1           SECTION 1. Sections 40-5.2-10, 40-5.2-11, 40-5.2-12 and 40-5.2-33 of the General Laws  
2 in Chapter 40-5.2 entitled "The Rhode Island Works Program" are hereby amended to read as  
3 follows:

4           **40-5.2-10. Necessary requirements and conditions.**

5           The following requirements and conditions shall be necessary to establish eligibility for  
6 the program.

7           (a) Citizenship, alienage, and residency requirements.

8           (1) A person shall be a resident of the state of Rhode Island.

9           (2) Effective October 1, 2008, a person shall be a United States citizen, or shall meet the  
10 alienage requirements established in § 402(b) of the Personal Responsibility and Work Opportunity  
11 Reconciliation Act of 1996, PRWORA, Pub. L. No. 104-193 and as that section may hereafter be  
12 amended [8 U.S.C. § 1612]; a person who is not a United States citizen and does not meet the  
13 alienage requirements established in PRWORA, as amended, is not eligible for cash assistance in  
14 accordance with this chapter.

15           (b) The family/assistance unit must meet any other requirements established by the  
16 department of human services by rules and regulations adopted pursuant to the administrative  
17 procedures act, as necessary to promote the purpose and goals of this chapter.

18           (c) Receipt of cash assistance is conditional upon compliance with all program  
19 requirements.

1 (d) All individuals domiciled in this state shall be exempt from the application of  
2 subdivision 115(d)(1)(A) of Pub. L. No. 104-193, the Personal Responsibility and Work  
3 Opportunity Reconciliation Act of 1996, PRWORA [21 U.S.C. § 862a], which makes any  
4 individual ineligible for certain state and federal assistance if that individual has been convicted  
5 under federal or state law of any offense that is classified as a felony by the law of the jurisdiction  
6 and that has as an element the possession, use, or distribution of a controlled substance as defined  
7 in § 102(6) of the Controlled Substances Act (21 U.S.C. § 802(6)).

8 (e) Individual employment plan as a condition of eligibility.

9 (1) Following receipt of an application, the department of human services shall assess the  
10 financial conditions of the family, including the non-parent caretaker relative who is applying for  
11 cash assistance for himself or herself as well as for the minor child(ren), in the context of an  
12 eligibility determination. If a parent or non-parent caretaker relative is unemployed or under-  
13 employed, the department shall conduct an initial assessment, taking into account: (A) The physical  
14 capacity, skills, education, work experience, health, safety, family responsibilities, and place of  
15 residence of the individual; and (B) The child care and supportive services required by the applicant  
16 to avail himself or herself of employment opportunities and/or work-readiness programs.

17 (2) On the basis of this assessment, the department of human services and the department  
18 of labor and training, as appropriate, in consultation with the applicant, shall develop an individual  
19 employment plan for the family that requires the individual to participate in the intensive  
20 employment services. Intensive employment services shall be defined as the work requirement  
21 activities in § 40-5.2-12(g) and (i).

22 (3) The director, or his or her designee, may assign a case manager to an  
23 applicant/participant, as appropriate.

24 (4) The department of labor and training and the department of human services in  
25 conjunction with the participant shall develop a revised, individual employment plan that shall  
26 identify employment objectives, taking into consideration factors above, and shall include a  
27 strategy for immediate employment and for preparing for, finding, and retaining employment  
28 consistent, to the extent practicable, with the individual's career objectives.

29 (5) The individual employment plan must include the provision for the participant to  
30 engage in work requirements as outlined in § 40-5.2-12.

31 (6)(i) The participant shall attend and participate immediately in intensive assessment and  
32 employment services as the first step in the individual employment plan, unless temporarily exempt  
33 from this requirement in accordance with this chapter. Intensive assessment and employment  
34 services shall be defined as the work requirement activities in § 40-5.2-12(g) and (i).

1 (ii) Parents under age twenty (20) without a high school diploma or general equivalency  
2 diploma (GED) shall be referred to special teen-parent programs that will provide intensive services  
3 designed to assist teen parents to complete high school education or GED, and to continue approved  
4 work plan activities in accord with Rhode Island works program requirements.

5 (7) The applicant shall become a participant in accordance with this chapter at the time the  
6 individual employment plan is signed and entered into.

7 (8) Applicants and participants of the Rhode Island works program shall agree to comply  
8 with the terms of the individual employment plan, and shall cooperate fully with the steps  
9 established in the individual employment plan, including the work requirements.

10 (9) The department of human services has the authority under the chapter to require  
11 attendance by the applicant/participant, either at the department of human services or at the  
12 department of labor and training, at appointments deemed necessary for the purpose of having the  
13 applicant enter into and become eligible for assistance through the Rhode Island works program.  
14 The appointments include, but are not limited to, the initial interview, orientation, and assessment;  
15 job readiness; and job search. Attendance is required as a condition of eligibility for cash assistance  
16 in accordance with rules and regulations established by the department.

17 (10) As a condition of eligibility for assistance pursuant to this chapter, the  
18 applicant/participant shall be obligated to keep appointments; attend orientation meetings at the  
19 department of human services and/or the Rhode Island department of labor and training; participate  
20 in any initial assessments or appraisals; and comply with all the terms of the individual employment  
21 plan in accordance with department of human services rules and regulations.

22 (11) A participant, including a parent or non-parent caretaker relative included in the cash  
23 assistance payment, shall not voluntarily quit a job or refuse a job unless there is good cause as  
24 defined in this chapter or the department's rules and regulations.

25 (12) A participant who voluntarily quits or refuses a job without good cause, as defined in  
26 § 40-5.2-12(l), while receiving cash assistance in accordance with this chapter, shall be sanctioned  
27 in accordance with rules and regulations promulgated by the department.

28 (f) Resources.

29 (1) The family or assistance unit's countable resources shall be less than the allowable  
30 resource limit established by the department in accordance with this chapter.

31 (2) No family or assistance unit shall be eligible for assistance payments if the combined  
32 value of its available resources (reduced by any obligations or debts with respect to such resources)  
33 exceeds one thousand dollars (\$1,000).

34 (3) For purposes of this subsection, the following shall not be counted as resources of the

1 family/assistance unit in the determination of eligibility for the works program:

2 (i) The home owned and occupied by a child, parent, relative, or other individual;

3 (ii) Real property owned by a husband and wife as tenants by the entirety, if the property  
4 is not the home of the family and if the spouse of the applicant refuses to sell his or her interest in  
5 the property;

6 (iii) Real property that the family is making a good-faith effort to dispose of, however, any  
7 cash assistance payable to the family for any such period shall be conditioned upon such disposal  
8 of the real property within six (6) months of the date of application and any payments of assistance  
9 for that period shall (at the time of disposal) be considered overpayments to the extent that they  
10 would not have occurred at the beginning of the period for which the payments were made. All  
11 overpayments are debts subject to recovery in accordance with the provisions of the chapter;

12 (iv) Income-producing property other than real estate including, but not limited to,  
13 equipment such as farm tools, carpenter's tools, and vehicles used in the production of goods or

16 household, and in addition, a vehicle used primarily for income-producing purposes such as, but  
17 not limited to, a taxi, truck, or fishing boat; a vehicle used as a family's home; a vehicle that annually  
18 produces income consistent with its fair market value, even if only used on a seasonal basis; a  
19 vehicle necessary to transport a family member with a disability where the vehicle is specially  
20 equipped to meet the specific needs of the person with a disability or if the vehicle is a special type  
21 of vehicle that makes it possible to transport the person with a disability;

22 (vi) Household furnishings and appliances, clothing, personal effects, and keepsakes of  
23 limited value;

28 to earned income tax credit), and any payment made to the family by an employer under § 3507 of  
29 the Internal Revenue Code of 1986, 26 U.S.C. § 3507 [repealed] (relating to advance payment of  
30 such earned income credit);

31 (ix) The resources of any family member receiving supplementary security income  
32 assistance under the Social Security Act, 42 U.S.C. § 301 et seq.

33 (g) Income.

34 (1) Except as otherwise provided for herein, in determining eligibility for and the amount

1 of cash assistance to which a family is entitled under this chapter, the income of a family includes  
2 all of the money, goods, and services received or actually available to any member of the family.

3 (2) In determining the eligibility for and the amount of cash assistance to which a  
4 family/assistance unit is entitled under this chapter, income in any month shall not include the first  
5 one hundred seventy dollars (\$170) of gross earnings plus fifty percent (50%) of the gross earnings  
6 of the family in excess of one hundred seventy dollars (\$170) earned during the month.

7 (3) The income of a family shall not include:

8 (i) The first fifty dollars (\$50.00) in child support received in any month from each  
9 noncustodial parent of a child plus any arrearages in child support (to the extent of the first fifty  
10 dollars (\$50.00) per month multiplied by the number of months in which the support has been in  
11 arrears) that are paid in any month by a noncustodial parent of a child;

12 (ii) Earned income of any child;

13 (iii) Income received by a family member who is receiving Supplemental Security Income

15 (iv) The value of assistance provided by state or federal government or private agencies to  
16 meet nutritional needs, including: value of USDA-donated foods; value of supplemental food

19 of 1965 as amended, and the value of food stamps;

20 (v) Value of certain assistance provided to undergraduate students, including any grant or

3 1975;

4 (xi) Refund from the federal and state earned income tax credit;

5 (xii) The value of any state, local, or federal government rent or housing subsidy, provided  
6 that this exclusion shall not limit the reduction in benefits provided for in the payment standard  
7 section of this chapter;

8 (xiii) The earned income of any adult family member who gains employment, in  
9 compliance with their employment plan, while an active RI Works household member. Such earned  
10 income is excluded for the first six (6) months of earned income from employment, until the  
11 household reaches its forty-eight (48) month time limit, or until household's total gross income  
12 exceeds one hundred eighty-five percent (185%) of the Federal Poverty Level (FPL) whichever is  
13 first.

14 (4) The receipt of a lump sum of income shall affect participants for cash assistance in  
15 accordance with rules and regulations promulgated by the department.

16 (h) Time limit on the receipt of cash assistance.

17 (1) On or after January 1, 2020, no cash assistance shall be provided, pursuant to this  
18 chapter, to a family or assistance unit that includes an adult member who has received cash  
19 assistance for a total of forty-eight (48) months (whether or not consecutive), to include any time  
20 receiving any type of cash assistance in any other state or territory of the United States of America  
21 as defined herein. Provided further, in no circumstances other than provided for in subsection (h)(3)  
22 with respect to certain minor children, shall cash assistance be provided pursuant to this chapter to  
23 a family or assistance unit that includes an adult member who has received cash assistance for a  
24 total of a lifetime limit of forty-eight (48) months.

25 (2) Cash benefits received by a minor dependent child shall not be counted toward their  
26 lifetime time limit for receiving benefits under this chapter should that minor child apply for cash  
27 benefits as an adult.

28 (3) Certain minor children not subject to time limit. This section regarding the lifetime time  
29 limit for the receipt of cash assistance shall not apply only in the instances of a minor child(ren)  
30 living with a parent who receives SSI benefits and a minor child(ren) living with a responsible,  
31 adult non-parent caretaker relative who is not in the cash assistance payment.

32 (4) Receipt of family cash assistance in any other state or territory of the United States of  
33 America shall be determined by the department of human services and shall include family cash  
34 assistance funded in whole or in part by Temporary Assistance for Needy Families (TANF) funds

1 [Title IV-A of the federal Social Security Act, 42 U.S.C. § 601 et seq.] and/or family cash assistance  
2 provided under a program similar to the Rhode Island families work and opportunity program or  
3 the federal TANF program.

4 (5)(i) The department of human services shall mail a notice to each assistance unit when  
5 the assistance unit has six (6) months of cash assistance remaining and each month thereafter until  
6 the time limit has expired. The notice must be developed by the department of human services and  
7 must contain information about the lifetime time limit; the number of months the participant has  
8 remaining; the hardship extension policy; the availability of a post-employment-and-closure bonus;  
9 and any other information pertinent to a family or an assistance unit nearing the forty-eight-month  
10 (48) lifetime time limit.

11 (ii) For applicants who have less than six (6) months remaining in the forty-eight-month  
12 (48) lifetime time limit because the family or assistance unit previously received cash assistance in  
13 Rhode Island or in another state, the department shall notify the applicant of the number of months  
14 remaining when the application is approved and begin the process required in subsection (h)(5)(i).

15 (6) If a cash assistance recipient family was closed pursuant to Rhode Island's Temporary  
16 Assistance for Needy Families Program (federal TANF described in Title IV-A of the federal Social  
17 Security Act, 42 U.S.C. § 601 et seq.), formerly entitled the Rhode Island family independence  
18 program, more specifically under § 40-5.1-9(2)(c) [repealed], due to sanction because of failure to  
19 comply with the cash assistance program requirements; and that recipient family received forty-  
20 eight (48) months of cash benefits in accordance with the family independence program, then that  
21 recipient family is not able to receive further cash assistance for his/her family, under this chapter,  
22 except under hardship exceptions.

23 (7) The months of state or federally funded cash assistance received by a recipient family  
24 since May 1, 1997, under Rhode Island's Temporary Assistance for Needy Families Program  
25 (federal TANF described in Title IV-A of the federal Social Security Act, 42 U.S.C. § 601 et seq.),  
26 formerly entitled the Rhode Island family independence program, shall be countable toward the  
27 time-limited cash assistance described in this chapter.

28 (i) Time limit on the receipt of cash assistance.

29 (1) No cash assistance shall be provided, pursuant to this chapter, to a family assistance  
30 unit in which an adult member has received cash assistance for a total of sixty (60) months (whether  
31 or not consecutive) to include any time receiving any type of cash assistance in any other state or  
32 territory of the United States as defined herein effective August 1, 2008. Provided further, that no  
33 cash assistance shall be provided to a family in which an adult member has received assistance for  
34 twenty-four (24) consecutive months unless the adult member has a rehabilitation employment plan

1 as provided in § 40-5.2-12(g)(5).

2 (2) Effective August 1, 2008, no cash assistance shall be provided pursuant to this chapter  
3 to a family in which a child has received cash assistance for a total of sixty (60) months (whether  
4 or not consecutive) if the parent is ineligible for assistance under this chapter pursuant to  
5 subdivision 40-5.2(a)(2) to include any time they received any type of cash assistance in any other  
6 state or territory of the United States as defined herein.

7 (j) Hardship exceptions.

8 (1) The department may extend an assistance unit's or family's cash assistance beyond the  
9 time limit, by reason of hardship; provided, however, that the number of families to be exempted  
10 by the department with respect to their time limit under this subsection shall not exceed twenty  
11 percent (20%) of the average monthly number of families to which assistance is provided for under  
12 this chapter in a fiscal year; provided, however, that to the extent now or hereafter permitted by  
13 federal law, any waiver granted under § 40-5.2-34, for domestic violence, shall not be counted in  
14 determining the twenty percent (20%) maximum under this section.

15 (2) Parents who receive extensions to the time limit due to hardship must have and comply  
16 with employment plans designed to remove or ameliorate the conditions that warranted the  
17 extension.

18 (k) Parents under eighteen (18) years of age.

19 (1) A family consisting of a parent who is under the age of eighteen (18), and who has  
20 never been married, and who has a child; or a family consisting of a woman under the age of  
21 eighteen (18) who is at least six (6) months pregnant, shall be eligible for cash assistance only if  
22 the family resides in the home of an adult parent, legal guardian, or other adult relative. The  
23 assistance shall be provided to the adult parent, legal guardian, or other adult relative on behalf of  
24 the individual and child unless otherwise authorized by the department.

25 (2) This subsection shall not apply if the minor parent or pregnant minor has no parent,  
26 legal guardian, or other adult relative who is living and/or whose whereabouts are unknown; or the  
27 department determines that the physical or emotional health or safety of the minor parent, or his or  
28 her child, or the pregnant minor, would be jeopardized if he or she was required to live in the same  
29 residence as his or her parent, legal guardian, or other adult relative (refusal of a parent, legal  
30 guardian, or other adult relative to allow the minor parent or his or her child, or a pregnant minor,  
31 to live in his or her home shall constitute a presumption that the health or safety would be so  
32 jeopardized); or the minor parent or pregnant minor has lived apart from his or her own parent or  
33 legal guardian for a period of at least one year before either the birth of any child to a minor parent  
34 or the onset of the pregnant minor's pregnancy; or there is good cause, under departmental

1 regulations, for waiving the subsection; and the individual resides in a supervised supportive-living  
2 arrangement to the extent available.

3 (3) For purposes of this section, "supervised supportive-living arrangement" means an  
4 arrangement that requires minor parents to enroll and make satisfactory progress in a program  
5 leading to a high school diploma or a general education development certificate, and requires minor  
6 parents to participate in the adolescent parenting program designated by the department, to the  
7 extent the program is available; and provides rules and regulations that ensure regular adult  
8 supervision.

9 (1) Assignment and cooperation. As a condition of eligibility for cash and medical  
10 assistance under this chapter, each adult member, parent, or caretaker relative of the  
11 family/assistance unit must:

12 (1) Assign to the state any rights to support for children within the family from any person  
13 that the family member has at the time the assignment is executed or may have while receiving  
14 assistance under this chapter;

15 (2) Consent to and cooperate with the state in establishing the paternity and in establishing  
16 and/or enforcing child support and medical support orders for all children in the family or assistance  
17 unit in accordance with title 15, as amended, unless the parent or caretaker relative is found to have  
18 good cause for refusing to comply with the requirements of this subsection.

19 (3) Absent good cause, as defined by the department of human services through the  
20 rulemaking process, for refusing to comply with the requirements of subsections (1)(1) and (2), cash  
21 assistance to the family shall be reduced by twenty-five percent (25%) until the adult member of  
22 the family who has refused to comply with the requirements of this subsection consents to and  
23 cooperates with the state in accordance with the requirements of this subsection.

24 (4) As a condition of eligibility for cash and medical assistance under this chapter, each  
25 adult member, parent, or caretaker relative of the family/assistance unit must consent to and  
26 cooperate with the state in identifying and providing information to assist the state in pursuing any  
27 third party who may be liable to pay for care and services under Title XIX of the Social Security  
28 Act, 42 U.S.C. § 1396 et seq.

29 **40-5.2-11. Cash assistance.**

30 (a) A family or assistance unit found by the department to meet the eligibility criteria set  
31 forth in this chapter shall be eligible to receive cash assistance as of the date a signed, written  
32 application, signed under a penalty of perjury, is received by the department.

33 (b) The family members or assistance unit shall be eligible for cash assistance for so long  
34 as they continue to meet the eligibility criteria outlined in accordance with this chapter. Parents and

1 adult non-parent caretaker relatives receiving cash assistance shall be eligible so long as they meet  
2 the terms and conditions of the work requirements of § 40-5.2-12. An adult caretaker relative shall  
3 be eligible for assistance as a member of the assistance unit so long as he/she meets all the eligibility  
4 requirements of this chapter.

5 (c) The monthly amount of cash assistance shall be equal to the payment standard for the  
6 family minus the countable income of the family in that month. The department is authorized to  
7 reduce the amount of assistance in the month of application to reflect the number of the days  
8 between the first day of the month and the effective date of the application.

9 (d) A decision on the application for assistance shall be made or rejected by the department  
10 no later than thirty (30) days following the date submitted and shall be effective as of the date of  
11 application.

12 (e) ~~The payment standard is equal to the sum of the following: three hundred twenty seven~~  
13 ~~dollars (\$327) (two hundred seventy seven dollars (\$277) for a family residing in subsidized~~  
14 ~~housing) for the first person, one hundred twenty two dollars (\$122) for the second person, one~~  
15 ~~hundred five dollars (\$105) for the third person and eighty dollars (\$80) for each additional person.~~  
16 Effective October 1, 2021, the payment standard for the assistance unit shall be no less than fifty  
17 percent (50%) of the poverty guideline for the comparable assistance unit size as determined by the  
18 U.S. Department of Health and Human Services for calendar year 2021. Thereafter, the payment  
19 standard shall be adjusted in October of each year to be no less than fifty percent (50%) of the  
20 poverty guideline for the comparable assistance unit size as determined by the U.S. Department of  
21 Health and Human Services for that calendar year.

22 **40-5.2-12. Work requirements for receipt of cash assistance.**

23 (a) The department of human services and the department of labor and training shall assess  
24 the applicant/parent or non-parent caretaker relative's work experience, educational, and vocational  
25 abilities, and the department, together with the parent, shall develop and enter into a mandatory,  
26 individual employment plan in accordance with § 40-5.2-10(e).

27 (b) In the case of a family including two (2) parents, at least one of the parents shall be  
28 required to participate in an employment plan leading to full-time employment. The department  
29 may also require the second parent in a two-parent (2) household to develop an employment plan  
30 if, and when, the youngest child reaches six (6) years of age or older.

31 (c) The written, individual employment plan shall specify, at minimum, the immediate  
32 steps necessary to support a goal of long-term, economic independence.

33 (d) All applicants and participants in the Rhode Island works employment program must  
34 attend and participate in required appointments, employment plan development, and employment-

1 related activities, unless temporarily exempt for reasons specified in this chapter.

2 (e) A recipient/participant temporarily exempted from the work requirements may  
3 participate in an individual employment plan on a voluntary basis, however, the individual remains  
4 subject to the same program compliance requirements as a participant without a temporary  
5 exemption.

6 (f) The individual employment plan shall specify the participant's work activity(ies) and  
7 the supportive services that will be provided by the department to enable the participant to engage  
8 in the work activity(ies).

9 (g) Work requirements for single-parent families. In single-parent households, the  
10 participant parent or non-parent caretaker relative in the cash assistance payment, shall participate  
11 as a condition of eligibility, for a minimum of twenty (20) hours per week if the youngest child in  
12 the home is under the age of six (6), and for a minimum of thirty (30) hours per week if the youngest
