7 "Domestic Insurance Companies" are hereby amended to read as follows:

8 27-1-46. Information security program.

9 (a) Commensurate with the size and complexity of an insurer, the nature and scope of an
10 insurer’s activities, including its use of third-party service providers, and the sensitivity of the
11 nonpublic information used by the insurer or in the insurer’s possession, custody, or control, each
12 domestic insurance company shall develop, implement, and maintain a comprehensive written
13 information security program, based on the insurer’s risk assessment and that contains
14 administrative, technical, and physical safeguards for the protection of nonpublic information and
15 the insurer’s information system. For purposes of this chapter, “information security program”
16 means the administrative, technical, and physical safeguards that an insurer uses to access, collect,
17 distribute, process, protect, store, use, transmit, dispose of, or otherwise handle, nonpublic
18 information. “Publicly available information” means any information that a licensee has a

1 reasonable basis to believe is lawfully made available to the general public from: federal, state, or
2 local government records; widely distributed media; or disclosures to the general public that are
3 required to be made by federal, state, or local law. “Nonpublic information” means information
4 that is not publicly available information and is:

5 (1) Business-related information of a licensee, the tampering with which, or unauthorized
6 disclosure, access, or use of which, would cause a material adverse impact to the business,
7 operations, or security of the licensee;

8 (2) Any information concerning a consumer which, because of name, number, personal
9 mark, or other identifier, can be used to identify such consumer, in combination with any one or
10 more of the following data elements:

11 (i) Social security number;

12 (ii) Driver’s license number or non-driver identification card number;

13 (iii) Account number, credit, or debit card number;

14 (iv) Any security code, access code, or password that would permit access to a consumer’s
15 financial account; or

16 (v) Biometric records;

17 (3) Any information or data, except age or gender, in any form or medium created by or
18 derived from a healthcare provider or a consumer and that relates to:

19 (i) The past, present, or future physical, mental, behavioral health, or medical condition of
20 any consumer or a member of the consumer’s family;

21 (ii) The provision of health care to any consumer; or

22 (iii) Payment for the provision of health care to any consumer.

23 (b) **Objectives of information security program.** An insurer’s information security

28 information and the information system;

29 (3) Protect against unauthorized access to or use of nonpublic information, and minimize
30 the likelihood of harm to any consumer. For purposes of this section, “consumer” means an
31 individual, including, but not limited to, applicants, policyholders, insureds, beneficiaries,
32 claimants, and certificate holders, who is a resident of this state and whose nonpublic information
33 is in an insurer’s possession, custody, or control; and

34 (4) Define and periodically reevaluate a schedule for retention of nonpublic information

1 and a mechanism for its destruction when no longer needed.

3 (1) Designate one or more employees, an affiliate, or an outside vendor designated to act
4 on behalf of the insurer who is responsible for the information security program;

6 unauthorized access, transmission, disclosure, misuse, alteration, or destruction of nonpublic
7 information, including the security of information systems and nonpublic information that are
8 accessible to, or held by, third-party service providers. "Third-party service providers" means a
9 person, not otherwise defined as a licensee, that contracts with a licensee to maintain, process, store,
10 or otherwise is permitted access to nonpublic information through its provision of services to the
11 licensee. Third-party service providers does not include licensed insurance producers;

12 (3) Assess the likelihood and potential damage of these threats, taking into consideration
13 the sensitivity of the nonpublic information;

14 (4) Assess the sufficiency of policies, procedures, information systems, and other
15 safeguards in place to manage these threats, including consideration of threats in each relevant area
16 of the insurer's operations, including:

17 (i) Employee training and management;

18 (ii) Information systems, including network and software design, as well as information
19 classification, governance, processing, storage, transmission, and disposal; and

26 (1) Design its information security program to mitigate the identified risks, commensurate
27 with the size and complexity of the insurer's activities, including its use of third-party service
28 providers, and the sensitivity of the nonpublic information used by the insurer or in the insurer's
29 possession, custody, or control;

30 (2) Determine which security measures listed below are appropriate and implement such
31 security measures:

32 (i) Place access controls on information systems, including controls to authenticate and

1 insurer, and determined to be necessary and appropriate to have access to the nonpublic information
2 held by the insurer, and the insurer's information systems;

3 (ii) Identify and manage the data, personnel, devices, systems, and facilities that enable the

24 information due to environmental hazards, such as fire and water damage or other catastrophes or
25 technological failures; and

27 information in any format;

28 (1) As part of its information security program, each insurer shall establish a written

29 incident response plan designed to promptly respond to, and recover from, any cybersecurity event

30 that compromises the confidentiality, integrity, or availability of nonpublic information in its

31 possession, the insurer's information systems, or the continuing functionality of any aspect of the

32 insurer's business or operations.

33 (2) Such incident response plan shall address the following areas:

34 (i) The internal process for responding to a cybersecurity event;

9 cybersecurity event.

10 (3) If the insurer learns that a cybersecurity event has or may have occurred, the insurer, or

11 an outside vendor and/or service provider designated to act on behalf of the insurer, shall conduct

12 a prompt investigation. For purposes of this section, “cybersecurity event” means an event resulting

13 in unauthorized access to, disruption or misuse of an information system or nonpublic information

14 stored on such information system. This does not include the unauthorized acquisition of encrypted

15 nonpublic information if the encryption, process, or key is not also acquired, released, or used

16 without authorization. This also does not include an event with regard to which the insurer has

17 determined that the nonpublic information accessed by an unauthorized person has not been used

18 or released and has been returned or destroyed.

23 provide less than, those protections set forth in the National Association of Insurance
24 Commissioners' Long-Term Care Insurance Model Act and Long-Term Care Insurance Model
25 Regulation, respectively, adopted as of 2001. The commission shall consider whether any

29 (3) To receive and review in an expeditious manner products filed with the commission,
30 and rate filings for disability income and long-term care insurance products, and give approval of

4 have the authority to require an insurer to submit all or any part of its advertisement with respect
5 to that product for review or approval prior to use, if the commission determines that the nature of
6 the product is such that an advertisement of the product could have the capacity or tendency to
7 mislead the public. The actions of [the](#) commission as provided in this section shall have the force
8 and effect of law and shall be binding in the compacting states to the extent and in the manner
9 provided in the compact;

10 (5) To exercise its rule-making authority and designate products and advertisement that
11 may be subject to a self-certification process without the need for prior approval by the commission;

27 compensation and qualifications of personnel;

28 (13) To accept any and all appropriate donations and grants of money, equipment, supplies,
29 materials, and services, and to receive, utilize and dispose of the same; provided, that at all times
30 the commission shall strive to avoid any appearance of impropriety;

31 (14) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold,
32 improve or use, any property, real, personal or mixed; provided, that at all times the commission
33 shall strive to avoid any appearance of impropriety;

34 (15) To sell, convey, mortgage, pledge, lease, exchange, abandon or otherwise dispose of

1 any property, real, personal or mixed;
2 (16) To remit filing fees to compacting states as may be set forth in the bylaws, rules or
3 operating procedures;
4 (17) To enforce compliance by compacting states with rules, uniform standards, operating

23 (1) Membership, voting and bylaws.

24 (a) Each compacting state shall have ~~be~~ and be limited to one member. Each member
25 shall be qualified to serve in that capacity pursuant to applicable law of the compacting state. Any
26 member may be removed or suspended from office as provided by the law of the state from which
27 he or she shall be appointed. Any vacancy occurring in the commission shall be filled in accordance

30 qualification of its own commissioner.

31 (b) Each member shall be entitled to one vote and shall have an opportunity to participate
32 in the governance of the commission in accordance with the bylaws. Notwithstanding any provision
33 herein to the contrary, no action of the commission with respect to the promulgation of a uniform
34 standard shall be effective unless two-thirds ($\frac{2}{3}$) of the members vote in favor thereof.

1 (c) The commission shall, by a majority of the members, prescribe bylaws to govern its
2 conduct as may be necessary or appropriate to carry out the purposes, and exercise the powers, of

13 enumerated exceptions designed to protect the public's interest, the privacy of individuals, and
14 insurers' proprietary information, including trade secrets. The commission may meet in camera
15 only after a majority of the entire membership votes to close a meeting en toto or in part. As soon

20 of the officers of the commission;

21 (vi) Providing reasonable standards and procedures for the establishment of the personnel

23 of any compacting state, the bylaws shall exclusively govern the personnel policies and programs
24 of the commission;

25 (vii) Promulgating a code of ethics to address permissible and prohibited activities of
26 commission members and employees; and

27 (viii) Providing a mechanism for winding up the operations of the commission and the
28 equitable disposition of any surplus funds that may exist after the termination of the compact after
29 the payment and/or reserving of all of its debts and obligations.

6 market based on the premium volume described above, other than the six (6) compacting states
7 with the largest premium volume, selected on a rotating basis as provided in the bylaws, and;

8 (iii) Four (4) members from those compacting states with less than two percent (2%) of the
9 market, based on the premium volume described above, with one selected ~~form-[from]~~ from each
10 of the four (4) zone regions of the NAIC as provided in the bylaws.

11 (b) The management committee shall have such authority and duties as may be set forth in
12 the bylaws, including, but not limited to:

13 (i) Managing the affairs of the commission in a manner consistent with the bylaws and
14 purposes of the commission;

15 (ii) Establishing and overseeing an organizational structure within, and appropriate
16 procedures for, the commission to provide for the creation of uniform standards and other rules,
17 receipt and review of product filings, administrative and technical support functions, review of
18 decisions regarding the disapproval of a product filing, and the review of elections made by a
19 compacting state to opt out of a uniform standard; provided, that a uniform standard shall not be
20 submitted to the compacting states for adoption unless approved by two-thirds ($\frac{2}{3}$) of the members
21 of the management committee;

28 or retain an executive director for such period, upon such terms and conditions and for such
29 compensation as the commission may deem appropriate. The executive director shall serve as
30 secretary to the commission, but shall not be a member of the commission. The executive director
31 shall hire and supervise such other staff as may be authorized by the commission.

32 (3) Legislative and advisory committees.

33 (a) A legislative committee comprising state legislators or their designees shall be
34 established to monitor the operations of, and make recommendations to, the commission, including

1 the management committee; provided, that the manner of selection and term of any legislative
2 committee member shall be as set forth in the bylaws. Prior to the adoption by the commission of
3 any uniform standard, revision to the bylaws, annual budget or other significant matter as may be
4 provided in the bylaws, the management committee shall consult with and report to the legislative
5 committee.

6 (b) The commission shall establish two (2) advisory committees, one of which shall
7 comprise ~~consume~~~~{consumer}~~ consumer representatives independent of the insurance industry,
8 and the other comprising insurance industry representatives.

9 (c) The commission may establish additional advisory committees as its bylaws may
10 provide for the carrying out of its functions.

11 (4) Corporate records of the commission.

12 The commission shall maintain its corporate books and records in accordance with the
13 bylaws.

14 (5) Qualified immunity, defense and indemnification.

15 (a) The members, officers, executive director, employees and representatives of the
16 commission shall be immune from suit and liability, either personally or in their official capacity,
17 for any claim for damage to or loss of property or personal injury or other civil liability caused by
18 or arising out of any actual or alleged act, error or omission that occurred, or that the person against
19 whom the claim is made had a reasonable basis for believing occurred within the scope of
20 commission employment, duties or responsibilities; provided, that nothing in this paragraph shall
21 be construed to protect any such person from suit and/or liability for any damage, loss, injury or
22 liability caused by the intentional or willful and wanton misconduct of that person.

23 (b) The commission shall defend any member, officer, executive director, employee or
24 representative of the commission in any civil action seeking to impose liability arising out of any
25 actual or alleged act, error or omission that occurred within the scope of commission employment,
26 duties or responsibilities, or that the person against whom the claim is made had a reasonable basis
27 for believing occurred within the scope of commission employment, duties or responsibilities;
28 provided, that nothing herein shall be construed to prohibit that person from retaining his or her
29 own counsel; and provided, further, that the actual or alleged act, error or omission did not result
30 ~~form~~~~{from}~~ from that person's intentional or willful and wanton misconduct.

31 (c) The commission shall indemnify and hold harmless any member, officer, executive
32 director, employee or representative of the commission for the amount of any settlement or
33 judgment obtained against that person arising out of any actual or alleged act, error or omission
34 that occurred within the scope of commission employment, duties or responsibilities, or that such

1 person had a reasonable basis for believing occurred within the scope of commission employment,
2 duties or responsibilities, provided, that the actual or alleged act, error or omission did not result
3 from the intentional or willful and wanton misconduct of that person.

4 ARTICLE VI.

5 MEETINGS AND ACTS OF THE COMMISSION

6 (1) The commission shall meet and take such actions as are consistent with the provisions
7 of this compact and the bylaws.

8 (2) Each member of the commission shall have the right and power to cast a vote to which
9 that compacting state is ~~entitle [entitled]~~ entitled and to participate in the business and affairs of
10 the commission. A member shall vote in person or by such other means as provided in the bylaws.
11 The bylaws may provide for members' participation in meetings by telephone or other means of
12 communication.

13 (3) The commission shall meet at least once during each calendar year. Additional meetings
14 shall be held as set forth in the bylaws.

15 ARTICLED VII.

16 RULES AND OPERATING PROCEDURES: RULEMAKING FUNCTIONS OF THE 17 COMMISSION AND OPTING OUT OF UNIFORM STANDARDS

18 (1) Rulemaking authority. The commission shall promulgate reasonable rules, including
19 uniform standards, and operating procedures in order to effectively and efficiently achieve the
20 purposes of this compact. Notwithstanding the foregoing, in the event the commission exercises its
21 rulemaking authority in a manner that is beyond the scope of the purposes of this act, or the powers
22 granted hereunder, then such an action by the commission shall be invalid and have no force and
23 effect.

24 (2) Rulemaking procedure. Rules and operating procedures shall be made pursuant to a
25 rulemaking process that conforms to the Model State Administrative Procedure Act of 1981 as
26 amended, as may be appropriate to the operations of the commission. Before the commission adopts
27 a uniform standard, the commission shall give written notice to the relevant state legislative
28 committee(s) in each compacting state responsible for insurance issues of its intention to adopt the
29 uniform standard. The commission in adopting a uniform standard shall consider fully all submitted
30 materials and issue a concise explanation of its decision.

31 (3) Effective date and opt out of a uniform standard. A uniform standard shall become
32 effective ninety (90) days after its promulgation by the commission or such later date as the
33 commission may determine; provided, however, that a compacting state may opt out of a uniform
34 standard as provided in this Article. "Opt out" shall be defined as any action by a compacting state

1 to decline to adopt or participate in a promulgated uniform standard. All other rules and operating
2 procedures, and amendments thereto, shall become effective as of the date specified in each rule,
3 operating procedure or amendment.

4 (4) Opt out procedure. A compacting state may opt out of a uniform standard, either by
5 legislation or regulation duly promulgated by the insurance department under the Compacting
6 State's Administrative Procedure Act. If a compacting state elects to opt out of a uniform standard
7 by regulation, it must: (a) give written notice to the commission no later than ten (10) business days
8 after the uniform standard is promulgated, or at the time the state becomes a compacting state; and
9 (b) find that the uniform standard does not provide reasonable protections to the citizens of the
10 state, given the conditions in the state. The commissioner shall make specific findings of fact and
11 conclusions of law, based on a preponderance of the evidence, detailing the conditions in the state
12 which warrant a departure from the uniform standard and determining that the uniform standard
13 would not reasonably protect the citizens of the state. The commissioner must consider and balance
14 the following factors and find that the conditions in the state and needs of the citizens of the state
15 outweigh: (i) the intent of the legislature to participate in, and the benefits of, an interstate
16 agreement to establish national uniform consumer protections for the products subject to this act;
17 and (ii) the presumption that a uniform standard adopted by the commission provides reasonable
18 protections to consumers of the relevant product.

19 Notwithstanding the foregoing, a compacting state, may, at the time of its enactment of this
20 compact, prospectively opt out of all uniform standards involving long-term care insurance
21 products by expressly providing for such opt out in the enacted compact, and such an opt out shall
22 not be treated as a material variance in the offer or acceptance of any state to participate in this
23 compact. Such an opt out shall be effective at the time of enactment of this compact by the
24 compacting state and shall apply to all existing uniform standards involving long-term care
25 insurance products and those subsequently promulgated.

26 (5) Effect of opt out. If a compacting state elects to opt out of a uniform standard, the
27 uniform standard shall remain applicable in the compacting state electing to opt out until such time
28 the opt out legislation is enacted into law or the regulation opting out becomes effective.

29 Once the opt out of a uniform standard by a compacting state becomes effective as provided
30 under the laws of that state, the uniform standard shall have no further force and effect in that state
31 unless and until the legislation or regulation implementing the opt out is repealed or otherwise
32 becomes ineffective under the laws of the state. If a compacting state opts out of a uniform standard
33 after the uniform standard has been made effective in that state, the opt out shall have the same
34 prospective effect as provided under Article XIV for withdrawals.

1 (6) Stay of uniform standard. If a compacting state has formally initiated the process of
2 opting out of a uniform standard by regulation, and while the regulatory opt out is pending, the
3 compacting state may petition the commission, at least fifteen (15) days before the effective date
4 of the uniform standard, to stay the effectiveness of the uniform standard in that state. The
5 commission may grant a stay if it determines the regulatory opt out is being pursued in a reasonable
6 manner and there is a likelihood of success. If a stay is granted or extended by the commission, the
7 stay or extension thereof may postpone the effective date by up to ninety (90) days, unless
8 affirmatively extended by the commission; provided, a stay may not be permitted to remain in
9 effect for more than one (1) year unless the compacting state can show extraordinary circumstances
10 which warrant a continuance of the stay, including, but not limited to, the existence of a legal
11 challenge which prevents the compacting state from opting out. A stay may be terminated by the
12 commission upon notice that the rulemaking process has been terminated.

13 (7) Not later than thirty (30) days after a rule or operating procedure is promulgated any
14 person may file a petition for judicial review of the rule or operating procedure; provided, that the
15 filing of such a petition shall not stay or otherwise prevent the rule or operating procedure from
16 becoming effective unless the court finds that the petitioner has a substantial likelihood of success.
17 The court shall give deference to the actions of the commission consistent with applicable law and
18 shall not find the rule or operating procedure to be unlawful if the rule or operating procedure
19 represents a reasonable exercise of the commission's authority.

20 ARTICLE VIII.

21 COMMISSION RECORDS AND ENFORCEMENT

22 (1) The commission shall promulgate rules establishing conditions and procedures for
23 public inspection and copying of its information and official records, except such information and
24 records involving the privacy of individuals and insurers' trade secrets. The commission may
25 promulgate additional rules under which it may make available to federal and state agencies
26 including law enforcement agencies, records and information otherwise exempt from disclosure
27 and may enter into agreements with such agencies to receive or exchange information or records
28 subject to nondisclosure and confidentiality provisions.

29 (2) Except as to privileged records, data and information, the laws of any compacting state
30 pertaining to confidentiality or nondisclosure shall not relieve any compacting state commissioner
31 of the duty to disclose any relevant records, data or information to the commission; provided, that
32 disclosure to the commission shall not be deemed to waive or otherwise affect any confidentiality
33 requirement; and further provided, that, except as otherwise expressly provided in this act, the
34 commission shall not be subject to the compacting state's laws pertaining to confidentiality and

1 nondisclosure with respect to records, data and information in its possession. Confidential
2 information of the commission shall remain confidential after such information is provided to any
3 commissioner.

4 (3) The commission shall monitor compacting states for compliance with duly adopted
5 bylaws, rules, including uniform standards, and operating procedures. The commission shall notify
6 any noncomplying compacting state in writing of its noncompliance with commission bylaws, rules
7 or operating procedures. If a noncomplying compacting state fails to remedy its noncompliance
8 within the time specified in the notice of noncompliance, the compacting state shall be deemed to
9 be in default as set forth in Article XIV.

10 (4) The commissioner of any state in which an insurer is authorized to do business, or is
11 conducting the business of insurance, shall continue to exercise his or her authority to oversee the
12 market regulation of the activities of the insurer in accordance with the provisions of the state's
13 law. The commissioner's enforcement of compliance with the compact is governed by the ~~state~~
14 following provisions:

15 (a) With respect to the commissioner's market regulation of a product or advertisement
16 that is approved or certified to the commission, the content of the product or advertisement shall
17 not constitute a violation of the provisions, standards or requirements of the compact except upon
18 a final order of the commission, issued at the request of a commissioner after prior notice to the
19 insurer and an opportunity for hearing before the commission.

20 (b) Before a commissioner may bring an action for violation of any provision, standard or
21 requirement of the compact relating to the content of an advertisement not approved or certified to
22 the commission, the commission, or an authorized commission officer or employee, must authorize
23 the ~~section~~ action. However, authorization pursuant to this paragraph does not require notice to the
24 insurer, opportunity for hearing or disclosure of requests for authorization or records of the
25 commission's action on such requests.

26 ARTICLE IX.

27 DISPUTE RESOLUTION

28 The commission shall attempt, upon the request of a member, to resolve any disputes or
29 other issues that are subject to this compact and which may arise between two (2) or more
30 compacting states, or between compacting states and noncompacting states, and the commission
31 shall promulgate an operating procedure providing for resolution of such disputes.

32 ARTICLE X.

33 PRODUCT FILING AND APPROVAL

34 (1) Insurers and third-party filers seeking to have a product approved by the commission

1 shall file the product with, and pay applicable filing fees to, the commission. Nothing in this act
2 shall be construed to restrict or otherwise prevent an insurer from filing its product with the
3 insurance department in any state wherein the insurer is licensed to conduct the business of
4 insurance, and such filing shall be subject to the laws of the states where filed.

5 (2) The commission shall establish appropriate filing and review processes and procedures
6 pursuant to commission rules and operating procedures. Notwithstanding any provision herein to
7 the contrary, the commission shall promulgate rules to establish conditions and procedures under
8 which the commission will provide public access to product filing information. In establishing such
9 rules, the commission shall consider the interests of the public in having access to such information,
10 as well as protection of personal medical and financial information and trade secrets, that may be
11 contained in a product filing or supporting information.

12 (3) Any product approved by the commission may be sold or otherwise issued in those
13 compacting states for which the insurer is legally authorized to do business.

14 ARTICLE XI.

15 REVIEW OF COMMISSION DECISIONS REGARDING FILINGS

16 (1) Not later than thirty (30) days after the commission has given notice of a disapproved
17 product or advertisement filed with the commission, the insurer or third party filer whose filing was
18 disapproved may appeal the determination to a review panel appointed by the commission. The
19 commission shall promulgate rules to establish procedures for appointing such review panels and
20 provide for notice and hearing. An allegation that the commission, in disapproving a product or
21 advertisement filed with the commission, acted arbitrarily, capriciously, or in a manner that is an
22 abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in
23 accordance with Article III, Section 5.

24 (2) The commission shall have authority to monitor, review and reconsider products and
25 advertisement subsequent to their filing or approval upon a finding that the product does not meet
26 the relevant uniform standard. Where appropriate, the commission may withdraw or modify its
27 approval after proper notice and hearing, subject to the appeal process in section 1 above.

28 ARTICLE XII.

29 FINANCE

30 (1) The commission shall pay or provide for the payment of the reasonable expenses of its
31 establishment and organization. To fund the cost of its initial operations, the commission may
32 accept contributions and other forms of funding from the National Association of Insurance
33 Commissioners, compacting states and other sources. Contributions and other forms of funding
34 from other sources shall be of such a nature that the independence of the commission concerning

1 the performance of its duties shall not be compromised.

2 (2) The commission shall collect a filing fee from each insurer and third party filer filing a
3 product with the commission to cover the cost of the operations and activities of the commission
4 and its staff in a total amount sufficient to cover the commission's annual budget.

5 (3) The commission's budget for a fiscal year shall not be approved until it has been subject
6 to notice and comment as set forth in Article VII of this compact.

7 (4) The commission shall be exempt from all taxation in and by the compacting states.

8 (5) The commission shall not pledge the credit of any compacting state, except by and with
9 the appropriate legal authority of that compacting state.

10 (6) The commission shall keep complete and accurate accounts of all its internal receipts,
11 including grants and donations, and disbursements of all funds under its control. The internal
12 financial accounts of the commission shall be subject to the accounting procedures established
13 under its bylaws. The financial accounts and reports including the system of internal controls and
14 procedures of the commission shall be audited annually by an independent certified public
15 accountant. Upon the determination of the commission, but no less frequently than every three (3)
16 years, the review of the independent auditor shall include a management and performance audit of
17 the commission. The commission shall make an annual report to the governor and legislature of the
18 compacting states, which shall include a report of the independent audit. The commission's internal
19 accounts shall not be confidential and such materials may be shared with the commissioner of any
20 compacting state upon request; provided, however, that any work papers related to any internal or
21 independent audit and any information regarding the privacy of individuals and insurers'
22 proprietary information, including trade secrets, shall remain confidential.

23 (7) No compacting state shall have any claim to or ownership of any property held by or
24 vested in the commission or to any commission funds held pursuant to the provisions of this
25 compact.

26 ARTICLE XIII.

27 COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT

28 (1) Any state is eligible to become a compacting state.

29 (2) The compact shall become effective and binding upon legislative enactment of the
30 compact into law by two compacting states; provided, the commission shall become effective for
31 purposes of adopting uniform standards for, reviewing, and giving approval or disapproval of,
32 products filed with the commission that satisfy applicable uniform standards only after twenty-six
33 (26) states are compacting states, or, alternatively, by states representing greater than forty percent
34 (40%) of the premium volume for life insurance, annuity, disability income and long-term care

1 insurance products, based on records of the NAIC for the prior year. Thereafter, it shall become
2 effective and binding as to any other compacting state upon enactment of the compact into law by
3 that state.

4 (3) Amendments to the compact may be proposed by the commission for enactment by the
5 compacting states. No amendment shall become effective and binding upon the commission and
6 the compacting states unless and until all compacting states enact the amendment into law.

7 ARTICLE XIV.

8 WITHDRAWAL, DEFAULT AND TERMINATION

9 (1) Withdrawal;

10 (a) Once effective, the compact shall continue in force and remain binding upon each and
11 every compacting state; provided, that a compacting state may withdraw from the compact
12 (“Withdrawing State”) by enacting a statute specifically repealing the statute which enacted the
13 compact into law.

14 (b) The effective date of withdrawal is the effective date of the repealing statute. However,
15 the withdrawal shall not apply to any product filings approved or self-certified, or any
16 advertisement of such products, on the date the repealing statute becomes effective, except by
17 mutual agreement of the commission and the withdrawing state unless the approval is rescinded by
18 the withdrawing state as provided in subsection (e) of ~~the~~ this section.

19 (c) The commissioner of the withdrawing state shall immediately notify the management
20 committee in writing upon the introduction of legislation repealing this compact in the withdrawing
21 state.

22 (d) The commission shall notify the other compacting states of the introduction of such
23 legislation within ten (10) days after its receipt of notice thereof.

24 (e) The withdrawing state is responsible for all obligations, duties and liabilities incurred
25 through the effective date of withdrawal, including any obligations, the performance of which
26 extend beyond the effective date of withdrawal, except to the extent those obligations may have
27 been released or relinquished by mutual agreement of the commission and the withdrawing state.

23 (5) The commissioner may enter into agreements governing sharing and use of information
24 consistent with § 27-4.5-16(b).

25 (6) No waiver of any applicable privilege or claim of confidentiality in the confidential

27 of sharing as authorized in § 27-4.5-16(b)(3).

28 (7) A privilege established under the law of any state or jurisdiction that is substantially
29 similar to the privilege established under § 27-4.5-16(b) shall be available and enforced in any

12 SECTION 9. Sections 27-6-8.1 and 27-6-53 of the General Laws in Chapter 27-6 entitled
13 "Fire and Marine Insurance Rating" are hereby amended to read as follows:

14 **27-6-8.1. Rating for nonbusiness policies.**

15 (a) Notwithstanding the requirements of § 27-6-8, a filing made by an insurer under this
16 section that provides for an overall statewide rate increase or decrease of no more than five percent
17 (5%) in the aggregate for all coverages that are subject to the filing may take effect the date it is
18 filed. The five percent (5%) limitation does not apply on an individual insured basis. No more than
19 one rate filing may be made by an insurer pursuant to the expedited process provided in this
20 subsection during any twelve (12) month period, unless a rate filing, when combined with any other
21 rate filing or filings made by an insurer within the preceding twelve (12) months, does not result in
22 an overall statewide increase or decrease of more than five percent (5%) in the aggregate for all
23 coverages that are subject to the filing.

24 (b) Rate filings falling outside of the limitation provided for in subsection (a) of this section
25 shall be subject to § 27-6-11, unless those filings are ~~other~~ otherwise exempt from those provisions
26 pursuant to another section of the insurance code.

27 (c) A filing submitted pursuant to subsection (a) of this section is considered to comply
28 with state law. However, if the commissioner of insurance determines that the filing is inadequate
29 or unfairly discriminatory, he/she shall issue a written order specifying in detail the provisions of
30 the insurance code the insurer has violated and the reasons the filing is inadequate or unfairly
31 discriminatory and stating a reasonable future date on which the filing is to be considered no longer
32 effective. An order by the commissioner pursuant to this subsection that is issued more than thirty
33 (30) days from the date on which the commissioner received the rate filing is prospective only and
34 does not affect any contract issued or made before the effective date of the order. For purposes of

1 this act, “unfairly discriminatory” means a rate for a risk that is classified in whole or in part on the
2 basis of race, color, creed or national origin.

3 (d) No rate increase within the limitation specified in subsection (a) of this section may be
4 implemented with regard to an individual existing policy, unless the increase is applied at the time
5 of a renewal or conditional renewal of an existing policy and the insurer, at least thirty (30) days in
6 advance of the end of the insured’s policy period, mails or delivers to the named insured, at the
7 address shown in the policy, a written notice that clearly and conspicuously discloses its intention
8 to change the rate. A notice of renewal or conditional renewal that clearly and conspicuously
9 discloses the renewal premium applicable to the policy shall be deemed to be in compliance with
10 this subsection.

11 **27-6-53. Use of credit rating.**

12 (a) An insurer may use insurance scoring for rating and underwriting of homeowners’
13 insurance only under the following conditions:

14 (1) The insurer demonstrates the predictive nature of their insurance score to the insurance
15 division.

16 (2) An insurer shall, once every two (2) years if requested by an existing customer, obtain
17 an updated insurance score for the customer. If, after obtaining the insurance score, the customer
18 has improved his, her or its credit rating, the user of the information shall afford the customer any
19 decrease in rates that are available due to the improved rating. The user may not increase the rate
20 of an existing customer based solely on a worsening in the customer’s insurance score unless: (i)
21 the worsening is due to a bankruptcy, tax lien, garnishment, foreclosure or judgment; or (ii) if a
22 subsequent insurance score no sooner than six (6) months later confirms the worsening in score.
23 Should an existing customer’s score change as the result of an updated credit report, the decrease
24 or increase in rates must be done at renewal subject to conditions established herein.

25 (3) An insurer shall not decline insurance for a new customer based solely on an insurance
26 score, or absence of an insurance score; and an insurer shall not cancel, nonrenew or increase the
27 rate of an existing customer based solely on a worsening in a customer’s insurance score unless: (i)
28 the worsening is due to a bankruptcy, tax lien, garnishment, foreclosure or judgment; or (ii) if a
29 subsequent insurance score no sooner than six (6) months later confirms the worsening in score.
30 Should an existing customer’s score change as the result of an updated credit report, the decrease
31 or increase in rates must be done at renewal subject to conditions established herein.

32 (4) No insurer is obligated to obtain a current credit report or insurance score for an insured
33 if: the insured is in the most favorably-priced tier of the insurer, within a group of affiliated ~~insures~~
34 insurers; or credit was not used for the insured when the policy was initially written. However, the

insurer shall have the discretion to use credit for the insured upon renewal, if consistent with its underwriting guidelines. The user may not increase the rate of an existing customer based solely on a worsening in the customer's insurance score unless: (i) the worsening is due to a bankruptcy, tax lien, garnishment, foreclosure or judgment; or (ii) if a subsequent insurance score no sooner than six (6) months later confirms the worsening in score. Should an existing customer's score change as the result of an updated credit report, the decrease or increase in rates must be done at renewal subject to conditions established herein.

(5) If a credit bureau determines that disputed information is inaccurate or incorrect and that information was used in determining an insurance score which resulted in a denial, cancellation or nonrenewal of or higher premiums or less favorable policy terms for a consumer, the insurer shall, within thirty (30) days of receiving notice of correction, reissue or re-rate the policy by refunding the amount of the overpayment of premium based on the corrected insurance score retroactive to the shorter of the last twelve (12) months of coverage or the actual period of coverage. An "insurance score" as used in this section shall be defined as a number or rating that is derived from an algorithm, computer application, model or other process that is based in whole or in part on credit history.

(b) Agents shall be held harmless by insurers for all acts, efforts and disclosures in obtaining an insurance score on the insurer's behalf. The commissioner is authorized and empowered to establish rules and regulations to carry out the provisions of this section and to fulfill the goals of this section.

(c) Notwithstanding the above, an insurer authorized to do business in Rhode Island that uses credit information to underwrite or rate risks, shall not use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy of personal insurance:

(1) Credit inquiries not initiated by the consumer or inquiries requested by the consumer for his or her own credit information;

(2) Inquiries relating to insurance coverage, if so identified on a consumer's credit report;

(3) Collection accounts with a medical industry code, if so identified on the consumer's credit report;

(4) Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the home mortgage industry and made within thirty (30) days of one another, unless only one inquiry is considered;

(5) Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the automobile lending industry and made within thirty (30) days of one

1 another, unless only one inquiry is considered.

2 (d) No consumer reporting agency shall provide or sell data or lists that include any
3 information that in whole or in part was submitted in conjunction with an insurance inquiry about
4 a consumer's credit information or a request for a credit report or insurance score. Such information
5 includes, but is not limited to, the expiration dates of an insurance policy or any other information
6 that may identify time periods during which a consumer's insurance may expire and the terms and
7 conditions of the consumer's insurance coverage.

8 (e) The restrictions provided in subsection (d) of this section do not apply to data or lists
9 the consumer reporting agency supplies to the insurance [agent/producer] from whom information
10 was received, the insurer on whose behalf such [agent/producer] acted, or such insurer's affiliates
11 or holding companies.

12 (f) Nothing in this section shall be construed to restrict any insurer from being able to obtain
13 a claims history report or a motor vehicle report.

2 a creditor, for or on account of an antecedent debt, made or suffered by the insurer within one year
3 before the filing of a successful petition for liquidation under this chapter, the effect of which
4 transfer may be to enable the creditor to obtain a greater percentage of this debt than another
5 creditor of the same class would receive. If a liquidation order is entered while the insurer is already
6 subject to a rehabilitation order, then the transfers shall be deemed preferences if made or suffered
7 within one year before the filing of the successful petition for rehabilitation, or within two (2) years
8 before the filing of the successful petition for liquidation, whichever time is shorter.

9 (2) Any preference may be avoided by the liquidator if:

10 (i) The insurer was insolvent at the time of the transfer;

11 (ii) The transfer was made within four (4) months before the filing of the petition;

12 (iii) The creditor receiving it or to be benefited by it or his or her agent acting with reference
13 to it had, at the time when the transfer was made, reasonable cause to believe that the insurer was
14 insolvent or was about to become insolvent; or

16 who was in fact in a position of comparable influence in the insurer to an officer whether or not he
17 or she held the ~~petition~~ position, or any shareholder holding directly or indirectly more than five
18 percent (5%) of any class of any equity security issued by the insurer, or any other person, firm,
19 corporation, association, or aggregation of persons with whom the insurer did not deal at arm's
20 length.

21 (3) Where the preference is voidable, the liquidator may recover the property or, if it has
22 been converted, its value from any person who has received or converted the property; provided,
23 that where a bona fide purchaser or lienor has given less than fair equivalent value, he or she shall
24 have a lien upon the property to the extent of the consideration actually given by him or her. Where
25 a preference by way of lien or security title is voidable, the court may on due notice order the lien
26 or title preserved for the benefit of the estate, in the event the lien or title shall pass to the liquidator.

27 (4) Notwithstanding subsection (a)(2) of this section, or any other provision of this chapter,
28 no receiver or any other person shall avoid any preference arising under or in connection with any
29 pledge, security, credit, collateral, loan, advances, reimbursement or guarantee agreement or
30 arrangement or any similar agreement, arrangement, or other credit enhancement to which a federal
31 home loan bank, as defined in § 27-14.3-5, is a party.

32 (b)(1) A transfer of property other than real property shall be deemed made or suffered
33 when it becomes so far perfected that no subsequent lien obtainable by legal or equitable
34 proceedings on a simple contract could become superior to the rights of the transferee.

1 (2) A transfer of real property shall be deemed made or suffered when it becomes so far
2 perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to
3 the rights of the transferee.

4 (3) A transfer which creates an equitable lien shall not be deemed perfected if there are
5 available means by which a legal lien could be created.

6 (4) A transfer not perfected prior to the filing of a petition for liquidation shall be deemed
7 made immediately before the filing of the successful petition.

8 (5) The provisions of this subsection apply whether or not there are or were creditors who
9 might have obtained liens or persons who might have become bona fide purchasers.

10 (c)(1) A lien obtainable by legal or equitable proceedings upon a simple contract is one
11 arising in the ordinary course of the proceedings upon the entry or docketing of a judgment or
12 decree, or upon attachment, garnishment, execution, or a similar process, whether before, upon, or
13 after judgment or decree and whether before or upon levy. It does not include liens that under
14 applicable law are given a special priority over other liens which are prior in time.

15 (2) A lien obtainable by legal or equitable proceedings could become superior to the rights
16 of a transferee or a purchaser could obtain rights superior to the rights of a transferee, within the
17 meaning of subsection (b) of this section, if the consequences would follow only from the lien or
18 purchase itself, or from the lien or purchase followed by any step wholly within the control of the
19 lienholder or purchaser, with or without the aid of ministerial action by public officials. That lien
20 could not become superior and that purchase could not create superior rights for the purpose of
21 subsection (b) of this section through any acts subsequent to the obtaining of the lien or subsequent
22 to the purchase which require the agreement or concurrence of any third party or which require any
23 further judicial action or ruling.

24 (d) A transfer of property for or on account of a new and contemporaneous consideration
25 which is deemed under subsection (b) of this section made or suffered after the transfer because of
26 delay in perfecting it does not by this become a transfer for or on account of an antecedent debt if
27 any acts required by the applicable law to be performed in order to perfect the transfer as against
28 liens or bona fide purchasers' rights are performed within twenty-one (21) days or any period
29 expressly allowed by the law, whichever is less. A transfer to secure a future loan, if the loan is
30 actually made, or a transfer, which becomes security for a future loan, shall have the same effect
31 as a transfer for or on account of a new and contemporaneous consideration.

32 (e) If any lien deemed voidable under subdivision (a)(2) of this section has been dissolved
33 by the furnishing of a bond or other obligation, the surety on which has been indemnified directly
34 or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the

1 filing of a petition under this chapter which results in a liquidation order, the indemnifying transfer
2 or lien shall also be deemed voidable.

3 (f) The property affected by any lien deemed voidable under subsections (a) and (e) of this
4 section shall be discharged from the lien, and that property and any of the indemnifying property
5 transferred to or for the benefit of a surety shall pass to the liquidator, except that the court may on
6 due notice order any lien preserved for the benefit of the estate and the court may direct that
7 conveyance executed as may be proper or adequate to evidence the title of the liquidator.

8 (g) The superior court for the county of Providence shall have summary jurisdiction of any
9 proceeding by the liquidator to hear and determine the rights of any parties under this section.
10 Reasonable notice of any hearing in the proceeding shall be given to all parties in interest, including
11 the obligee of a releasing bond or other similar obligation. Where an order is entered for the
12 recovery of indemnifying property in kind or for the avoidance of an indemnifying lien the court,
13 upon application of any party in interest, shall in the same proceeding ascertain the value of the
14 property or lien, and if the value is less than the amount for which the property is indemnity or than
15 the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon
16 payment of its value, as ascertained by the court, to the liquidator, within any reasonable times as
17 the court shall fix.

18 (h) The liability of the surety under a releasing bond or other similar obligation shall be
19 discharged to the extent of the value of the indemnifying property recovered or the indemnifying
20 lien nullified and avoided by the liquidator, or where the property is retained under subsection (g)
21 of this section to the extent of the amount paid to the liquidator.

22 (i) If a creditor has been preferred, and afterward in good faith gives the insurer further
23 credit without security of any kind for property which becomes a part of the insurer's estate, the
24 amount of the new credit remaining unpaid at the time of the petition may be set off against the
25 preference which would be recoverable from him or her.

26 (j) If an insurer, directly or indirectly, within one year before the filing of a successful
27 petition for liquidation under this chapter, or at any time in contemplation of a proceeding to
28 liquidate it, pays money or transfers property to an attorney at law for services rendered or to be
29 rendered, the transactions may be examined by the court on its own motion or shall be examined
30 by the court on petition of the liquidator and shall be held valid only to the extent of a reasonable
31 amount to be determined by the court, and the excess may be recovered by the liquidator for the
32 benefits of the estate; provided, that where the attorney is in a position of influence in the insurer
33 or an affiliate of the insurer, payment of any money or the transfer of any property to the attorney
34 at law for services rendered or to be rendered shall be governed by the provision of subdivision

1 (a)(2)(iv) of this section.

2 (k)(1) Every officer, manager, employee, shareholder, member, subscriber, attorney, or any
3 other person acting on behalf of the insurer who knowingly participates in giving any preference
4 when he or she has reasonable cause to believe the insurer is or is about to become insolvent at the
5 time of the preference shall be personally liable to the liquidator for the amount of the preference.
6 It is permissible to infer that there is a reasonable cause to believe this if the transfer was made
7 within four (4) months before the date of filing of this successful petition for liquidation.

8 (2) Every person receiving any property from the insurer or the benefit of the property as
9 a preference voidable under subsection (a) of this section shall be personally liable for it and shall
10 be bound to account to the liquidator.

11 (3) Nothing in this subsection shall prejudice any other claim by the liquidator against any
12 person.

SECTION 8. Section 28-45-9 of the General Laws in Chapter 28-45 entitled "Apprenticeship Programs in Trade and Industry" is hereby amended to read as follows:

28-45-9. Standards of apprenticeship programs.

An apprenticeship program, to be eligible for approval and registration with the department of labor and training, shall conform to regulations issued by the department of labor and training and 29 C.F.R. Part 29 and 29 C.F.R. Part 30 and shall conform to the following standards:

(1) The program is an organized, written plan embodying the terms and conditions of employment, training, and supervision of one or more apprentices in the apprenticeable occupation, as defined in this chapter and subscribed to by a sponsor who has undertaken to carry out the apprentice training program.

(2) The program standards contain the equal opportunity pledge prescribed in 29 C.F.R § 30.3(c) and, when applicable, an affirmative action plan in accordance with 29 C.F.R. § 30.4, a selection method authorized in 29 C.F.R § 30.10, or similar requirements expressed in a state plan for equal employment opportunity in apprenticeship adopted pursuant to 29 C.F.R. Part 30 and approved by the United States Department of Labor, and provisions concerning the following:

(i) The employment and training of the apprentice in a skilled occupation;

(ii) A term of apprenticeship not less than two thousand (2,000) hours of work experience, consistent with training requirements as established by industry practice, which for an individual apprentice may be measured either through the completion of the industry standard for on-the-job learning (at least two thousand (2,000) hours) (time-based approach), the attainment of competency (competency-based approach), or a blend of the time-based and competency-based approaches (hybrid approach):

(A) The time-based approach measures skill acquisition through the individual apprentice's completion of at least two thousand (2,000) hours of on-the-job learning as described in a work process schedule;

(B) The competency-based approach measures skill acquisition through the individual apprentice's successful demonstration of acquired skills and knowledge, as verified by the program sponsor. Programs utilizing this approach must still require apprentices to complete an on-the-job learning component of registered apprenticeship. The program standards must address how on-the-job learning will be integrated into the program, describe competencies, and identify an appropriate means of testing and evaluation for such competencies;

(C) The hybrid approach measures the individual apprentice's skill acquisition through a

1 combination of specified minimum number of hours of on-the-job learning and the successful
2 demonstration of competency as described in a work process schedule; and

3 (D) The determination of the appropriate approach for the program standards is made by
4 the program sponsor, subject to approval by the registration agency of the determination as
5 appropriate to the apprenticeable occupation for which the program standards are registered;

6 (iii) An outline of the work processes in which the apprentice will receive supervised work
7 experience and training on the job, and the allocation of the approximate time to be spent in each
8 major process;

9 (iv) Provision for organized, related, and supplemental instruction in technical subjects
10 related to the trade. A minimum of one hundred forty-four (144) hours for each year of
11 apprenticeship is recommended. This instruction in technical subjects may be accomplished
12 through media, such as classroom, occupational or industry courses, electronic media, or other
13 instruction approved by the department of labor and training; every apprenticeship instructor must:

14 (A) Meet the Rhode Island department of elementary and secondary education
15 requirements for a vocational-technical instructor, or be a subject matter expert, which is an
16 individual, such as a journey worker, who is recognized within an industry as having expertise in a
17 specific occupation; and

18 (B) Have training in teaching techniques and adult learning styles, which may occur before
19 or after the apprenticeship instructor has started to provide the related technical instruction;

20 (v) A statement of the progressively increasing scale of wages to be paid the apprentice
21 consistent with the skill acquired, the entry wage to be not less than the minimum wage prescribed
22 by the federal and state labor standards act, where applicable, unless a higher wage is required by
23 other applicable federal law, state law, respective regulations, or by collective bargaining
24 agreement;

25 (vi) A provision for periodic review and evaluation of the apprentice's progress in job
26 performance and related instruction, and the maintenance of appropriate progress records;

27 (vii) The numeric ratio of apprentices to journeypersons consistent with proper supervision,
28 training, safety, and continuity of employment, and applicable provisions in collective bargaining
29 agreements, except where the ratios are expressly prohibited by the collective bargaining
30 agreement. The ratio language shall be specific and clear as to application in terms of jobsite, work
31 force, department, or plant;

32 (viii) A probationary period reasonable in relation to the full apprenticeship term, with full
33 credit given for the period toward completion of apprenticeship; the probationary period shall not
34 exceed twenty-five percent (25%) of the length of the program or one year, whichever is shorter;

- 1 (ix) Adequate and safe equipment and facilities for training and supervision, and safety
2 training for apprentices on the job and in related instruction;
- 3 (x) The minimum qualifications required by a sponsor for persons entering the
4 apprenticeship program, with an eligible starting age not less than sixteen (16) years;
- 5 (xi) The placement of an apprentice under a written apprenticeship agreement that
6 conforms to the requirements of this chapter. The agreement shall directly, or by reference,
7 incorporate the standards of the program as part of the agreement;
- 8 (xii) The granting of advanced standing or credit for demonstrated competency, previously
9 acquired experience, training, or skills for all applicants equally, with commensurate wages for any
10 progression step so granted;
- 11 (xiii) The transfer of an apprentice between apprenticeship programs and within an
12 apprenticeship program must be based on agreement between the apprentice and the affected
13 apprenticeship committees or program sponsors, and must comply with the following requirements:
- 14 (A) The transferring apprentice must be provided a transcript of related instruction and on-
15 the-job learning by the committee or program sponsor;
- 16 (B) Transfer must be to the same occupation; and

21 certificate issued by the department of labor and training;
- 22 (xvi) Program standards that utilize the competency-based or hybrid approach for
23 progression through an apprenticeship and that choose to issue interim credentials must clearly
24 identify the interim credentials; demonstrate how these credentials link to the components of the
25 apprenticeable occupation; and establish the process for assessing an individual apprentice's
26 demonstration of competency associated with the particular interim credential; further, interim
27 credentials must only be issued for recognized components of an apprenticeable occupation,
28 thereby linking interim credentials specifically to the knowledge, skills, and abilities associated
29 with those components of the apprenticeable occupation;
- 30 (xvii) Identification of the department of labor and training as the registration agency;
- 31 (xviii) Provision for the registration, cancellation, and deregistration of the program, and

- 34 (xix) Provision for registration of apprenticeship agreements, modifications, and

1 amendments; notice to the department of labor and training of persons who have successfully
2 completed apprenticeship programs; and notice of transfers, cancellations, suspensions, and
3 terminations of apprenticeship agreements and a statement of the reasons therefor;

4 (xx) Authority for the cancellation of an apprenticeship agreement during the probationary
5 period by either party without stated cause. Cancellation during the probationary period will not
6 have an adverse impact on the sponsor's completion rate;

7 (xxi) Compliance with 29 C.F.R. Part 30, including the equal opportunity pledge prescribed
8 in 29 C.F.R. § 30.3~~(b)~~(c); an affirmative action plan complying with 29 C.F.R. § 30.4; and a method
9 for the selection of apprentices authorized by 29 C.F.R § ~~30.5~~ 30.10, or compliance with parallel
10 requirements contained in a state plan for equal opportunity in apprenticeship adopted under 29
11 C.F.R. Part 30 and approved by the department. The apprenticeship standards must also include a
12 statement that the program will be conducted, operated, and administered in conformity with
13 applicable provisions of 29 C.F.R. Part 30, as amended, or if applicable, an approved state plan for
14 equal opportunity in apprenticeship;

16 appropriate authority under the program to receive, process, and make disposition of complaints;

17 (xxiii) Recording and maintenance of all records concerning apprenticeship as may be
18 required by the office of apprenticeship or the department of labor and training and other applicable
19 law.

20 SECTION 9. Section 31-1-23 of the General Laws in Chapter 31-1 entitled "Definitions
21 and General Code Provisions" is hereby amended to read as follows:

22 **31-1-23. Types of roads.**

23 (a) "Bicycle lane" means a portion of highway right-of-way designated by the state and
24 identified by official traffic control devices (pavement markings) for the exclusive use of bicyclists.
25 The operation and parking of motor vehicles is prohibited within the lane identified for exclusive
26 use by bicyclists, except when making a turn, entering or leaving the roadway or a parking lane, or
27 when required in the course of official duty.

28 (b) "Bicycle route" means a shared right-of-way along a highway, designated by the state
29 and identified by official traffic control devices (signs) for use by bicyclists.

30 (c) "Bicycle trail or path" means a bikeway physically separated from motorized vehicular
31 traffic by an open space or barrier and either within the highway right-of-way or within an
32 independent right-of-way. Bicycle trails or paths may also be used by pedestrians, skaters, riders
33 of Class 1 electric bicycles as defined in § 31-19.7-1, wheelchair users, joggers, and other
34 nonmotorized users.

1 (d) "Laned roadway" means a roadway which is divided into two (2) or more clearly
2 marked lanes for vehicular traffic.

3 (e) "Limited access highway" means every highway, street, or roadway to or from which
4 owners or occupants of abutting lands and other persons have no legal right of access except at

6 (f) "Local highway" means every street or highway other than a state highway, private
7 road, or driveway.

8 (g) "Private road or driveway" means every way or place in private ownership that is used
9 for vehicular travel only by the owner and by those others having express or implied permission
10 from the owner.

11 (h) "Roadway" means that portion of a highway improved, designed, or ordinarily used for
12 vehicular travel, excluding the sidewalk, berm, or shoulder even when used by persons riding

14 the roadway separately and not the roadways collectively.

15 (i) "Sidewalk" means that portion of a street between the curb lines, or the lateral lines of
16 a roadway, and the adjacent property lines intended for the use of pedestrians.

17 (j) "State highway" means every street or highway constructed and/or maintained by the

23 crossing, and where stop signs are erected under the provisions of chapters 1 — 27 of this title.

24 SECTION 10. Section 31-27-2 of the General Laws in Chapter 31-27 entitled "Motor
25 Vehicle Offenses" is hereby amended to read as follows:

26 **31-27-2. Driving under influence of liquor or drugs. [Effective until July 1, 2025.]**

27 (a) Whoever drives or otherwise operates any vehicle in the state while under the influence
28 of any intoxicating liquor, drugs, toluene, or any controlled substance as defined in chapter 28 of
29 title 21, or any combination of these, shall be guilty of a misdemeanor, except as provided in
30 subsection (d)(3), and shall be punished as provided in subsection (d) of this section.

31 (b)(1) Any person charged under subsection (a), whose blood alcohol concentration is eight
32 one-hundredths of one percent (.08%) or more by weight, as shown by a chemical analysis of a
33 blood, breath, or urine sample, shall be guilty of violating subsection (a). This provision shall not
34 preclude a conviction based on other admissible evidence, including the testimony of a drug

1 recognition expert or evaluator, certified pursuant to training approved by the Rhode Island
2 department of transportation office on highway safety. Proof of guilt under this section may also
3 be based on evidence that the person charged was under the influence of intoxicating liquor, drugs,
4 toluene, or any controlled substance defined in chapter 28 of title 21, or any combination of these,
5 to a degree that rendered the person incapable of safely operating a vehicle. The fact that any person
6 charged with violating this section is, or has been, legally entitled to use alcohol or a drug shall not
7 constitute a defense against any charge of violating this section.

8 (2) [Deleted by P.L. 2021, ch. 170, § 1 and P.L. 2021, ch. 171, § 1.]

9 (c) In any criminal prosecution for a violation of subsection (a), evidence as to the amount
10 of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of title 21, or
11 any combination of these, in the defendant's blood at the time alleged as shown by a chemical
12 analysis of the defendant's breath, blood, saliva or urine or other bodily substance, shall be
13 admissible and competent, provided that evidence is presented that the following conditions have
14 been complied with:

15 (1) The defendant has consented to the taking of the test upon which the analysis is made.
16 Evidence that the defendant had refused to submit to the test shall not be admissible unless the
17 defendant elects to testify.

18 (2) A true copy of the report of the test result was hand delivered at the location of the test
19 or mailed within seventy-two (72) hours of the taking of the test to the person submitting to a breath
20 test.

21 (3) Any person submitting to a chemical test of blood, urine, saliva or other body fluids
22 shall have a true copy of the report of the test result mailed to him or her within thirty (30) days
23 following the taking of the test.

24 (4) The test was performed according to methods and with equipment approved by the
25 director of the department of health of the state of Rhode Island and by an authorized individual.

26 (5) Equipment used for the conduct of the tests by means of breath analysis had been tested
27 for accuracy within thirty (30) days preceding the test by personnel qualified as hereinbefore
28 provided, and breathalyzer operators shall be qualified and certified by the department of health
29 within three hundred sixty-five (365) days of the test.

30 (6) The person arrested and charged with operating a motor vehicle while under the
31 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
32 title 21 or any combination of these in violation of subsection (a), was afforded the opportunity to
33 have an additional chemical test. The officer arresting or so charging the person shall have informed
34 the person of this right and afforded him or her a reasonable opportunity to exercise this right, and

1 a notation to this effect is made in the official records of the case in the police department. Refusal
2 to permit an additional chemical test shall render incompetent and inadmissible in evidence the
3 original report.

4 (d)(1)(i) Every person found to have violated subsection (b)(1) shall be sentenced as
5 follows: for a first violation whose blood alcohol concentration is eight one-hundredths of one
6 percent (.08%), but less than one-tenth of one percent (.1%), by weight, or who has a blood presence

14 counseling program administered or approved by the Veterans' Administration, and his or her
15 driver's license shall be suspended for thirty (30) days up to one hundred eighty (180) days. The
16 sentencing judge or magistrate may prohibit that person from operating a motor vehicle, pursuant
17 to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition interlock system
18 and/or blood and urine testing as provided in § 31-27-2.8.

26 three (3) months to twelve (12) months. The sentencing judge shall require attendance at a special
27 course on driving while intoxicated or under the influence of a controlled substance and/or
28 alcoholic or drug treatment for the individual; provided, however, that the court may permit a
29 servicemember or veteran to complete any court-approved counseling program administered or
30 approved by the Veterans' Administration. The sentencing judge or magistrate may prohibit that
31 person from operating a motor vehicle that is not equipped with an ignition interlock system as

2 (\$500) and shall be required to perform twenty (20) to sixty (60) hours of public community
3 restitution and/or shall be imprisoned for up to one year. The sentence may be served in any unit

15 fifteen hundredths of one percent (.15%), or whose blood alcohol concentration is unknown, or
16 who has a blood presence of any controlled substance as defined in chapter 28 of title 21, and every
17 person convicted of a second violation within a five-year (5) period, regardless of whether the prior
18 violation and subsequent conviction was a violation and subsequent conviction under this statute
19 or under the driving under the influence of liquor or drugs statute of any other state, shall be subject
20 to a mandatory fine of four hundred dollars (\$400). The person's driving license shall be suspended
21 for a period of one year to two (2) years, and the individual shall be sentenced to not less than ten
22 (10) days, nor more than one year, in jail. The sentence may be served in any unit of the adult
23 correctional institutions in the discretion of the sentencing judge; however, not less than forty-eight
24 (48) hours of imprisonment shall be served consecutively. The sentencing judge shall require
25 alcohol or drug treatment for the individual; provided, however, that the court may permit a
26 servicemember or veteran to complete any court-approved counseling program administered or
27 approved by the Veterans' Administration and shall prohibit that person from operating a motor
28 vehicle, pursuant to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition
29 interlock system and/or blood and urine testing as provided in § 31-27-2.8.

5 administered or approved by the Veterans' Administration. The sentencing judge or magistrate
6 shall prohibit that person from operating a motor vehicle, pursuant to subsection (d)(9) or (d)(10)
7 of this section, that is not equipped with an ignition interlock system and/or blood and urine testing
8 as provided in § 31-27-2.8.

9 (3)(i) Every person convicted of a third or subsequent violation within a five-year (5)
10 period with a blood alcohol concentration of eight one-hundredths of one percent (.08%) or above,
11 but less than fifteen hundredths of one percent (.15%), or whose blood alcohol concentration is
12 unknown or who has a blood presence of any scheduled controlled substance as defined in chapter
13 28 of title 21, regardless of whether any prior violation and subsequent conviction was a violation
14 and subsequent conviction under this statute or under the driving under the influence of liquor or
15 drugs statute of any other state, shall be guilty of a felony and be subject to a mandatory fine of

19 institutions in the discretion of the sentencing judge; however, not less than forty-eight (48) hours
20 of imprisonment shall be served consecutively. The sentencing judge shall require alcohol or drug
21 treatment for the individual; provided, however, that the court may permit a servicemember or
22 veteran to complete any court-approved counseling program administered or approved by the
23 Veterans' Administration, and shall prohibit that person from operating a motor vehicle, pursuant
24 to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition interlock system

15 than three thousand dollars (\$3,000). The court shall require alcohol and/or drug treatment for the
16 individual; provided, the penalties provided for in this subsection (d)(4) shall not apply to an
17 individual who has surrendered his or her license and served the court-ordered period of suspension,
18 but who, for any reason, has not had his or her license reinstated after the period of suspension,

14 judge shall also require attendance at a special course on driving while intoxicated or under the
15 influence of a controlled substance and alcohol or drug education and/or treatment for the juvenile.
16 The juvenile may also be required to pay a highway assessment fine of no more than five hundred
17 dollars (\$500) and the assessment imposed shall be deposited into the general fund.

18 (ii) If the person convicted of violating this section is under the age of eighteen (18) years,
19 for a second or subsequent violation regardless of whether any prior violation and subsequent
20 conviction was a violation and subsequent conviction under this statute or under the driving under
21 the influence of liquor or drugs statute of any other state, he or she shall be subject to a mandatory
22 suspension of his or her driving license until such time as he or she is twenty-one (21) years of age
23 and may, in the discretion of the sentencing judge, also be sentenced to the Rhode Island training
24 school for a period of not more than one year and/or a fine of not more than five hundred dollars
25 (\$500).

26 (8) Any person convicted of a violation under this section may undergo a clinical
27 assessment at the community college of Rhode Island's center for workforce and community
28 education. Should this clinical assessment determine problems of alcohol, drug abuse, or
29 psychological problems associated with alcoholic or drug abuse, this person shall be referred to an
30 appropriate facility, licensed or approved by the department of behavioral healthcare,
31 developmental disabilities and hospitals, for treatment placement, case management, and
32 monitoring. In the case of a servicemember or veteran, the court may order that the person be
33 evaluated through the Veterans' Administration. Should the clinical assessment determine
34 problems of alcohol, drug abuse, or psychological problems associated with alcohol or drug abuse,

1 the person may have their treatment, case management, and monitoring administered or approved
2 by the Veterans' Administration.

3 (9) Notwithstanding any other sentencing and disposition provisions contained in this
4 chapter, if the judge or magistrate makes a finding beyond a reasonable doubt that a motorist was
5 operating a vehicle in the state while under the influence of drugs, toluene, or any controlled
6 substance as evidenced by the presence of controlled substances on or about the person or vehicle,
7 or other reliable indicia or articulable conditions thereof, but not intoxicating liquor based on a
8 preliminary breath test, results from a breathalyzer that indicates no blood alcohol concentration,
9 or both, the judge or magistrate may exercise his or her discretion and eliminate the requirement of
10 an ignition interlock system; provided, that blood and/or urine testing is mandated as a condition
11 to operating a motor vehicle as provided in § 31-27-2.8.

12 (10) Notwithstanding any other sentencing and disposition provisions contained in this
13 chapter, if the judge or magistrate makes a finding beyond a reasonable doubt that a motorist was
14 operating a vehicle in the state while under the influence of drugs, toluene, or any controlled
15 substance as evidenced by the presence of controlled substances on or about the person or vehicle,
16 or other reliable indicia or articulable conditions thereof and intoxicating liquor based on a
17 preliminary breath test, results from a breathalyzer that indicates blood alcohol concentration, or
18 both, the judge or magistrate may require an ignition interlock system in addition to blood and/or
19 urine testing as a condition to operating a motor vehicle as provided in § 31-27-2.8.

20 (e) Percent by weight of alcohol in the blood shall be based upon milligrams of alcohol per
21 one hundred cubic centimeters (100 cc) of blood.

22 (f)(1) There is established an alcohol and drug safety unit within the division of motor
23 vehicles to administer an alcohol safety action program. The program shall provide for placement
24 and follow-up for persons who are required to pay the highway safety assessment. The alcohol and
25 drug safety action program will be administered in conjunction with alcohol and drug programs
26 licensed by the department of behavioral healthcare, developmental disabilities and hospitals.

27 (2) Persons convicted under the provisions of this chapter shall be required to attend a
28 special course on driving while intoxicated or under the influence of a controlled substance, and/or
29 participate in an alcohol or drug treatment program, which course and programs must meet the
30 standards established by the Rhode Island department of behavioral healthcare, developmental
31 disabilities and hospitals; provided, however, that the court may permit a servicemember or veteran
32 to complete any court-approved counseling program administered or approved by the Veterans'
33 Administration. The course shall take into consideration any language barrier that may exist as to
34 any person ordered to attend, and shall provide for instruction reasonably calculated to

1 communicate the purposes of the course in accordance with the requirements of the subsection.
2 Any costs reasonably incurred in connection with the provision of this accommodation shall be
3 borne by the person being retrained. A copy of any violation under this section shall be forwarded
4 by the court to the alcohol and drug safety unit. In the event that persons convicted under the
5 provisions of this chapter fail to attend and complete the above course or treatment program, as
6 ordered by the judge, then the person may be brought before the court, and after a hearing as to
7 why the order of the court was not followed, may be sentenced to jail for a period not exceeding
8 one year.

9 (3) The alcohol and drug safety action program within the division of motor vehicles shall
10 be funded by general revenue appropriations.

11 (g) The director of the department of health is empowered to make and file with the
12 secretary of state regulations that prescribe the techniques and methods of chemical analysis of the
13 person's body fluids or breath and the qualifications and certification of individuals authorized to
14 administer this testing and analysis.

15 (h) Jurisdiction for misdemeanor violations of this section shall be with the district court
16 for persons eighteen (18) years of age or older and to the family court for persons under the age of
17 eighteen (18) years. The courts shall have full authority to impose any sentence authorized and to
18 order the suspension of any license for violations of this section. Trials in superior court are not
19 required to be scheduled within thirty (30) days of the arraignment date.

20 (i) No fines, suspensions, assessments, alcohol or drug treatment programs, course on
21 driving while intoxicated or under the influence of a controlled substance, public community
22 restitution, or jail provided for under this section can be suspended.

23 (j) An order to attend a special course on driving while intoxicated, that shall be
24 administered in cooperation with a college or university accredited by the state, shall include a
25 provision to pay a reasonable tuition for the course in an amount not less than twenty-five dollars
26 (\$25.00), and a fee of one hundred seventy-five dollars (\$175), which fee shall be deposited into
27 the general fund.

28 (k) For the purposes of this section, any test of a sample of blood, breath, or urine for the
29 presence of alcohol that relies in whole or in part upon the principle of infrared light absorption is
30 considered a chemical test.

31 (l) If any provision of this section, or the application of any provision, shall for any reason
32 be judged invalid, such a judgment shall not affect, impair, or invalidate the remainder of the
33 section, but shall be confined in this effect to the provision or application directly involved in the
34 controversy giving rise to the judgment.

1 (m) For the purposes of this section, “servicemember” means a person who is presently
2 serving in the armed forces of the United States, including the Coast Guard, a reserve component
3 thereof, or the National Guard. “Veteran” means a person who has served in the armed forces,
4 including the Coast Guard of the United States, a reserve component thereof, or the National Guard,
5 and has been discharged under other than dishonorable conditions.

6 **31-27-2. Driving under influence of liquor or drugs. [Effective July 1, 2025.]**

7 (a) Whoever drives or otherwise operates any vehicle in the state while under the influence
8 of any intoxicating liquor, drugs, toluene, or any controlled substance as defined in chapter 28 of
9 title 21, or any combination of these, shall be guilty of a misdemeanor, except as provided in
10 subsection (d)(3), and shall be punished as provided in subsection (d) of this section.

11 (b)(1) Any person charged under subsection (a), whose blood alcohol concentration is eight
12 one-hundredths of one percent (.08%) or more by weight, as shown by a chemical analysis of a
13 blood, breath, or urine sample, shall be guilty of violating subsection (a). This provision shall not
14 preclude a conviction based on other admissible evidence, including the testimony of a drug
15 recognition expert or evaluator, certified pursuant to training approved by the Rhode Island
16 department of transportation office on highway safety. Proof of guilt under this section may also
17 be based on evidence that the person charged was under the influence of intoxicating liquor, drugs,
18 toluene, or any controlled substance defined in chapter 28 of title 21, or any combination of these,
19 to a degree that rendered the person incapable of safely operating a vehicle. The fact that any person
20 charged with violating this section is, or has been, legally entitled to use alcohol or a drug shall not
21 constitute a defense against any charge of violating this section.

22 (2) [Deleted by P.L. 2021, ch. 170, § 1 and P.L. 2021, ch. 171, § 1.]

23 (c) In any criminal prosecution for a violation of subsection (a), evidence as to the amount
24 of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of title 21, or
25 any combination of these, in the defendant’s blood at the time alleged as shown by a chemical
26 analysis of the defendant’s breath, blood, saliva or urine or other bodily substance, shall be
27 admissible and competent, provided that evidence is presented that the following conditions have
28 been complied with:

29 (1) The defendant has consented to the taking of the test upon which the analysis is made.
30 Evidence that the defendant had refused to submit to the test shall not be admissible unless the
31 defendant elects to testify.

32 (2) A true copy of the report of the test result was hand delivered at the location of the test
33 or mailed within seventy-two (72) hours of the taking of the test to the person submitting to a breath
34 test.

1 (3) Any person submitting to a chemical test of blood, urine, saliva or other body fluids
2 shall have a true copy of the report of the test result mailed to him or her within thirty (30) days
3 following the taking of the test.

4 (4) The test was performed according to methods and with equipment approved by the
5 director of the department of health of the state of Rhode Island and by an authorized individual.

6 (5) Equipment used for the conduct of the tests by means of breath analysis had been tested
7 for accuracy within thirty (30) days preceding the test by personnel qualified as hereinbefore
8 provided, and breathalyzer operators shall be qualified and certified by the department of health
9 within three hundred sixty-five (365) days of the test.

10 (6) The person arrested and charged with operating a motor vehicle while under the
11 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
12 title 21 or any combination of these in violation of subsection (a), was afforded the opportunity to
13 have an additional chemical test. The officer arresting or so charging the person shall have informed
14 the person of this right and afforded him or her a reasonable opportunity to exercise this right, and
15 a notation to this effect is made in the official records of the case in the police department. Refusal
16 to permit an additional chemical test shall render incompetent and inadmissible in evidence the
17 original report.

18 (d)(1)(i) Every person found to have violated subsection (b)(1) shall be sentenced as
19 follows: for a first violation whose blood alcohol concentration is eight one-hundredths of one
20 percent (.08%), but less than one-tenth of one percent (.1%), by weight, or who has a blood presence
21 of any scheduled controlled substance as defined in chapter 28 of title 21, shall be subject to a fine
22 of not less than one hundred dollars (\$100), nor more than three hundred dollars (\$300); shall be
23 required to perform ten (10) to sixty (60) hours of public community restitution, and/or shall be
24 imprisoned for up to one year. The sentence may be served in any unit of the adult correctional
25 institutions in the discretion of the sentencing judge and/or shall be required to attend a special
26 course on driving while intoxicated or under the influence of a controlled substance; provided,
27 however, that the court may permit a servicemember or veteran to complete any court-approved
28 counseling program administered or approved by the Veterans' Administration, and his or her
29 driver's license shall be suspended for thirty (30) days up to one hundred eighty (180) days. The
30 sentencing judge or magistrate may prohibit that person from operating a motor vehicle, pursuant
31 to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition interlock system
32 and/or blood and urine testing as provided in § 31-27-2.8.

33 (ii) Every person convicted of a first violation whose blood alcohol concentration is one-
34 tenth of one percent (.1%) by weight or above, but less than fifteen hundredths of one percent

1 (.15%), or whose blood alcohol concentration is unknown, shall be subject to a fine of not less than
2 one hundred (\$100) dollars, nor more than four hundred dollars (\$400), and shall be required to
3 perform ten (10) to sixty (60) hours of public community restitution and/or shall be imprisoned for
4 up to one year. The sentence may be served in any unit of the adult correctional institutions in the
5 discretion of the sentencing judge. The person's driving license shall be suspended for a period of
6 three (3) months to twelve (12) months. The sentencing judge shall require attendance at a special
7 course on driving while intoxicated or under the influence of a controlled substance and/or
8 alcoholic or drug treatment for the individual; provided, however, that the court may permit a
9 servicemember or veteran to complete any court-approved counseling program administered or
10 approved by the Veterans' Administration. The sentencing judge or magistrate may prohibit that
11 person from operating a motor vehicle that is not equipped with an ignition interlock system as
12 provided in § 31-27-2.8.

13 (iii) Every person convicted of a first offense whose blood alcohol concentration is fifteen
14 hundredths of one percent (.15%) or above, or who is under the influence of a drug, toluene, or any
15 controlled substance as defined in subsection (b)(1), shall be subject to a fine of five hundred dollars
16 (\$500) and shall be required to perform twenty (20) to sixty (60) hours of public community
17 restitution and/or shall be imprisoned for up to one year. The sentence may be served in any unit
18 of the adult correctional institutions in the discretion of the sentencing judge. The person's driving
19 license shall be suspended for a period of three (3) months to eighteen (18) months. The sentencing
20 judge shall require attendance at a special course on driving while intoxicated or under the influence
21 of a controlled substance and/or alcohol or drug treatment for the individual; provided, however,
22 that the court may permit a servicemember or veteran to complete any court-approved counseling
23 program administered or approved by the Veterans' Administration. The sentencing judge or
24 magistrate shall prohibit that person from operating a motor vehicle, pursuant to subsection (d)(9)
25 or (d)(10) of this section, that is not equipped with an ignition interlock system and/or blood and
26 urine testing as provided in § 31-27-2.8.

27 (2)(i) Every person convicted of a second violation within a ten-year (10) period with a
28 blood alcohol concentration of eight one-hundredths of one percent (.08%) or above, but less than
29 fifteen hundredths of one percent (.15%), or whose blood alcohol concentration is unknown, or
30 who has a blood presence of any controlled substance as defined in chapter 28 of title 21, and every
31 person convicted of a second violation within a ten-year (10) period, regardless of whether the prior
32 violation and subsequent conviction was a violation and subsequent conviction under this statute
33 or under the driving under the influence of liquor or drugs statute of any other state, shall be subject
34 to a mandatory fine of four hundred dollars (\$400). The person's driving license shall be suspended

1 for a period of one year to two (2) years, and the individual shall be sentenced to not less than ten
2 (10) days, nor more than one year, in jail. The sentence may be served in any unit of the adult
3 correctional institutions in the discretion of the sentencing judge; however, not less than forty-eight
4 (48) hours of imprisonment shall be served consecutively. The sentencing judge shall require
5 alcohol or drug treatment for the individual; provided, however, that the court may permit a
6 servicemember or veteran to complete any court-approved counseling program administered or
7 approved by the Veterans' Administration and shall prohibit that person from operating a motor
8 vehicle, pursuant to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition
9 interlock system and/or blood and urine testing as provided in § 31-27-2.8.

10 (ii) Every person convicted of a second violation within a ten-year (10) period whose blood
11 alcohol concentration is fifteen hundredths of one percent (.15%) or above, by weight as shown by
12 a chemical analysis of a blood, breath, or urine sample, or who is under the influence of a drug,
13 toluene, or any controlled substance as defined in subsection (b)(1), shall be subject to mandatory
14 imprisonment of not less than six (6) months, nor more than one year; a mandatory fine of not less
15 than one thousand dollars (\$1,000); and a mandatory license suspension for a period of two (2)
16 years from the date of completion of the sentence imposed under this subsection. The sentencing
17 judge shall require alcohol or drug treatment for the individual; provided, however, that the court
18 may permit a servicemember or veteran to complete any court approved counseling program
19 administered or approved by the Veterans' Administration. The sentencing judge or magistrate
20 shall prohibit that person from operating a motor vehicle, pursuant to subsection (d)(9) or (d)(10)
21 of this section, that is not equipped with an ignition interlock system and/or blood and urine testing
22 as provided in § 31-27-2.8.

23 (3)(i) Every person convicted of a third or subsequent violation within a ten-year (10)
24 period with a blood alcohol concentration of eight one-hundredths of one percent (.08%) or above,
25 but less than fifteen hundredths of one percent (.15%), or whose blood alcohol concentration is
26 unknown or who has a blood presence of any scheduled controlled substance as defined in chapter
27 28 of title 21, regardless of whether any prior violation and subsequent conviction was a violation
28 and subsequent conviction under this statute or under the driving under the influence of liquor or
29 drugs statute of any other state, shall be guilty of a felony and be subject to a mandatory fine of
30 four hundred (\$400) dollars. The person's driving license shall be suspended for a period of two
31 (2) years to three (3) years, and the individual shall be sentenced to not less than one year and not
32 more than three (3) years in jail. The sentence may be served in any unit of the adult correctional
33 institutions in the discretion of the sentencing judge; however, not less than forty-eight (48) hours
34 of imprisonment shall be served consecutively. The sentencing judge shall require alcohol or drug

1 treatment for the individual; provided, however, that the court may permit a servicemember or
2 veteran to complete any court-approved counseling program administered or approved by the
3 Veterans' Administration, and shall prohibit that person from operating a motor vehicle, pursuant
4 to subsection (d)(9) or (d)(10) of this section, that is not equipped with an ignition interlock system
5 and/or blood and urine testing as provided in § 31-27-2.8.

6 (ii) Every person convicted of a third or subsequent violation within a ten-year (10) period
7 whose blood alcohol concentration is fifteen hundredths of one percent (.15%) or above by weight
8 as shown by a chemical analysis of a blood, breath, or urine sample, or who is under the influence
9 of a drug, toluene, or any controlled substance as defined in subsection (b)(1), shall be subject to
10 mandatory imprisonment of not less than three (3) years, nor more than five (5) years; a mandatory

13 the sentence imposed under this subsection. The sentencing judge shall require alcohol or drug
14 treatment for the individual. The sentencing judge or magistrate shall prohibit that person from
15 operating a motor vehicle, pursuant to subsection (d)(9) or (d)(10) of this section, that is not
16 equipped with an ignition interlock system and/or blood and urine testing as provided in § 31-27-
17 2.8.

18 (iii) In addition to the foregoing penalties, every person convicted of a third or subsequent
19 violation within a ten-year (10) period, regardless of whether any prior violation and subsequent
20 conviction was a violation and subsequent conviction under this statute or under the driving under
21 the influence of liquor or drugs statute of any other state, shall be subject, in the discretion of the
22 sentencing judge, to having the vehicle owned and operated by the violator seized and sold by the
23 state of Rhode Island, with all funds obtained by the sale to be transferred to the general fund.

24 (4) Whoever drives or otherwise operates any vehicle in the state while under the influence
25 of any intoxicating liquor, drugs, toluene, or any controlled substance as defined in chapter 28 of
26 title 21, or any combination of these, when his or her license to operate is suspended, revoked, or
27 cancelled for operating under the influence of a narcotic drug or intoxicating liquor, shall be guilty
28 of a felony punishable by imprisonment for not more than three (3) years and by a fine of not more
29 than three thousand dollars (\$3,000). The court shall require alcohol and/or drug treatment for the
30 individual; provided, the penalties provided for in this subsection (d)(4) shall not apply to an
31 individual who has surrendered his or her license and served the court-ordered period of suspension,
32 but who, for any reason, has not had his or her license reinstated after the period of suspension,
33 revocation, or suspension has expired; provided, further, the individual shall be subject to the
34 provisions of subsection (d)(2)(i), (d)(2)(ii), (d)(3)(i), (d)(3)(ii), or (d)(3)(iii) regarding subsequent

1 offenses, and any other applicable provision of this section.

2 (5)(i) For purposes of determining the period of license suspension, a prior violation shall
3 constitute any charge brought and sustained under the provisions of this section or § 31-27-2.1.

4 (ii) Any person over the age of eighteen (18) who is convicted under this section for
5 operating a motor vehicle while under the influence of alcohol, other drugs, or a combination of
6 these, while a child under the age of thirteen (13) years was present as a passenger in the motor
7 vehicle when the offense was committed shall be subject to immediate license suspension pending
8 prosecution. Any person convicted of violating this section shall be guilty of a misdemeanor for a
9 first offense and may be sentenced to a term of imprisonment of not more than one year and a fine
10 not to exceed one thousand dollars (\$1,000). Any person convicted of a second or subsequent
11 offense shall be guilty of a felony offense and may be sentenced to a term of imprisonment of not
12 more than five (5) years and a fine not to exceed five thousand dollars (\$5,000). The sentencing
13 judge shall also order a license suspension of up to two (2) years, require attendance at a special
14 course on driving while intoxicated or under the influence of a controlled substance, and alcohol
15 or drug education and/or treatment. The individual may also be required to pay a highway
16 assessment fee of no more than five hundred dollars (\$500) and the assessment shall be deposited
17 in the general fund.

18 (6)(i) Any person convicted of a violation under this section shall pay a highway
19 assessment fine of five hundred dollars (\$500) that shall be deposited into the general fund. The
20 assessment provided for by this subsection shall be collected from a violator before any other fines
21 authorized by this section.

22 (ii) Any person convicted of a violation under this section shall be assessed a fee of eighty-
23 six dollars (\$86).

24 (7)(i) If the person convicted of violating this section is under the age of eighteen (18)
25 years, for the first violation he or she shall be required to perform ten (10) to sixty (60) hours of
26 public community restitution and the juvenile's driving license shall be suspended for a period of
27 six (6) months, and may be suspended for a period up to eighteen (18) months. The sentencing
28 judge shall also require attendance at a special course on driving while intoxicated or under the
29 influence of a controlled substance and alcohol or drug education and/or treatment for the juvenile.
30 The juvenile may also be required to pay a highway assessment fine of no more than five hundred
31 dollars (\$500) and the assessment imposed shall be deposited into the general fund.

32 (ii) If the person convicted of violating this section is under the age of eighteen (18) years,
33 for a second or subsequent violation regardless of whether any prior violation and subsequent
34 conviction was a violation and subsequent conviction under this statute or under the driving under

1 the influence of liquor or drugs statute of any other state, he or she shall be subject to a mandatory
2 suspension of his or her driving license until such time as he or she is twenty-one (21) years of age
3 and may, in the discretion of the sentencing judge, also be sentenced to the Rhode Island training
4 school for a period of not more than one year and/or a fine of not more than five hundred dollars
5 (\$500).

6 (8) Any person convicted of a violation under this section may undergo a clinical
7 assessment at the community college of Rhode Island's center for workforce and community
8 education. Should this clinical assessment determine problems of alcohol, drug abuse, or
9 psychological problems associated with alcoholic or drug abuse, this person shall be referred to an
10 appropriate facility, licensed or approved by the department of behavioral healthcare,
11 developmental disabilities and hospitals, for treatment placement, case management, and
12 monitoring. In the case of a servicemember or veteran, the court may order that the person be
13 evaluated through the Veterans' Administration. Should the clinical assessment determine
14 problems of alcohol, drug abuse, or psychological problems associated with alcohol or drug abuse,
15 the person may have their treatment, case management, and monitoring administered or approved
16 by the Veterans' Administration.

17 (9) Notwithstanding any other sentencing and disposition provisions contained in this
18 chapter, if the judge or magistrate makes a finding beyond a reasonable doubt that a motorist was
19 operating a vehicle in the state while under the influence of drugs, toluene, or any controlled
20 substance as evidenced by the presence of controlled substances on or about the person or vehicle,
21 or other reliable indicia or articulable conditions thereof, but not intoxicating liquor based on a
22 preliminary breath test, results from a breathalyzer that indicates no blood alcohol concentration,
23 or both, the judge or magistrate may exercise his or her discretion and eliminate the requirement of
24 an ignition interlock system; provided, that blood and/or urine testing is mandated as a condition
25 to operating a motor vehicle as provided in § 31-27-2.8.

26 (10) Notwithstanding any other sentencing and disposition provisions contained in this
27 chapter, if the judge or magistrate makes a finding beyond a reasonable doubt that a motorist was
28 operating a vehicle in the state while under the influence of drugs, toluene, or any controlled
29 substance as evidenced by the presence of controlled substances on or about the person or vehicle,
30 or other reliable indicia or articulable conditions thereof and intoxicating liquor based on a
31 preliminary breath test, results from a breathalyzer that indicates blood alcohol concentration, or
32 both, the judge or magistrate may require an ignition interlock system in addition to blood and/or
33 urine testing as a condition to operating a motor vehicle as provided in § 31-27-2.8.

34 (e) Percent by weight of alcohol in the blood shall be based upon milligrams of alcohol per

1 one hundred cubic centimeters (100 cc) of blood.

2 (f)(1) There is established an alcohol and drug safety unit within the division of motor
3 vehicles to administer an alcohol safety action program. The program shall provide for placement
4 and follow-up for persons who are required to pay the highway safety assessment. The alcohol and
5 drug safety action program will be administered in conjunction with alcohol and drug programs
6 licensed by the department of behavioral healthcare, developmental disabilities and hospitals.

7 (2) Persons convicted under the provisions of this chapter shall be required to attend a
8 special course on driving while intoxicated or under the influence of a controlled substance, and/or
9 participate in an alcohol or drug treatment program, which course and programs must meet the
10 standards established by the Rhode Island department of behavioral healthcare, developmental
11 disabilities and hospitals; provided, however, that the court may permit a servicemember or veteran
12 to complete any court-approved counseling program administered or approved by the Veterans'
13 Administration. The course shall take into consideration any language barrier that may exist as to
14 any person ordered to attend, and shall provide for instruction reasonably calculated to
15 communicate the purposes of the course in accordance with the requirements of the subsection.
16 Any costs reasonably incurred in connection with the provision of this accommodation shall be
17 borne by the person being retrained. A copy of any violation under this section shall be forwarded
18 by the court to the alcohol and drug safety unit. In the event that persons convicted under the
19 provisions of this chapter fail to attend and complete the above course or treatment program, as
20 ordered by the judge, then the person may be brought before the court, and after a hearing as to
21 why the order of the court was not followed, may be sentenced to jail for a period not exceeding
22 one year.

23 (3) The alcohol and drug safety action program within the division of motor vehicles shall
24 be funded by general revenue appropriations.

25 (g) The director of the department of health is empowered to make and file with the
26 secretary of state regulations that prescribe the techniques and methods of chemical analysis of the
27 person's body fluids or breath and the qualifications and certification of individuals authorized to
28 administer this testing and analysis.

29 (h) Jurisdiction for misdemeanor violations of this section shall be with the district court
30 for persons eighteen (18) years of age or older and to the family court for persons under the age of
31 eighteen (18) years. The courts shall have full authority to impose any sentence authorized and to

32 (a) Any member in active service, regardless of length of service, is entitled to an accidental
33 disability retirement allowance. Application for the allowance is made by the member or on the
34 member's behalf, stating that the member is physically or mentally incapacitated for further service

1 as the result of an injury or illness sustained while in the performance of duty and certifying to the
2 time, place, and conditions of the duty performed by the member that resulted in the alleged
3 disability and that the alleged disability was not the result of the willful negligence or misconduct
4 on the part of the member, and was not the result of age or length of service. The application shall
5 be made within eighteen (18) months of the alleged accident from which the injury has resulted in
6 the member's present disability and shall be accompanied by an accident report and a physician's
7 report certifying to the disability. If the member was able to return to his or her employment and
8 subsequently reinjures or aggravates the same injury or illness, the member shall make another
9 application within eighteen (18) months of the reinjury or aggravation that shall be accompanied
10 by a physician's report certifying to the reinjury or aggravation causing the disability. If a medical
11 examination made by three (3) physicians engaged by the retirement board, and other investigations
12 as the board may make, confirms the statements made by the member, the board may grant the
13 member an accidental disability retirement allowance.

14 (b) For the purposes of subsection (a), "aggravation" shall mean an intervening work-
15 related trauma that independently contributes to a member's original injury or illness that amounts
16 to more than the natural progression of the preexisting disease or condition and is not the result of
17 age or length of service. The intervening independent trauma causing the aggravation must be an
18 identifiable event or series of work-related events that are the proximate cause of the member's
19 present condition of disability.

20 (c) "Occupational cancer," as used in this section, means a cancer arising out of
21 employment as a firefighter, due to injury or illness due to exposures to smoke, fumes, or
22 carcinogenic, poisonous, toxic, or chemical substances while in the performance of active duty in
23 the fire department.

24 (d) For purposes of subsection (a), "reinjury" shall mean a recurrence of the original work-
25 related injury or illness from a specific ascertainable event. The specific event must be the
26 proximate cause of the member's present condition of disability.

27 (e) Any firefighter, including one employed by the state, or a municipal firefighter
28 employed by a municipality that participates in the optional retirement for police officers and
29 firefighters as provided in this chapter, who is unable to perform his or her duties in the fire
30 department by reason of a disabling occupational cancer (as defined in §§ 45-19.1-2 and 45-19.1-
31 4) that develops or manifests itself during a period while the firefighter is in the service of the
32 department, and any retired member of the fire force of any city or town who develops occupational
33 cancer (as defined in §§ 45-19.1-2 and 45-19.1-4), is entitled to receive an occupational cancer
34 disability and he or she is entitled to all of the benefits provided for in this chapter, chapters 19,

1 19.1, and 21 of this title, and chapter 10 of title 36 if the firefighter is employed by the state.

2 (f) Any police officer or firefighter as defined in §§ 45-19-1(b) and (c) who is unable to
3 perform their duties by reason of post-traumatic stress injury/PTSD as set forth in § 45-19-1(a)(2)
4 is entitled to receive an accidental disability retirement allowance and the police officer or
5 firefighter is entitled to all of the benefits provided for in this chapter (including the presumption
6 set forth in ~~subsection (a)(2) of this section~~ § 45-19-1(a)(2)), chapters 19, 19.1, and 21 of this title,
7 and chapter 10 of title 36 if the firefighter is employed by the state.

8 (g) In the event that any party is aggrieved by the determination of the retirement board
9 pursuant to § 45-19-1, for an injury or illness occurring on or after July 1, 2011, the party may
10 submit an appeal to the Rhode Island workers' compensation court. The appellant shall file a notice
11 of appeal with the retirement board and with the workers' compensation court within twenty (20)
12 days of the entry of the retirement board's decision and shall serve a copy of the notice of appeal
13 upon the opposing party.

14 (h) Within twenty (20) days of the receipt of the notice of appeal, the retirement board shall
15 transmit the entire record of proceedings before it, together with its order, to the workers'
16 compensation court.

17 (i) In the event that a party files a notice of appeal to the workers' compensation court, the
18 order of the retirement board shall be stayed pending further action by the court pursuant to the
19 provisions of § 28-35-20.

20 (j) Upon receipt of the notice of appeal, the court shall assign the matter to a judge and
21 shall issue a notice at the time advising the parties of the judge to whom the case has been assigned
22 and the date for pretrial conference in accordance with § 28-35-20.

23 (k) All proceedings filed with the workers' compensation court pursuant to this section
24 shall be de novo and shall be subject to the provisions of chapters 29 — 38 of title 28 for all case
25 management procedures and dispute resolution processes, as provided under the rules of the
26 workers' compensation court. The workers' compensation court shall enter a pretrial order in
27 accordance with § 28-35-20(c) that grants or denies, in whole or in part, the relief sought by the
28 petitioner. The pretrial order shall be effective upon entry and any payments ordered by it shall be
29 paid within fourteen (14) days of the entry of the order. Provided, however, that in the event that
30 the retirement board files a claim for trial of the pretrial order entered by the court, the order of the
31 court shall be stayed until a final order or decree is entered by the court. If after trial and the entry
32 of a final decree the court sustains the findings and orders entered in the pretrial order, the
33 retirement board shall reimburse the municipality all benefits paid by it from the time the pretrial
34 order was entered until the time the final decree is entered by the court. Where the matter has been

1 heard and decided by the workers' compensation court, the court shall retain jurisdiction to review
2 any prior orders or decrees entered by it. The petitions to review shall be filed directly with the
3 workers' compensation court and shall be subject to the case management and dispute resolution
4 procedures set forth in chapters 29 — 38 of title 28 ("Labor and Labor Relations").

5 (l) If the court determines that a member qualifies for accidental disability retirement, the
6 member shall receive a retirement allowance equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of
7 the rate of the member's compensation at the date of the member's retirement, subject to the
8 provisions of § 45-21-31.

9 (m) If the court determines that a member does not qualify for accidental disability
10 retirement, and after all appeals have been exhausted by the member (i.e., appeals to the workers'
11 compensation appellate division and the Rhode Island supreme court), said member shall have
12 twenty (20) days within which to either:

13 (1) File an application for ordinary disability retirement pursuant to § 45-21.2-7; however,
14 if the member does not have the requisite time on the job to file such application, then the
15 participating municipality shall continue to consider the member injured on duty pursuant to § 45-
16 19-1 until such time that the member has the necessary time on the job to file the application for an
17 ordinary disability retirement; or

18 (2) File an application for a service retirement pursuant to § 45-21.2-5; or

19 (3) Return to duty provided the member has received medical clearance to perform those
20 duties.

21 Nothing in this subsection shall prohibit the member from making an agreement with the
22 member's participating municipality as to what options and benefits the member may be entitled
23 to in lieu of the options and benefits set forth in this subsection. In addition, nothing in this
24 subsection shall prohibit the member's bargaining unit and participating municipality from entering
25 into a collective bargaining agreement that addresses the issues in this subsection.
