EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO PUBLIC RECORDS -- PUBLIC RECORDS ADMINISTRATION

1 This act would update the public records administration act by designating a public records
2 administrator, amending the definition of records, adding various definitions to include, electronic,
3 records series, state archivist, and retention, modifying a records control schedule, designating a
4 records officer and establish procedures for the retention of public records and their transfer after
5 twenty (20) years to the state archives. It would also provide that a research room be established
6 for research of records, that the administrator submit yearly reports, provide certified copies,
7 approve emergency destruction of public records and perform other functions and duties as the
8 secretary of state may direct. It would require a public records advisory commission which would
9 establish public reporting compliance and allow the administrator to bring violations to superior
10 court and apply for restraining orders.

11 This act would take effect upon passage.
