**STATE OF RHODE ISLAND**

**IN GENERAL ASSEMBLY**

**JANUARY SESSION, A.D. 2022**

—————  
A N A C T

RELATING TO EDUCATION -- RHODE ISLAND CERTIFICATION STANDARDS BOARD  
(SEE TITLE 16 CHAPTER 97 - THE RHODE ISLAND BOARD OF EDUCATION ACT)

Introduced By: Senators Lawson, Seveney, Coyne, Quezada, Euer, Cano, and DiPalma

Date Introduced: February 08, 2022

Referred To: Senate Education

It is enacted by the General Assembly as follows:

1           SECTION 1. Section 16-11.4-6 of the General Laws in Chapter 16-11.4 entitled "Rhode  
2   Island Certification Standards Board [See Title 16 Chapter 97 - The Rhode Island Board of  
3   Education Act]" is hereby amended to read as follows:

4           **16-11.4-6. Right to read act.**

5           (a) This section shall be known and may be cited as the "Right to Read Act."

6           (b) No later than 2025, the following shall have proficient knowledge and skills to teach  
7   reading consistent with the best practices of scientific reading instruction and structured literacy  
8   instruction:

9           (1) A person who completes a state-approved educator preparation program; and

10          (2) A person seeking teacher licensure by reciprocity or by adding an endorsement.

11          In addition, no later than 2025, a person who completes a state-approved educator  
12   preparation program, other than a teacher of elementary education program, shall demonstrate an  
13   awareness of the best practices of scientific reading instruction and structured literacy instruction.

14          (c) Beginning no later than the 2024-2025 school year, each state-approved educator  
15   preparation program shall post on its website information describing its program to prepare teachers  
16   to teach reading with scientific reading instruction and structured literacy instruction; aligned with,  
17   but not limited to, the content measured by the stand-alone reading assessment adopted by the  
18   Rhode Island board of education act.

1 (d) Beginning with the 2020-2021 school year, a public school district and an open-  
2 enrollment public charter school shall provide the following professional development in scientific  
3 reading instruction and structured literacy instruction:

4 (1) For teachers licensed at the elementary level, professional development for one of the  
5 prescribed pathways to obtaining a proficiency credential in knowledge and practices in scientific  
6 reading instruction and structured literacy instruction; and

7 (2) For teachers licensed at a level other than the elementary level, professional  
8 development for one of the prescribed pathways to obtaining an awareness credential in knowledge  
9 and practices in scientific reading instruction and structured literacy instruction.

10 (e) Beginning with the 2022-2023 school year, a public school that does not provide the  
11 professional development pursuant to the provisions of subsection (d) shall:

12 (1) Be placed on probationary status; and

13 (2) Provide notice to parents that the public school district has not met the requirements of  
14 this section.

15 (f) By the beginning of the ~~2023-2024~~ 2025-2026 school year:

16 (1) All teachers employed in a teaching position that requires an elementary education (K-  
17 6) license or (K-12) license shall demonstrate proficiency in knowledge and practices of scientific  
18 reading and structured literacy instruction; and

19 (2) All other teachers shall demonstrate awareness in knowledge and practices of scientific  
20 reading instruction and structured literacy instruction.

21 (g) All teachers who begin employment in the ~~2023-2024~~ 2025-2026 school year and each  
22 school year thereafter shall demonstrate proficiency or awareness in knowledge and practices in  
23 scientific reading instruction and structured literacy instruction as is applicable to their teaching  
24 position by completing the prescribed proficiency or awareness in knowledge and practices of the  
25 scientific reading instruction credential and a structured literacy instruction credential either:

26 (1) As a condition of licensure; or

27 (2) Within one year if the teacher is:

28 (i) Already licensed; or

29 (ii) Employed under a waiver from licensure.

30 (h) A provider of a state-approved educator preparation program shall include in its annual  
31 report to the department of elementary and secondary education (the "department") a description  
32 of program to prepare educators to teach reading using scientific reading instruction and structured  
33 literacy instruction.

34 (i) A public school district that employs an educator in violation of this section or that does

1 not provide the professional development as required under this section shall be in violation of the  
2 standards for accreditation of the Rhode Island board of education act, and the school district may  
3 be placed on probationary status by the department. A public school district placed on probationary  
4 status pursuant to the provisions of this subsection shall send written notification to the parents of  
5 the students in the public school district of the reason for being placed on probationary status.

6 (j) A provider of a state-approved educator preparation program that does not comply with  
7 the requirements of this section may be subject to penalties up to and including having the  
8 provider's approval status revoked.

9 (k) The department is vested with the authority to, and shall enforce, this section.

10 (l) The department shall promulgate rules to implement the provisions of this section no  
11 later than August 1, 2022.

12 (1) The rules and regulations adopted by the department shall recognize that teachers shall  
13 have met the requirement of demonstrating awareness in knowledge and practices of scientific  
14 reading and structured literacy instruction by attending ten (10) hours of training in scientific  
15 reading and structured literacy instruction.

16 (2) The rules and regulations adopted by the department shall recognize that teachers shall  
17 have met the requirement of demonstrating proficiency in knowledge and practices of scientific  
18 reading and structured literacy instruction by one of the following:

19 (i) Possessing a Master's degree in reading or a related academic discipline;

20 (ii) Possessing a reading specialist and/or consultant certificate;

21 (iii) Providing proof of completion of a course or training program in scientific reading and  
22 structured literacy instruction consisting of at least thirty (30) hours; or

23 (iv) Passing a test in scientific reading and structured literacy instruction adopted by the  
24 department at no cost to the teacher.

25 (m) Teachers shall not be required to attend training sessions outside the normal workday  
26 and work year unless mutually agreed to by the teacher, the school district, and the collective  
27 bargaining agent if applicable.

28 (n) For the 2022-2023, 2023-2024 and 2024-2025 school years, school districts shall be  
29 able to replace up to three (3) student instructional days per year with teacher professional  
30 development days in order to meet the requirements of this section.

31 ~~(m)~~(o) As used in this section:

32 (1) The term "scientific reading instruction" means instruction that is instructional  
33 centered, empirically based, and further based on the study of the relationship between cognitive  
34 science and educational outcomes; and

1           (2) The term "structured literacy instruction" means an approach by which licensed  
2 personnel teach reading, which includes syllables, morphology, sound-symbol correspondence,  
3 semantics, and syntax, in an explicit, systematic, and diagnostic manner.

4           SECTION 2. This act shall take effect upon passage.
