STATE OF RHODE ISLAND

IN GENERAL ASSEMBLY

JANUARY SESSION, A.D. 2026

A N A C T

RELATING TO HEALTH AND SAFETY -- THE RHODE ISLAND MATERNAL HEALTH
IMPROVEMENT AND EQUITY ACT OF 2026

Introduced By: Representatives Carson, Cortvriend, McGaw, Edwards, Shallcross Smith,
and Boylan

Date Introduced: January 23, 2026

Referred To: House Finance

It is enacted by the General Assembly as follows:

1 SECTION 1. Legislative findings.

2 The general assembly hereby finds and declares that:

3 (1) The Rhode Island department of health (RIDOH) has been awarded a five-year federal
4 Maternal Health Innovation (MHI) grant by the Health Resources and Services Administration
5 (HRSA), beginning in late 2023, to improve maternal health outcomes statewide.

6 (2) Rhode Island continues to experience racial, ethnic, geographic, and socioeconomic
7 disparities in maternal morbidity and mortality.

8 (3) The MHI grant establishes and funds the Rhode Island maternal health task force
9 (RIMHTF) and supports the development of a statewide maternal health strategic plan.

10 (4) Improving maternal health requires data modernization, strengthened workforce
11 pipelines including midwives and community birth workers, expanded access to culturally
12 congruent perinatal care, and alignment with social and environmental determinants of health.

13 (5) Long-term sustainability is essential. Statewide support must continue beyond the five-
14 year federal award.

15 (6) Rhode Island's maternal health outcomes directly impact long-term family well-being,
16 early childhood outcomes, and community resilience, particularly in coastal and urban areas
17 vulnerable to environmental stressors.

18 SECTION 2. Title 23 of the General Laws entitled "HEALTH AND SAFETY" is hereby

1 amended by adding thereto the following chapter:
