STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2025

A N A C T

RELATING TO BUSINESSES AND PROFESSIONS -- PHARMACIES

Introduced By: Senators Valverde, Lauria, Murray, Thompson, Kallman, and Appollonio

Date Introduced: March 07, 2025

Referred To: Senate Health & Human Services

It is enacted by the General Assembly as follows:

- 1           SECTION 1. Chapter 5-19.1 of the General Laws entitled "Pharmacies" is hereby amended  
2   by adding thereto the following section:
- 3           **5-19.1-37. Tobacco cessation therapy prescriptive authority.**
- 4           (a) A pharmacist who is licensed pursuant to this chapter and who meets the requirements  
5   of this section may prescribe and dispense FDA-approved tobacco cessation drug therapies to a  
6   qualified patient pursuant to rules and regulations adopted by the board of pharmacy, subject to the  
7   approval of the director of health in consultation with the director of behavioral healthcare,  
8   developmental disabilities and hospitals.
- 9           (b) For the purposes of this section, "qualified patient" means a patient who:
- 10          (1) Is at least eighteen (18) years of age or of minimum age based on the most recent  
11   guidance provided by the FDA;
- 12          (2) Is willing to participate in a structured tobacco cessation program consisting of an initial  
13   evaluation and appropriate follow-up visits with the pharmacist prescribing tobacco cessation  
14   products; and
- 15          (3) Has been educated on symptoms of nicotine toxicity, common and/or severe adverse  
16   effects of prescribed medication(s), and when to seek medical treatment.
- 17          (c) Prior to prescribing tobacco cessation therapies, the pharmacist shall have completed  
18   tobacco cessation education approved by the state board of pharmacy.
- 19          (d) The pharmacist shall refer or consult prior to prescribing regarding high-risk patients

1 or patients with an identified contraindication to FDA-approved tobacco cessation drug therapies  
2 to the patient's primary care provider, as applicable, or to another provider, as appropriate.

3 (e) All pharmacists participating in prescribing therapy for tobacco cessation shall follow  
4 the most updated guidelines and standards of care as approved by the board of pharmacy, subject  
5 to the approval of the director of health in consultation with the director of behavioral healthcare,  
6 developmental disabilities and hospitals.

7 (1) Pharmacists shall implement the most updated clinical practice guidelines to help  
8 patients quit using all forms of tobacco.

9 (2) Pharmacists' services shall include an educational component to include counseling on  
10 medication therapies and cessation strategies as well as referral to sources provided by the  
11 department of health.

12 (f) Notification of the patient screening, the prescription record and the follow-up care plan  
13 shall be provided to the patient's primary care provider, as applicable, within five (5) business days  
14 following the prescribing of a tobacco cessation product.

15 (g) The definition of a qualified patient is subject to adaptation pursuant to rules and  
16 regulations adopted by the board of pharmacy, subject to the approval of the director of health in  
17 consultation with the director of behavioral healthcare, developmental disabilities and hospitals.

18 (h) Tobacco cessation drug therapies shall be covered by Medicaid upon approval of the  
19 Medicaid section 1115 demonstration waiver to be submitted by the secretary of the executive  
20 office of health and human services pursuant to chapter 12.4 of title 42.

21 SECTION 2. Chapter 27-18 of the General Laws entitled "Accident and Sickness Insurance  
22 Policies" is hereby amended by adding thereto the following sections:

23 **27-18-95. Mandatory coverage for tobacco cessation drug therapies.**

24 Every group health insurance contract, or medical expense insurance policy, plan or group  
25 policy delivered, issued for delivery, or renewed in this state, by any health insurance carrier, on or  
26 after January 1, 2026, shall provide coverage for tobacco cessation drug therapy.

27 **27-18-96. Coverage for pharmacists' services.**

28 (a) Every group health insurance contract, or every group hospital or medical expense  
29 insurance policy, plan, or group policy delivered, issued for delivery, or renewed in this state, by  
30 any health insurance carrier, on or after January 1, 2026, shall provide coverage for the services  
31 within the lawful scope of practice of pharmacists pursuant to § 5-19.1-2 if the plan would have  
32 provided coverage if the service had been performed by a physician, advanced practice nurse, or  
33 physician assistant. No nonprofit medical service corporation may require supervision, signature,  
34 or referral by any other healthcare provider as a condition of reimbursement to a pharmacist;

1 provided that, no nonprofit medical service corporation may be required to pay for duplicative  
2 services actually rendered by both a pharmacist and any other healthcare provider.

3 (b) The health plan shall include an adequate number of pharmacists in its network of  
4 participating medical providers. The participation of pharmacies in the plan network's drug benefit  
5 does not satisfy the requirement that plans include pharmacists in their networks of participating  
6 medical providers.

7 (c) The healthcare benefits outlined in this section shall apply only to services delivered  
8 within the health insurer's provider network; provided that, all health insurers shall be required to  
9 provide coverage for those benefits mandated by this section outside of the health insurer's provider  
10 network where it can be established that the required services are not available from a provider in  
11 the health insurer's network.

12 SECTION 3. Chapter 27-19 of the General Laws entitled "Nonprofit Hospital Service  
13 Corporations" is hereby amended by adding thereto the following sections:

14 **27-19-87. Mandatory coverage for tobacco cessation drug therapies.**

15 Every group health insurance contract, or medical expense insurance policy, plan or group  
16 policy delivered, issued for delivery, or renewed in this state, by any health insurance carrier, on or  
17 after January 1, 2026, shall provide coverage for tobacco cessation drug therapy.

18 **27-19-88. Coverage for pharmacists' services.**

19 (a) Every group health insurance contract, or every group hospital or medical expense  
20 insurance policy, plan, or group policy delivered, issued for delivery, or renewed in this state, by  
21 any health insurance carrier, on or after January 1, 2026, shall provide coverage for the services  
22 within the lawful scope of practice of pharmacists pursuant to § 5-19.1-2 if the plan would have  
23 provided coverage if the service had been performed by a physician, advanced practice nurse, or  
24 physician assistant. No nonprofit medical service corporation may require supervision, signature,  
25 or referral by any other healthcare provider as a condition of reimbursement to a pharmacist;  
26 provided that, no nonprofit medical service corporation may be required to pay for duplicative  
27 services actually rendered by both a pharmacist and any other healthcare provider.

28 (b) The health plan shall include an adequate number of pharmacists in its network of  
29 participating medical providers. The participation of pharmacies in the plan network's drug benefit  
30 does not satisfy the requirement that plans include pharmacists in their networks of participating  
31 medical providers.

32 (c) The healthcare benefits outlined in this section shall apply only to services delivered  
33 within the health insurer's provider network; provided that, all health insurers shall be required to  
34 provide coverage for those benefits mandated by this section outside of the health insurer's provider

2 insurance policy, plan, or group policy delivered, issued for delivery, or renewed in this state, by  
3 any health insurance carrier, on or after January 1, 2026, shall provide coverage for the services  
4 within the lawful scope of practice of pharmacists pursuant to § 5-19.1-2 if the plan would have  
5 provided coverage if the service had been performed by a physician, advanced practice nurse, or  
6 physician assistant. No nonprofit medical service corporation may require supervision, signature,  
7 or referral by any other healthcare provider as a condition of reimbursement to a pharmacist;  
8 provided that, no nonprofit medical service corporation may be required to pay for duplicative  
9 services actually rendered by both a pharmacist and any other healthcare provider.

10           (b) The health plan shall include an adequate number of pharmacists in its network of  
11 participating medical providers. The participation of pharmacies in the plan network's drug benefit  
12 does not satisfy the requirement that plans include pharmacists in their networks of participating  
13 medical providers.

14           (c) The healthcare benefits outlined in this section shall apply only to services delivered  
15 within the health insurer's provider network; provided that, all health insurers shall be required to
