STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2025

H O U S E R E S O L U T I O N

**CREATING A SPECIAL LEGISLATIVE COMMISSION TO STUDY AND PROVIDE
RECOMMENDATIONS FOR THE CREATION OF A STATEWIDE WHOLE-HOME
REPAIRS PROGRAM**

Introduced By: Representatives Handy, Blazejewski, and Chippendale

Date Introduced: June 18, 2025

Referred To: House read and passed

1 WHEREAS, Rhode Island faces a severe housing supply shortage that impacts all
2 residents, especially those with low and moderate incomes. This affordability challenge affects
3 the cost of living, limiting the state's economic competitiveness and ability to attract new talent;
4 and

5 WHEREAS, According to a 2023 report commissioned by the Rhode Island Foundation,
6 Rhode Island has the third oldest housing stock in the US, with seventy-five percent of the total
7 housing stock built before 1980. Among New England states, Rhode Island has the highest
8 percentage of housing built before 1940 and the second highest percentage of housing built before
9 1980; and

10 WHEREAS, According to the same 2023 Rhode Island Foundation report, about one-
11 third of all households are housing cost-burdened, which means they spend more than 20 percent
12 of their income on housing-related expenses; and

13 WHEREAS, Many of these single and multifamily homes need repair, and homeowners
14 often lack the resources to maintain them; and

15 WHEREAS, Too many Rhode Islanders live in unsafe homes with leaking roofs,
16 unreliable and inefficient heat, and/or unsafe wiring. Deferred maintenance can lead to exposure
17 to mold, lead and excessively high utility bills; and

18 WHEREAS, There are energy efficiency programs to upgrade insulation and HVAC
19 units; however, many Rhode Islanders cannot take advantage of them because they are unable to

1 afford the repairs to their homes, such as upgrading electrical systems, to make them eligible for
2 these programs; and

3 WHEREAS, The programs available to help constituents repair their homes and keep
4 them safe, efficient and habitable are spread out over several state agencies and not-for-profit
5 organizations and can be difficult for homeowners to find and access; now, therefore be it

6 RESOLVED, That a special legislative commission be and the same is hereby created
7 consisting of ten (10) members: three (3) of whom shall be members of the House of
8 Representatives, not more than two (2) from the same political party, to be appointed by the
9 Speaker of the House; one of whom shall be the President of the RI Builders Association, or
10 designee; one of whom shall be the Executive Director of Rhode Island Housing, or designee; one
11 of whom shall be the President of the Housing Network of Rhode Island, or designee; one of
12 whom shall be the Director of the Office of Energy Resources, or designee; one of whom shall be
13 the Director of Healthy Aging, or designee; one of whom shall be the Director of the
14 Comprehensive Community Action Program, or designee; and one of whom shall be the CEO of
15 the Providence Revolving Fund, or designee.

16 In lieu of any appointment of a member of the legislature to a legislative study
17 commission, or any commission created by a General Assembly resolution, the appointing
18 authority may appoint a member of the general public to serve in lieu of a legislator.

19 The purpose of said commission shall be to make a comprehensive study and provide
20 recommendations for the creation of a statewide whole-home repairs program, drawing on
21 existing programs and suggesting funding resources to fill in the gaps. This program would
22 coordinate resources for low-income homeowners and owners of small multifamily units (less
23 than 6 units) to repair their buildings, including roofing, siding, windows, electrical, heating, and
24 air conditioning, and upgrades to make the building eligible for energy efficiency programs, to
25 ensure the homes are safe and energy efficient. The resources should include, but not be limited
26 to, the Weatherization Assistance Program, utility-run energy efficiency programs, lead
27 abatement programs, and adaptive modification programs.

28 Forthwith upon passage of this resolution, the members of the commission shall meet at
29 the call of the Speaker of the House and organize, and shall select a chairperson.

30 Vacancies in said commission shall be filled in like manner as the original appointment.

31 The membership of said commission shall receive no compensation for their services.

32 All departments and agencies of the state shall furnish such advice and information,
33 documentary and otherwise, to said commission and its agents as is deemed necessary or
34 desirable by the commission to facilitate the purposes of this resolution.

1 The Speaker of the House is hereby authorized and directed to provide suitable quarters
2 for said commission; and be it further

3 RESOLVED, That the commission shall report its findings and recommendations to the
4 House of Representatives on or before January 5, 2026, and said commission shall expire on
5 March 5, 2026.

EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
HOUSE RESOLUTION
CREATING A SPECIAL LEGISLATIVE COMMISSION TO STUDY AND PROVIDE
RECOMMENDATIONS FOR THE CREATION OF A STATEWIDE WHOLE-HOME
REPAIRS PROGRAM

1 This resolution would create a ten (10) member special legislative commission whose
2 purpose it would be to make a comprehensive study and provide recommendations for the
3 creation of a statewide whole-home repairs program, drawing on existing programs and
4 suggesting funding resources to fill in the gaps, and who would report back to the Speaker of the
5 House on or before January 5, 2026, and said commission would expire on March 5, 2026.
