STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2026

HOUSE RESOLUTION

CONDEMNING UNCONSTITUTIONAL TACTICS BY U.S. IMMIGRATION AND  
CUSTOMS ENFORCEMENT IN THE STATE OF RHODE ISLAND AND BEYOND

Introduced By: Representatives Knight, Speakman, Caldwell, Felix, Potter, Shanley,  
Donovan, Boylan, Batista, and Cortvriend  
Date Introduced: January 14, 2026

Referred To: House Judiciary

1 WHEREAS, Rhode Island is home to over 150,000 foreign-born immigrants that are  
2 indelible to our State, and face undue risks to their safety and peace-of-mind from rogue federal  
3 law enforcement; and

4 WHEREAS, Undocumented immigrants and their children are longstanding members of  
5 Rhode Island's communities who contribute to the State's economy, culture, hospitals, small  
6 businesses, schools, and civic life, and whose well-being is integral to the well-being of all Rhode  
7 Islanders; and

8 WHEREAS, On Veterans Day, suspected United States Immigration and Customs  
9 Enforcement (ICE) agents appeared on Water Street in Warren, Rhode Island, remaining for  
10 hours in unmarked vehicles without notifying local police. An employee of Blount Fine Foods  
11 was forcibly removed from his car and ultimately detained for removal from the country, causing  
12 distress throughout the community; and

13 WHEREAS, Since early 2025, ICE has conducted nationwide military-style immigration  
14 raids and arrests at work sites, public spaces, and private homes, creating a climate of fear among  
15 immigrants dropping their children off at school, going to work, attending faith services, seeking  
16 medical or emergency services, or shopping for essential needs. In addition to undocumented  
17 immigrants, ICE has unlawfully detained legal permanent residents, Dreamers (recipients of  
18 Deferred Action for Childhood Arrivals), and full U.S. citizens; and

19 WHEREAS, ICE agents have detained individuals using unmarked vehicles and while

1 wearing plain clothes and facial coverings which actions have caused deliberate confusion and  
2 eroded community trust of law enforcement. Studies show that localized immigration tactics  
3 reduce the willingness of Latino and immigrant communities to report a crime by over 40 percent  
4 due to fear of discriminate treatment and reduce trust in local law enforcement officers by  
5 undocumented individuals by over one-third; and

6 WHEREAS, ICE agents have increasingly conducted enforcement operations outside  
7 Rhode Island courthouses and targeted individuals, both litigants and witnesses, immediately  
8 after court appearances. This practice occurring nationwide is widely criticized by legal experts  
9 for frightening at-risk populations from attending court and harming public participation in the  
10 legal system, thus jeopardizing the comprehensiveness of Rhode Island's Judiciary; and

11 WHEREAS, Cruel and unusual detainment tactics and the concealment of ICE agents'  
12 identities are not requisite for effective, comprehensive immigration enforcement or public safety,  
13 as prior Presidential Administrations successfully fulfilled ICE's mission with comparable levels  
14 of deportations while prioritizing known criminals. Recent data show that the Trump  
15 Administration's approach has in fact reduced the share of undocumented detainees with criminal  
16 convictions from 65 percent in October 2024, to 35 percent in September 2025, while  
17 dramatically increasing arrests of individuals with only immigration-related violations, rising  
18 from 6 percent to 35 percent over the same period, thereby demonstrating that public safety has  
19 historically been achieved without the unconstitutional concealment tactics now employed; and

20 WHEREAS, Aggressive immigration enforcement tactics have placed in harm's way  
21 communities, local police officers, and ICE agents themselves. Concealment tactics make  
22 community members uncertain if ICE agents are legitimate officials or impersonators, hurting  
23 transparency, accountability, and due process, and leading to heightened fear and confrontation  
24 during encounters with law enforcement; and

25 WHEREAS, ICE has engaged in unrestrained immigration enforcement operations that  
26 have included the detention of juveniles and mixed-status families across the country, causing  
27 severe trauma to children, disrupting Rhode Island households, and undermining long-standing  
28 federal practices that prioritize the protection and humane treatment of minors; now, therefore be  
29 it

30 RESOLVED, That this House of Representatives of the State of Rhode Island hereby  
31 strongly condemns anonymized, violent, and unconstitutional federal immigration enforcement  
32 tactics against our communities and communities across the country, and opposes any future mass  
33 immigration raids or fear tactics against immigrant workers and families; and be it further

34 RESOLVED, That this House hereby affirms its commitment to safeguarding the rights

1 and safety of all Rhode Islanders, regardless of immigration status, by upholding the fundamental  
2 principles of equal treatment, due process, and civil liberties under the law; and be it further

3 RESOLVED, That the Secretary of State be and hereby is authorized and directed to  
4 transmit duly certified copies of this resolution to the Honorable Governor of the State of Rhode  
5 Island, Daniel J. McKee, and the Honorable Attorney General of the State of Rhode Island, Peter  
6 Neronha, the Rhode Island Senate, and the City or Town Council of each of Rhode Island's  
7 municipalities.
