21 manufacturer or any supplier of the manufacturer on or after January 1, 2021.

22 (2) The prohibitions of subsection (d)(1) of this section do not apply to cosmetics  
23 developed or manufactured using an animal test if:

31 capable of performing a similar function;

32 (ii) The animal test is conducted outside the United States to comply with a requirement of

2 the federal Food, Drug, and Cosmetic Act, 21 U.S.C. §.351 et seq.; or

3           (iv) The animal test is conducted for non-cosmetic purposes pursuant to a requirement of  
4 a federal, state, or foreign regulatory authority. No evidence derived from animal testing conducted  
5 after the effective date may be relied upon to establish the safety of a cosmetic pursuant to federal  
6 or state regulations, unless:

7           (A) There is no non-animal alternative method or strategy recognized by any federal  
8 agency of the organization for economic cooperation and development for the relevant safety  
9 endpoints for such ingredient;

10           (B) There is documented evidence of the non-cosmetic intent of the test; and

11           (C) There is a history of use of the ingredient outside of cosmetics at least one year prior
