23 professional services to a patient while intoxicated or incapacitated by the use of drugs;

24 (vi) Promotion of the sale of drugs, devices, appliances, or goods or services provided for  
25 a patient in a manner that exploits the patient for the financial gain of the physician assistant;

26 (vii) Immoral conduct of a physician assistant in the practice of medicine;

27 (viii) Willfully making and filing false reports or records;

28 (ix) Willful omission to file or record or willfully impeding or obstructing a filing or  
29 recording, or inducing another person to omit to file or record medical or other reports as required  
30 by law;

31 (x) Agreeing with clinical or bioanalytical laboratories to accept payments from these  
32 laboratories for individual tests or test series for patients;

33 (xi) Practicing with an unlicensed physician or physician assistant or aiding or abetting  
34 these unlicensed persons in the practice of medicine;

1 (xii) Offering, undertaking, or agreeing to cure or treat a disease by a secret method,  
2 procedure, treatment, or medicine;

3 (xiii) Professional or mental incompetence;

4 (xiv) Surrender, revocation, suspension, limitation of privilege based on quality of care  
5 provided, or any other disciplinary action against a license or authorization to practice in another  
6 state or jurisdiction; or surrender, revocation, suspension, or any other disciplinary action relating  
7 to membership on any medical staff or in any medical professional association, or society while  
8 under disciplinary investigation by any of those authorities or bodies for acts or conduct similar to  
9 acts or conduct that would constitute grounds for action as stated in this chapter;

10 (xv) Any adverse judgment, settlement, or award arising from a medical liability claim  
11 related to acts or conduct that would constitute grounds for action as stated in this chapter;

12 (xvi) Failure to furnish the board, the administrator, investigator, or representatives,  
13 information legally requested by the board;

14 (xvii) Violation of any provisions of this chapter or the rules and regulations promulgated  
15 by the director or an action, stipulation, or agreement of the board;

22 who charges or collects from the person any amount in excess of the reimbursement to the physician  
23 assistant by the insurer as a condition of providing or continuing to provide services or treatment.

24 **5-54-28. Participation in charitable and voluntary care.**

25 A physician assistant licensed in this state, or licensed or authorized to practice in any other  
26 U.S. jurisdiction, or who is credentialed by a federal employer or meets the licensure requirements  
27 of his or her requisite federal agency as a physician assistant may volunteer to render such care that  
28 he or she is able to provide at a children's summer camp or for a public or community event or in  
29 a licensed ambulatory health center providing free care without a collaborating physician as it is  
30 defined in this section of law or with such collaborating physicians as may be available. Such care  
31 must be rendered without compensation or remuneration. It is the obligation of the physician  
32 assistant to assure adequate and appropriate professional liability coverage.

33 SECTION 2. Chapter 5-54 of the General Laws entitled "Physician Assistants" is hereby  
34 amended by adding thereto the following section:

1           **5-54-29. Restrictive covenants.**

2           (a) Any contract or agreement that creates or establishes the terms of a partnership,  
3 employment, or any other form of professional relationship with a physician assistant licensed to  
4 practice pursuant to this section that includes any restriction of the right of such physician assistant  
5 to practice shall be void and unenforceable with respect to said restriction; provided, however, that  
6 nothing herein shall render void or unenforceable the remaining provisions of any such contract or  
7 agreement.

8           (b) Restrictions rendered void under subsection (a) of this section shall include, but shall  
9 not be limited to, the following:

10           (1) The right to practice in any geographic area for any period of time after the termination  
11 of such partnership, employment, or professional relationship;

12           (2) The right of such physician assistant to provide treatment, advise, consult with or  
13 establish a professional relationship with any current patient of the employer; and

14           (3) The right of such physician assistant to solicit or seek to establish a professional  
15 relationship with any current patient of the employer.

16           (c) Notwithstanding the foregoing, the prohibition on physician assistant covenants shall  
17 not apply in connection with the purchase and sale of a practice; provided, the restrictive covenant  
18 and non-compete covenant is for a period of a time of not more than five (5) years.

19           SECTION 3. Section 16-91-3 of the General Laws in Chapter 16-91 entitled "School and  
20 Youth Programs Concussion Act" is hereby amended to read as follows:

21           **16-91-3. School district’s guidelines to be developed and implemented.**

22           (a) The department of education and the department of health shall work in concert with  
23 the Rhode Island Interscholastic League to develop and promulgate guidelines to inform and  
24 educate coaches, teachers, school nurses, youth athletes, and their parents and/or guardians of the  
25 nature and risk of concussion and head injury, including continuing to play after concussion or head  
26 injury. A concussion and head injury information sheet shall be signed and returned by the youth  
27 athlete and the athlete’s parent and/or guardian prior to the youth athlete’s return to practice or  
28 competition.

29           (b) School districts are required to use training materials made available by the United  
30 States Center for Disease Control and Prevention entitled “Heads Up: Concussion in the High  
31 School Sports/Concussion in Youth Sports” and any updates or amendments thereto, or training  
32 materials substantively and substantially similar thereto. The department of education shall post  
33 training materials made available by the Center for Disease Control and Prevention and the Rhode  
34 Island Interscholastic League on its website. All coaches and volunteers involved in a youth sport

1 or activity covered by this chapter must complete a training course and a refresher course annually  
2 thereafter in concussions and traumatic brain injuries. All school nurses must complete a training  
3 course and an annual refresher course in concussions and traumatic brain injuries. Teachers and  
4 teachers' aides are strongly encouraged to complete the training course in concussions and  
5 traumatic brain injuries. Training may consist of videos, classes, and any other generally accepted  
6 mode and medium of providing information.

7 (c) School districts are encouraged to have all student athletes perform baseline  
8 neuropsychological testing, computerized or otherwise. Parents and/or guardians shall be provided  
9 with information as to the risk of concussion and/or traumatic brain injuries prior to the start of  
10 every sport season and they shall sign an acknowledgement as to their receipt of such information.

11 (d) A youth athlete, who is suspected of sustaining a concussion or head injury in a practice  
12 or game, shall be removed from competition at that time.

13 (e) A youth athlete, who has been removed from play, may not return to play until the  
14 athlete is evaluated by a licensed physician, [physician assistant or certified nurse practitioner](#) who  
15 may consult with an athletic trainer, all of whom shall be trained in the evaluation and management  
16 of concussions. The athlete must receive written clearance to return to play from that licensed  
17 physician, [physician assistant or certified nurse practitioner](#).

18 (f) All school districts are encouraged to have an athletic trainer, or similarly trained  
19 person, at all recreational and athletic events addressed by this statute.

20 SECTION 4. Section 16-91.1-3 of the General Laws in Chapter 16-91.1 entitled "The  
21 Sudden Cardiac Arrest Prevention Act" is hereby amended to read as follows:

22 **16-91.1-3. School districts' guidelines to be developed and implemented.**

23 (a) The department of education and the department of health shall promulgate guidelines  
24 to inform and educate coaches, teachers, school nurses, youth athletes, and their parents and/or  
25 guardians about the nature and warning signs of sudden cardiac arrest, including the risks associated  
26 with continuing to play or practice after experiencing the following symptoms: fainting or seizures  
27 during exercise, unexplained shortness of breath, chest pains, dizziness, racing heart rate and  
28 extreme fatigue.

29 (b) School districts may use training materials made available at no cost to the school  
30 district by organizations such as Simon's Fund, Parent Heart Watch, Sudden Arrhythmia Death  
31 Syndromes Foundation, or training materials substantively and substantially similar thereto. The  
32 department of education shall post links to training materials on its website. All coaches and  
33 volunteers involved in a youth sport program or activity covered by this chapter must complete a  
34 training course that may be completed online about the nature and warning signs of sudden cardiac

1 arrest, including the risks associated with continuing to play or practice after experiencing  
2 symptoms including: fainting or seizures during exercise, unexplained shortness of breath, chest  
3 pains, dizziness, racing heart rate and extreme fatigue. Training may consist of videos, classes, and  
4 any other generally accepted mode and medium of providing information.

5 (c) Parents and/or guardians shall be provided with information as to the nature and  
6 warning signs of sudden cardiac arrest prior to the start of every sport season.

7 (d)(1) A student who, as determined by a game official, coach from the student's team,  
8 certified athletic trainer, licensed physician, or other official designated by the student's school  
9 entity, exhibits signs or symptoms of sudden cardiac arrest while participating in an athletic activity  
10 shall be removed by the coach from participation at that time, subject to subsection (d)(3) of this  
11 section.

12 (2) If a student is known to have exhibited signs or symptoms of sudden cardiac arrest at  
13 any time prior to or following an athletic activity, the student shall be prevented from participating  
14 in an athletic activity, subject to subsection (d)(3) of this section.

15 (3) A student removed or prevented from participating in an athletic activity under  
16 subsections (d)(1) or (d)(2) of this section shall not return to participation until the student is  
17 evaluated and cleared for return to participation in writing by a licensed physician, [physician](#)  
18 [assistant](#), certified registered nurse practitioner, or cardiologist.

19 (e) All school districts are encouraged to have an athletic trainer, or similarly trained  
20 person, at all recreational and athletic events addressed by this statute.

21 SECTION 5. Section 23-1.7-5 of the General Laws in Chapter 23-1.7 entitled "Rhode  
22 Island Program to Address Alzheimer's Disease" is hereby amended to read as follows:

23 **23-1.7-5. Medical professional training.**

24 (a) All physicians licensed pursuant to chapter 37 of title 5, [physician assistants licensed](#)  
25 [pursuant to chapter 54 of title 5](#), and nurses licensed pursuant to chapter 34 of title 5, shall, no later  
26 than October 1, 2023, complete a one-time course of training consisting of a minimum of one hour  
27 of instruction on the diagnosis, treatment, and care of patients with cognitive impairments  
28 including, but not limited to, Alzheimer's disease and related disorders.

29 (b) The department of health shall promulgate rules to implement the training requirement  
30 of subsection (a).

31 SECTION 6. This act shall take effect upon passage.

EXPLANATION  
BY THE LEGISLATIVE COUNCIL  
OF  
A N A C T  
RELATING TO BUSINESSES AND PROFESSIONS -- PHYSICIAN ASSISTANTS

\*\*\*

1           This act would expand participation in charitable and voluntary care to allow a physician  
2 assistant licensed in this state to provide free care without a collaborating physician; prohibit any  
3 agreement whereby a physician assistant is restricted in his or her right to practice in a certain  
4 geographic area, assist or provide treatment or establish a professional relationship with any other  
5 employer; and establish the right of the physician assistant to solicit or seek to establish a  
6 professional relationship with any current patient of the employer. This restriction would not apply  
7 with the purchase and sale of a practice which includes a restriction or non-compete clause within  
8 five (5) years, and would allow physician assistants to clear students to participate in athletic  
9 activities at school and evaluate and clear a young student athlete who has been removed from play  
10 due to injury.

11           This act would take effect upon passage.
