It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 27-34.3-2, 27-34.3-3, 27-34.3-5, 27-34.3-6, 27-34.3-7, 27-34.3-8  
2 and 27-34.3-9 of the General Laws in Chapter 27-34.3 entitled "Rhode Island Life and Health  
3 Insurance Guaranty Association Act" are hereby amended to read as follows:

4 **27-34.3-2. Purpose.**

5 (a) The purpose of this chapter is to protect, subject to certain limitations, the persons  
6 specified in § 27-34.3-3(a) against failure in the performance of contractual obligations, under ~~life~~  
7 ~~and health insurance policies~~ and annuity policies, plans, or contracts specified in § 27-34.3-3(b),  
8 because of the impairment or insolvency of the member insurer that issued the policies, plans, or  
9 contracts.

10 (b) To provide this protection, an association of member insurers is created to pay benefits  
11 and to continue coverages as limited in this chapter, and members of the association are subject to  
12 assessment to provide funds to carry out the purpose of this chapter.

13 (c) In accordance with this purpose, in determining the coverage limits to be applied in §  
14 27-34.3-3 in cases in which there were different statutory limits at the time the insurer was declared  
15 impaired and the time the insurer was declared insolvent, the statute with the higher limits shall be  
16 applied to the claim.

17 **27-34.3-3. Coverage and limitations.**

18 (a) This chapter shall provide coverage for the policies and contracts specified in subsection  
19 (b) of this section:

1 (1) To persons who, regardless of where they reside (except for nonresident certificate  
2 holders under group policies or contracts), are the beneficiaries, assignees or payees, including  
3 health care providers rendering services covered under health insurance policies or certificates, of  
4 the persons covered under subsection (2); and

5 (2) To persons who are owners of or certificate holders or enrollees under the policies or  
6 contracts (other than unallocated annuity contracts, and structured settlement annuities) and in each  
7 case who:

8 (i) Are residents; or

9 (ii) Are not residents, but only under all of the following conditions:

10 (A) The member insurer that issued the policies or contracts is domiciled in this state;

11 (B) The states in which the persons reside have associations similar to the association  
12 created by this chapter; and

13 (C) The persons are not eligible for coverage by an association in any other state due to the  
14 fact that the insurer or the health maintenance organization was not licensed in the state at the time  
15 specified in the state's guaranty association law.

16 (3) For unallocated annuity contracts set forth in subsection (b) of this section, paragraphs  
17 (1) and (2) of this subsection shall not apply, and this chapter shall (except as provided in  
18 paragraphs (5) and (a)(6) of this subsection) provide coverage to:

19 (i) Persons who are owners of the unallocated annuity contracts if the contracts are issued  
20 to or in connection with a specific benefit plan whose plan sponsor has its principal place of  
21 business in this state; and

22 (ii) Persons who are owners of unallocated annuity contracts issued to or in connection  
23 with government lotteries if the owners are residents.

24 (4) For structured settlement annuities specified in subsection (b)(1), paragraphs (1) and  
25 (2) of this subsection shall not apply, and this chapter shall (except as provided in paragraphs (5)  
26 and (6) of this subsection) provide coverage to a person who is a payee under a structured settlement  
27 annuity (or beneficiary of a payee if the payee is deceased), if the payee:

28 (i) Is a resident, regardless of where the contract owner resides; or

29 (ii) Is not a resident, but only under both of the following conditions:

30 (A)(I) The contract owner of the structured settlement annuity is a resident; or

31 (II) The contract owner of the structured settlement annuity is not a resident but the insurer  
32 that issued the structured settlement annuity is domiciled in this state; and

33 The state in which the contract owner resides has an association similar to the association  
34 created by this chapter; and

1 (B) Neither the payee or beneficiary, nor the contract owner is eligible for coverage by the  
2 association of the state in which the payee or contract owner resides.

3 (5) This chapter shall not provide coverage to:

4 (i) A person who is a payee or beneficiary of a contract owner resident of this state, if the  
5 payee or beneficiary is afforded any coverage by the association of another state; or

6 (ii) A person covered under paragraph (3) of this subsection, if any coverage is provided  
7 by the association of another state to the person; or

8 (iii) A person who acquires rights to receive payments through a structured settlement  
9 factoring transaction as defined in 26 U.S.C. 5891(c)(3)(A), regardless of whether the transaction  
10 occurred before or after such section became effective.

11 (6) This chapter is intended to provide coverage to a person who is a resident of this state  
12 and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person  
13 who would otherwise receive coverage under this chapter is provided coverage under the laws of  
14 any other state, the person shall not be provided coverage under this chapter. In determining the  
15 application of the provisions of this paragraph in situations where a person could be covered by the  
16 association of more than one state, whether as an owner, payee, enrollee, beneficiary, or assignee,  
17 this chapter shall be construed in conjunction with other state laws to result in coverage by only  
18 one association.

19 (b)(1) This chapter shall provide coverage to the persons specified in subsection (a) of this  
20 section for policies or contracts of direct, non-group life insurance, health insurance (which for the  
21 purposes of this chapter includes health maintenance organization subscriber contracts and  
22 certificates), ~~or annuity policies or contracts~~ annuities and supplemental policies or contracts to any  
23 of these, for certificates under direct group policies and contracts, and for unallocated annuity  
24 contracts issued by member insurers, except as limited by this chapter. Annuity contracts and  
25 certificates under group annuity contracts include, but are not limited to, guaranteed investment  
26 contracts, deposit administration contracts, unallocated funding agreements, allocated funding  
27 agreements, structured settlement annuities, annuities issued to or in connection with government  
28 lotteries and any immediate or deferred annuity contracts.

29 (2) Except as otherwise provided in this section, this ~~This~~ chapter shall not provide  
30 coverage for:

31 (i) A portion of a policy or contract not guaranteed by the member insurer, or under which

4 value:

5 (A) Averaged over the period of four (4) years prior to the date on which the member  
6 insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds  
7 the rate of interest determined by subtracting two (2) percentage points from Moody's corporate  
8 bond yield average averaged for that same four-year (4) period or for such lesser period if the policy  
9 or contract was issued less than four (4) years before the member insurer becomes an impaired or  
10 insolvent insurer under this chapter, whichever is earlier; and

11 (B) On and after the date on which the member insurer becomes an impaired or insolvent  
12 insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by  
13 subtracting three (3) percentage points from Moody's corporate bond yield average as most recently  
14 available;

15 (iv) A portion of a policy or contract issued to a plan or program of an employer, association  
16 or other person to provide life, health or annuity benefits to its employees, members or others to

21 specified time, during which the insurer or health maintenance organization had no right

9 a type similar to that of the policy or contract issued by the impaired or insolvent insurer, as  
10 determined by the association.

11 (vi) If the association elects to reissue terminated coverage at a premium rate different from  
12 that charged under the terminated policy or contract, the premium shall be actuarially justified and  
13 be set by the association in accordance with the amount of insurance or coverage provided and the  
14 age and class of risk, subject to approval of the ~~domiciliary insurance~~ commissioner ~~and the~~  
15 ~~receivership court~~.

16 (vii) The association's obligations with respect to coverage under any policy or contract of  
17 the impaired or insolvent insurer or under any reissued or alternative policy or contract shall cease

26 chapter with respect to the policy, contract or coverage, except with respect to any claims incurred  
27 or any net cash surrender value which may be due in accordance with the provisions of this chapter.

28 (d) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer  
29 shall belong to and be payable at the direction of the association. If the liquidator of an insolvent  
30 insurer requests, the association shall provide a report to the liquidator regarding such premium  
31 collected by the association. The association shall be liable for unearned premiums due to policy  
32 or contract owners arising after the entry of the order.

33 (e) The protection provided by this chapter shall not apply where any guaranty protection  
34 is provided to residents of this state by laws of the domiciliary state or jurisdiction of the impaired

1 or insolvent insurer other than this state.

2 (f) In carrying out its duties under subsection (b), the association may:

3 (1) Subject to approval by a court of competent jurisdiction in this state, impose permanent  
4 policy or contract liens in connection with any guarantee, assumption or reinsurance agreement, if  
5 the association finds that the amounts which can be assessed under this chapter are less than the  
6 amounts needed to assure full and prompt performance of the association's duties under this chapter,  
7 or that the economic or financial conditions as they affect member insurers are sufficiently adverse  
8 to render the imposition of such permanent policy or contract liens, to be in the public interest;

9 (2) Subject to approval by a court of competent jurisdiction in this state, impose temporary  
10 moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw  
11 funds held in conjunction with policies or contracts, in addition to any contractual provisions for  
12 deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or  
13 moratorium charge imposed by the receivership court on payment of cash values or policy loans,  
14 or on any other right to withdraw funds held in conjunction with policies or contracts, out of the  
15 assets of the impaired or insolvent insurer, the association may defer the payment of such cash  
16 values, policy loans or other rights by the association for the period of the moratorium or  
17 moratorium charge imposed by the receivership court, except for claims covered by the association  
18 to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and  
19 approved by the receivership court.

20 (g) A deposit in this state, held pursuant to law or required by the commissioner for the  
21 benefit of creditors, including policy or contract owners, not turned over to the domiciliary  
22 liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of  
23 ~~an~~ a member insurer domiciled in this state or in a reciprocal state, pursuant to § 27-14.3-56, shall  
24 be promptly paid to the association. The association shall be entitled to retain a portion of any  
25 amounts so paid to it equal to the percentage determined by dividing the aggregate amount of policy  
26 or contract owners' claims related to that insolvency for which the association has provided  
27 statutory benefits by the aggregate amount of all policy or contract owners' claims in this state  
28 related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the  
29 association less the amount retained pursuant to this subsection. Any amount so paid to the  
30 association and retained by it shall be treated as a distribution of estate assets pursuant to applicable  
31 state insurance law dealing with early access disbursements.

32 (h) If the association fails to act within a reasonable period of time with respect to an  
33 insolvent insurer, as provided in subsection (b) of this section, the commissioner shall have the  
34 powers and duties of the association under this chapter with respect to the insolvent insurers.

1 (i) The association may render assistance and advice to the commissioner, upon the  
2 commissioner's request, concerning rehabilitation, payment of claims, continuance of coverage, or  
3 the performance of other contractual obligations of any impaired or insolvent insurer.

4 (j) The association shall have standing to appear or intervene before any court or agency in  
5 this state with jurisdiction over an impaired or insolvent insurer concerning which the association  
6 is or may become obligated under this chapter or with jurisdiction over any person or property  
7 against whom the association may have rights through subrogation or otherwise. Standing shall  
8 extend to all matters germane to the powers and duties of the association, including, but not limited  
9 to, proposals for reinsuring, [reissuing](#), modifying or guaranteeing the policies or contracts of the  
10 impaired or insolvent insurer and the determination of the policies or contracts and contractual  
11 obligations. The association shall also have the right to appear or intervene before a court or agency  
12 in another state with jurisdiction over an impaired or insolvent insurer for which the association is  
13 or may become obligated or with jurisdiction over any person or property against whom the  
14 association may have rights through subrogation or otherwise.

15 (k)(1) A person receiving benefits under this chapter shall be deemed to have assigned the  
16 rights under, and any causes of action against any person for losses arising under, resulting from or  
17 otherwise relating to, the covered policy or contract to the association to the extent of the benefits  
18 received because of this chapter, whether the benefits are payments of or on account of contractual  
19 obligations, continuation of coverage or provision of substitute or alternative [policies, contracts or](#)  
20 coverage. The association may require an assignment to it of these rights and causes of action by  
21 any [enrollee](#), payee, policy or contract owner, beneficiary, insured or annuitant as a condition  
22 precedent to the receipt of any right or benefits conferred by this chapter upon the person.

23 (2) The subrogation rights of the association under this subsection shall have the same  
24 priority against the assets of the impaired or insolvent insurer as that possessed by the person  
25 entitled to receive benefits under this chapter.

26 (3) In addition to subdivisions (1) and (2) of this subsection, the association shall have all  
27 common law rights of subrogation and any other equitable or legal remedy that would have been  
28 available to the impaired or insolvent insurer or owner, beneficiary, [enrollee](#) or payee, of a policy  
29 or contract with respect to the policy or contracts including without limitation, in the case of a  
30 structured settlement annuity, any rights of the owner, beneficiary or payee of the annuity, to the  
31 extent of benefits received pursuant to this chapter, against a person originally or by succession  
32 responsible for the losses arising from the personal injury relating to the annuity or payment  
33 therefore, excepting any such person responsible solely by reason of serving as an assignee in  
34 respect of a qualified assignment under § 130 of the United States Internal Revenue Code, 26 U.S.C.

1 § 130.

2 (4) If the preceding provisions of this subsection are invalid or ineffective with respect to  
3 any person or claim for any reason, the amount payable by the association with respect to the related  
4 covered obligations shall be reduced by the amount realized by any other person with respect to the  
5 person or claim that is attributable to the policies [or contracts](#), or portion thereof, covered by the  
6 association.

7 (5) If the association has provided benefits with respect to a covered obligation and a person  
8 recovers amounts to which the association has rights as described in the preceding paragraphs of  
9 this subsection, the person shall pay to the association the portion of the recovery attributable to  
10 the policies, [contracts](#) or portions thereof, covered by the association.

11 (1) In addition to the rights and powers provided in this chapter, the association may:

12 (1) Enter into any contracts as are necessary or proper to carry out the provisions and  
13 purposes of this chapter;

17 indebtedness of the association not in default shall be legal investments for domestic insurers and  
18 may be carried as admitted assets;

20 transactions of the association, and to perform any other functions as become necessary or proper  
21 under this chapter;

22 (5) Take such legal action that may be necessary or appropriate to avoid or recover payment  
23 of improper claims;

24 (6) Exercise, for the purposes of this chapter and to the extent approved by the  
25 commissioner, the powers of a domestic life [insurer](#), ~~or~~ health insurer, [or health maintenance](#)  
26 [organization](#), but in no case may the association issue ~~insurance~~ policies or ~~annuity~~ contracts other  
27 than those issued to perform its obligations under this chapter;

28 (7) Organize itself as a corporation or another legal form permitted by the laws of this state;

29 (8) Request information from a person seeking coverage from the association in order to  
30 aid the association in determining its obligations under this chapter with respect to the person, and  
31 the person shall promptly comply with the request; ~~and~~

32 [\(9\) Unless prohibited by law, in accordance with the terms and conditions of the policy or](#)  
33 [contract, file for actuarially justified rate or premium increases for any policy or contract for which](#)

2 under this chapter or to exercise its powers under this chapter.

3           (m) The association may join an organization of one or more other state associations of  
4 similar purposes, to further the purposes and administer the powers and duties of the association.

5           (n)(1)(a) At any time within one hundred eighty (180) days of the date of the order of  
6 liquidation, the association may elect to succeed to the rights and obligations of the ceding member  
7 insurer that relate to policies, contracts or annuities covered, in whole or in part, by the association,  
8 in each case under any one or more reinsurance contracts entered into by the insolvent insurer and  
9 its reinsurers and selected by the association. Any such assumption shall be effective as of the date  
10 of the order of liquidation. The election shall be effected by the association or the national  
11 organization of life and health insurance guaranty associations (NOLHGA) on its behalf sending  
12 written notice, return receipt requested to the affected reinsurers.

13           (b) To facilitate the earliest practicable decision about whether to assume any of the  
14 contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and  
15 each reinsurer of the ceding member insurer shall make available upon request to the association  
16 or to NOLHGA on its behalf as soon as possible after commencement of formal delinquency  
17 proceedings: (i) Copies of in-force contracts of reinsurance and all related files and records relevant  
18 to the determination of whether such contracts should be assumed, and (ii) Notices of any defaults  
19 under the reinsurance contracts or any known event or condition which with the passage of time  
20 could become a default under the reinsurance contracts.

22 assumed by the association.

23           (i) The association shall be responsible for all unpaid premiums due under the reinsurance  
24 contracts for periods both before and after the date of the order of liquidation, and shall be  
25 responsible for the performance of all other obligations to be performed after the date of the order  
26 of liquidation, in each case which relate to policies, contracts and annuities covered, in whole or in  
27 part, by the association. The association may charge policies, contracts and annuities covered in  
28 part by the association, through reasonable allocation methods, the costs for reinsurance in excess  
29 of the obligations of the association and shall provide notice and an accounting of these charges  
30 to the liquidator;

31           (ii) The association shall be entitled to any amounts payable by the reinsurer under the  
32 reinsurance contracts with respect to losses or events that occur in periods after the date of the order  
33 of liquidation and that relate to policies, contracts or annuities covered in whole or in part, by the  
34 association provided, that, upon receipt of any such amounts, the association shall be obliged to

1 pay to the beneficiary under the policy, [contract](#) or annuity on account of which the amounts were  
2 paid a portion of the amount equal to the lesser of:

3 (A) The amount received by the association; or

4 (B) The excess of the amount received by the association; over the amount equal to the  
5 benefits paid by the association on account of the policy, [contract](#) or annuity less the retention of  
6 the insurer applicable to the loss or event;

7 (iii) Within thirty (30) days following the association's election (the "election date"), the  
8 association and each reinsurer under contracts assumed by the association shall calculate the net  
9 balance due to or from the association under each such reinsurance contract as of the election date  
10 with respect to policies, [contracts](#) or annuities covered, in whole or in part, by the association which  
11 calculation shall give, full credit to all items paid by either the [member](#) insurer or its receiver or the  
12 reinsurer prior to the election date. The reinsurer shall pay the receiver any amounts due for losses  
13 or events prior to the date of the order of liquidation, subject to any set-off for premiums unpaid  
14 for periods prior to the date, and the association or reinsurer shall pay any remaining premiums in  
15 each case within five (5) days of the completion of the aforementioned calculation. Any disputes  
16 over the amounts due to either the association or the reinsurer shall be resolved by arbitration  
17 pursuant to the terms of the affected reinsurance contracts or, if the contract contains no arbitration  
18 clause, as otherwise provided by law. If the receiver has received any amounts due the association  
19 pursuant to paragraph (ii), the receiver, shall remit the same to the association as promptly as  
20 practicable.

22 election date, pays the unpaid premiums due for periods both before and after the election date, that  
23 relate to policies, [contracts](#) or annuities covered in whole or in part by the association the reinsurer  
24 shall not be entitled to terminate the reinsurance contracts for failure to pay premium insofar as the  
25 reinsurance contracts relate to policies, [contracts](#), or annuities covered in whole or in part by the  
26 association and shall not be entitled to set off any unpaid amounts due under other contracts, or  
27 unpaid amounts due from parties other than the association against amounts due to the association.

28 (2) During the period from the date of the order of liquidation until the election date (or, if  
29 the election date does not occur, until one hundred eighty (180) days after the date of the order of  
30 liquidation).

31 (a)(i) Neither the association nor the reinsurer shall have any rights or obligations under  
32 reinsurance contracts that the association has the right to assume under subdivision (n)(1), whether  
33 for periods prior to or after the date of the order of liquidation; and

34 (ii) The reinsurer, the receiver and the association shall, to the extent practicable, provide

1 each other data and records reasonably requested;

2 (b) Provided that once the association has elected to assume a reinsurance contract, the  
3 parties' rights and obligations shall be governed by subdivision (n)(1).

4 (3) If the association does not elect to assume a reinsurance contract by the election date  
5 pursuant to subdivision (n)(1), the association shall have no rights or obligations, in each case for  
6 periods both before and after the date of the order of liquidation, with respect to the reinsurance  
7 contract.

8 (4) When policies, [contracts](#) or annuities, or covered obligations with respect thereto, are  
9 transferred to an assuming insurer, reinsurance on the policies, [contracts](#) or annuities may also be  
10 transferred by the association, in the case of contracts assumed under subdivision (n)(1), subject to  
11 the following:

13 transferred shall not cover any new policies of insurance, [contracts](#), or annuities in addition to those  
14 transferred;

15 (b) The obligations described in paragraph (n)(1) of this section shall not apply with respect  
16 to matters arising after the effective date of the transfer;

17 (c) Notice shall be given in writing, return receipt requested, by the transferring party to  
18 the affected reinsurer not less than thirty (30) days prior to the effective date of the transfer.

19 (5) The provisions of subsection (n) shall supersede the provisions of any [state](#) law or of  
20 any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds,  
21 on account of losses or events that occur in periods after the date of the order of liquidation to the  
22 receiver, of the insolvent insurer or any other person. The receiver, shall remain entitled to any  
23 amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events  
24 that occur in periods prior to the date of the order of liquidation subject to applicable setoff  
25 provisions.

26 (6) Except as otherwise provided in this section, nothing in this section (n):

27 Shall alter or modify the terms and conditions of any reinsurance contract.

28 Nothing in this section shall abrogate or limit any rights of any reinsurer to claim that it is  
29 entitled to rescind a reinsurance contract.

30 Nothing in this section shall give a policy holder, [contract owner, enrollee, certificate](#)  
31 [holder](#), or beneficiary an independent cause of action against an indemnity reinsurer that is not  
32 otherwise set forth in the reinsurance contract. Nothing in this section shall limit or affect the  
33 association's rights as a creditor of the estate against the assets of the estate. Nothing in this section  
34 shall apply to reinsurance agreements covering property or casualty risks.

1 (o) The board of directors of the association shall have discretion and shall exercise  
2 reasonable business judgment to determine the means by which the association is to provide the  
3 benefits of this chapter in an economical and efficient manner.

4 (p) Where the association has arranged or offered to provide the benefits of this chapter to  
5 a covered person under a plan or arrangement that fulfills the association's obligations under this  
6 chapter, the person shall not be entitled to benefits from the association in addition to or other than  
7 those provided under the plan or arrangement.

8 (q) Venue in a suit against the association arising under this chapter shall be in Providence  
9 County. The association shall not be required to give an appeal bond in an appeal that relates to a  
10 cause of action arising under this chapter.

11 ~~(r)~~(r) In carrying out its duties in connection with guaranteeing, assuming, reissuing, or  
12 reinsuring policies or contracts under subsection (a) or (b) of this section, the association may,  
13 ~~subject to approval of the receivership court~~, issue substitute coverage for a policy or contract that  
14 provides an interest rate, crediting rate or similar factor determined by use of an index or other  
15 external reference stated in the policy or contract employed in calculating returns or changes in  
16 value by issuing an alternative policy or contract in accordance with the following provisions:

17 ~~(r) Venue in a suit against the association arising under this chapter shall be in Providence~~  
18 ~~County. The association shall not be required to give an appeal bond in an appeal that relates to a~~  
19 ~~cause of action arising under this chapter.~~

20 (1) In lieu of the index or other external reference provided for in the original policy or  
21 contract, the alternative policy or contract provides for:

- 22 (i) A fixed interest rate; or  
23 (ii) Payment of dividends with minimum guarantees; or  
24 (iii) A different method of calculating interest or changes in value.

25 (2) There is no requirement for evidence of insurability, waiting period or other exclusion  
26 that would not have applied under the replaced policy or contract; and

27 (3) The alternative policy or contract is substantially similar to the replaced policy or  
28 contract in all other material terms.

29 **27-34.3-9. Assessments.**

30 (a) For the purpose of providing the funds necessary to carry out the powers and duties of  
31 the association, the board of directors shall assess the member insurers, separately for each account,  
32 at such time and for such amounts as the board finds necessary. Assessments shall be due not less  
33 than thirty (30) days after prior written notice to the member insurers and shall accrue interest at  
34 nine percent (9%) per annum on and after the due date.

1 (b) There shall be two (2) classes of assessments, as follows:

2 (1) Class A assessments shall be authorized and called for the purpose of meeting  
3 administrative and legal costs and other expenses. Class A assessments may be authorized and  
4 called whether or not related to a particular impaired or insolvent insurer.

5 (2) Class B assessments shall be authorized and called to the extent necessary to carry out  
6 the powers and duties of the association under § 27-34.3-8 with regard to an impaired or an  
7 insolvent insurer.

8 (c)(1) The amount of any Class A assessment shall be determined by the board and may be  
9 authorized and called on a pro rata or non-pro rata basis. If pro rata, the board may provide that it  
10 be credited against future Class B assessments. The total of all non-pro rata assessment shall not  
11 exceed three hundred dollars (\$300) per member insurer in any one calendar year. The amount of  
12 any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to  
13 an allocation formula that may be based on the premiums or reserves of the impaired or insolvent  
14 insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable  
15 under the circumstances.

16 (2) The amount of a Class B assessment, except for assessments related to long-term care  
17 insurance, shall be allocated for assessment purposes between the accounts and among the  
18 subaccounts of the life insurance and annuity account, pursuant to an allocation formula which may  
19 be based on the premiums or reserves of the impaired or insolvent insurer or any other standard  
20 deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

21 (3) The amount of the Class B assessment for long-term care insurance written by the  
22 impaired or insolvent insurer shall be allocated according to a methodology included in the Plan of  
23 Operation and approved by the commissioner. The methodology shall provide for fifty percent  
24 (50%) of the assessment to be allocated to accident and health member insurers and fifty percent  
25 (50%) to be allocated to life and annuity member insurers.

26 ~~(2)~~(4) Class B assessments against member insurers for each account and subaccount shall  
27 be in the proportion that the premiums received on business in this state by each assessed member  
28 insurer or policies or contracts covered by each account for the three (3) most recent calendar years  
29 for which information is available preceding the year in which the insurer became insolvent, (or, in  
30 the case of an assessment with respect to an impaired insurer, the three (3) most recent calendar  
31 years for which information is available preceding the year in which the insurer became impaired)  
32 bears to premiums received on business in this state for such calendar years by all assessed member  
33 insurers.

34 ~~(3)~~(5) Assessments for funds to meet the requirements of the Association with respect to

1 an impaired or insolvent insurer shall not be authorized or called until necessary to implement the  
2 purposes of this chapter. Classification of assessments under subsection (b) of this section and  
3 computation of assessments under this subsection shall be made with a reasonable degree of  
4 accuracy, recognizing that exact determinations may not always be possible. The association shall  
5 notify each member insurer of its anticipated pro rata share of an authorized assessment not yet  
6 called within one hundred eighty (180) days after the assessment is authorized.

7 (d) The association may abate or defer, in whole or in part, the assessment of a member  
8 insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the  
9 member insurer to fulfill its contractual obligations. In the event an assessment against a member  
10 insurer is abated, or deferred in whole or in part, the amount by which the assessment is abated or  
11 deferred may be assessed against the other member insurers in a manner consistent with the basis  
12 for assessments set forth in this section. Once the conditions which have caused a deferral have  
13 been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant  
14 to a repayment plan approved by the association.

15 (e)(1)(i) Subject to the provisions of subparagraph (ii) of this paragraph, the total of all  
16 assessments authorized by the association with respect to a member insurer for each subaccount of  
17 the life insurance and annuity account and for the health account shall not in any one calendar year  
18 exceed three percent (3%) of that member insurer's average annual premiums received in this state  
19 on the policies and contracts covered by the subaccount or account during the three (3) calendar  
20 years preceding the year in which the insurer became an impaired or insolvent insurer.

21 (ii) If two (2) or more assessments are authorized in one calendar year with respect to  
22 insurers that become impaired or insolvent in different calendar years, the average annual premiums  
23 for purposes of the aggregate assessment percentage limitation referenced in subparagraph (i) of  
24 this paragraph shall be equal and limited to the higher of the three (3) year average annual premiums  
25 for the applicable subaccount or account as calculated pursuant to this section.

26 (iii) If the maximum assessment, together with the other assets of the association in any  
27 account, does not provide in any one year in either account an amount sufficient to carry out the  
28 responsibilities of the association, the necessary additional funds shall be assessed as soon after this  
29 as permitted by this chapter.

30 (2) The board may provide in the plan of operation a method of allocating funds among  
31 claims, whether relating to one or more impaired or insolvent insurers, when the maximum  
32 assessment will be insufficient to cover anticipated claims.

33 (3) If the maximum assessment for a subaccount of the life and annuity account in any one  
34 year does not provide an amount sufficient to carry out the responsibilities of the association, then

1 pursuant to subdivision (c)(2) of this section, the board shall assess the other subaccounts of the  
2 life and annuity account for the necessary additional amount, subject to the maximum stated in  
3 subdivision (1) of this subsection.

4 (f) The board may, by an equitable method as established in the plan of operation, refund  
5 to member insurers, in proportion to the contribution of each insurer to that account, the amount by  
6 which the assets of the account exceed the amount the board finds is necessary to carry out during  
7 the coming year the obligations of the association with regard to that account, including assets  
8 accruing from assignment, subrogation, net realized gains and income from investments. A  
9 reasonable amount may be retained in any account to provide funds for the continuing expenses of  
10 the association and for future claims.

11 (g) It shall be proper for any member insurer, in determining its premium rates and policy  
12 owner dividends as to any kind of insurance within the scope of this chapter, to consider the amount  
13 reasonably necessary to meet its assessment obligations under this chapter.

14 (h) The association shall issue to each insurer paying an assessment under this chapter,  
15 other than Class A assessment, a certificate of contribution, in a form prescribed by the  
16 commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of  
17 equal dignity and priority without reference to amounts or dates of issue. A certificate of  
18 contribution may be shown by the insurer in its financial statement as an asset in such form and for  
19 such amount, if any, and period of time as the commissioner may approve.

20 (i)(1) A member insurer that wishes to protest all or part of an assessment shall pay when  
21 due the full amount of the assessment as set forth in the notice provided by the association. The  
22 payment shall be available to meet association obligations during the pendency of the protest or  
23 any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment  
24 is made under protest and setting forth a brief statement of the grounds for the protest.

25 (2) Within sixty (60) days following the payment of an assessment under protest by a  
26 member insurer, the association shall notify the member insurer in writing of its determination with  
27 respect to the protest unless the association notifies the member insurer that additional time is  
28 required to resolve the issues raised by the protest.

29 (3) Within thirty (30) days after a final decision has been made, the association shall notify  
30 the protesting member insurer in writing of that final decision. Within sixty (60) days of receipt of  
31 notice of the final decision, the protesting member insurer may appeal that final action to the  
32 commissioner.

33 (4) In the alternative to rendering a final decision with respect to a protest based on a  
34 question regarding the assessment base, the association may refer the protest to the commissioner

1 for a final decision, with or without a recommendation from the association.

2 (5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess  
3 shall be returned to the member company. Interest on a refund due a protesting member shall be  
4 paid at the rate actually earned by the association.

5 (j) The association may request information of member insurers in order to aid in the  
6 exercise of its power under this section and member insurers shall promptly comply with a request.

7 SECTION 2. This act shall take effect upon passage.
