12 provide a reasonable and accurate explanation of the basis of those actions;

33 business regulation;

13 motor vehicle;

14 (24) Failure to perform an initial appraisal within ~~three (3)~~ four (4) business days after a

34 less than seventy-five percent (75%) of the "fair-market value" of the motor vehicle immediately

2 (iv) If condition adjustments are made to the retail value of a motor vehicle designated a  
3 total loss, all such adjustments must be in accordance with the standards set forth in the current  
4 edition of a nationally recognized compilation of retail values, commonly used by the automotive  
5 [or insurance](#) industry, used by the insurer to determine the retail value of the vehicle; and all such  
6 adjustments, including prior damage deductions, must be itemized, fair, and reasonable; and

7 (v) When a vehicle is deemed a total loss, if the insurer is not retaining the salvage, the

15 (b)(1) Nothing contained in subsections (a)(19), (a)(20), and (a)(21) of this section shall  
16 be construed to interfere with an auto body repair facility's contract with an insurance company.

17 (2) If an insurance company and auto body repair facility have contracted under a direct  
18 repair program or any similar program thereto, the provisions of subsections (a)(19), (a)(20), and  
19 (a)(21) of this section shall not apply.

20 (3) If the insured or claimant elects to have the vehicle repaired at a shop of his or her
