10 ancestral origin;

11           (3) For any labor organization:

18 any other matter directly or indirectly related to membership or employment, whether or not  
19 authorized or required by the constitution or bylaws of the labor organization or by a collective  
20 labor agreement or other contract;

21           (iii) To fail or refuse to classify properly or refer for employment, or otherwise to

9 expression, disability, age, or country of ancestral origin; or

10          (v) Establish, announce, or follow a policy of denying or limiting, through a quota system  
11 or otherwise, employment or membership opportunities of any group because of the race or color,  
12 religion, sex, sexual orientation, gender identity or expression, disability, age, or country of  
13 ancestral origin of that group;

19          (6) For any person, whether or not an employer, employment agency, labor organization,

24          (7) For any employer to include on any application for employment, except applications

29 from employment based on a person's conviction of one or more specified criminal offenses, an  
30 employer may include a question or otherwise inquire whether the applicant has ever been  
31 convicted of any of those offenses; or

32           (ii) If a standard fidelity bond or an equivalent bond is required for the position for which  
33 the applicant is seeking employment and his or her conviction of one or more specified criminal  
34 offenses would disqualify the applicant from obtaining such a bond, an employer may include a

9 there is an applicable collective bargaining agreement in effect on June 7, 1988, until the

11 38, to reduce the benefits or the compensation provided any employee on June 7, 1988, either  
12 directly or by failing to provide sufficient contributions to a fringe benefit fund or insurance

14 (ii) Where the costs of these benefits on June 7, 1988, are apportioned between employers

17 (iii) Nothing in this section shall prevent the readjustment of benefits or compensation for  
18 reasons unrelated to compliance with §§ 28-5-6, 28-5-7 and 28-5-38.

19 SECTION 3. Section 30-15-9 of the General Laws in Chapter 30-15 entitled "Emergency  
20 Management" is hereby amended to read as follows:

21 **30-15-9. Governor's responsibilities relating to disaster emergencies.**

22 (a) The governor shall be responsible for meeting the dangers to the state and people  
23 presented by disasters.

24 (b) A state of emergency shall be declared by executive order or proclamation of the  
25 governor if he or she finds a disaster has occurred or that this occurrence, or the threat thereof, is  
26 imminent. The state of disaster emergency shall continue until the governor finds that the threat or  
27 danger has passed or the disaster has been dealt with to the extent that emergency conditions no  
28 longer exist and terminates the state of disaster emergency by executive order or proclamation, but  
29 no state of disaster emergency may continue for longer than thirty (30) days unless renewed by the  
30 governor. The general assembly, by concurrent resolution, may terminate a state of disaster  
31 emergency at any time. Thereupon, the governor shall issue an executive order or proclamation  
32 ending the state of disaster emergency and what actions are being taken to control the emergency  
33 and what action the public should take to protect themselves. All executive orders or proclamations  
34 issued under this subsection shall indicate the nature of the disaster, the area or areas threatened,

1 and the conditions that have brought it about or that make possible termination of the state of  
2 disaster emergency. An executive order or proclamation shall be disseminated promptly by means  
3 calculated to bring its contents to the attention of the general public and, unless the circumstances  
4 attendant upon the disaster prevent or impede, promptly filed with the agency, the secretary of state,  
5 and the city and town clerks in the area to which it applies.

6 (c) An executive order or proclamation of a state of disaster emergency, shall activate the  
7 state and local disaster emergency plans applicable to the political subdivision or area in question  
8 and shall be authority for the deployment and use of any forces to which the plan or plans apply  
9 and for the use or distribution of any supplies, equipment, and materials and facilities assembled,  
10 stockpiled, or arranged to be made available pursuant to this chapter or any other provision of law  
11 relating to disaster emergencies.

12 (d) During the continuance of any state of disaster emergency the governor is commander-  
13 in-chief of the organized and unorganized militia and of all other forces available for emergency  
14 duty. To the greatest extent practicable, the governor shall delegate or assign command authority  
15 by prior arrangement embodied in appropriate executive orders or regulations, but nothing herein  
16 restricts the governor's authority to do so by orders issued at the time of the disaster emergency.

17 (e) In addition to any other powers conferred upon the governor by law, the governor may  
18 exercise the following powers, subject to the provisions of subsection (g) of this section, limited in  
19 scope and duration as is reasonably necessary for emergency response:

20 (1) Suspend the provisions of any regulatory statute prescribing the procedures for conduct  
21 of state business, or the orders, rules, or regulations of any state agency, if strict compliance with  
22 the provisions of any statute, order, rule, or regulation would in any way prevent, hinder, or delay  
23 necessary action in coping with the emergency, provided that the suspension of any statute, order,  
24 rule or regulation will be limited in duration and scope to the emergency action requiring said  
25 suspension;

26 (2) Utilize all available resources of the state government as reasonably necessary to cope  
27 with the disaster emergency and of each political subdivision of the state;

28 (3) Transfer the direction, personnel, or functions of state departments and agencies or units  
29 thereof for the purpose of performing or facilitating emergency services;

30 (4) Subject to any applicable requirements for compensation under § 30-15-11,  
31 commandeer or utilize any private property if the governor finds this necessary to cope with the  
32 disaster emergency;

33 (5) Direct and compel the evacuation of all or part of the population from any stricken or  
34 threatened area within the state if the governor deems this action necessary for the preservation of

1 life or other disaster mitigation, response, or recovery;

2 (6) Prescribe routes, modes of transportation, and destinations in connection with  
3 evacuation;

4 (7) Control ingress and egress to and from a high risk area, the movement of persons within  
5 the area, and the occupancy of premises therein;

6 (8) Suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms,  
7 explosives, and combustibles;

8 (9) Make provision for the availability and use of temporary emergency shelter;

9 (10) Make and promulgate such rules and regulations as the governor may deem advisable  
10 for the assigning, detailing, and making available for duty and use in any city or town of this state  
11 any of the personnel, apparatus, or equipment of any police or fire department of any other city or  
12 town, or of any volunteer fire company, or of any fire district, and that personnel shall have the  
13 same powers, duties, rights, privileges, and immunities as if performing their duties in the city or  
14 town in which they normally would be employed, but the personnel shall obey the orders of the  
15 police and fire authorities of the city or town to which assigned, detailed, or made available. When  
16 assigned, detailed, or made available as aforesaid, the city or town in which the police or firefighters  
17 shall perform outside duties shall provide them with subsistence or pay them a reasonable  
18 allowance therefor, and shall also be liable for any damage to the apparatus or equipment incurred  
19 while being so used; provided, however, that a city or town shall be reimbursed by the state out of  
20 the general fund of the state for all expenses incurred under the foregoing provisions of this  
21 subsection;

22 (11) Designate as a special emergency health and sanitation area, any area within the state  
23 that has been seriously damaged by disaster, or in which the existence of any military, naval, or air  
24 establishment of the United States of America or of any industrial establishment constructed or  
25 enlarged for purposes of national defense, has caused an increase in the population of that area to  
26 such an extent as to produce unusual problems of health and sanitation. It is the duty of state health  
27 authorities and the local code enforcement officials to make and enforce rules and regulations  
28 designed to prevent the introduction of any contagious or infectious disease and to safeguard the  
29 public health within the area. The governor may promulgate and enforce additional rules and  
30 regulations for the protection of the public health within areas as may be necessary;

31 (12) Whenever, in the governor's opinion, due to a disaster there is liable to be a serious  
32 shortage in the supply of food, fuel, clothing, antitoxins, serums, immunizing agents, or any other  
33 pharmaceutical agents or medical supplies, or any other necessity of life or defense, and the federal  
34 authorities are not adequately dealing with the situation, promulgate such rules and regulations as

1 he or she, from time to time, deems necessary to regulate the sale, purchase, or distribution of those  
2 necessities and to prohibit and prevent the wasting, secreting, hiding, or hoarding of, or profiteering  
3 from, those necessities; additionally, during a declared time of state or national emergency, no  
4 person, firm, or corporation shall increase the price of any item it sells or offers for sale at retail  
5 immediately prior to the proclamation of emergency or during the proclaimed state of emergency.  
6 Nothing in this section shall prohibit the fluctuation in the price of items sold at retail that occurs  
7 during the normal course of business. Any person, firm, or corporation who or that violates any  
8 provision of this subsection shall be fined not more than one hundred dollars (\$100);

9 (13) Do all other things necessary to effectively cope with disasters in the state not  
10 inconsistent with other provisions of law;

11 (14) Adopt and enforce measures to provide for the safe disposal of infectious waste as  
12 may be reasonable and necessary for emergency response due to a state disaster emergency. Such  
13 measures may include, but are not limited to, the collection, storage, handling, destruction,  
14 treatment, transportation, and disposal of infectious waste;

15 (15) Adopt and enforce measures to provide for the safe disposal of corpses as may be  
16 reasonable and necessary for emergency response due to a state disaster emergency. Such measures  
17 may include, but are not limited to, the embalming, burial, cremation, interment, disinterment,  
18 transportation, and disposal of corpses; and

19 (16) Compel a person to submit to a physical examination and/or testing as necessary to  
20 diagnose or treat the person. The medical examination and/or testing may be performed by any  
21 qualified person authorized by the department of health and must not be reasonably likely to result  
22 in serious harm to the affected individual. The medical examination and/or testing shall be  
23 performed immediately upon the order of the department of health without resort to judicial or  
24 quasi-judicial authority. If the department of health is uncertain whether a person who refuses to  
25 undergo medical examination and/or testing may have been exposed to an infectious disease or  
26 otherwise poses a danger to public health, the department of health may subject the individual to  
27 isolation or quarantine pursuant to § 23-8-4.

28 (f) Nothing contained herein shall be construed to limit or restrict the power of the general  
29 assembly to appropriate any federal funds received by the state of Rhode Island pursuant to § 35-  
30 4-22.1.

31 (g) Powers conferred upon the governor pursuant to the provisions of subsection (e) of this  
32 section for disaster emergency response shall not exceed a period of one hundred eighty (180) days  
33 from the date of the emergency order or proclamation of a state of disaster emergency, unless and  
34 until the general assembly extends the one hundred eighty (180) day period by concurrent

1 resolution.

2 (h) Nothing contained in subsection (g) of this section shall be construed to apply to the  
3 following executive orders issued by the governor that shall remain in effect and may be extended  
4 by further executive order up to, but not beyond, September 1, 2021:

5 (1) 20-06;

6 (2) 20-19;

7 (3) 20-37;

8 (4) 20-46 as amended by 21-60;

9 (5) 20-72;

10 (6) 21-26;

11 (7) 21-67; and

12 (8) 21-68, limited to paragraph 8.

13 (i) Nothing contained within this section shall be construed as authorizing the governor by  
14 executive order or proclamation to require any individual to be vaccinated or to be subject to any  
15 penalty, either civil or criminal, for refusing to be vaccinated.

16 SECTION 4. Section 34-37-4.3 of the General Laws in Chapter 34-37 entitled "Rhode  
17 Island Fair Housing Practices Act" is hereby amended to read as follows:

18 **34-37-4.3. Discrimination in granting credit or loans prohibited.**

19 No financial organization governed by the provisions of title 19 or any other credit granting  
20 commercial institution may discriminate in the granting or extension of any form of loan or credit,  
21 or the privilege or capacity to obtain any form of loan or credit, on the basis of the applicant's sex,  
22 marital status, military status as a veteran with an honorable discharge or an honorable or general  
23 administrative discharge, servicemember in the armed forces, race or color, religion or country of  
24 ancestral origin, disability or age or familial status, sexual orientation, or gender identity or  
25 expression or vaccination history and the form of loan and credit shall not be limited to those  
26 concerned with housing accommodations and the commission shall prevent any violation hereof in  
27 the same manner as it is to prevent unlawful housing practices under the provisions of this chapter.

28 SECTION 5. This act shall take effect upon passage.
