

STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2022

SENATE RESOLUTION

PROCLAIMING MAY 1ST THROUGH MAY 8TH TO BE "TARDIVE DYSKINESIA (TD)
AWARENESS WEEK" IN THE STATE OF RHODE ISLAND

Introduced By: Senator Joshua Miller

Date Introduced: April 12, 2022

Referred To: Recommended for Immediate Consideration

1 WHEREAS, Many people with serious, chronic mental illness, such as schizophrenia,
2 bipolar disorder, severe depression, or gastrointestinal disorders, including gastroparesis, nausea,
3 and vomiting require treatment with medications that work as dopamine receptor blocking agents
4 (DRBAs), including antipsychotics; and

5 WHEREAS, While ongoing treatment with these medications can be very helpful, and
6 even lifesaving, for many people, it can also lead to Tardive Dyskinesia (TD); and

7 WHEREAS, Tardive Dyskinesia is a movement disorder that is characterized by random,
8 involuntary, and uncontrolled movements of different muscles in the face, trunk and extremities;
9 and

10 WHEREAS, Tardive Dyskinesia can develop months, years, or decades after a person
11 starts taking DRBAs and even after they have discontinued use of those medications. Not
12 everyone who takes a DRBA develops TD, but if it develops it is often permanent; and

13 WHEREAS, It is estimated that over 600,000 Americans suffer from Tardive Dyskinesia.
14 According to the National Alliance for Mental Illness, one in every four patients receiving long-
15 term treatment with an antipsychotic medication will experience Tardive Dyskinesia; and

16 WHEREAS, Years of difficult and challenging research have resulted in recent scientific
17 breakthroughs, with two new treatments for Tardive Dyskinesia approved by the United States
18 Food and Drug Administration; and

19 WHEREAS, Tardive Dyskinesia is often unrecognized and patients suffering from the

1 illness are commonly misdiagnosed. Regular screening for TD in patients taking DRBA
2 medications is recommended by the American Psychiatric Association (APA); now, therefore be
3 it

4 RESOLVED, That this Senate of the State of Rhode Island hereby proclaims May 1st
5 through May 8th to be "Tardive Dyskinesia (TD) Awareness Week" in the State of Rhode Island;
6 and be it further

7 RESOLVED, That this Senate hereby encourages the medical community and all
8 individuals in the United States and Rhode Island to become better informed about and aware of
9 Tardive Dyskinesia; and be it further

10 RESOLVED, That the Secretary of State be and hereby is authorized and directed to
11 transmit a duly certified copy of this resolution to Ms. Karla M. Kiriako, Director, State
12 Government Affairs-East, Neurocrine Biosciences, Inc.
