It is enacted by the General Assembly as follows:

1 SECTION 1. Section 44-5-11.8 of the General Laws in Chapter 44-5 entitled "Levy and  
2 Assessment of Local Taxes" is hereby amended to read as follows:

3 **44-5-11.8. Tax classification.**

4 (a) Upon the completion of any comprehensive revaluation or any update, in accordance  
5 with § 44-5-11.6, any city or town may adopt a tax classification plan, by ordinance, with the  
6 following limitations:

7 (1) The designated classes of property shall be limited to the classes as defined in  
8 subsection (b) of this section.

9 (2) The effective tax rate applicable to any class, excluding class 4, shall not exceed by  
10 fifty percent (50%) the rate applicable to any other class, except in the city of Providence and the  
11 town of Glocester and the town of East Greenwich; however, in the year following a revaluation or  
12 statistical revaluation or update, the city or town council of any municipality may, by ordinance,  
13 adopt tax rates for the property class for all ratable tangible personal property no greater than twice  
14 the rate applicable to any other class, provided that the municipality documents to, and receives  
15 written approval from, the office of municipal affairs that the rate difference is necessary to ensure  
16 that the estimated tax levy on the property class for all ratable tangible personal property is not  
17 reduced from the prior year as a result of the revaluation or statistical revaluation.

18 (3) Any tax rate changes from one year to the next shall be applied such that the same  
19 percentage rate change is applicable to all classes, excluding class 4, except in the city of

1 Providence and the town of Glocester and the town of East Greenwich.

2 (4) Notwithstanding subsections (a)(2) and (a)(3) of this section, the tax rates applicable to  
3 wholesale and retail inventory within Class 3 as defined in subsection (b) of this section are  
4 governed by § 44-3-29.1.

5 (5) The tax rates applicable to motor vehicles within Class 4, as defined in subsection (b)  
6 of this section, are governed by § 44-34.1-1.

7 (6) The provisions of chapter 35 of this title relating to property tax and fiscal disclosure  
8 apply to the reporting of, and compliance with, these classification restrictions.

9 (b) Classes of property.

10 (1) Class 1: Residential real estate consisting of no more than five (5) dwelling units; land  
11 classified as open space; and dwellings on leased land including mobile homes. In the city of  
12 Providence, this class may also include residential properties containing partial commercial or  
13 business uses and residential real estate of more than five (5) dwelling units.

14 (i) A homestead exemption provision is also authorized within this class; provided  
15 however, that the actual, effective rate applicable to property qualifying for this exemption shall be  
16 construed as the standard rate for this class against which the maximum rate applicable to another  
17 class shall be determined, except in the town of Glocester and the city of Providence.

18 (ii) In lieu of a homestead exemption, any city or town may divide this class into non-  
19 owner and owner-occupied property and adopt separate tax rates in compliance with the within tax  
20 rate restrictions.
