10 12, 13, 14, 17, and 30 of this title. Said credit shall not exceed five million dollars (\$5,000,000) and

16 production tax credits pursuant to this chapter. Said credits shall be equally available to motion
17 picture productions and musical and theatrical productions. No specific amount shall be set aside
18 for either type of production.

19 (3) The tax credit shall be allowed against the tax for the taxable period in which the credit
20 is earned and can be carried forward for not more than three (3) succeeding tax years.

21 (4) Credits allowed to a company that is a subchapter S corporation, partnership, or a
22 limited-liability company that is taxed as a partnership, shall be passed through respectively to
23 persons designated as partners, members, or owners on a pro rata basis or pursuant to an executed

26 or economic attributes of such entity.

27 (5) If the company has not claimed the tax credits in whole or part, taxpayers eligible for

33 chapter 11, 12, 13 (other than the tax imposed under § 44-13-13), 14, 17, or 30 of this title. The
34 assignee may apply the tax credit against taxes imposed on the assignee for not more than three (3)

1 succeeding tax years. The assignor shall perfect the transfer by notifying the state of Rhode Island
2 division of taxation, in writing, within thirty (30) calendar days following the effective date of the
3 transfer and shall provide any information as may be required by the division of taxation to
4 administer and carry out the provisions of this section.

5 (6) For purposes of this chapter, any assignment or sales proceeds received by the assignor
6 for its assignment or sale of the tax credits allowed pursuant to this section shall be exempt from
7 this title.

8 (7) In the case of a corporation, this credit is only allowed against the tax of a corporation
9 included in a consolidated return that qualifies for the credit and not against the tax of other
10 corporations that may join in the filing of a consolidated tax return.

11 (c) Certification and administration.

12 (1) The applicant shall properly prepare, sign, and submit to the film office an application
13 for initial certification of the theater production. The application shall include the information and
14 data as the film office deems reasonably necessary for the proper evaluation and administration of
15 the application, including, but not limited to, any information about the theater production company
16 and a specific Rhode Island live theater or musical production. The film office shall review the
17 completed application and determine whether it meets the requisite criteria and qualifications for
18 the initial certification for the production. If the initial certification is granted, the film office shall
19 issue a notice of initial certification of the accredited theater production to the theater production
20 company and to the tax administrator. The notice shall state that, after appropriate review, the initial
21 application meets the appropriate criteria for conditional eligibility. The notice of initial
22 certification will provide a unique identification number for the production and is only a statement
23 of conditional eligibility for the production and, as such, does not grant or convey any Rhode Island
24 tax benefits.

25 (2) Upon completion of an accredited theater production, the applicant shall properly
26 prepare, sign, and submit to the film office an application for final certification of the accredited
27 theater production. The final application shall also contain a cost report and an "accountant's
28 certification." The film office and tax administrator may rely without independent investigation,
29 upon the accountant's certification, in the form of an opinion, confirming the accuracy of the
30 information included in the cost report. Upon review of a duly completed and filed application and
31 upon no later than thirty (30) days of submission thereof, the division of taxation will make a
32 determination pertaining to the final certification of the accredited theater production and the
33 resultant tax credits.

34 (3) Upon determination that the company qualifies for final certification and the resultant

1 tax credits, the tax administrator of the division of taxation shall issue to the company: (i) An
2 accredited theater production certificate; and (ii) A tax credit certificate in an amount in accordance
3 with subsection (b) of this section. A musical and theatrical production company is prohibited from
4 using state funds, state loans, or state guaranteed loans to qualify for the motion picture tax credit.
5 All documents that are issued by the film office pursuant to this section shall reference the
6 identification number that was issued to the production as part of its initial certification.

7 (4) The director of the department of administration, in consultation as needed with the tax
8 administrator, shall promulgate rules and regulations as are necessary to carry out the intent and
9 purposes of this chapter in accordance with the general guidelines provided herein for the
10 certification of the production and the resultant production credit.

11 (5) If information comes to the attention of the film office that is materially inconsistent
12 with representations made in an application, the film office may deny the requested certification.
13 In the event that tax credits or a portion of tax credits are subject to recapture for ineligible costs
14 and the tax credits have been transferred, assigned, and/or allocated, the state will pursue its
15 recapture remedies and rights against the applicant of the theater production tax credits. No redress
16 shall be sought against assignees, sellers, transferees, or allocates of the credits.

17 (d) Information requests.

18 (1) The director of the film office, and his or her agents, for the purpose of ascertaining the
19 correctness of any credit claimed under the provisions of this chapter, may examine any books,
20 paper, records, or memoranda bearing upon the matters required to be included in the return, report,
21 or other statement, and may require the attendance of the person executing the return, report, or
22 other statement, or of any officer or employee of any taxpayer, or the attendance of any other
23 person, and may examine the person under oath respecting any matter that the director, or his or
24 her agent, deems pertinent or material in administration and application of this chapter and where
25 not inconsistent with other legal provisions, the director may request information from the tax
26 administrator.

27 (2) The tax administrator, and his or her agents, for the purpose of ascertaining the
28 correctness of any credit claimed under the provisions of this chapter, may examine any books,
29 paper, records, or memoranda bearing upon the matters required to be included in the return, report,
30 or other statement, and may require the attendance of the person executing the return, report, or
31 other statement, or of any officer or employee of any taxpayer, or the attendance of any other
32 person, and may examine the person under oath respecting any matter the tax administrator or his
33 or her agent deems pertinent or material in determining the eligibility for credits claimed and may
34 request information from the film office, and the film office shall provide the information in all

1 cases to the tax administrator.

2 (e) The film office shall comply with the impact analysis and periodic reporting provisions
3 of § 44-31.2-6.1.
