1-501. Adjudication.</u>
6	(a)(1) In a proceeding to adjudicate the parentage of an individual who claims to be a de
7	facto parent of the child, if there is only one other individual who is a parent or has a claim to
8	parentage of the child, the court shall adjudicate the individual who claims to be a de facto parent
9	to be a parent of the child if the individual demonstrates by clear and convincing evidence that:
10	(i) The individual resided with the child as a regular member of the child's household for
11	a significant period of time;
12	(ii) The individual engaged in consistent caretaking of the child;
13	(iii) The individual undertook full and permanent responsibilities of a parent of the child
14	without expectation of financial compensation;
15	(iv) The individual held out the child as the person's child;
16	(v) The individual established a bonded and dependent relationship with the child which
17	is parental in nature;
18	(vi) The individual and another parent of the child fostered or supported the bonded and
19	dependent relationship required under subsection (a)(1)(v) of this section; and
20	(vii) Continuing the relationship between the individual and the child is in the best
21	interests of the child.
22	(2) A parent of the child may use evidence of duress, coercion, or threat of harm to
23	contest an allegation that the parent fostered or supported a bonded and dependent relationship as
24	provided in subsection (a)(1)(vi) of this section.
25	Such evidence may include whether within the prior ten (10) years, the individual seeking
26	to be adjudicated a de facto parent has been convicted of domestic assault, sexual assault, or
27	sexual exploitation of the child or another parent of the child, was subject to a final abuse
28	protection order pursuant to chapter 15 of title 15, because the individual was found to have
29	committed abuse against the child or another parent of the child, or was substantiated for abuse
30	against the child or another parent of the child pursuant to chapter 11 of title 40.
31	(b) In a proceeding to adjudicate the parentage of an individual who claims to be a de
32	facto parent of the child, if there is more than one other individual who is a parent or has a claim
33	to parentage of the child and the court determines that the requirements of subsection (a) of this
34	section are met by clear and convincing evidence, the court shall adjudicate parentage under § 15-

1 <u>8.1-206, subject to other applicable limitations in this chapter.</u>

2	(c) The adjudication of an individual as a de facto parent under this chapter does not
3	disestablish the parentage of any other parent.
4	<u>15-8.1-502. Complaint.</u>
5	(a) An individual seeking to be adjudicated a de facto parent of a child shall file a
6	complaint with the family court before the child reaches eighteen (18) years of age. Both the
7	individual seeking to be adjudicated a de facto parent and the child must be alive at the time of
8	the filing. The complaint shall include a verified affidavit alleging facts to support the existence
9	of a de facto parent relationship with the child. The complaint and affidavit shall be served on all
10	parents and legal guardians of the child and any other party to the proceeding.
11	(b) An adverse party, parent, or legal guardian may file a pleading and verified affidavit
12	in response to the petition that shall be served on all parties to the proceeding.
13	(c) The court shall determine on the basis of the pleadings and affidavits whether the
14	person seeking to be adjudicated a de facto parent has presented prima facie evidence of the
15	criteria for de facto parentage as provided in § 15-8.1-501(a) and, therefore, has standing to
16	proceed with a parentage action. The court, in its sole discretion, may hold a hearing to determine
17	disputed facts that are necessary and material to the issue of standing.
18	(d) The court may enter an interim order concerning contact between the child and an
19	individual with standing seeking adjudication under this chapter as a de facto parent of the child.
20	Article 6. Genetic Parentage
21	<u>15-8.1-601. Scope.</u>
22	This chapter governs procedures and requirements of genetic testing and genetic testing
23	results of an individual to determine parentage and adjudication of parentage based on genetic
24	testing, whether the individual voluntarily submits to testing or is tested pursuant to an order of
25	the court or an administrative agency.
26	Genetic testing shall not be used to challenge the parentage of an individual who is a
27	parent under articles 7 or 8 of this chapter or to establish the parentage of an individual who is a
28	donor.
29	15-8.1-602. Requirements for genetic testing.
30	Genetic testing shall be of a type reasonably relied upon by scientific and medical experts
31	in the field of genetic testing and performed in a testing laboratory accredited by a national
32	association of blood banks or an accrediting body designated by the secretary of the U.S.
33	Department of Health and Human Services (HHS).
34	15-8.1-603. Authority to order or deny genetic testing.

1 (a) Except as otherwise provided in this chapter, in a proceeding pursuant to this chapter 2 to determine parentage, the court shall order the child and any other individual to submit to 3 genetic testing if a request for testing is supported by the sworn statement of a party: 4 (1) Alleging a reasonable possibility that the individual is the child's genetic parent; or 5 (2) Denying genetic parentage of the child and stating facts establishing a reasonable possibility that the individual is not a genetic parent. 6 7 (b) Prior to a proceeding to establish genetic parentage and/or support in conformance 8 with the state's obligations under Chapter IV, Part D of the federal Social Security Act, 42 U.S.C. 9 § 651 et seq., if the alleged genetic parent in response to a complaint supported by a sworn 10 affidavit, filed by the office of child support services, denies parentage, the office of child support 11 services shall have the authority to administratively order the parties to undergo genetic testing as 12 described above, without the necessity of making application to the court, and the parties shall 13 attend and submit to genetic testing under penalty of default. 14 (c) The office of child support services may order genetic testing only if there is no 15 presumed, acknowledged, or adjudicated parent of a child other than the individual who gave 16 birth to the child. 17 (d) The court or office of child support services shall not order in utero genetic testing. 18 (e) If two (2) or more individuals are subject to court-ordered genetic testing, the court 19 may order that testing be completed concurrently or sequentially. 20 (f) Genetic testing of an individual who gave birth to a child is not a condition precedent 21 to testing of the child and an individual whose genetic parentage of the child is being determined. 22 If the individual who gave birth is unavailable or declines to submit to genetic testing, the court 23 may order genetic testing of the child and each individual whose genetic parentage of the child is 24 being adjudicated. 25 (g) In a proceeding to adjudicate parentage of a child having an acknowledged, 26 adjudicated, de facto, presumed parent or intended parent, the court may deny a motion seeking 27 an order for genetic testing or deny admissibility of the test results at trial if it determines that: 28 (1) The conduct of the parties estops a party from denying parentage; or (2) It would be an inequitable interference with the relationship between the child and an 29 30 acknowledged, adjudicated, de facto, presumed, or intended parent, or would otherwise be 31 contrary to the best interests of the child as provided in subsection (h) of this section. 32 (h) In determining whether to deny a motion seeking an order for genetic testing under this chapter or a request for admission of such test results at trial, the court shall consider the best 33 34 interests of the child, including the following factors, if relevant:

1	(1) The length of time between the proceeding to adjudicate parentage and the time that a
2	parent was placed on notice that genetic parentage is at issue;
3	(2) The length of time during which the parent has assumed a parental role for the child;
4	(3) The facts surrounding discovery that genetic parentage is at issue;
5	(4) The nature of the relationship between the child and the parent;
6	(5) The age of the child;
7	(6) Any adverse effect on the child that may result if parentage is successfully disproved;
8	(7) The nature of the relationship between the child and any alleged parent;
9	(8) The extent to which the passage of time reduces the chances of establishing the
10	parentage of another individual and a child support obligation in favor of the child; and
11	(9) Any additional factors that may affect the equities arising from the disruption of the
12	relationship between the child and the parent or the chance of an adverse effect on the child.
13	15-8.1-604. Genetic testing results.
14	(a) An individual shall be identified as a genetic parent of a child if the genetic testing of
15	the individual complies with this chapter and the results of testing disclose that the individual has
16	at least a ninety-nine percent (99%) probability of parentage as determined by the testing
17	laboratory.
18	(b) Identification of a genetic parent through genetic testing does not establish parentage
19	absent adjudication under this chapter and a court may rely on nongenetic evidence to determine
20	parentage, including parentage by acknowledgment pursuant to article 3 of this chapter or by
21	admission pursuant to § 15-8.1-111, presumed parentage under article 4 of this chapter, de facto
22	parentage under article 5 of this chapter, and parentage by intended parents under articles 7 or 8
23	of this chapter.
24	(c) An individual identified under subsection (a) of this section as a genetic parent of a
25	child may rebut the genetic testing results only by other genetic testing satisfying the
26	requirements of this chapter that:
27	(1) Excludes the individual as a genetic parent of the child; or
28	(2) Identifies an individual, other than the individual who gave birth to the child, as a
29	possible genetic parent of the child.
30	15-8.1-605. Report of genetic testing.
31	(a) A report of genetic testing shall be in a record and signed under the penalty of perjury
32	by a designee of the testing laboratory. A report made under the requirements of this chapter is
33	self-authenticating.
34	(b) A party in possession of results of genetic testing shall provide such results to all

1 other parties to the parentage action upon receipt of the results and not later than fifteen (15) days 2 before any hearing at which the results may be admitted into evidence. 3 15-8.1-606. Admissibility of results of genetic testing. 4 (a) Unless waived by the parties, a party intending to rely on the results of genetic testing 5 shall do all of the following: (1) Make the test results available to the other parties to the parentage action at least 6 7 fifteen (15) days prior to any hearing at which the results may be admitted into evidence; 8 (2) Provide notice to the court and other parties to the proceeding of the intent to use the 9 test results at the hearing; and 10 (3) Provide the other parties notice of this statutory section, including the need to object 11 in a timely fashion. 12 (b) Any motion objecting to genetic test results shall be made in writing to the court and 13 to the party intending to introduce the evidence at least seven (7) days prior to any hearing at 14 which the results may be introduced into evidence. If no timely objection is made, the written 15 results shall be admissible as evidence without the need for foundation testimony or other proof 16 of authenticity or accuracy. 17 (c) If a child has a presumed parent, acknowledged parent, de facto parent, or adjudicated parent, the results of genetic testing shall be admissible to adjudicate parentage only: 18 19 (1) With the consent of each individual who is a parent of the child under this chapter, 20 unless the court finds that admission of the testing is in the best interests of the child as provided 21 in § 15-8.1-603(h); or 22 (2) Pursuant to an order of the court under § 15-8.1-603. 23 15-8.1-607. Additional genetic testing. 24 The court shall order additional genetic testing upon the request of a party who contests the result of the initial testing. If the initial genetic testing identified an individual as a genetic 25 parent of the child under § 15-8.1-604, the court shall not order additional testing unless the party 26 27 provides advance payment for the testing. 15-8.1-608. Adjudication of parentage of child with alleged genetic parent. 28 29 (a)(1) If genetic testing results, pursuant to § 15-8.1-604, exclude an individual as the 30 genetic parent of a child, the court shall find that individual is not a genetic parent of the child and 31 may not adjudicate the individual as the child's parent on the basis of genetic testing. 32 (2) If genetic testing results, pursuant to § 15-8.1-604, identify an individual as the genetic parent of a child and the only other individual with a claim to parentage of the child is the 33 individual who gave birth to the child, the court shall find that individual to be the genetic parent 34

1 and may adjudicate the individual as the child's parent if the alleged genetic parent: 2 (i) Is identified under § 15-8.1-604 as a genetic parent of the child and the identification is not successfully rebutted under § 15-8.1-604; 3 4 (ii) Admits parentage in a pleading, when making an appearance, or during a hearing, the 5 court accepts the admission, and the court determines the alleged genetic parent to be a parent of 6 the child; 7 (iii) Declines to submit to genetic testing ordered by the court or the office of child 8 support services, in which case the court may adjudicate the alleged genetic parent to be a parent 9 of the child even if the alleged genetic parent denies a genetic relationship with the child; 10 (iv) Is in default after service of process and the court determines the alleged genetic 11 parent to be a parent of the child; or 12 (v) Is neither identified nor excluded as a genetic parent by genetic testing and, based on 13 other evidence, the court determines the alleged genetic parent to be a parent of the child. 14 (3) Subject to other limitations in this chapter, if in a proceeding involving an alleged 15 genetic parent, at least one other individual in addition to the individual who gave birth to the 16 child has a claim of parentage of the child, the court shall adjudicate parentage under § 15-8.1-17 206. 18 15-8.1-609. Costs of genetic testing. 19 (a) The costs of initial genetic testing shall be paid: 20 (1) By the office of child support services in a proceeding in which the office is providing 21 services, if the office requests such testing; 22 (2) As agreed by the parties or, if the parties cannot agree, by the individual who made 23 the request for genetic testing; or 24 (3) As ordered by the court. 25 (b) Notwithstanding subsection (a) of this section, an individual who challenges a 26 presumption, acknowledgment, or admission of parentage shall bear the cost for any genetic 27 testing requested by such individual. 28 (c) In cases in which the payment for the costs of initial genetic testing is advanced 29 pursuant to subsection (a) of this section, the office of child support services may seek 30 reimbursement from the genetic parent whose parent-child relationship is established. 31 15-8.1-610. Deceased individual. 32 For good cause shown, the court may order genetic testing of a deceased individual. 15-8.1-611. Confidentiality of genetic testing. 33 34 (a) A report of genetic testing for parentage is exempt from public inspection and copying

1 pursuant to chapter 2 of title 38 ("access to public records act"), and shall be kept confidential and 2 released only as provided in this chapter. 3 (b) An individual shall not intentionally release a report of genetic testing or the genetic 4 material of another individual for a purpose not relevant to a parentage proceeding without the 5 written permission of the individual who furnished the genetic material. An individual who violates this section shall be imprisoned not more than one year, or fined not more than one 6 thousand dollars (\$1,000), or both. 7 8 15-8.1-612. Precluding establishment of parentage by perpetrator of sexual assault. 9 (a) In a proceeding in which a person is alleged to have committed a sexual assault that 10 resulted in the birth of a child, the person giving birth may seek to preclude the establishment of 11 the other person's parentage. 12 (b) This section shall not apply if the person alleged to have committed a sexual assault 13 has previously been adjudicated to be a parent of the child. 14 (c) A complaint under this section must be preceded by the arrest and chare of the person 15 alleged to have committed a sexual assault in violation of §§ 11-37-2 or 11-37-8.1 on the plaintiff 16 that resulted in the birth of the child. 17 (d) In a parentage proceeding, the person giving birth may file a complaint, making an 18 allegation under subsection (a) of this section at any time within two (2) years of the alleged 19 sexual assault that resulted in the birth of the child. 20 (e) During the pendency of proceedings on this complaint, the court may enter temporary 21 orders regarding the defendant's custody, contact and visitation with the child. 22 (f) The standard of proof that a child was conceived as a result of the person sexually 23 assaulting the person who gave birth to the child may be proven by the plaintiff by clear and 24 convincing evidence that the person was convicted of a sexual assault against the person giving 25 birth and that the child was conceived as a result of the sexual assault. 26 (g) If the court finds that the burden of proof under subsection (f) of this section is met, 27 the court shall enter an order: 28 (1) Adjudicating that the person alleged to have committed the sexual assault is not a 29 parent of the child and not entitled to have any contact, custody or visitation with the child; 30 (2) Requiring the department of health amend the birth certificate to delete the name of 31 the person precluded as a parent; and 32 (3) Requiring that the person convicted of committing a sexual assault pay child support 33 or birth-related costs, or both, unless the person giving birth requests otherwise. 34 15-8.1-613. Past liabilities.

1	(a) For the purpose of this article, an action to determine the existence of a genetic parent
2	and child relationship is not barred until four (4) years after the child reaches the age of majority.
3	(b) A genetic parent's liability for past education and necessary support and maintenance
4	are limited to a period of six (6) years next, preceding the commencement of an action under this
5	article.
6	Article 7. Parentage by Assisted Reproduction.
7	<u>15-8.1-701. Scope.</u>
8	This article does not apply to the birth of a child conceived by sexual intercourse or
9	assisted reproduction under a surrogacy agreement under article 8 of this chapter.
10	15-8.1-702. Parental status of donor.
11	(a) A donor is not a parent of a child conceived through assisted reproduction.
12	(b) Notwithstanding subsection (a) of this section:
13	(1) A person who provides a gamete or gametes or an embryo or embryos to be used for
14	assisted reproduction for the person's spouse is a parent of the resulting child; and
15	(2) A person who provides a gamete or an embryo for assisted reproduction is a parent of
16	the resulting child if the person has a written agreement with the person giving birth, executed
17	prior to conception or birth that the person providing the gamete or the embryo is intended to be a
18	parent.
19	15-8.1-703. Parentage of child of assisted reproduction.
20	An individual who consents under § 15-8.1-704 to assisted reproduction by another
21	individual with the intent to be a parent of a child conceived by the assisted reproduction is a
22	parent of the child.
23	15-8.1-704. Consent to assisted reproduction.
24	(a) Except as otherwise provided in subsection (b) of this section, the consent described
25	in § 15-8.1-703, must be in a record signed by the individual giving birth to a child conceived by
26	assisted reproduction and the individual who intends to be a parent of the child.
27	(b) In the absence of a record pursuant to subsection (a) of this section, before, on, or
28	after the birth of the child, a court may adjudicate an individual as the parent of a child, if it finds
29	by a preponderance of the evidence that:
30	(1) Prior to conception or birth of the child, the parties entered into an agreement that
31	they both intended to be the parents of the child; or
32	(2) The parties resided together and decided to have child through assisted reproduction
22	
33	and to assume all the duties and responsibilities of parentage, to raise the child together as co-

1	15-8.1-705. Limitation on spouse's dispute of parentage.
2	(a) Except as otherwise provided in subsection (b) of this section, a spouse may
3	commence a proceeding to challenge his or her parentage of a child born by assisted reproduction
4	during the marriage within two (2) years after the birth of the child if the court finds that the
5	spouse did not consent to the assisted reproduction before, on, or after the birth of the child or that
6	the spouse withdrew consent pursuant to § 15-8.1-706.
7	(b) A spouse or the individual who gave birth to the child may commence a proceeding to
8	challenge the spouse's parentage of a child born by assisted reproduction at any time if the court
9	determines:
10	(1) The spouse neither provided a gamete for, nor consented to, the assisted reproduction;
11	(2) The spouse and the individual who gave birth to the child have not cohabited since the
12	probable time of assisted reproduction; and
13	(3) The spouse never openly held out the child as his or her child.
14	(c) This section shall apply to a spouse's dispute of parentage even if the marriage is
15	declared invalid after assisted reproduction occurs.
16	15-8.1-706. Effect of dissolution of marriage or withdrawal of consent.
17	(a) If a marriage is dissolved by final decree of divorce before transfer or implantation of
18	gametes or embryos, the former spouse is not a parent of the resulting child unless the former
19	spouse consented in a signed record, with notice to the other spouse and the individual giving
20	birth, that, if assisted reproduction were to occur after a divorce, the former spouse would be a
21	parent of the child.
22	(b) Consent of an individual to assisted reproduction, pursuant to § 15-8.1-704, may be
23	withdrawn by that person in a signed record, with notice to the individual giving birth and any
24	other intended parent, before transfer or implantation of gametes or embryos. An individual who
25	withdraws consent under this subsection is not a parent of the resulting child.
26	15-8.1-707. Parental status of a deceased individual.
27	(a) If an individual who intends to be a parent of a child conceived by assisted
28	reproduction dies during the period between the transfer of a gamete or embryo and the birth of
29	the child, the individual's death does not preclude the establishment of the individual's parentage
30	of the child if the individual otherwise would be a parent of the child pursuant to this article.
31	(b)(1) If an individual who consented in a record to assisted reproduction by the
32	individual giving birth to the child dies before transfer or implantation of gametes or embryos, the
33	deceased individual is not a parent of a child conceived by assisted reproduction unless:
34	(i) The deceased individual consented in a record that if assisted reproduction were to

1	occur after the death of the deceased individual, the deceased individual would be a parent of the
2	<u>child; or</u>
3	(ii) The deceased individual's intent to be a parent of a child conceived by assisted
4	reproduction after the individual's death is established by a preponderance of the evidence.
5	(2) An individual is a parent of a child conceived by assisted reproduction under
6	subsection (b)(1) of this section, only if:
7	(i) The embryo is in utero not later than thirty-six (36) months after the individual's
8	death; or
9	(ii) The child is born not later than forty-five (45) months after the individual's death.
10	15-8.1-708. Parentage orders of children born of assisted reproduction.
11	(a) An individual consenting to assisted reproduction consistent with this article, an
12	individual who is a parent pursuant to §§ 15-8.1-703 and 15-8.1-704, or the individual giving
13	birth, may commence a proceeding in the family court, before, on, or after birth of a resulting
14	child, to obtain a parentage order or determination of parentage:
15	(1) Declaring that the intended parent or parents are the parent or parents of the resulting
16	child and ordering that parental rights and responsibilities vest exclusively in the intended parent
17	or parents immediately upon the birth of the child;
18	(2) Sealing the record from the public to protect the privacy of the child and the parties;
19	(3) Designating the contents of the birth certificate and directing the department of health
20	to designate the intended parent or parents as the parent or parents of the child; or
21	(4) For any relief that the court determines necessary and proper.
22	(b) A proceeding under this section may be commenced before, on, or after the birth of
23	the child.
24	(c) Neither the donor, the state, nor the department of health is a necessary party to a
25	proceeding under this section.
26	(d) The family court shall forward a certified copy of the order issued pursuant to this
27	section to the department of health and to the intended parents or their representative.
28	(e) The intended parent or parents and any resulting child shall have access to the court
29	records relating to the proceeding at any time.
30	15-8.1-709. Laboratory error.
31	If due to a laboratory or clinical error, the child is not genetically related to either the
32	intended parent or parents or any donor who donated to the intended parent or parents, the
33	intended parent or parents are the parents of the child unless otherwise determined by the court.
34	Article 8. Parentage by Gestational Carrier Agreement.

1	15-8.1-801. Eligibility to enter gestational carrier agreement.
2	(a) In order to execute an agreement to act as a gestational carrier, an individual shall:
3	(1) Be at least twenty-one (21) years of age;
4	(2) Have completed a medical evaluation;
5	(3) Have completed a mental health consultation by a licensed professional who is
6	independent of the facility or providers that undertake the assisted reproduction procedures;
7	(4) Have had independent legal representation of the individual's own choosing, and paid
8	for by the intended parent or parents regarding the terms of the gestational carrier agreement, and
9	have been advised of the potential legal consequences of the gestational carrier agreement; and
10	(5) Not have contributed gametes that will ultimately result in an embryo that the
11	gestational carrier will attempt to carry to term, unless the gestational carrier is entering into an
12	agreement with a family member.
13	(b) Prior to executing a gestational carrier agreement, an individual or individuals
14	intending to become a parent or parents, whether genetically related to the child or not, shall:
15	(1) Be at least twenty-one (21) years of age;
16	(2) Have completed a medical evaluation and a mental health consultation; and
17	(3) Have retained independent legal representation regarding the terms of the gestational
18	carrier agreement and have been advised of the potential legal consequences of the gestational
19	carrier agreement.
20	15-8.1-802. Gestational carrier agreement.
21	(a) A prospective gestational carrier, that individual's spouse, if any, and the intended
22	parent or parents may enter into a written agreement that:
23	(1) The prospective gestational carrier agrees to pregnancy by means of assisted
24	reproduction;
25	(2) The prospective gestational carrier and that individual's spouse, if any, have no rights
26	and duties as the parents of a child conceived through assisted reproduction; and
27	(3) The intended parent or parents will be the parents of any resulting child.
28	(b) A gestational carrier agreement is enforceable only if it meets the following
29	requirements:
30	(1) The agreement shall be in writing and signed by all parties.
31	(2) The agreement shall not require more than a one-year term to achieve pregnancy.
32	(3) At least one of the intended parties shall be a citizen of the United States.
33	(4) The agreement shall be executed before the commencement of any medical
34	procedures, other than the medical evaluations required by § 15-8.1-801 and, in every instance,

1 <u>before transfer of embryos or gametes.</u>

2	(5) The gestational carrier and the intended parent or parents shall meet the eligibility
3	requirements of § 15-8.1-801.
4	(6) If any party is married, the party's spouse shall be a party to the agreement.
5	(7) The gestational carrier and the intended parent or parents shall be represented by
6	independent legal counsel in all matters concerning the agreement and each counsel shall
7	affirmatively so state in a written declaration attached to the agreement. The declarations shall
8	state that the agreement meets the requirements of this chapter and shall be solely relied upon by
9	health care providers and staff at the time of birth and by the department of health for birth
10	registration and certification purposes in the absence of a court order to the contrary.
11	(8) The parties to the agreement shall sign a written acknowledgment of having received
12	a copy of the agreement.
13	(9) The signing of the agreement shall be witnessed and signed by at least one other
14	individual.
15	(10) The agreement shall expressly provide that the gestational carrier:
16	(i) Shall undergo assisted reproduction and attempt to carry and give birth to any
17	resulting child;
18	(ii) Has no claim to parentage of any resulting children and all rights of parentage shall
19	vest in the intended parent or parents immediately upon the birth of the children, regardless of
20	whether a court order has been issued at the time of birth; and
21	(iii) Shall acknowledge the exclusive parentage of the intended parent or parents of all
22	resulting children.
23	(11) If the gestational carrier is married, the carrier's spouse:
24	(i) Shall acknowledge and agree to abide by the obligations imposed on the gestational
25	carrier by the terms of the gestational carrier agreement;
26	(ii) Has no claim to parentage of any resulting children and all rights of parentage shall
27	vest in the intended parent or parents immediately upon the birth of the children, regardless of
28	whether a court order has been issued at the time of birth; and
29	(iii) Shall acknowledge the exclusive parentage of the intended parent or parents of all
30	resulting children.
31	(12) The gestational carrier shall have the right to use the services of a health care
32	provider or providers of the gestational carrier's choosing to provide care during the pregnancy.
33	(13) The agreement should provide for the disposition of embryos, if any, in the event of

34 <u>termination of the agreement, the death of an intended parent or parents, or of the divorce of the</u>

- 1 <u>intended parents before transfer or implantation.</u>
- 2 (14) The intended parent or parents shall:
- 3 (i) Be the exclusive parent or parents and accept parental rights and responsibilities of all
- 4 resulting children immediately upon birth regardless of the number, gender, or mental or physical
- 5 <u>condition of the child or children; and</u>
- 6 (ii) Assume responsibility for the financial support of all resulting children immediately
 7 upon the birth of the children.
- 8 (c) Except as provided in § 15-8.1-809, a gestational carrier agreement may include
 9 provisions for payment of consideration and reasonable expenses to a prospective gestational
 10 carrier, provided they are negotiated in good faith between the parties.
- (d) A gestational carrier agreement shall permit the individual acting as a gestational carrier to make all health and welfare decisions regarding the gestational carrier's health and pregnancy, including, but not limited to, whether to consent to a caesarean section or multiple embryo transfer, and shall not enlarge or diminish the gestational carrier's right to terminate the pregnancy. Except as otherwise provided by law, any written or verbal agreement purporting to waive or limit these rights is void against public policy. **15-8.1-803. Parental rights and responsibilities.**
- (a)(1) If a gestational carrier agreement satisfies the requirements of this article, the intended parent or parents are the parent or parents of the resulting child and parental rights and responsibilities shall vest exclusively in the intended parent or parents immediately upon the birth of the child, and the resulting child is considered the child of the intended parent or parents immediately upon the birth of the child. Neither the gestational carrier nor the gestational carrier's spouse, if any, is the parent of the resulting child.
- support the child. The breach of the gestational carrier agreement by the intended parent or
 parents does not relieve the intended parent or parents of the obligation to support the resulting
 child.
- (3) Notwithstanding subsections (a)(1) and (a)(2) of this section, if genetic testing
 indicates a genetic relationship between the gestational carrier and the child and the child was not
 conceived pursuant to a gestational carrier agreement with a family member, then parentage shall
 be determined by the family court pursuant to articles 1 through 6 of this chapter.
- 32 (b) If, due to a laboratory or clinical error, the resulting child is not genetically related to
- 33 either the intended parent or parents or any donor who donated to the intended parent or parents,
- 34 the intended parent or parents are considered the parent or parents of the child and not the

1 gestational carrier and the carrier's spouse, if any, subject to any other claim of parentage. 2 15-8.1-804. Birth orders. (a) Before the birth of a resulting child, a party to a gestational carrier agreement may 3 4 commence a proceeding in the family court or the superior court to obtain a birth order. After the 5 birth of a resulting child, the family court shall have exclusive jurisdiction over a birth order. Provided however, in those births where at least one of the intended parents is not a gamete donor 6 7 to the child or children born to a gestational carrier, the family court shall have exclusive 8 jurisdiction. 9 (b) The birth order shall: 10 (1) Declare that the child was or will be born in the state of Rhode Island; 11 (2) Declare that at least one of the intended parents is a United States citizen; 12 (3) Declare that the intended parent or parents are the parent or parents of the resulting 13 child and ordering that parental rights and responsibilities vest exclusively in the intended parent 14 or parents immediately upon the birth of the child; 15 (4) Designate the contents of the birth certificate and directing the department of health to 16 designate the intended parent or parents as the parent or parents of the child. The department of 17 health may charge a reasonable fee for the issuance of a birth certificate; 18 (5) Seal the record from the public to protect the privacy of the child and the parents. 19 (6) Provide any relief the court determines necessary and proper; and 20 (c) Neither the state nor the department of health is a necessary party to a proceeding 21 under subsection (a) of this section. Any party to the gestational carrier agreement not joining in 22 the complaint must be served with notice of the proceeding. 23 (d) A complaint for an order of parentage under this section must be verified and include 24 the following: 25 (1) A certification from the attorney representing the intended parent or parents and the 26 attorney representing the person acting as a gestational carrier that the requirements of §§ 15-8.1-27 801 and 15-8.1-802 have been met; and 28 (2) A statement from all parties to the gestational carrier agreement that they entered into 29 the agreement knowingly and voluntarily. 30 (e) Where a complaint satisfies subsection (d) of this section, the court shall issue an 31 order of parentage, without additional proceedings or documentation: 32 (1) Declaring, that upon the birth of the child born during the term of the gestational 33 carrier agreement, the intended parent or parents is/are the legal parent or parents of the child; 34 (2) Declaring, that upon birth of the child born during the term of the gestational carrier

1 agreement, the individual acting as the gestational carrier, and the spouse of the individual acting 2 as the gestational carrier, if any, is not the legal parent of the child; 3 (3) Ordering the individual acting as a gestational carrier and the spouse of the individual 4 acting as a gestational carrier, if any, to transfer the child to the intended parent or parents if this 5 has not already occurred; 6 (4) Ordering the intended parent or parents to assume responsibility for the maintenance 7 and support of the child immediately upon the birth of the child if this has not already occurred; 8 and 9 (5) Designating the contents of the birth certificate and directing the department of health 10 to designate the intended parent or parents as the parent or parents of the child. 11 (f) The court shall forward a certified copy of the order issued pursuant to this section to 12 the department of health and the intended parents or their representative. 13 (g) The intended parent or parents and any resulting child shall have access to their court 14 records at any time. 15 15-8.1-805. Jurisdiction. 16 Subject to the jurisdictional standards of chapter 10 of title 8, the court conducting a proceeding under this chapter has exclusive, continuing jurisdiction of all matters arising out of 17 18 the gestational carrier agreement until a child born to the gestational carrier during the period 19 governed by the agreement attains the age of one hundred eighty (180) days. 20 15-8.1-806. Termination of gestational carrier agreement. 21 (a) A party to a gestational carrier agreement may withdraw consent to any medical 22 procedure and may terminate the gestational carrier agreement at any time prior to any embryo transfer or implantation by giving written notice of termination to all other parties. 23 24 (b) Upon termination of the gestational carrier agreement under subsection (a) of this section, and unless a gestational carrier agreement provides otherwise, the gestational carrier is 25 26 entitled to keep all payments received and obtain all payments to which the gestational carrier is 27 entitled through the date of termination. Except in a case involving fraud, neither a prospective 28 gestational carrier nor the gestational carrier's spouse, if any, is liable to the intended parent or 29 parents for terminating a gestational carrier agreement under this section. 30 **15-8.1-807.** Termination of gestational carrier agreement. 31 <u>Unless a gestational carrier agreement expressly provides otherwise:</u> 32 (1) The marriage of a gestational carrier or of an intended parent after the agreement has been signed by all parties does not affect the validity of the agreement, the gestational carrier's 33 spouse's consent or intended parent's spouse's consent to the agreement is not required, and the 34

1 gestational carrier's spouse or intended parent's spouse is not a presumed parent of a child 2 conceived by assisted reproduction under the agreement; and 3 (2) The divorce, dissolution, annulment, or legal separation of the gestational carrier or of 4 an intended parent after the agreement has been signed by all parties does not affect the validity 5 of the agreement. 6 15-8.1-808. Effect of noncompliance, standard of review, remedies. 7 (a) A gestational carrier agreement that does not substantially comply with the 8 requirements of this article is not enforceable. 9 (b) In the event that a gestational carrier agreement does not substantially comply with 10 the requirements of this article, the family court or the superior court shall determine parentage based on the intent of the parties, including evidence of the intent of the parties at the time of 11 12 execution. 13 (c) Except as expressly provided in a gestational carrier agreement and in subsection (d) 14 of this section, in the event of a breach of the gestational carrier agreement by the gestational 15 carrier or the intended parent or parents, the gestational carrier or the intended parent or parents 16 are entitled to all remedies available at law or in equity. 17 (d) If an individual alleges that the parentage of a child born to a gestational carrier is not the result of assisted reproduction, and this question is relevant to the determination of parentage, 18 19 the court may order genetic testing. 20 (e) Specific performance is not an available remedy for a breach by the gestational carrier 21 of any term in a gestational carrier agreement that requires the gestational carrier to be 22 impregnated or to terminate a pregnancy. Specific performance is an available remedy for a 23 breach by the gestational carrier of any term that prevents the intended parent or parents from 24 exercising the full rights of parentage immediately upon the birth of the child. 25 15-8.1-809. Liability for payment of gestational carrier health care costs. 26 (a) The intended parent or parents are liable for the health care costs of the gestational 27 carrier that are not paid by insurance. As used in this section, "health care costs" means the 28 expenses of all health care provided for assisted reproduction, prenatal care, labor, and delivery. 29 (b) A gestational carrier agreement shall explicitly detail how the health care costs of the 30 gestational carrier are paid. The breach of a gestational carrier agreement by a party to the 31 agreement does not relieve the intended parent or parents of the liability for health care costs 32 imposed by subsection (a) of this section. 33 (c) This section is not intended to supplant any health insurance coverage that is 34 otherwise available to the gestational carrier or an intended parent for the coverage of health care

1	costs. This section does not change the health insurance coverage of the gestational carrier or the
2	responsibility of the insurance company to pay benefits under a policy that covers a gestational
3	<u>carrier.</u>
4	Article 9. Information about Donor.

33	(b) A gamete bank or fertility clinic licensed in this state shall give a donor the choice to
34	sign a notarized declaration that either:

1 (1) States that the donor agrees to disclose the donor's identity to a child conceived by 2 assisted reproduction with the donor's gametes on request once the child attains eighteen (18) 3 years of age; or 4 (2) States that the donor does not agree presently to disclose the donor's identity to the child. 5 (c) A gamete bank or fertility clinic licensed in this state shall permit a donor who has 6 7 signed a declaration under subsection (b)(2) of this section, to withdraw the declaration at any 8 time by signing a declaration under subsection (b)(1) of this section. 9 15-8.1-905. Disclosure of identifying information and medical history. 10 (a) On request of a child conceived by assisted reproduction who attains eighteen (18) 11 years of age, a gamete bank or fertility clinic licensed in this state which collected the gametes 12 used in the assisted reproduction shall make a good-faith effort to provide the child with 13 identifying information of the donor who provided the gametes, unless the donor signed and did 14 not withdraw a declaration under §15-8.1-904(b)(2). If the donor signed and did not withdraw the 15 declaration, the gamete bank or fertility clinic shall make a good-faith effort to notify the donor, 16 who may elect under §15-8.1-904(c) to withdraw the donor's declaration. 17 (b) Regardless, whether a donor signed a declaration under §15-8.1-904(b)(2), on request by a child conceived by assisted reproduction who attains eighteen (18) years of age, or, if the 18 19 child is a minor, by a parent or guardian of the child, a gamete bank or fertility clinic licensed in 20 this state which collected the gametes used in the assisted reproduction shall make a good-faith

21 effort to provide the child or, if the child is a minor, the parent or guardian of the child, access to

22 <u>nonidentifying medical history of the donor.</u>

(c) On request of a child conceived by assisted reproduction who attains eighteen (18)
 years of age, a gamete bank or fertility clinic licensed in this state which received the gametes
 used in the assisted reproduction from another gamete bank or fertility clinic shall disclose the
 name, address, telephone number, and electronic mail address of the gamete bank or fertility
 clinic from which it received the gametes.

28

15-8.1-906. Recordkeeping.

(a) A gamete bank or fertility clinic licensed in this state which collects gametes for use
 in assisted reproduction shall maintain identifying information and medical history about each
 gamete donor. The gamete bank or fertility clinic shall maintain records of gamete screening and
 testing and comply with reporting requirements, in accordance with federal law and applicable
 law of this state other than this article.

34 (b) A gamete bank or fertility clinic licensed in this state that receives gametes from

1 another gamete bank or fertility clinic shall maintain the name, address, telephone number, and 2 electronic mail address of the gamete bank or fertility clinic from which it received the gametes. 3 Article 10. Applicability. 4 15-8.1-1001. Uniformity of Application and construction. 5 In applying and construing this chapter, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it. 6 7 15-8.1-1002. Relation to electronic signatures in global and national commerce act. 8 This chapter modifies, limits, or supersedes the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 et seq., but does not modify, limit, or supersede 9 10 Section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the 11 notices described in 15 U.S.C. § 7003(b). 12 15-8.1-1003. Transitional provision. 13 This chapter applies to a pending proceeding to adjudicate parentage commenced before 14 the effective date of this act for an issue on which a judgment has not been entered. 15 15-8.1-1004. Severability. 16 If any provision of this chapter or its application to any individual or circumstances is 17 held invalid, the invalidity does not affect other provisions or applications of this chapter which 18 can be given effect without the invalid provision or application, and to this end the provisions of 19 this chapter are severable. 20 SECTION 3. Section 23-3-10 of the General Laws in Chapter 23-3 entitled "Vital 21 Records" is hereby amended to read as follows: 22 23-3-10. Birth registration. 23 (a) A certificate of birth for each live birth which occurs in this state shall be filed with 24 the state registrar of vital records, or as otherwise directed by the state registrar, within four (4) 25 days after that birth. 26 (b) When a birth occurs in an institution, the person in charge of the institution, or his or 27 her designated representative, shall obtain the personal data; prepare the certificate; secure the 28 signatures required by the certificate; and file it with the state registrar of vital records, or as 29 otherwise directed by the state registrar. The physician and/or midwife in attendance, or his or her 30 authorized designee as defined in department regulations, shall certify to the facts of birth and 31 provide the medical information required by the certificate within three (3) days after the birth. 32 (c) When a birth occurs outside an institution, the certificate shall be prepared and filed by one of the following in the indicated order of priority: 33 34 (1) The physician in attendance at, or immediately after, the birth, or in the absence of a

 3 any person in attendance at or immediately after the birth;

4 (3) The father, the mother, or, in the absence of the father and the inability of the mother,
5 the person in charge of the premises where the birth occurred.

6 (4) When a birth occurs in a moving conveyance, the place of birth shall be that address
7 in the city or town where the child is first removed from the conveyance.

8 (d)(1) If the mother was married either at the time of conception or birth, the name of the 9 husband shall be entered on the certificate as the father of the child unless paternity has been 10 determined otherwise by a court of competent jurisdiction, in which case the name of the father as 11 determined by the court shall be entered.

(2) If the mother was not married either at the time of conception or birth, the child shall
bear the mother's surname and the name of the father shall not be entered on the certificate of
birth without the written consent of the mother and the person to be named as the father unless a
determination of paternity has been made by a court of competent jurisdiction, in which case the
name of the father as determined by the court shall be entered on the birth certificate.
(e) The state registrar shall not decline to register and/or issue any birth certificate or
certified copy of any birth certificate on the grounds that medical or health information collected

- 19 for statistical purposes has not been supplied.
- 20 SECTION 4. This act shall take effect on July 1, 2021.
