10 90% or more of the ownership of the real estate is held by 35 or fewer persons and which company  
11 either (i) derives 60% or more of its annual gross receipts from the ownership or disposition of real  
12 estate; or (ii) owns real estate the value of which comprises 90% or more of the value of the entity's  
13 entire tangible asset holdings exclusive of tangible assets that are fairly transferrable and actively  
14 traded on an established market; or

15 (2) Ninety percent or more of the ownership interest in such entity is held by 35 or fewer  
16 persons and the entity owns as 90% or more of the fair market value of its assets a direct or indirect  
17 interest in a real estate company. An indirect ownership interest is an interest in an entity 90% or  
18 more of which is held by 35 or fewer persons and the purpose of the entity is the ownership of a  
19 real estate company.

20 (g) In the case of a grant, assignment, transfer, or conveyance or vesting that results in a  
21 real estate company becoming an acquired real estate company, the grantor, assignor, transferor, or  
22 person making the conveyance or causing the vesting, shall file or cause to be filed with the division  
23 of taxation, at least five (5) days prior to the grant, transfer, assignment, or conveyance or vesting,  
24 notification of the proposed grant, transfer, assignment, or conveyance or vesting, the price, terms  
25 and conditions thereof, and the character and location of all of the real estate assets held by the real  
26 estate company and shall remit the tax imposed and owed pursuant to subsection (a). Any such  
27 grant, transfer, assignment, or conveyance or vesting which results in a real estate company  
28 becoming an acquired real estate company shall be fraudulent and void as against the state unless  
29 the entity notifies the tax administrator in writing of the grant, transfer, assignment, or conveyance  
30 or vesting as herein required in subsection (g) and has paid the tax as required in subsection (a).  
31 Upon the payment of the tax by the transferor, the tax administrator shall issue a certificate of the  
32 payment of the tax which certificate shall be recordable in the land evidence records in each  
33 municipality in which such real estate company owns real estate. Where the real estate company  
34 has assets other than interests in real estate located in Rhode Island, the tax shall be based upon the

1 assessed value of each parcel of property located in each municipality in the state of Rhode Island.

2 SECTION 11. Section 44-31-2 of the General Laws in Chapter 44-31 entitled "Investment  
3 Tax Credit" is hereby amended to read as follows:

4 **44-31-2. Specialized investment tax credit.**

5 (a) A certified building owner, as provided in chapter 64.7 of title 42, may be allowed a  
6 specialized investment tax credit against the tax imposed by chapters 11, 14, 17 and 30 of this title.

7 (b) The taxpayer may claim credit for the rehabilitation and reconstruction costs of a  
8 certified building, which has been substantially rehabilitated. Once substantial rehabilitation is  
9 established by the taxpayer, the taxpayer may claim credit for all rehabilitation and reconstruction  
10 costs incurred with respect to the certified building within five (5) years from the date of final  
11 designation of the certified building by the council pursuant to § 42-64.7-6.

12 (c) The credit shall be ten percent (10%) of the rehabilitation and reconstruction costs of  
13 the certified building. The credit shall be allowable in the year the substantially rehabilitated  
14 certified building is first placed into service, which is the year in which, under the taxpayer's  
15 depreciation practice, the period for depreciation with respect to such property begins, or the year  
16 in which the property is placed in a condition or state of readiness and availability for its specifically  
17 assigned function, whichever is earlier.

18 (d) The credit shall not offset any tax liability in taxable years other than the year or years  
19 in which the taxpayer qualifies for the credit. The credit shall not reduce the tax below the  
20 minimum. Amounts of unused credit for this taxpayer may be carried over and offset against this  
21 taxpayer's tax for a period not to exceed the following seven (7) taxable years.

22 (e) In the case of a corporation, this credit is only allowed against the tax of that of a  
23 corporation included in a consolidated return that qualifies for the credit and not against the tax of  
24 other corporations that may join in the filing of a consolidated tax return.

29 SECTION 12. Sections 44-31.2-5 and 44-31-.2-6 of the General Laws in Chapter 44-31.2  
30 entitled "Motion Picture Production Tax Credits" are hereby amended to read as follows:

31 **44-31.2-5. Motion picture production company tax credit.**

32 (a) A motion picture production company shall be allowed a credit to be computed as  
33 provided in this chapter against a tax imposed by chapters 11, 14, 17, and 30 of this title. The  
34 amount of the credit shall be thirty percent (30%) of the state-certified production costs incurred

1 directly attributable to activity within the state, provided:

2 (1) That the primary locations are within the state of Rhode Island and the total production  
3 budget as defined herein is a minimum of one hundred thousand dollars (\$100,000); or

4 (2) The motion picture production incurs and pays a minimum of ten million dollars  
5 (\$10,000,000) in state-certified production costs within a twelve-month (12) period.

6 The credit shall be earned in the taxable year in which production in Rhode Island is  
7 completed, as determined by the film office in final certification pursuant to § 44-31.2-6(c).

8 (b) For the purposes of this section: “total production budget” means and includes the  
9 motion picture production company’s pre-production, production, and post-production costs  
10 incurred for the production activities of the motion picture production company in Rhode Island in  
11 connection with the production of a state-certified production. The budget shall not include costs  
12 associated with the promotion or marketing of the film, video, or television product.

13 (c) Notwithstanding subsection (a) of this section, the credit shall not exceed seven million  
14 dollars (\$7,000,000) and shall be allowed against the tax for the taxable period in which the credit  
15 is earned and can be carried forward for not more than three (3) succeeding tax years. Pursuant to  
16 rules promulgated by the tax administrator, the administrator may issue a waiver of the seven  
17 million dollars (\$7,000,000) tax credit cap for any feature-length film or television series up to the  
18 remaining funds available pursuant to section (e) of this section.

19 (d) Credits allowed to a motion picture production company, which is a subchapter S  
20 corporation, partnership, or a limited liability company that is taxed as a partnership, shall be passed  
21 through respectively to persons designated as partners, members, or owners on a pro rata basis or  
22 pursuant to an executed agreement among such persons designated as subchapter S corporation  
23 shareholders, partners, or members documenting an alternate distribution method without regard to  
24 their sharing of other tax or economic attributes of such entity.

25 (e) No more than fifteen million dollars (\$15,000,000) in total may be issued for any tax  
26 year beginning after December 31, 2007, for motion picture tax credits pursuant to this chapter  
27 and/or musical and theatrical production tax credits pursuant to chapter 31.3 of this title. After  
28 December 31, 2019, no more than twenty million dollars (\$20,000,000) in total may be issued for  
29 any tax year for motion picture tax credits pursuant to this chapter and/or musical and theater  
30 production tax credits pursuant to chapter 31.3 of this title. Said credits shall be equally available  
31 to motion picture productions and musical and theatrical productions. No specific amount shall be  
32 set aside for either type of production.

33 (f) Exclusively for tax year 2022 [and tax year 2023](#), the total amount of motion picture tax  
34 credits issued pursuant to this section and/or musical and theatrical production tax credits pursuant

1 to chapter 31.3 of this title shall not exceed ~~thirty million dollars (\$30,000,000)~~ thirty-five million  
2 dollars (\$35,000,000).

3 (g) Exclusively for ~~tax year 2023 and~~ tax year 2024, the total amount of motion picture tax  
4 credits issued pursuant to this section and/or musical and theatrical production tax credits pursuant  
5 to chapter 31.3 of this title shall not exceed forty million dollars (\$40,000,000).

6 **44-31.2-6. Certification and administration.**

7 (a) Initial certification of a production. The applicant shall properly prepare, sign, and  
8 submit to the film office an application for initial certification of the Rhode Island production. The  
9 application shall include such information and data as the film office deems necessary for the proper  
10 evaluation and administration of the application, including, but not limited to, any information  
11 about the motion picture production company, and a specific Rhode Island motion picture. The film  
12 office shall review the completed application and determine whether it meets the requisite criteria  
13 and qualifications for the initial certification for the production. If the initial certification is granted,  
14 the film office shall issue a notice of initial certification of the motion picture production to the  
15 motion picture production company and to the tax administrator. The notice shall state that, after  
16 appropriate review, the initial application meets the appropriate criteria for conditional eligibility.  
17 The notice of initial certification will provide a unique identification number for the production  
18 based on the estimated completion date of the production and is only a statement of conditional  
19 eligibility for the production and, as such, does not grant or convey any Rhode Island tax benefits.  
20 The motion picture production company is responsible for notifying the film office and the Rhode  
21 Island division of taxation if it does not expect to complete its production within the same calendar  
22 year of its estimated completion date. If the motion picture production company does not expect to  
23 complete its production within the same calendar year of its estimated completion date, it shall  
24 notify both the film office and the Rhode Island division of taxation immediately upon learning of  
25 the reason for the change in completion date.

26 (b) Final certification of a production. Upon completion of the Rhode Island production  
27 activities, the applicant shall request a certificate of good standing from the Rhode Island division  
28 of taxation. The certificates shall verify to the film office the motion picture production company's  
29 compliance with the requirements of § 44-31.2-2(11). The applicant shall properly prepare, sign,  
30 and submit to the film office an application for final certification of the production and which must  
31 include the certificate of good standing from the division of taxation. In addition, the application  
32 shall contain such information and data as the film office determines is necessary for the proper  
33 evaluation and administration, including, but not limited to, any information about the motion  
34 picture production company, its investors, and information about the production previously granted

1 initial certification. The final application shall also contain a cost report and an “accountant’s  
2 certification.” The film office and tax administrator may rely without independent investigation,  
3 upon the accountant’s certification, in the form of an opinion, confirming the accuracy of the  
4 information included in the cost report. Upon review of a duly completed and filed application, the  
5 film office will make a determination pertaining to the final certification of the production. Within  
6 ninety (90) days after the division of taxation’s receipt of the motion picture production company  
7 final certification and cost report, the division of taxation shall issue a certification of the amount  
8 of credit for which the motion picture production company qualifies under § 44-31.2-5. To claim  
9 the tax credit, the division of taxation’s certification as to the amount of the tax credit shall be  
10 attached to all state tax returns on which the credit is claimed.

11 (c) Final certification and credits. Upon determination that the motion picture production  
12 company qualifies for final certification, the film office shall issue a letter to the production  
13 company indicating “certificate of completion of a state-certified production.” A motion picture  
14 production company is prohibited from using state funds, state loans, or state guaranteed loans to  
15 qualify for the motion picture tax credit. All documents that are issued by the film office pursuant  
16 to this section shall reference the identification number that was issued to the production as part of  
17 its initial certification.

18 (d) The director of the Rhode Island council on the arts, in consultation as needed with the  
19 tax administrator, shall promulgate such rules and regulations as are necessary to carry out the  
20 intent and purposes of this chapter in accordance with the general guidelines provided herein for  
21 the certification of the production and the resultant production credit.

22 (e) The tax administrator of the division of taxation, in consultation with the director of the  
23 Rhode Island film and television office, shall promulgate the rules and regulations as are necessary  
24 to carry out the intent and purposes of this chapter in accordance with the general guidelines for  
25 the tax credit provided herein.

26 (f) Any motion picture production company applying for the credit shall be required to  
27 reimburse the division of taxation for any audits required in relation to granting the credit.

28 SECTION 13. Sections 44-32-1, 44-32-2 and 44-32-3 of the General Laws in Chapter 44-  
29 32 entitled "Elective Deduction for Research and Development Facilities" are hereby amended to  
30 read as follows:

31 **44-32-1. Elective deduction against allocated entire net income.**

32 (a) General. Except as provided in subsection (c) of this section, at the election of a taxpayer  
33 who is subject to the income tax imposed by chapters 11 or 30 of this title, there shall be deducted  
34 from the portion of its entire net income allocated within the state the items prescribed in subsection

1 (b) of this section, in lieu of depreciation or investment tax credit.

2 (b) One-year write-off of new research and development facilities.

3 (1) Expenditures paid or incurred during the taxable year for the construction,  
4 reconstruction, erection or acquisition of any new, not used, property as described in subsection (c)  
5 of this section, which is used or to be used for purposes of research and development in the  
6 experimental or laboratory sense. The purposes are not deemed to include the ordinary testing or  
7 inspection of materials or products for quality control, efficiency surveys, management studies,  
8 consumer surveys, advertising, promotion, or research in connection with literary, historical, or  
9 similar projects. The deduction shall be allowed only on condition that the entire net income for  
10 the taxable year and all succeeding taxable years is computed without the deduction of any  
11 expenditures and without any deduction for depreciation of the property, except to the extent that  
12 its basis may be attributable to factors other than the expenditures, (expenditures and depreciation  
13 deducted for federal income tax purposes shall be added to the entire net income allocated to Rhode  
14 Island), or in case a deduction is allowable pursuant to this subdivision for only a part of the  
15 expenditures, on condition that any deduction allowed for federal income tax purposes on account  
16 of the expenditures or on account of depreciation of the property is proportionately reduced in  
17 computing the entire net income for the taxable year and all succeeding taxable years. Concerning  
18 property that is used or to be used for research and development only in part, or during only part of  
19 its useful life, a proportionate part of the expenditures shall be deductible. If all or part of the  
20 expenditures concerning any property has been deducted as provided in this section, and the  
21 property is used for purposes other than research and development to a greater extent than originally  
22 reported, the taxpayer shall report the use in its report for the first taxable year during which it  
23 occurs, and the tax administrator may recompute the tax for the year or years for which the  
24 deduction was allowed, and may assess any additional tax resulting from the recomputation as a  
25 current tax, within three (3) years of the reporting of the change to the tax administrator. Any  
26 change in use of the property in whole or in part from that, which originally qualified the property  
27 for the deduction, requires a recomputation. The tax administrator has the authority to promulgate  
28 regulations to prevent the avoidance of tax liability.

29 (2) The deduction shall be allowed only where an election for amortization of air or water  
30 pollution control facilities has not been exercised in respect to the same property.

31 (3) The tax as a result of recomputation of a prior year's deduction is due as an additional  
32 tax for the year the property ceases to qualify.

33 (c) Property covered by deductions. The deductions shall be allowed only with respect to  
34 tangible property which is new, not used, is depreciable pursuant to 26 U.S.C. § 167, was acquired

1 by purchase as defined in 26 U.S.C. § 179(d), has a situs in this state, and is used in the taxpayer's  
2 trade or business. For the taxable years beginning on or after July 1, 1974, a taxpayer is not allowed  
3 a deduction under this section with respect to tangible property leased by it to any other person or  
4 corporation or leased from any other person or corporation. For purposes of the preceding sentence,  
5 any contract or agreement to lease or rent or for a license to use the property is considered a lease,  
6 unless the contract or agreement is treated for federal income tax purposes as an installment  
7 purchase rather than a lease. With respect to property that the taxpayer uses itself for purposes other  
8 than leasing for part of a taxable year and leases for a part of a taxable year, the taxpayer shall be  
9 allowed a deduction under this section in proportion to the part of the year it uses the property.

10 (d) Entire net income. "Entire net income", as used in this section, means net income  
11 allocated to this state.

12 (e) Carry-over of excess deductions. If the deductions allowable for any taxable year  
13 pursuant to this section exceed the portion of the taxpayer's entire net income allocated to this state  
14 for that year, the excess may be carried over to the following taxable year or years, not to exceed  
15 three (3) years, and may be deducted from the portion of the taxpayer's entire net income allocated  
16 to this state for that year or years.

17 (f) Gain or loss on sale or disposition of property. In any taxable year when property is sold  
18 or disposed of before the end of its useful life, with respect to which a deduction has been allowed  
19 pursuant to subsection (b) of this section, the gain or loss on this entering into the computation of  
20 federal taxable income is disregarded in computing the entire net income, and there is added to or  
21 subtracted from the portion of the entire net income allocated within the state the gain or loss upon  
22 the sale or other disposition. In computing the gain or loss, the basis of the property sold or disposed  
23 of is adjusted to reflect the deduction allowed with respect to the property pursuant to subsection  
24 (b) of this section; provided, that no loss is recognized for the purpose of this subsection with  
25 respect to a sale or other disposition of property to a person whose acquisition of this property is  
26 not a purchase as defined in 26 U.S.C. § 179(d).

27 (g) Investment credit not allowed on research and development property. No investment  
28 credit under chapter 31 of this title shall be allowed on the research and development property for  
29 which accelerated write-off is adopted under this section.

30 (h) Consolidated returns. The research and development deduction shall only be allowed  
31 against the entire net income of the corporation included in a consolidated return and shall not be  
32 allowed against the entire net income of other corporations that may join in the filing of a  
33 consolidated state tax return.

34 (i) Sunset. No deductions shall be allowed under this section for tax years beginning on or

1 [after January 1, 2026. Deductions allowed for tax years ending on or before December 31, 2025,](#)  
2 [may be carried forward into tax years beginning on or after January 1, 2026, in accordance with](#)  
3 [subsection \(e\) of this section.](#)

4 **44-32-2. Credit for research and development property acquired, constructed, or**  
5 **reconstructed or erected after July 1, 1994.**

6 (a) A taxpayer shall be allowed a credit against the tax imposed by chapters 11, 17, or 30  
7 of this title. The amount of the credit shall be ten percent (10%) of the cost or other basis for federal  
8 income tax purposes of tangible personal property, and other tangible property, including buildings  
9 and structural components of buildings, described in subsection (b) of this section; acquired,  
10 constructed or reconstructed, or erected after July 1, 1994.

11 (b) A credit shall be allowed under this section with respect to tangible personal property  
12 and other tangible property, including buildings and structural components of buildings which are:  
13 depreciable pursuant to 26 U.S.C. § 167 or recovery property with respect to which a deduction is  
14 allowable under 26 U.S.C. § 168, have a useful life of three (3) years or more, are acquired by  
15 purchase as defined in 26 U.S.C. § 179(d), have a situs in this state and are used principally for  
16 purposes of research and development in the experimental or laboratory sense which shall also  
17 include property used by property and casualty insurance companies for research and development  
18 into methods and ways of preventing or reducing losses from fire and other perils. The credit shall  
19 be allowable in the year the property is first placed in service by the taxpayer, which is the year in  
20 which, under the taxpayer's depreciation practice, the period for depreciation with respect to the  
21 property begins, or the year in which the property is placed in a condition or state of readiness and  
22 availability for a specifically assigned function, whichever is earlier. These purposes shall not be  
23 deemed to include the ordinary testing or inspection of materials or products for quality control,  
24 efficiency surveys, management studies, consumer surveys, advertising, promotions, or research in  
25 connection with literary, historical or similar projects.

26 (c) A taxpayer shall not be allowed a credit under this section with respect to any property  
27 described in subsections (a) and (b) of this section, if a deduction is taken for the property under §  
28 44-32-1.

29 (d) A taxpayer shall not be allowed a credit under this section with respect to tangible  
30 personal property and other tangible property, including buildings and structural components of  
31 buildings, which it leases to any other person or corporation. For purposes of the preceding  
32 sentence, any contract or agreement to lease or rent or for a license to use the property is considered  
33 a lease.

34 (e) The credit allowed under this section for any taxable year does not reduce the tax due

1 for that year, in the case of corporations, to less than the minimum fixed by § 44-11-2(e). If the  
2 amount of credit allowable under this section for any taxable year is less than the amount of credit  
3 available to the taxpayer, any amount of credit not credited in that taxable year may be carried over  
4 to the following year or years, up to a maximum of seven (7) years, and may be credited against  
5 the taxpayer's tax for the following year or years. For purposes of chapter 30 of this title, if the  
6 credit allowed under this section for any taxable year exceeds the taxpayer's tax for that year, the  
7 amount of credit not credited in that taxable year may be carried over to the following year or years,  
8 up to a maximum of seven (7) years, and may be credited against the taxpayer's tax for the  
9 following year or years.

10 (f)(1) With respect to property which is depreciable pursuant to 26 U.S.C. § 167 and which  
11 is disposed of or ceases to be in qualified use prior to the end of the taxable year in which the credit  
12 is to be taken, the amount of the credit is that portion of the credit provided for in this section which  
13 represents the ratio which the months of qualified use bear to the months of useful life. If property  
14 on which credit has been taken is disposed of or ceases to be in qualified use prior to the end of its  
15 useful life, the difference between the credit taken and the credit allowed for actual use must be  
16 added back in the year of disposition. If the property is disposed of or ceases to be in qualified use  
17 after it has been in qualified use for more than twelve (12) consecutive years, it is not necessary to  
18 add back the credit as provided in this subdivision. The amount of credit allowed for actual use is  
19 determined by multiplying the original credit by the ratio which the months of qualified use bear  
20 to the months of useful life. For purposes of this subdivision, "useful life of property" is the same  
21 as the taxpayer uses for depreciation purposes when computing his federal income tax liability.

22 (2) Except with respect to that property to which subdivision (3) of this subsection applies,  
23 with respect to three (3) year property, as defined in 26 U.S.C. § 168(c), which is disposed of or  
24 ceases to be in qualified use prior to the end of the taxable year in which the credit is to be taken,  
25 the amount of the credit shall be that portion of the credit provided for in this section which  
26 represents the ratio which the months of qualified use bear to thirty-six (36). If property on which  
27 credit has been taken is disposed of or ceases to be in qualified use prior to the end of thirty-six  
28 (36) months, the difference between the credit taken and the credit allowed for actual use must be  
29 added back in the year of disposition. The amount of credit allowed for actual use is determined by  
30 multiplying the original credit by the ratio that the months of qualified use bear to thirty-six (36).

31 (3) With respect to any recovery property to which 26 U.S.C. § 168 applies, which is a  
32 building or a structural component of a building and which is disposed of or ceases to be in qualified  
33 use prior to the end of the taxable year in which the credit is to be taken, the amount of the credit  
34 is that portion of the credit provided for in this section which represents the ratio which the months

1 of qualified use bear to the total number of months over which the taxpayer chooses to deduct the  
2 property under 26 U.S.C. § 168. If property on which credit has been taken is disposed of or ceases  
3 to be in qualified use prior to the end of the period over which the taxpayer chooses to deduct the  
4 property under 26 U.S.C. § 168, the difference between the credit taken and the credit allowed for  
5 actual use must be added back in the year of disposition. If the property is disposed of or ceases to  
6 be in qualified use after it has been in qualified use for more than twelve (12) consecutive years, it  
7 is not necessary to add back the credit as provided in this subdivision. The amount of credit allowed  
8 for actual use is determined by multiplying the original credit by the ratio that the months of  
9 qualified use bear to the total number of months over which the taxpayer chooses to deduct the  
10 property under 26 U.S.C. § 168.

11 (g) No deduction for research and development facilities under § 44-32-1 shall be allowed  
12 for research and development property for which the credit is allowed under this section.

13 (h) No investment tax credit under § 44-31-1 shall be allowed for research and development  
14 property for which the credit is allowed under this section.

15 (i) The investment tax credit allowed by § 44-31-1 shall be taken into account before the  
16 credit allowed under this section.

17 (j) The credit allowed under this section only allowed against the tax of that corporation  
18 included in a consolidated return that qualifies for the credit and not against the tax of other  
19 corporations that may join in the filing of a consolidated return.

20 (k) In the event that the taxpayer is a partnership, joint venture or small business  
21 corporation, the credit shall be divided in the same manner as income.

22 (l) Sunset. No credits shall be allowed under this section for tax years beginning on or after  
23 January 1, 2026. Credits allowed for tax years ending on or before December 31, 2025, may be  
24 carried forward into tax years beginning on or after January 1, 2026, in accordance with subsection  
25 (e) of this section.

26 **44-32-3. Credit for qualified research expenses.**

27 (a) A taxpayer shall be allowed a credit against the tax imposed by chapters 11, 17 or 30  
28 of this title. The amount of the credit shall be five percent (5%)(and in the case of amounts paid or  
29 accrued after January 1, 1998, twenty-two and one-half percent (22.5%) for the first twenty-five  
30 thousand dollars (\$25,000) worth of credit and sixteen and nine-tenths percent (16.9%) for the  
31 amount of credit above twenty-five thousand dollars (\$25,000)) of the excess, if any, of:

32 (1) The qualified research expenses for the taxable year, over

33 (2) The base period research expenses.

34 (b)(1) “Qualified research expenses” and “base period research expenses” have the same

1 meaning as defined in 26 U.S.C. § 41; provided, that the expenses have been incurred in this state  
2 after July 1, 1994.

3 (2) Notwithstanding the provisions of subdivision (1) of this subsection, “qualified research

11 year or years, up to a maximum of seven (7) years, and may be credited against the taxpayer’s tax  
12 for that year or years. For purposes of chapter 30 of this title, if the credit allowed under this section  
13 for any taxable year exceeds the taxpayer’s tax for that year, the amount of credit not credited in  
14 that taxable year may be carried over to the following year or years, up to a maximum of seven (7)  
15 years, and may be credited against the taxpayer’s tax for that year or years. For purposes of  
16 determining the order in which carry-overs are taken into consideration, the credit allowed by § 44-  
17 32-2 is taken into account before the credit allowed under this section.

18 (d) For tax years beginning on or after January 1, 2026, the credit allowed under this section  
19 for any taxable year shall not reduce the tax due for that year by more than fifty percent (50%) of

21 fixed by § 44-11-2(e). If the amount of credit allowable under this section for any taxable year is  
22 less than the amount of credit available to the taxpayer any amount of credit not credited in that  
23 taxable year may be carried over to the following year or years, up to a maximum of fifteen (15)

26 tax for that year, the amount of credit not credited in that taxable year may be carried over to the  
27 following year or years, up to a maximum of fifteen (15) years, and may be credited against the  
28 taxpayer’s tax for that year or years. For purposes of determining the order in which carry-overs  
29 are taken into consideration, the credit allowed by § 44-32-2 is taken into account before the credit  
30 allowed under this section.

31 ~~(d)~~(e) The investment tax credit allowed by § 44-31-1 shall be taken into account before  
32 the credit allowed under this section.

33 ~~(e)~~(f) The credit allowed under this section shall only be allowed against the tax of that  
34 corporation included in a consolidated return that qualifies for the credit and not against the tax of

1 other corporations that may join in the filing of a consolidated return.

2 ~~(f)~~(g) In the event the taxpayer is a partnership, joint venture or small business corporation,  
3 the credit is divided in the same manner as income.

22 17 of this title; or

23 (5) A modification reducing federal adjusted gross income in accordance with chapter 30  
24 of this title.

25 (b) The deduction or modification shall be in an amount equal to the taxpayer's qualifying  
26 investment in a certified venture capital partnership or an entrepreneur's investment in a qualifying  
27 business entity and shall be measured at the year end of the certified venture capital partnership,

2 entity first qualified as a qualifying business entity a credit against the tax imposed by chapter 30

9 the purchase of the business entity by new owners, whichever occurs later; or

10 (3) Paid to employees who are not principally employed in Rhode Island and whose wages  
11 are not subject to withholding pursuant to chapter 30 of this title.

12 (b) The credit authorized by this section shall cease in the taxable year next following after

17 SECTION 16. Chapter 44-53 of the General Laws entitled "Levy and Distrain" is hereby  
18 amended by adding thereto the following section:

19 **44-53-18. Financial institution data match system for state tax collection purposes.**

20 (a) Definitions. As used in this section:

21 (1) "Division" means the Rhode Island department of revenue, division of taxation.

22 (2) "Financial institution" means any bank, savings and loan association, federal or state  
23 credit union, trust company, consumer lender, international banking facility, financial institution  
24 holding company, benefit association, insurance company, safe deposit company, or any entity  
25 authorized by the taxpayer to buy, sell, transfer, store, and/or trade monetary assets or its equivalent,  
26 including, but not limited to, virtual currency, and any party affiliated with the financial institution.  
27 A financial institution includes any person or entity authorized or required to participate in a  
28 financial institution data match system or program for child support enforcement purposes under  
29 federal or state law.

30 (b) Financial institution data match system for state tax collection purposes.

31 (1) To assist the tax administrator in the collection of debts, the division shall develop and  
32 operate a financial institution data match system for the purpose of identifying and seizing the non-  
33 exempt assets of delinquent taxpayers as identified by the tax administrator. The tax administrator  
34 is authorized to designate a third party to develop and operate this system. Any third party

1 designated by the tax administrator to develop and operate a financial data match system must keep  
2 all information it obtains from both the division and the financial institution confidential, and any  
3 employee, agent or representative of that third party is prohibited from disclosing that information  
4 to anyone other than the division or the financial institution.

5 (2) Each financial institution doing business in the state shall, in conjunction with the tax  
6 administrator or the tax administrator's authorized designee, develop and operate a data match  
7 system to facilitate the identification and seizure of non-exempt financial assets of delinquent  
8 taxpayers identified by the tax administrator or the tax administrator's authorized designee. If a  
9 financial institution has a data match system developed or used to administer the child support  
10 enforcement programs of this state, and if that system is approved by the tax administrator or the  
11 tax administrator's authorized designee, the financial institution may use that system to comply  
12 with the provisions of this section.

13 (c) Each financial institution must provide identifying information at least each calendar  
14 quarter to the division for each delinquent taxpayer identified by the division who or that maintains  
15 an account at the institution. The identifying information must include the delinquent taxpayer's  
16 name, address, and social security number or other taxpayer identification number, and all account  
17 numbers and balances in each account.

18 (d) A financial institution that complies with this section will not be liable under state law  
19 to any person for the disclosure of information to the tax administrator or the tax administrator's  
20 authorized designee, or any other action taken in good faith to comply with this section.

21 (e) Both the financial institution furnishing a report to the tax administrator under this  
22 section and the tax administrator's authorized designee are prohibited from disclosing to the  
23 delinquent taxpayer that the name of the delinquent taxpayer has been received from or furnished  
24 to the tax administrator, unless authorized in writing by the tax administrator to do so. A violation  
25 of this subsection will result in the imposition of a civil penalty equal to the greater of one thousand  
26 dollars (\$1,000) or the amount in the account of the person to whom the disclosure was made for  
27 each instance of unauthorized disclosure by the financial institution or the tax administrator's  
28 authorized designee under subsection (b)(1). That civil penalty can be assessed and collected under  
29 this title as if that penalty were tax.

30 (f) A financial institution may disclose to its depositors or account holders that the division  
31 has the authority to request certain identifying information on certain depositors or account holders  
32 under the financial institution data match system for state tax collection purposes.

33 (g) This section does not prevent the division from encumbering a delinquent taxpayer's  
34 account with a financial institution by any other remedy available for the enforcement of tax

[collection activities.](#)

25 site to allow the remaining land to be used for recreation, common open space, and/or preservation  
26 of environmentally, historically, culturally, or other sensitive features and/or structures. The  
27 techniques used to concentrate buildings shall be specified in the ordinance and may include, but

10 with the dimensional regulations of the zoning ordinance. Dimensional regulations include all  
11 regulations of the zoning ordinance, other than those pertaining to the permitted uses. A building  
12 or structure containing more dwelling units than are permitted by the use regulations of a zoning  
13 ordinance is nonconforming by use; a building or structure containing a permitted number of  
14 dwelling units by the use regulations of the zoning ordinance, but not meeting the lot area per  
15 dwelling unit regulations, is nonconforming by dimension.

16 (55) Overlay district. A district established in a zoning ordinance that is superimposed on  
17 one or more districts or parts of districts. The standards and requirements associated with an overlay

16 establishment or maintenance of a use of land, that is prohibited by a zoning ordinance. There are  
17 only two (2) categories of variance, a use variance or a dimensional variance.

18 (i) Use variance. Permission to depart from the use requirements of a zoning ordinance  
19 where the applicant for the requested variance has shown by evidence upon the record that the  
20 subject land or structure cannot yield any beneficial use if it is to conform to the provisions of the  
21 zoning ordinance.

22 (ii) Dimensional variance. Permission to depart from the dimensional requirements of a  
23 zoning ordinance under the applicable standards set forth in § 45-24-41.

4 of the city or town as defined in chapter 22.2 of this title; that includes a zoning map; and that  
5 complies with the provisions of this chapter.

6 (75) Zoning use district. The basic unit in zoning, either mapped or unmapped, to which a  
7 uniform set of regulations applies, or a uniform set of regulations for a specified use. Zoning use  
8 districts include, but are not limited to: agricultural, commercial, industrial, institutional, open  
9 space, and residential. Each district may include sub-districts. Districts may be combined.

10 **45-24-37. General provisions — Permitted uses.**

11 (a) The zoning ordinance shall provide a listing of all land uses and/or performance  
12 standards for uses that are permitted within the zoning use districts of the municipality. The  
13 ordinance may provide for a procedure under which a proposed land use that is not specifically  
14 listed may be presented by the property owner to the zoning board of review or to a local official  
15 or agency charged with administration and enforcement of the ordinance for an evaluation and  
16 determination of whether the proposed use is of a similar type, character, and intensity as a listed  
17 permitted use. Upon such determination, the proposed use may be considered to be a permitted use.

18 (b) Notwithstanding any other provision of this chapter, the following uses are permitted  
19 uses within all residential zoning use districts of a municipality and all industrial and commercial  
20 zoning use districts except where residential use is prohibited for public health or safety reasons:

21 (1) Households;

22 (2) Community residences; ~~and~~

23 (3) Family daycare homes; and

24 (4) Remote work, defined as a work flexibility arrangement under which a W-2 employee  
25 or full-time contractor routinely performs the duties and responsibilities of such employee's  
26 position from an approved worksite other than the location from which the employee would  
27 otherwise work.

28 (i) Remote work shall not include any activities that:

29 (A) Relate to the sale of unlawful goods and services;

30 (B) Generate on-street parking or a substantial increase in traffic through the residential  
31 area;

32 (C) Occur outside of the residential dwelling;

33 (D) Occur in the yard; or

34 (E) Are visible from the street.

1 (c) Any time a building or other structure used for residential purposes, or a portion of a  
2 building containing residential units, is rendered uninhabitable by virtue of a casualty such as fire  
3 or flood, the owner of the property is allowed to park, temporarily, mobile and manufactured home,  
4 or homes, as the need may be, elsewhere upon the land, for use and occupancy of the former  
5 occupants for a period of up to twelve (12) months, or until the building or structure is rehabilitated  
6 and otherwise made fit for occupancy. The property owner, or a properly designated agent of the  
7 owner, is only allowed to cause the mobile and manufactured home, or homes, to remain  
8 temporarily upon the land by making timely application to the local building official for the  
9 purposes of obtaining the necessary permits to repair or rebuild the structure.

10 (d) Notwithstanding any other provision of this chapter, appropriate access for people with  
11 disabilities to residential structures is allowed as a reasonable accommodation for any person(s)  
12 residing, or intending to reside, in the residential structure.

13 (e) Notwithstanding any other provision of this chapter, an accessory dwelling unit  
14 (“ADU”) that meets the requirements of §§ 45-24-31 and 45-24-73(a) shall be a permitted use in  
15 all residential zoning districts. An ADU that meets the requirements of §§ 45-24-31 and 45-24-  
16 73(a) shall be permitted through an administrative building permit process only.

17 (f) When used in this section the terms “people with disabilities” or “member, or members,  
18 with disabilities” means a person(s) who has a physical or mental impairment that substantially  
19 limits one or more major life activities, as defined in 42-87-1(5).

20 (g) Notwithstanding any other provisions of this chapter, plant agriculture is a permitted  
21 use within all zoning districts of a municipality, including all industrial and commercial zoning  
22 districts, except where prohibited for public health or safety reasons or the protection of wildlife  
23 habitat.

24 (h) Adaptive reuse. Notwithstanding any other provisions of this chapter, adaptive reuse  
25 for the conversion of any commercial building, including offices, schools, religious facilities,  
26 medical buildings, and malls into residential units or mixed-use developments which include the  
27 development of at least fifty percent (50%) of the existing gross floor area into residential units,  
28 shall be a permitted use and allowed by specific and objective provisions of a zoning ordinance,  
29 except where such is prohibited by environmental land use restrictions recorded on the property by  
30 the state of Rhode Island department of environmental management or the United States  
31 Environmental Protection Agency preventing the conversion to residential use.

32 (1) The specific zoning ordinance provisions for adaptive reuse shall exempt adaptive reuse  
33 developments from off-street parking requirements of over one space per dwelling unit.

34 (2) **Density.**

1 (i) For projects that meet the following criteria, zoning ordinances shall allow for high  
2 density development and shall not limit the density to less than fifteen (15) dwelling units per acre:

3 (A) Where the project is limited to the existing footprint, except that the footprint is allowed  
4 to be expanded to accommodate upgrades related to the building and fire codes and utilities; and

5 (B) The development includes at least twenty percent (20%) low- and moderate-income  
6 housing; and

7 (C) The development has access to public sewer and water service or has access to adequate  
8 private water, such as a well and and/or wastewater treatment system(s) approved by the relevant  
9 state agency for the entire development as applicable.

10 (ii) For all other adaptive reuse projects, the residential density permitted in the converted  
11 structure shall be the maximum allowed that otherwise meets all standards of minimum housing  
12 and has access to public sewer and water service or has access to adequate private water, such as a  
13 well, and wastewater treatment system(s) approved by the relevant state agency for the entire  
14 development, as applicable. The density proposed shall be determined to meet all public health and  
15 safety standards.

16 (3) Notwithstanding any other provisions of this chapter, for adaptive reuse projects,  
17 existing building setbacks shall remain and shall be considered legal nonconforming, but no  
18 additional encroachments shall be permitted into any nonconforming setback, unless otherwise  
19 allowed by zoning ordinance or relief is granted by the applicable authority.

20 (4) For adaptive reuse projects, notwithstanding any other provisions of this chapter, the  
21 height of the existing structure, if it exceeds the maximum height of the zoning district, may remain  
22 and shall be considered legal nonconforming, and any rooftop construction shall be included within  
23 the height exemption.

24 (i) Notwithstanding any other provisions of this chapter, all towns and cities may allow  
25 manufactured homes that comply with § 23-27.3-109.1.3 as a type of single-family home on any  
26 lot zoned for single-family use. Such home shall comply with all dimensional requirements of a  
27 single-family home in the district or seek relief for the same under the provisions of this chapter.

28 SECTION 18. Title 44 of the General Laws entitled "TAXATION" is hereby amended by  
29 adding thereto the following chapter:

30 CHAPTER 72

31 NON-OWNER OCCUPIED PROPERTY TAX ACT

32 44-72-1. Short title.

33 This chapter shall be known and may be cited as the "Non-Owner Occupied Property Tax  
34 Act".

1       **44-72-2. Purpose.**

2       (a) The state funds cities and towns pursuant to chapter 13 of title 45.

3       (b) There is a compelling state interest in protecting the tax base of its cities and towns.

4       (c) There are numerous non-owner occupied residential properties throughout the cities  
5 and towns of Rhode Island assessed at values over one million dollars (\$1,000,000).

6       (d) The existence of such properties within a city or town has an impact on the value of  
7 real property within the cities and towns and the tax base within these cities and towns.

8       (e) Non-owner occupied properties sometimes place a greater demand on essential state,  
9 city or town services such as police and fire protection than do occupied properties comparably  
10 assessed for real estate tax purposes.

11       (f) The residents of non-owner occupied properties are not vested with a motive to maintain  
12 such properties.

13       (g) The owners of non-owner occupied properties do not always contribute a fair share of  
14 the costs of providing the foregoing essential state, city or town services financed in part by real  
15 estate tax revenues, which revenues are solely based on the assessed value of properties.

16       (h) Some properties are deliberately left vacant by their owners in the hope that real estate  
17 values will increase, thereby enabling the owners to sell these properties at a substantial profit  
18 without making any of the necessary repairs or improvements to the property.

19       (i) The non-owner occupation of such property whether for profit speculation, tax benefit,  
20 or any other purposes is the making use of that property and as such, is a privilege incident to the  
21 ownership of the property.

22       (j) Owners of non-owner occupied properties must be encouraged to use the properties in  
23 a positive manner to stop the spread of deterioration, to increase the stock of viable real estate  
24 within a city or town, and to maintain real estate values within communities.

25       (k) Owners of non-owner occupied properties must be required, through a state's power to  
26 tax, to pay a fair share of the cost of providing certain essential state services to protect the public  
27 health, safety, and welfare.

28       (l) For all of the reasons stated within this section, the purpose of this chapter is to impose  
29 a statewide tax upon non-owner occupied residential property assessed at a value of one million  
30 dollars (\$1,000,000) or more.

31       **44-72-3. Definitions.**

32       The following words and phrases as used in this chapter have the following meanings:

33       (1) "Administrator" means the tax administrator within the department of revenue.

34       (2) "Assessed value" means the assessed value of the real estate as of December 31 of the

1 corresponding taxable year in accordance with § 44-5-12.

2 (3) “Non-owner occupied” means that the residential property does not serve as the owner’s  
3 primary residence and is not occupied by the owner of the property for a majority of days during a  
4 given taxable year.

5 (4) “Non-owner occupied tax” means the assessment imposed upon the non-owner  
6 occupied residential property assessed at one million dollars (\$1,000,000) or more pursuant to this  
7 chapter.

8 (5) “Person” means any individual, corporation, company, association, partnership, joint  
9 stock association, and the legal successor thereof or any other entity or group organization against  
10 which a tax may be assessed.

11 (6) “Taxable year” means July 1 through June 30.

12 **44-72-4. Imposition and proceeds of tax.**

13 (a) For taxable years beginning on or after July 1, 2026, a tax is imposed upon the privilege  
14 of utilizing property as non-owner occupied residential property within the state during any taxable  
15 year. The non-owner occupied tax shall be in addition to any other taxes authorized by the general  
16 or public laws.

17 (b) With respect to the tax imposed, by this chapter, the tax administrator shall contribute  
18 the entire tax to the low-income housing tax credit fund established pursuant to § 44-71-11.

19 **44-72-5. Exemptions.**

20 This chapter does not supersede any applicable exemption in the general or public laws.  
21 In no case shall this chapter apply to, or any tax therefrom be assessed against, any properties or  
22 buildings that are rented or were rented for a period of more than one hundred and eighty three  
23 (183) days during the prior taxable year and subject to the provisions of chapter 18 of title 34 or  
24 defined as a "room reseller" or "reseller" pursuant to § 44-18-7.3, which is subject to the state sales  
25 and use tax, or lodgings tax.

26 **44-72-6. Rate of tax.**

27 The tax authorized by this chapter shall be measured by the assessed value of the real estate  
28 at the rate of two dollars and fifty cents (\$2.50) for each five hundred dollars (\$500) or fractional  
29 part of the assessed value in excess of one million dollars (\$1,000,000).

30 **44-72-7. Returns.**

31 (a) The tax imposed by this chapter shall be due and payable in four (4) equal installments.  
32 The first installment shall be paid on or before September 15 of the taxable year, the second  
33 installment shall be paid on or before December 15 of the taxable year, the third installment shall  
34 be paid on or before March 15 of the taxable year, and fourth installment shall be paid on or before

1 June 15 of the taxable year.

2 (b) The tax administrator is authorized to adopt rules, pursuant to this chapter, relative to  
3 the form of the return and the data that it shall contain for the correct computation of the imposed  
4 tax. All returns shall be signed by the taxpayer or by its authorized representative, subject to the  
5 pains and penalties of perjury. If a return shows an overpayment of the tax due, the tax administrator  
6 shall refund or credit the overpayment to the taxpayer.

7 (c) The tax administrator, for good cause shown, may extend the time within which a  
8 taxpayer is required to file a return. If the return is filed during the period of extension, no penalty  
9 or late filing charge shall be imposed for failure to file the return at the time required by this chapter;  
10 however, the taxpayer shall be liable for interest as prescribed in this chapter. Failure to file the  
11 return during the period for the extension shall void the extension.

12 **44-72-8. Set-off for delinquent payment of tax.**

13 If a taxpayer shall fail to pay a tax within thirty (30) days of its due date, the tax  
14 administrator may request any agency of state government making payments to the taxpayer to set-  
15 off the amount of the delinquency against any payment due the taxpayer from the agency of state  
16 government and remit the sum to the tax administrator. Upon receipt of the set-off request from the  
17 tax administrator, any agency of state government is authorized and empowered to set-off the  
18 amount of the delinquency against any payment or amounts due the taxpayer. The amount of set-  
19 off shall be credited against the tax due from the taxpayer.

20 **44-72-9. Tax on available information – Interest on delinquencies – Penalties –**  
21 **Collection powers.**

22 If any taxpayer shall fail to file a return within the time required by this chapter, or shall  
23 file an insufficient or incorrect return, or shall not pay the tax imposed by this chapter when it is  
24 due, the tax administrator shall assess the tax upon the information as may be available, which shall  
25 be payable upon demand and shall bear interest at the annual rate provided by § 44-1-7, from the  
26 date when the tax should have been paid. If any part of the tax not paid is due to negligence or  
27 intentional disregard of the provisions of this chapter, a penalty of ten percent (10%) of the amount  
28 of the determination shall be added to the tax. The tax administrator shall collect the tax with  
29 interest in the same manner and with the same powers as are prescribed for collection of taxes in  
30 this title.

31 **44-72-10. Claims for refund - Hearing upon denial.**

32 (a) Any taxpayer subject to the provisions of this chapter, may file a claim for refund with  
33 the tax administrator at any time within two (2) years after the tax has been paid. If the tax  
34 administrator determines that the tax has been overpaid, the administrator shall make a refund with

1 interest from the date of overpayment.

2 (b) Any taxpayer whose claim for refund has been denied may, within thirty (30) days from  
3 the date of the mailing by the administrator of the notice of the decision, request a hearing and the  
4 administrator shall, as soon as practicable, set a time and place for the hearing and shall notify the  
5 taxpayer.

6 **44-72-11. Hearing by tax administrator on application.**

7 Any taxpayer aggrieved by the action of the tax administrator in determining the amount  
8 of any tax or penalty imposed under the provisions of this chapter may apply to the tax  
9 administrator, within thirty (30) days after the notice of the action is mailed to the taxpayer, for a  
10 hearing relative to the tax or penalty. The tax administrator shall fix a time and place for the hearing  
11 and shall so notify the taxpayer. Upon the hearing, the tax administrator shall correct manifest  
12 errors, if any, disclosed at the hearing and thereupon assess and collect the amount lawfully due  
13 together with any penalty or interest thereon.

14 **44-72-12. Appeals.**

15 (a) In any appeal from the imposition of the tax set forth in this chapter, the tax  
16 administrator shall find in favor of an appellant who shows that the property assessed:

17 (1) Was actively occupied by the owner during the taxable year for more than six (6)  
18 months; or

19 (2) Was exempt pursuant to the general laws or public laws from the imposition of the tax  
20 set forth in this chapter.

21 (b) Appeals from administrative orders or decisions made pursuant to any provisions of  
22 this chapter shall be to the sixth division district court pursuant to chapter 8 of title 8. The taxpayer's  
23 right to appeal under this section shall be expressly made conditional upon prepayment of all taxes,  
24 interest, and penalties unless the taxpayer moves for and is granted an exemption from the  
25 prepayment requirement pursuant to § 8-8-26. If the court, after appeal, holds that the taxpayer is  
26 entitled to a refund, the taxpayer shall also be paid interest on the amount at the rate provided in §  
27 44-1-7.1.

28 **44-72-13. Taxpayer records.**

29 Every taxpayer shall:

30 (1) Keep records as may be necessary to determine the amount of its liability under this  
31 chapter, including, but not limited to: rental agreements, payments for rent, bank statements for  
32 payment of residential expenses, utility bills, and any other records establishing residency or non-  
33 residency.

34 (2) Preserve those records for the period of three (3) years following the date of filing of

1 any return required by this chapter, or until any litigation or prosecution under this chapter is finally  
2 determined.

3 (3) Make those records available for inspection by the administrator or authorized agents,  
4 upon demand, at reasonable times during regular business hours.

5 **44-72-14. Rules and regulations.**

6 The tax administrator is authorized to make and promulgate rules, regulations, and  
7 procedures not inconsistent with state law and fiscal procedures as the administrator deems  
8 necessary for the proper administration of this chapter and to carry out the provisions, policies, and  
9 purposes of this chapter.

10 **44-72-15. Severability.**

11 If any provision of this chapter or the application of this chapter to any person or  
12 circumstances is held invalid, that invalidity shall not affect other provisions or applications of the  
13 chapter that can be given effect without the invalid provision or application, and to this end the  
14 provisions of this chapter are declared to be severable. It is declared to be the legislative intent that  
15 this chapter would have been adopted had those provisions not been included or that person,  
16 circumstance, or time period been expressly excluded from its coverage.

17 SECTION 19. Sections 1, 3, 4, 5, 12 and 16 through 18 shall take effect upon passage.  
18 Sections 6 and 8 through 10 shall take effect on October 1, 2025. Sections 2, 7, 11 and 13 through  
19 15 shall take effect on January 1, 2026.
