3 General Laws in Chapter 27-34.3 entitled "Rhode Island Life and Health Insurance Guaranty  
4 Association Act" are hereby amended to read as follows:

5 **27-34.3-2. Purpose.**

6 (a) The purpose of this chapter is to protect, subject to certain limitations, the persons  
7 specified in § 27-34.3-3(a) against failure in the performance of contractual obligations, under life,  
8 ~~and health insurance policies~~ and annuity policies, plans, or contracts specified in § 27-34.3-3(b),  
9 because of the impairment or insolvency of the member insurer that issued the policies, plans, or  
10 contracts.

11 (b) To provide this protection, an association of member insurers is created to pay benefits  
12 and to continue coverages as limited in this chapter, and members of the association are subject to  
13 assessment to provide funds to carry out the purpose of this chapter.

14 (c) In accordance with this purpose, in determining the coverage limits to be applied in §  
15 27-34.3-3 in cases in which there were different statutory limits at the time the insurer was declared  
16 impaired and the time the insurer was declared insolvent, the statute with the higher limits shall be  
17 applied to the claim.

18 **27-34.3-3 Coverage and limitations.**

1 (a) This chapter shall provide coverage for the policies and contracts specified in subsection  
2 (b) of this section:

3 (1) To persons who, regardless of where they reside (except for nonresident certificate  
4 holders under group policies or contracts), are the beneficiaries, assignees or payees, including  
5 health care providers rendering services covered under health insurance policies or certificates, of  
6 the persons covered under subsection (2); and

7 (2) To persons who are owners of or certificate holders or enrollees under the policies or  
8 contracts (other than unallocated annuity contracts, and structured settlement annuities) and in each  
9 case who:

10 (i) Are residents; or

11 (ii) Are not residents, but only under all of the following conditions:

12 (A) The member insurer that issued the policies or contracts is domiciled in this state;

13 (B) The states in which the persons reside have associations similar to the association  
14 created by this chapter; and

15 (C) The persons are not eligible for coverage by an association in any other state due to the  
16 fact that the insurer or the health maintenance organization was not licensed in the state at the time  
17 specified in the state's guaranty association law.

18 (3) For unallocated annuity contracts set forth in subsection (b) of this section, paragraphs  
19 (1) and (2) of this subsection shall not apply, and this chapter shall (except as provided in  
20 paragraphs (5) and (a)(6) of this subsection) provide coverage to:

21 (i) Persons who are owners of the unallocated annuity contracts if the contracts are issued  
22 to or in connection with a specific benefit plan whose plan sponsor has its principal place of  
23 business in this state; and

24 (ii) Persons who are owners of unallocated annuity contracts issued to or in connection  
25 with government lotteries if the owners are residents.

26 (4) For structured settlement annuities specified in subsection (b)(1), paragraphs (1) and  
27 (2) of this subsection shall not apply, and this chapter shall (except as provided in paragraphs (5)  
28 and (6) of this subsection) provide coverage to a person who is a payee under a structured settlement  
29 annuity (or beneficiary of a payee if the payee is deceased), if the payee:

30 (i) Is a resident, regardless of where the contract owner resides; or

31 (ii) Is not a resident, but only under both of the following conditions:

32 (A)(I) The contract owner of the structured settlement annuity is a resident; or

33 (II) The contract owner of the structured settlement annuity is not a resident but the insurer  
34 that issued the structured settlement annuity is domiciled in this state; and

1 The state in which the contract owner resides has an association similar to the association  
2 created by this chapter; and

3 (B) Neither the payee or beneficiary, nor the contract owner is eligible for coverage by the  
4 association of the state in which the payee or contract owner resides.

5 (5) This chapter shall not provide coverage to:

6 (i) A person who is a payee or beneficiary of a contract owner resident of this state, if the  
7 payee or beneficiary is afforded any coverage by the association of another state; ~~or~~

8 (ii) A person covered under paragraph (3) of this subsection, if any coverage is provided  
9 by the association of another state to the person; or

11 factoring transaction as defined in 26 U.S.C. 5891(c)(3)(A), regardless of whether the transaction  
12 occurred before or after such section became effective.

13 (6) This chapter is intended to provide coverage to a person who is a resident of this state  
14 and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person  
15 who would otherwise receive coverage under this chapter is provided coverage under the laws of  
16 any other state, the person shall not be provided coverage under this chapter. In determining the  
17 application of the provisions of this paragraph in situations where a person could be covered by the  
18 association of more than one state, whether as an owner, payee, enrollee, beneficiary, or assignee,  
19 this chapter shall be construed in conjunction with other state laws to result in coverage by only  
20 one association.

21 (b)(1) This chapter shall provide coverage to the persons specified in subsection (a) of this  
22 section for policies or contracts of direct, non-group life insurance, health ~~or annuity policies or~~  
23 ~~contracts~~ insurance, including health maintenance organization subscriber contracts and  
24 certificates, annuities and supplemental policies or contracts to any of these, for certificates under  
25 direct group policies and contracts, and for unallocated annuity contracts issued by member  
26 insurers, except as limited by this chapter. Annuity contracts and certificates under group annuity  
27 contracts include, but are not limited to, guaranteed investment contracts, deposit administration  
28 contracts, unallocated funding agreements, allocated funding agreements, structured settlement  
29 annuities, annuities issued to or in connection with government lotteries and any immediate or

6 value:

7 (A) Averaged over the period of four (4) years prior to the date on which the member  
8 insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds  
9 the rate of interest determined by subtracting two (2) percentage points from Moody's corporate  
10 bond yield average averaged for that same four-year (4) period or for such lesser period if the policy  
11 or contract was issued less than four (4) years before the member insurer becomes an impaired or  
12 insolvent insurer under this chapter, whichever is earlier; and

13 (B) On and after the date on which the member insurer becomes an impaired or insolvent  
14 insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by  
15 subtracting three (3) percentage points from Moody's corporate bond yield average as most recently  
16 available;

17 (iv) A portion of a policy or contract issued to a plan or program of an employer, association  
18 or other person to provide life, health or annuity benefits to its employees, members or others to

33 protected under the federal pension benefit guaranty corporation, regardless of whether the federal  
34 pension benefit guaranty corporation has yet become liable to make any payments with respect to

2 (viii) A portion of unallocated annuity contract that is not issued to or in connection with a

18 affiliate of the member insurer;

22 contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an  
23 impaired or insolvent insurer under this chapter, whichever is earlier. If a policy's or contract's  
24 interest or changes in value are credited less frequently than annually, then, for purposes of  
25 determining the values that have been credited and are not subject to forfeiture under this paragraph,  
26 the interest or change in value determined by using the procedures defined in the policy or contract

6 effective.

7 (3) The exclusion from coverage referenced in subsection (b)(2)(iii) of this section shall

21 to individual coverage or to continue an individual policy, contract or annuity in force until a  
22 specified age or for a specified time, during which the insurer or health maintenance organization  
23 had no right unilaterally to make changes in any provision of the policy, contract or annuity or had  
24 a right only to make changes in premium by class;

25 (iv)(A) In providing the substitute coverage required under subdivision (iii) of this  
26 subsection, the association may offer either to reissue the terminated coverage or to issue an

28 commissioner.

29 (B) Alternative or reissued policies or contracts shall be offered without requiring evidence

5 charged. The association shall set the premium in accordance with a table of rates which it shall  
6 adopt. The premium shall reflect the amount of insurance to be provided and the age and class of  
7 risk of each insured, but shall not reflect any changes in the health of the insured after the original  
8 policy [or contract](#) was last underwritten.

9 (C) Any alternative policy [or contract](#) issued by the association shall provide coverage of  
10 a type similar to that of the policy [or contract](#) issued by the impaired or insolvent insurer, as  
11 determined by the association.

12 (vi) If the association elects to reissue terminated coverage at a premium rate different from  
13 that charged under the terminated policy [or contract](#), the premium shall [be actuarially justified and](#)  
14 be set by the association in accordance with the amount of insurance [or coverage](#) provided and the  
15 age and class of risk, subject to approval of the ~~domiciliary insurance~~ commissioner ~~and the~~

20 the policy [or contract](#) owner, the insured, [the enrollee](#) or the association.

21 (viii) When proceeding under paragraph (b)(2) of this section with respect to any policy or

24 (c) Nonpayment of premiums within thirty-one (31) days after the date required under the  
25 terms of any guaranteed, assumed, alternative or reissued policy or contract or substitute coverage  
26 shall terminate the association's obligations under the policy, [contract](#) or coverage under this  
27 chapter with respect to the policy, [contract](#) or coverage, except with respect to any claims incurred  
28 or any net cash surrender value which may be due in accordance with the provisions of this chapter.

29 (d) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer  
30 shall belong to and be payable at the direction of the association. If the liquidator of an insolvent  
31 insurer requests, the association shall provide a report to the liquidator regarding such premium  
32 collected by the association. The association shall be liable for unearned premiums due to policy  
33 or contract owners arising after the entry of the order.

34 (e) The protection provided by this chapter shall not apply where any guaranty protection

1 is provided to residents of this state by laws of the domiciliary state or jurisdiction of the impaired  
2 or insolvent insurer other than this state.

3 (f) In carrying out its duties under subsection (b), the association may:

4 (1) Subject to approval by a court of competent jurisdiction in this state, impose permanent  
5 policy or contract liens in connection with any guarantee, assumption or reinsurance agreement, if  
6 the association finds that the amounts which can be assessed under this chapter are less than the  
7 amounts needed to assure full and prompt performance of the association's duties under this chapter,  
8 or that the economic or financial conditions as they affect member insurers are sufficiently adverse  
9 to render the imposition of such permanent policy or contract liens, to be in the public interest;

10 (2) Subject to approval by a court of competent jurisdiction in this state, impose temporary  
11 moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw  
12 funds held in conjunction with policies or contracts, in addition to any contractual provisions for  
13 deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or  
14 moratorium charge imposed by the receivership court on payment of cash values or policy loans,  
15 or on any other right to withdraw funds held in conjunction with policies or contracts, out of the  
16 assets of the impaired or insolvent insurer, the association may defer the payment of such cash  
17 values, policy loans or other rights by the association for the period of the moratorium or  
18 moratorium charge imposed by the receivership court, except for claims covered by the association  
19 to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and  
20 approved by the receivership court.

21 (g) A deposit in this state, held pursuant to law or required by the commissioner for the  
22 benefit of creditors, including policy or contract owners, not turned over to the domiciliary  
23 liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of  
24 ~~an~~ a member insurer domiciled in this state or in a reciprocal state, pursuant to § 27-14.3-56, shall  
25 be promptly paid to the association. The association shall be entitled to retain a portion of any  
26 amounts so paid to it equal to the percentage determined by dividing the aggregate amount of policy  
27 or contract owners' claims related to that insolvency for which the association has provided  
28 statutory benefits by the aggregate amount of all policy or contract owners' claims in this state  
29 related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the  
30 association less the amount retained pursuant to this subsection. Any amount so paid to the  
31 association and retained by it shall be treated as a distribution of estate assets pursuant to applicable  
32 state insurance law dealing with early access disbursements.

33 (h) If the association fails to act within a reasonable period of time with respect to an  
34 insolvent insurer, as provided in subsection (b) of this section, the commissioner shall have the

1 powers and duties of the association under this chapter with respect to the insolvent insurers.

2 (i) The association may render assistance and advice to the commissioner, upon the  
3 commissioner's request, concerning rehabilitation, payment of claims, continuance of coverage, or  
4 the performance of other contractual obligations of any impaired or insolvent insurer.

5 (j) The association shall have standing to appear or intervene before any court or agency in  
6 this state with jurisdiction over an impaired or insolvent insurer concerning which the association  
7 is or may become obligated under this chapter or with jurisdiction over any person or property  
8 against whom the association may have rights through subrogation or otherwise. Standing shall  
9 extend to all matters germane to the powers and duties of the association, including, but not limited  
10 to, proposals for reinsuring, [reissuing](#), modifying or guaranteeing the policies or contracts of the  
11 impaired or insolvent insurer and the determination of the policies or contracts and contractual  
12 obligations. The association shall also have the right to appear or intervene before a court or agency  
13 in another state with jurisdiction over an impaired or insolvent insurer for which the association is  
14 or may become obligated or with jurisdiction over any person or property against whom the  
15 association may have rights through subrogation or otherwise.

16 (k)(1) A person receiving benefits under this chapter shall be deemed to have assigned the  
17 rights under, and any causes of action against any person for losses arising under, resulting from or  
18 otherwise relating to, the covered policy or contract to the association to the extent of the benefits  
19 received because of this chapter, whether the benefits are payments of or on account of contractual  
20 obligations, continuation of coverage or provision of substitute or alternative [policies, contracts or](#)  
21 coverage. The association may require an assignment to it of these rights and causes of action by  
22 any [enrollee](#), payee, policy or contract owner, beneficiary, insured or annuitant as a condition  
23 precedent to the receipt of any right or benefits conferred by this chapter upon the person.

24 (2) The subrogation rights of the association under this subsection shall have the same  
25 priority against the assets of the impaired or insolvent insurer as that possessed by the person  
26 entitled to receive benefits under this chapter.

27 (3) In addition to subdivisions (1) and (2) of this subsection, the association shall have all  
28 common law rights of subrogation and any other equitable or legal remedy that would have been  
29 available to the impaired or insolvent insurer or owner, beneficiary, [enrollee](#) or payee, of a policy  
30 or contract with respect to the policy or contracts including without limitation, in the case of a  
31 structured settlement annuity, any rights of the owner, beneficiary or payee of the annuity, to the  
32 extent of benefits received pursuant to this chapter, against a person originally or by succession  
33 responsible for the losses arising from the personal injury relating to the annuity or payment  
34 therefore, excepting any such person responsible solely by reason of serving as an assignee in

1 respect of a qualified assignment under § 130 of the United States Internal Revenue Code, 26 U.S.C.  
2 § 130.

3 (4) If the preceding provisions of this subsection are invalid or ineffective with respect to  
4 any person or claim for any reason, the amount payable by the association with respect to the related  
5 covered obligations shall be reduced by the amount realized by any other person with respect to the  
6 person or claim that is attributable to the policies or contracts, or portion thereof, covered by the  
7 association.

8 (5) If the association has provided benefits with respect to a covered obligation and a person  
9 recovers amounts to which the association has rights as described in the preceding paragraphs of  
10 this subsection, the person shall pay to the association the portion of the recovery attributable to  
11 the policies or contracts, or portions thereof, covered by the association.

12 (1) In addition to the rights and powers provided in this chapter, the association may:

13 (1) Enter into any contracts as are necessary or proper to carry out the provisions and  
14 purposes of this chapter;

18 indebtedness of the association not in default shall be legal investments for domestic member  
19 insurers and may be carried as admitted assets;

21 transactions of the association, and to perform any other functions as become necessary or proper  
22 under this chapter;

23 (5) Take such legal action that may be necessary or appropriate to avoid or recover payment  
24 of improper claims;

25 (6) Exercise, for the purposes of this chapter and to the extent approved by the  
26 commissioner, the powers of a domestic life ~~or~~ insurer, health insurer, or health maintenance  
27 organization, but in no case may the association issue ~~insurance~~ policies or ~~annuity~~ contracts other  
28 than those issued to perform its obligations under this chapter;

29 (7) Organize itself as a corporation or another legal form permitted by the laws of this state;

30 (8) Request information from a person seeking coverage from the association in order to  
31 aid the association in determining its obligations under this chapter with respect to the person, and  
32 the person shall promptly comply with the request; ~~and~~

33 (9) Unless prohibited by law, in accordance with the terms and conditions of the policy or  
34 contract, file for actuarially justified rate or premium increases for any policy or contract for which

1 [it provides coverage under this chapter; and](#)

2 ~~(9)~~(10) Take other necessary or appropriate action to discharge its duties and obligations  
3 under this chapter or to exercise its powers under this chapter.

4 (m) The association may join an organization of one or more other state associations of  
5 similar purposes, to further the purposes and administer the powers and duties of the association.

6 (n)(1)(a) At any time within one hundred eighty (180) days of the date of the order of  
7 liquidation, the association may elect to succeed to the rights and obligations of the ceding member  
8 insurer that relate to policies, [contracts](#) or annuities covered, in whole or in part, by the association,  
9 in each case under any one or more reinsurance contracts entered into by the insolvent insurer and  
10 its reinsurers and selected by the association. Any such assumption shall be effective as of the date  
11 of the order of liquidation. The election shall be effected by the association or the national  
12 organization of life and health insurance guaranty associations (NOLHGA) on its behalf sending  
13 written notice, return receipt requested to the affected reinsurers.

14 (b) To facilitate the earliest practicable decision about whether to assume any of the  
15 contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and  
16 each reinsurer of the ceding member insurer shall make available upon request to the association  
17 or to NOLHGA on its behalf as soon as possible after commencement of formal delinquency  
18 proceedings: (i) Copies of in-force contracts of reinsurance and all related files and records relevant  
19 to the determination of whether such contracts should be assumed, and (ii) Notices of any defaults  
20 under the reinsurance contracts or any known event or condition which with the passage of time  
21 could become a default under the reinsurance contracts.

22 (c) The following subparagraphs (i) through (iv) shall apply to reinsurance contracts so  
23 assumed by the association.

24 (i) The association shall be responsible for all unpaid premiums due under the reinsurance  
25 contracts for periods both before and after the date of the order of liquidation, and shall be  
26 responsible for the performance of all other obligations to be performed after the date of the order  
27 of liquidation, in each case which relate to policies, [contracts](#) and annuities covered, in whole or in  
28 part, by the association. The association may charge policies, [contracts](#) and annuities covered in  
29 part by the association, through reasonable allocation methods, the costs for reinsurance in excess  
30 of the obligations of the association and shall provide notice and an accounting of these charges to  
31 the liquidator;

32 (ii) The association shall be entitled to any amounts payable by the reinsurer under the  
33 reinsurance contracts with respect to losses or events that occur in periods after the date of the order  
34 of liquidation and that relate to policies, [contracts](#) or annuities covered in whole or in part, by the

1 association provided, that, upon receipt of any such amounts, the association shall be obliged to  
2 pay to the beneficiary under the policy, [contract](#) or annuity on account of which the amounts were  
3 paid a portion of the amount equal to the lesser of:

4 (A) The amount received by the association; or

5 (B) The excess of the amount received by the association; over the amount equal to the  
6 benefits paid by the association on account of the policy, [contract](#) or annuity less the retention of  
7 the insurer applicable to the loss or event;

8 (iii) Within thirty (30) days following the association's election (the "election date"), the  
9 association and each reinsurer under contracts assumed by the association shall calculate the net  
10 balance due to or from the association under each such reinsurance contract as of the election date  
11 with respect to policies, [contracts](#) or annuities covered, in whole or in part, by the association which

14 or events prior to the date of the order of liquidation, subject to any set-off for premiums unpaid  
15 for periods prior to the date, and the association or reinsurer shall pay any remaining premiums in  
16 each case within five (5) days of the completion of the aforementioned calculation. Any disputes  
17 over the amounts due to either the association or the reinsurer shall be resolved by arbitration  
18 pursuant to the terms of the affected reinsurance contracts or, if the contract contains no arbitration  
19 clause, as otherwise provided by law. If the receiver has received any amounts due the association  
20 pursuant to paragraph (ii), the receiver, shall remit the same to the association as promptly as  
21 practicable.

22 (iv) If the association or receiver, on the association's behalf, within sixty (60) days of the  
23 election date, pays the unpaid premiums due for periods both before and after the election date, that  
24 relate to policies, [contracts](#) or annuities covered in whole or in part by the association the reinsurer  
25 shall not be entitled to terminate the reinsurance contracts for failure to pay premium insofar as the  
26 reinsurance contracts relate to policies, [contracts](#) or annuities covered in whole or in part by the  
27 association and shall not be entitled to set off any unpaid amounts due under other contracts, or  
28 unpaid amounts due from parties other than the association against amounts due to the association.

29 (2) During the period from the date of the order of liquidation until the election date (or, if  
30 the election date does not occur, until one hundred eighty (180) days after the date of the order of  
31 liquidation).

32 (a)(i) Neither the association nor the reinsurer shall have any rights or obligations under  
33 reinsurance contracts that the association has the right to assume under subdivision (n)(1), whether  
34 for periods prior to or after the date of the order of liquidation; and

1 (ii) The reinsurer, the receiver and the association shall, to the extent practicable, provide  
2 each other data and records reasonably requested;

3 (b) Provided that once the association has elected to assume a reinsurance contract, the  
4 parties' rights and obligations shall be governed by subdivision (n)(1).

5 (3) If the association does not elect to assume a reinsurance contract by the election date  
6 pursuant to subdivision (n)(1), the association shall have no rights or obligations, in each case for  
7 periods both before and after the date of the order of liquidation, with respect to the reinsurance  
8 contract.

9 (4) When policies, [contracts](#) or annuities, or covered obligations with respect thereto, are  
10 transferred to an assuming insurer, reinsurance on the policies, [contracts](#) or annuities may also be  
11 transferred by the association, in the case of contracts assumed under subdivision (n)(1), subject to  
12 the following:

14 transferred shall not cover any new policies of insurance, [contracts](#) or annuities in addition to those  
15 transferred;

16 (b) The obligations described in paragraph (n)(1) of this section shall not apply with respect  
17 to matters arising after the effective date of the transfer;

18 (c) Notice shall be given in writing, return receipt requested, by the transferring party to  
19 the affected reinsurer not less than thirty (30) days prior to the effective date of the transfer.

21 any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds,  
22 on account of losses or events that occur in periods after the date of the order of liquidation to the  
23 receiver, of the insolvent insurer or any other person. The receiver, shall remain entitled to any  
24 amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events  
25 that occur in periods prior to the date of the order of liquidation subject to applicable setoff  
26 provisions.

27 (6) Except as otherwise provided in this section, nothing in this section (n):

28 Shall alter or modify the terms and conditions of any reinsurance contract.

29 Nothing in this section shall abrogate or limit any rights of any reinsurer to claim that it is  
30 entitled to rescind a reinsurance contract.

31 Nothing in this section shall give a policy holder, [contract owner, enrollee, certificate](#)  
32 [holder](#), or beneficiary an independent cause of action against an indemnity reinsurer that is not  
33 otherwise set forth in the reinsurance contract. Nothing in this section shall limit or affect the  
34 association's rights as a creditor of the estate against the assets of the estate. Nothing in this section

1 shall apply to reinsurance agreements covering property or casualty risks.

2 (o) The board of directors of the association shall have discretion and shall exercise  
3 reasonable business judgment to determine the means by which the association is to provide the  
4 benefits of this chapter in an economical and efficient manner.

5 (p) Where the association has arranged or offered to provide the benefits of this chapter to  
6 a covered person under a plan or arrangement that fulfills the association's obligations under this  
7 chapter, the person shall not be entitled to benefits from the association in addition to or other than  
8 those provided under the plan or arrangement.

9 (q) Venue in a suit against the association arising under this chapter shall be in Providence  
10 county. The association shall not be required to give an appeal bond in an appeal that relates to a  
11 cause of action arising under this chapter.

12 ~~(r)~~(r) In carrying out its duties in connection with guaranteeing, assuming, reissuing or  
13 reinsuring policies or contracts under subsection (a) or (b) of this section, the association may;  
14 ~~subject to approval of the receivership court~~, issue substitute coverage for a policy or contract that  
15 provides an interest rate, crediting rate or similar factor determined by use of an index or other  
16 external reference stated in the policy or contract employed in calculating returns or changes in  
17 value by issuing an alternative policy or contract in accordance with the following provisions:

18 ~~(r) Venue in a suit against the association arising under this chapter shall be in Providence~~  
19 ~~County. The association shall not be required to give an appeal bond in an appeal that relates to a~~  
20 ~~cause of action arising under this chapter.~~

21 (1) In lieu of the index or other external reference provided for in the original policy or  
22 contract, the alternative policy or contract provides for:

- 23 (i) A fixed interest rate; or  
24 (ii) Payment of dividends with minimum guarantees; or  
25 (iii) A different method of calculating interest or changes in value.

26 (2) There is no requirement for evidence of insurability, waiting period or other exclusion  
27 that would not have applied under the replaced policy or contract; and

28 (3) The alternative policy or contract is substantially similar to the replaced policy or  
29 contract in all other material terms.

30 **27-34.3-9. Assessments.**

31 (a) For the purpose of providing the funds necessary to carry out the powers and duties of  
32 the association, the board of directors shall assess the member insurers, separately for each account,  
33 at such time and for such amounts as the board finds necessary. Assessments shall be due not less  
34 than thirty (30) days after prior written notice to the member insurers and shall accrue interest at

1 nine percent (9%) per annum on and after the due date.

2 (b) There shall be two (2) classes of assessments, as follows:

3 (1) Class A assessments shall be authorized and called for the purpose of meeting  
4 administrative and legal costs and other expenses. Class A assessments may be authorized and  
5 called whether or not related to a particular impaired or insolvent insurer.

6 (2) Class B assessments shall be authorized and called to the extent necessary to carry out  
7 the powers and duties of the association under § 27-34.3-8 with regard to an impaired or an  
8 insolvent insurer.

9 (c)(1) The amount of any Class A assessment shall be determined by the board and may be  
10 authorized and called on a pro rata or non-pro rata basis. If pro rata, the board may provide that it  
11 be credited against future Class B assessments. ~~The total of all non-pro rata assessment shall not  
12 exceed three hundred dollars (\$300) per member insurer in any one calendar year. The amount of  
13 any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to  
14 an allocation formula that may be based on the premiums or reserves of the impaired or insolvent  
15 insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable  
16 under the circumstances.~~

17 (2) The amount of a Class B assessment, except for assessments related to long-term care  
18 insurance, shall be allocated for assessment purposes between the accounts and among the  
19 subaccounts of the life insurance and annuity account, pursuant to an allocation formula which may  
20 be based on the premiums or reserves of the impaired or insolvent insurer or any other standard  
21 deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

22 (3) The amount of the Class B assessment for long-term care insurance written by the  
23 impaired or insolvent insurer shall be allocated according to a methodology included in the plan of  
24 operation and approved by the commissioner. The methodology shall provide for fifty percent  
25 (50%) of the assessment to be allocated to accident and health member insurers and fifty percent  
26 (50%) to be allocated to life and annuity member insurers.

27 ~~(2)~~(4) Class B assessments against member insurers for each account and subaccount shall  
28 be in the proportion that the premiums received on business in this state by each assessed member  
29 insurer or policies or contracts covered by each account for the three (3) most recent calendar years  
30 for which information is available preceding the year in which the insurer became insolvent, (or, in  
31 the case of an assessment with respect to an impaired member insurer, the three (3) most recent  
32 calendar years for which information is available preceding the year in which the member insurer  
33 became impaired) bears to premiums received on business in this state for such calendar years by  
34 all assessed member insurers.

1           ~~(3)~~(5) Assessments for funds to meet the requirements of the Association with respect to  
2 an impaired or insolvent insurer shall not be authorized or called until necessary to implement the  
3 purposes of this chapter. Classification of assessments under subsection (b) of this section and  
4 computation of assessments under this subsection shall be made with a reasonable degree of  
5 accuracy, recognizing that exact determinations may not always be possible. The association shall  
6 notify each member insurer of its anticipated pro rata share of an authorized assessment not yet  
7 called within one hundred eighty (180) days after the assessment is authorized.

8           (d) The association may abate or defer, in whole or in part, the assessment of a member  
9 insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the  
10 member insurer to fulfill its contractual obligations. In the event an assessment against a member  
11 insurer is abated, or deferred in whole or in part, the amount by which the assessment is abated or  
12 deferred may be assessed against the other member insurers in a manner consistent with the basis  
13 for assessments set forth in this section. Once the conditions which have caused a deferral have  
14 been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant  
15 to a repayment plan approved by the association.

16           (e)(1)(i) Subject to the provisions of subparagraph (ii) of this paragraph, the total of all  
17 assessments authorized by the association with respect to a member insurer for each subaccount of  
18 the life insurance and annuity account and for the health account shall not in any one calendar year  
19 exceed three percent (3%) of that member insurer's average annual premiums received in this state  
20 on the policies and contracts covered by the subaccount or account during the three (3) calendar  
21 years preceding the year in which the member insurer became an impaired or insolvent insurer.

22           (ii) If two (2) or more assessments are authorized in one calendar year with respect to  
23 member insurers that become impaired or insolvent in different calendar years, the average annual  
24 premiums for purposes of the aggregate assessment percentage limitation referenced in  
25 subparagraph (i) of this paragraph shall be equal and limited to the higher of the three (3) year  
26 average annual premiums for the applicable subaccount or account as calculated pursuant to this  
27 section.

28           (iii) If the maximum assessment, together with the other assets of the association in any  
29 account, does not provide in any one year in either account an amount sufficient to carry out the  
30 responsibilities of the association, the necessary additional funds shall be assessed as soon after this  
31 as permitted by this chapter.

32           (2) The board may provide in the plan of operation a method of allocating funds among  
33 claims, whether relating to one or more impaired or insolvent insurers, when the maximum  
34 assessment will be insufficient to cover anticipated claims.

1 (3) If the maximum assessment for a subaccount of the life and annuity account in any one  
2 year does not provide an amount sufficient to carry out the responsibilities of the association, then  
3 pursuant to subdivision (c)(2) of this section, the board shall assess the other subaccounts of the  
4 life and annuity account for the necessary additional amount, subject to the maximum stated in  
5 subdivision (1) of this subsection.

6 (f) The board may, by an equitable method as established in the plan of operation, refund  
7 to member insurers, in proportion to the contribution of each [member](#) insurer to that account, the  
8 amount by which the assets of the account exceed the amount the board finds is necessary to carry  
9 out during the coming year the obligations of the association with regard to that account, including  
10 assets accruing from assignment, subrogation, net realized gains and income from investments. A  
11 reasonable amount may be retained in any account to provide funds for the continuing expenses of  
12 the association and for future claims.

13 (g) It shall be proper for any member insurer, in determining its premium rates and policy  
14 owner dividends as to any kind of insurance [or health maintenance organization business](#) within  
15 the scope of this chapter, to consider the amount reasonably necessary to meet its assessment  
16 obligations under this chapter.

17 (h) The association shall issue to each [member](#) insurer paying an assessment under this  
18 chapter, other than Class A assessment, a certificate of contribution, in a form prescribed by the  
19 commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of  
20 equal dignity and priority without reference to amounts or dates of issue. A certificate of  
21 contribution may be shown by the [member](#) insurer in its financial statement as an asset in such form  
22 and for such amount, if any, and period of time as the commissioner may approve.

23 (i)(1) A member insurer that wishes to protest all or part of an assessment shall pay when  
24 due the full amount of the assessment as set forth in the notice provided by the association. The  
25 payment shall be available to meet association obligations during the pendency of the protest or  
26 any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment  
27 is made under protest and setting forth a brief statement of the grounds for the protest.

28 (2) Within sixty (60) days following the payment of an assessment under protest by a  
29 member insurer, the association shall notify the member insurer in writing of its determination with  
30 respect to the protest unless the association notifies the member insurer that additional time is  
31 required to resolve the issues raised by the protest.

32 (3) Within thirty (30) days after a final decision has been made, the association shall notify  
33 the protesting member insurer in writing of that final decision. Within sixty (60) days of receipt of  
34 notice of the final decision, the protesting member insurer may appeal that final action to the

1 commissioner.

2 (4) In the alternative to rendering a final decision with respect to a protest based on a  
3 question regarding the assessment base, the association may refer the protest to the commissioner  
4 for a final decision, with or without a recommendation from the association.

5 (5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess  
6 shall be returned to the member ~~company~~ insurer. Interest on a refund due a protesting member  
7 insurer shall be paid at the rate actually earned by the association.

8 (j) The association may request information of member insurers in order to aid in the  
9 exercise of its power under this section and member insurers shall promptly comply with a request.

10 **27-34.3-11. Duties and powers of the commissioner.**

11 In addition to the duties and powers enumerated in this chapter,

12 (a) The commissioner shall:

13 (1) Upon request of the board of directors, provide the association with a statement of the  
14 premiums in this and any other appropriate states for each member insurer;

15 (2) When an impairment is declared and the amount of the impairment is determined, serve  
16 a demand upon the impaired insurer to make good the impairment within a reasonable time; notice  
17 to the impaired insurer shall constitute notice to its shareholders, if any; the failure of the ~~insurer~~  
18 impaired insurer to promptly comply with a demand shall not excuse the association from the  
19 performance of its powers and duties under this chapter.

20 (3) [Deleted by P.L. 2009, ch. 158, § 1 and by P.L. 2009, ch. 169, § 1].

21 (4) Maintain the confidentiality and privileged status of confidential association  
22 information provided to the commissioner or department of business regulation.

23 (b) The commissioner may suspend or revoke, after notice and hearing, the certificate of  
24 authority to transact ~~insurance~~ business in this state of any member insurer which fails to pay an  
25 assessment when due or fails to comply with the plan of operation. As an alternative the  
26 commissioner may levy a forfeiture on any member insurer which fails to pay an assessment when  
27 due. The forfeiture shall not exceed five percent (5%) of the unpaid assessment per month, but no  
28 forfeiture shall be less than one hundred dollars (\$100) per month.

29 (c) A final action of the board of directors or the association may be appealed to the  
30 commissioner by any member insurer if the appeal is taken within sixty (60) days of its receipt of  
31 notice of the final action being appealed. A final action or order of the commissioner shall be subject  
32 to judicial review.

33 (d) The liquidator, rehabilitator, or conservator of any impaired or insolvent insurer may  
34 notify all interested persons of the effect of this chapter.

1 (e) The commissioner shall not participate in the association's adjudication of a protest by  
2 an insurer pursuant to § 27-34.3-9(i).

3 **27-34.3-12. Prevention of insolvencies.**

4 To aid in the detection and prevention of [member](#) insurer insolvencies or impairments:

5 (a) It shall be the duty of the commissioner:

6 (1) To notify the commissioners of all the other states, territories of the United States and  
7 the District of Columbia within thirty (30) days following the action taken or the date the action  
8 occurs, when the commissioner takes any of the following actions against a member insurer:

9 (i) Revocation of license;

10 (ii) Suspension of license; or

11 (iii) Makes a formal order that the ~~company~~ [member insurer](#) restrict its premium writing,  
12 obtain additional contributions to surplus, withdraw from the state, reinsure all or any part of its  
13 business, or increase capital, surplus, or any other account for the security of policy owners,  
14 [contract owners, certificate holders](#) or creditors.

15 (2) To report to the board of directors when the commissioner has taken any of the actions  
16 set forth in paragraph (1) of this subdivision or has received a report from any other commissioner  
17 indicating that this action has been taken in another state. The report to the board of directors shall  
18 contain all significant details of the action taken or the report received from another commissioner.

19 (3) To report to the board of directors when the commissioner has reasonable cause to  
20 believe from any examination, whether completed or in process, of any member company that the  
21 company may be an impaired or insolvent insurer.

22 (4) To furnish to the board of directors the NAIC insurance regulatory information system  
23 (IRIS) ratios and listings of companies not included in the ratios developed by the national  
24 association of insurance commissioners, and the board may use the information contained in the  
25 ratios and listings in carrying out its duties and responsibilities under this section. The report and  
26 the information contained in it shall be kept confidential by the board of directors until the time it  
27 is made public by the commissioner or other lawful authority.

28 (b) The commissioner may seek the advice and recommendations of the board of directors  
29 concerning any matter affecting the duties and responsibilities of the commissioner regarding the  
30 financial condition of member insurers and ~~companies~~ [insurers or health maintenance organizations](#)  
31 seeking admission to transact insurance business in this state.

32 (c) The board of directors may, upon majority vote, make reports and recommendations to  
33 the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or  
34 conservation of any member insurer or germane to the solvency of any ~~company~~ [insurer or health](#)

1 [maintenance organizations](#) seeking to do ~~an insurance~~ business in this state. The reports and  
2 recommendations shall not be considered public documents.

3 (d) The board of directors may, upon majority vote, notify the commissioner of any  
4 information indicating a member insurer may be an impaired or insolvent insurer.

5 (e) The board of directors may, upon majority vote, make recommendations to the  
6 commissioner for the detection and prevention of [member](#) insurer insolvencies.

7 **27-34.3-13. Credits for assessments paid (tax offsets).**

8 (a) A member insurer may offset against its premium, franchise or income tax liability (or  
9 liabilities) to this state an assessment described in § 27-34.3-9(h) to the extent of ten percent (10%)  
10 of the amount of the assessment for each of the five (5) calendar years following the year in which  
11 the assessment was paid. In the event a member insurer should cease doing business, all uncredited  
12 assessments may be credited against its premium, franchise, or income tax liability (or liabilities)  
13 for the year it ceases doing business.

14 (b) Any sums which are acquired by refund, pursuant to § 27-34.3-9(f), from the  
15 association by member insurers, and which have been offset against premium, franchise or income  
16 taxes as provided in subsection (a) of this section, shall be paid by the [member](#) insurers to this state  
17 in any manner that the tax authorities may require. The association shall notify the commissioner  
18 that refunds have been made.

19 **27-34.3-14. Miscellaneous provisions.**

20 (a) This chapter shall not be construed to reduce the liability for unpaid assessments of the  
21 insureds of an impaired or insolvent insurer operating under a plan with assessment liability.

22 (b) Records shall be kept of all meetings of the board of directors to discuss the activities  
23 of the association in carrying out its powers and duties under § 27-34.3-8. The records of the  
24 association with respect to an impaired or insolvent insurer shall not be disclosed prior to the  
25 termination of a liquidation, rehabilitation or conservation proceeding involving the impaired or  
26 insolvent insurer, upon the termination of the impairment or insolvency of the insurer, or upon the  
27 order of a court of competent jurisdiction. Nothing in this subsection shall limit the duty of the  
28 association to render a report of its activities under § 27-34.3-15.

29 (c) For the purpose of carrying out its obligations under this chapter, the association shall  
30 be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable  
31 to covered policies reduced by any amounts to which the association is entitled as subrogee  
32 pursuant to § 27-34.3-8(k). Assets of the impaired or insolvent insurer attributable to covered  
33 policies shall be used to continue all covered policies and pay all contractual obligations of the  
34 impaired or insolvent insurer as required by this chapter. Assets attributable to covered policies [or](#)

1 [contracts](#), as used in this subsection, are that proportion of the assets which the reserves that should  
2 have been established for covered policies [or contracts](#) bear to the reserves that should have been  
3 established for all policies of insurance or [health benefit plans](#) written by the impaired or insolvent  
4 insurer.

5 (d) As a creditor of the impaired or insolvent insurer as established in subsection (c) of this  
6 section and consistent with § 27-14.3-38, the association and other similar associations shall be  
7 entitled to receive a disbursement of assets out of the marshalled assets, from time to time as the  
8 assets become available to reimburse it, as a credit against contractual obligations under this  
9 chapter. If the liquidator has not, within one hundred twenty (120) days of a final determination of  
10 insolvency of ~~an~~ [a member](#) insurer by the receivership court, made an application to the court for  
11 the approval of a proposal to disperse assets out of marshalled assets to guaranty associations  
12 having obligations because of the insolvency, then the association shall be entitled to make  
13 application to the receivership court for approval of its own proposal to disburse these assets.

14 (e)(1) Prior to the termination of any liquidation, rehabilitation or conservation proceeding,  
15 the court may take into consideration the contributions of the respective parties, including the  
16 association, the shareholders, [contract owners, certificate holders, enrollees](#) and policy owners of  
17 the insolvent insurer, and any other party with a bona fide interest, in making an equitable  
18 distribution of the ownership rights of the insolvent insurer. In that determination, consideration  
19 shall be given to the welfare of the policy owners, [contract owners, certificate holders, and enrollees](#)  
20 of the continuing or successor [member](#) insurer.

21 (2) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be made  
22 until and unless the total amount of valid claims of the association with interest on the claims for  
23 funds expended in carrying out its powers and duties under § 27-34.3-8 with respect to the [member](#)  
24 insurer have been fully recovered by the association.

25 (f)(1) If an order for liquidation or rehabilitation of ~~an~~ [a member](#) insurer domiciled in this  
26 state has been entered, the receiver appointed under the order shall have a right to recover on behalf  
27 of the [member](#) insurer, from any affiliate that controlled it, the amount of distributions, other than  
28 stock dividends paid by the [member](#) insurer on its capital stock, made at any time during the five  
29 (5) years preceding the petition for liquidation or rehabilitation subject to the limitations of  
30 subdivisions (2) – (4) of this subsection.

31 (2) No distribution shall be recoverable if the [member](#) insurer shows that when paid the  
32 distribution was lawful and reasonable, and that the [member](#) insurer did not know and could not  
33 reasonably have known that the distribution might adversely affect the ability of the [member](#) insurer  
34 to fulfill its contractual obligations.

1 (3) Any person who was an affiliate that controlled the [member](#) insurer at the time the  
2 distributions were paid shall be liable up to the amount of distributions received. Any person who  
3 was an affiliate who controlled the [member](#) insurer at the time the distributions were declared, shall  
4 be liable up to the amount of distributions which would have been received if they had been paid  
5 immediately. If two (2) or more persons are liable with respect to the same distributions, they shall  
6 be jointly and severally liable.

7 (4) The maximum amount recoverable under this subsection shall be the amount needed in  
8 excess of all other available assets of the insolvent insurer to pay the contractual obligations of the  
9 insolvent insurer.

10 (5) If any person liable under subdivision (3) of this subsection is insolvent, all its affiliates  
11 that controlled it at the time the distribution was paid, shall be jointly and severally liable for any  
12 resulting deficiency in the amount recovered from the insolvent affiliate.

13 **27-34.3-19. Prohibited advertisement of insurance guaranty association act in**  
14 **insurance sales -- Notice to policy owners.**

15 (a) No person, including ~~an~~ [a member](#) insurer, agent, producer, or affiliate of an insurer  
16 shall make, publish, disseminate, circulate or place before the public, or cause directly or indirectly,  
17 to be made, published, disseminated, circulated or placed before the public, in any newspaper,  
18 magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or in  
19 the form of e-mail or an electronic website, or over any radio station or television station, or in any  
20 other way, any advertisement, announcement or statement, written or oral, which uses the existence  
21 of the insurance guaranty association of this state for the purpose of sales, solicitation or  
22 inducement to purchase any form of insurance [or other coverage](#) covered by the Rhode Island life  
23 and health insurance guaranty association act; provided, that this section shall not apply to the  
24 association or any other entity which does not sell or solicit insurance [or other coverage by a health](#)  
25 [maintenance organization](#). The use of the protection afforded by this chapter, other than as provided  
26 by this section, by any person in the sale, marketing or advertising of insurance constitutes unfair  
27 methods of competition and unfair or deceptive acts or practices under chapter 29 of this title and  
28 is subject to the sanctions imposed in that chapter.

29 (b) The association shall prepare a summary document describing the general purposes and  
30 current limitations of this chapter in compliance with subsection (c) of this section. This document  
31 shall be submitted to the commissioner for approval. At the expiration of the sixty (60) days after  
32 the date on which the commissioner approves the document, ~~an~~ [a member](#) insurer may not deliver  
33 a policy or contract to a policy [owner](#), ~~or~~ contract owner, [certificate holder or enrollee](#) unless the  
34 summary document is delivered to the policy [owner](#), ~~or~~ contract owner, [certificate holder or](#)

1 [enrollee](#) at the time of delivery of the policy or contract. The document shall also be available upon  
2 request by a policy owner, [contract owner, certificate holder or enrollee](#). The distribution, delivery  
3 or contents or interpretation of this document does not guarantee that either the policy or the [policy](#)  
4 [owner, contract owner, certificate holder or enrollee](#) contract or the ~~owner of the policy or contract~~  
5 [policy owner, contract owner, certificate holder or enrollee](#) is covered in the event of the  
6 impairment or insolvency of a member insurer. The summary document shall be revised by the  
7 association as amendments to this chapter may require. Failure to receive this document does not  
8 give the policy owner, contract owner, certificate holder, [enrollee](#) or insured any greater rights than  
9 those stated in this act.

10 (c) The summary document prepared under subsection (b) of this section shall contain a  
11 clear and conspicuous disclaimer on its face. The commissioner shall establish the form and content  
12 of the disclaimer. The disclaimer shall:

13 (1) State the name and address of the association and the insurance department;

14 (2) Prominently warn the ~~policy or contract owner~~ [policy owner, contract owner, certificate](#)  
15 [holder or enrollee](#) that the association may not cover the policy or, if coverage is available, it will  
16 be subject to substantial limitations and exclusions and conditioned on continued residence in this  
17 state;

18 (3) State the types of policies [or contracts](#) for which guaranty funds will provide coverage;

19 (4) State that the [member](#) insurer and its agents are prohibited by law from using the  
20 existence of the association for the purpose of sales, solicitation or inducement to purchase any  
21 form of insurance [or health maintenance organization coverage](#);

22 (5) State that the ~~policy or contract owner~~ [policy owner, contract owner, certificate holder](#)  
23 [or enrollee](#) should not rely on coverage under the association when selecting an insurer [or health](#)  
24 [maintenance organization](#);

25 (6) Explain rights available and procedures for filing a complaint to allege a violation of  
26 any provisions of this chapter; and

27 (7) Provide other information as directed by the commissioner including, but not limited  
28 to, sources for information about the financial condition of insurers provided that the information  
29 is not proprietary and is subject to disclosure under chapter 2 of title 38.

30 (d) A member insurer shall retain evidence of compliance with subsection (b) for so long  
31 as the policy or contract for which the notice is given remains in effect.

32 **27-34.3-20. Prospective application.**

33 This chapter shall not apply to any [member](#) insurer that is insolvent or unable to fulfill its  
34 contractual obligations prior to January 1, 1996, and any such insurer shall be subject to the

1 provisions under chapter 34.1 of this title. (Chapter 34.1 repealed Public Law 2007 Chapter 442 §  
2 1.) Nothing in this chapter shall be construed to require an insurer to recompute its assessment
