2 Security — General Provisions" is hereby amended to read as follows:

3 **28-42-3. Definitions.**

4 The following words and phrases, as used in chapters 42 — 44 of this title, have the
5 following meanings unless the context clearly requires otherwise:

7 established by this chapter.

8 (2) "Average weekly wage" means the amount determined by dividing the individual's
9 total wages earned for service performed in employment within the individual's base period by the
10 number of that individual's credit weeks within the individual's base period.

11 (3) "Base period," with respect to an individual's benefit year, means the first four (4), of
12 the most recently completed five (5) calendar quarters immediately preceding the first day of an
13 individual's benefit year. For any individual's benefit year, and for any individual deemed

15 department shall make a re-determination of entitlement based upon the alternate base period that
16 consists of the last four (4) completed calendar quarters immediately preceding the first day of the
17 claimant's benefit year. Notwithstanding anything contained to the contrary in this subdivision, the
18 base period shall not include any calendar quarter previously used to establish a valid claim for

1 benefits; provided, that notwithstanding any provision of chapters 42 — 44 of this title to the
2 contrary, for the benefit years beginning on or after October 4, 1992, whenever an individual who
3 has received workers' compensation benefits is entitled to reinstatement under § 28-33-47, but the
4 position to which reinstatement is sought does not exist or is not available, the individual's base
5 period shall be determined as if the individual filed for benefits on the date of the injury.

6 (4) "Benefit" means the money payable to an individual as compensation for the
7 individual's wage losses due to unemployment as provided in these chapters.

8 (5) "Benefit credits" means the total amount of money payable to an individual as benefits,
9 as determined by § 28-44-9.

10 (6) "Benefit rate" means the money payable to an individual as compensation, as provided
11 in chapters 42 — 44 of this title, for the individual's wage losses with respect to any week of total

15 the first of which shall be the week containing the day as of which he or she first files a valid claim
16 in accordance with regulations adopted as hereinafter prescribed; provided, that the benefit year

19 a new benefit year begin prior to the Sunday next following the end of the old benefit year.

20 (8) "Calendar quarter" means the period of three (3) consecutive calendar months ending

31 July 5, 2014, means any week within an individual's base period in which that individual earned
32 wages amounting to at least the individual's weekly benefit rate for performing services in
