LC004522/SUB A/2

**STATE OF RHODE ISLAND**

**IN GENERAL ASSEMBLY**

**JANUARY SESSION, A.D. 2022**

**A N A C T**

**RELATING TO BUSINESSES AND PROFESSIONS -- PHARMACIES**

Introduced By: Representatives Vella-Wilkinson, Williams, Casimiro, Kazarian, Alzate, Baginski, Messier, Felix, Morales, and Shallcross Smith

Date Introduced: February 04, 2022

Referred To: House Health & Human Services

It is enacted by the General Assembly as follows:

1           SECTION 1. Chapter 5-19.1 of the General Laws entitled "Pharmacies" is hereby amended  
2 by adding thereto the following section:

3           **5-19.1-36. Pharmacists -- Contraceptives -- Prescribing.**

4           (a) In accordance with chapter 19.1 of title 5 and adopted by the state board of pharmacy,  
5 a pharmacist may prescribe and dispense all short-term, FDA-approved hormonal contraceptives.

6           (b) The state board of pharmacy shall adopt rules to establish, in consultation with the  
7 Rhode Island medical board, the Rhode Island state board of nursing and the Rhode Island  
8 department of health, and in consideration of guidelines established by the American College of  
9 Obstetricians and Gynecologists.

10           (c) A pharmacist shall be required to:

11           (1) Complete a training program approved by the state board of pharmacy that is related to  
12 prescribing hormonal contraceptives. This training program shall include training on counseling on  
13 all methods of FDA-approved contraceptives, including those the pharmacist is not able to  
14 prescribe;

15           (2) Provide a self-screening risk assessment tool, based on the current version of the U.S.  
16 Medical Eligibility Criteria for Contraceptive Use developed by the Federal Centers for Disease  
17 Control and Prevention, that the patient must complete prior to the pharmacist's prescribing the  
18 hormonal contraceptive;

19           (3) Refer the patient to the patient's primary care practitioner or women's health care

1 practitioner upon prescribing and dispensing the hormonal contraceptive patch or self-administered  
2 oral hormonal contraceptive;

3 (4) Provide the patient with a written record of the hormonal contraceptive prescribed and  
4 dispensed and advise the patient to consult with a primary care practitioner or women's health care  
5 practitioner; and

6 (5) Dispense the contraceptives to the patient as soon as practicable after the pharmacist  
7 issues the prescription.

8 (d) All state and federal laws governing insurance coverage of contraceptive drugs,  
9 devices, products and services shall apply to contraceptives prescribed by a pharmacist under this  
10 section.

11 (e) The Rhode Island state pharmacy board should track and report on accessibility and  
12 use, including the number and geographic locations of participating pharmacy stores; number of  
13 pharmacists that have successfully completed the training protocol; and whether contraceptives are  
14 adequately stocked in stores.

15 (f) Pharmacies should display signs in stores and on websites indicating on-site, behind-  
16 the-counter availability of contraceptives.

17 SECTION 2. This act shall take effect upon passage.
