(a) If any person has been convicted of a crime charged by complaint, information, or indictment in which he or she intentionally selected the person against whom the offense is committed or selected the property that is damaged or otherwise affected by the offense in whole or in part because of ~~the actor's hatred or animus toward~~ the actual or perceived disability, religion, color, race, national origin, ~~or~~ ancestry, sexual orientation, ~~or~~ gender, or gender identity or expression of ~~that~~ any person or group of persons or the owner or occupant of that property, he or she shall be subject to the penalties provided in this section.

1 affected by the offense in whole or in part because of ~~his or her hatred or animus toward~~ the actual
2 or perceived race, religion, color, disability, national origin, ~~or~~ ethnicity, gender, gender identity or
3 expression, or sexual orientation of ~~that~~ any person or group of persons or the owner or occupant
4 of that property. If the finder of fact at the hearing, or in the case of a plea of guilty or nolo

13 finding of guilt of the defendant, the court shall conduct a sentencing hearing. At the hearing, the
14 court shall permit the prosecuting agency and the defense to present additional evidence to the jury
15 relevant to the determination of whether the defendant intentionally selected the person against
16 whom the offense is committed, or selected the property that is damaged, or otherwise affected by

23 and for a felony by the court to an additional, consecutive term of imprisonment for not less than
24 one year nor more than five (5) years, but in no case, more than double the original penalty for the

26 harmed by the defendant's offense.

27 (e) For offenses in violation of chapter 44 of title 11 relating to the destruction, defacing,
28 or otherwise injuring of commercial or public property only, upon any plea of guilt or nolo
29 contendere or verdict or finding of guilt of the defendant, the court shall conduct a sentencing
30 hearing. At the hearing, the court shall permit the prosecuting agency and the defense to present
31 additional evidence relevant to the determination of whether the defendant committed the offense
32 in whole or in part because of the defendant's hatred, bias, bigotry, or animus regarding the
33 disability, religion, color, race, national origin, ethnicity, sexual orientation, gender, or gender
34 identity or expression of any person or group of persons, then the court shall, in addition to any

other sentence imposed, sentence the defendant to undertake educational classes or community service directly related to the community harmed by the defendant's offense.

(f) If any provision or part of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect any other provisions or applications of this section, which can be given effect without the invalid provision or application, and to this end the provisions or parts of this section are severable.
