RELATING TO FOOD AND DRUGS -- SANITATION IN FOOD ESTABLISHMENTS

Introduced By: Representatives McNamara, Ackerman, Bennett, Kennedy, Read, Serpa,
and Edwards

Date Introduced: January 28, 2026

Referred To: House Labor

It is enacted by the General Assembly as follows:

SECTION 1. Section 21-27-10 of the General Laws in Chapter 21-27 entitled "Sanitation in Food Establishments" is hereby amended to read as follows:

21-27-10. Registration of food businesses.

(a) No person shall operate a food business as defined in § 21-27-1 unless he or she annually registers the business with the state director of health; provided, that food businesses conducted by nonprofit organizations, hospitals, public institutions, farmers markets, roadside farm stands, or any municipality shall be exempt from payment of any required fee. Additionally, no license fee shall be required for an establishment that:

(1) Holds a Class C liquor license pursuant to § 3-7-8; and

(2) Complies with the license limits set forth in § 3-7-8(b).

(b) In order to set the registration renewal dates so that all activities for each establishment can be combined on one registration instead of on several registrations, the registration renewal date shall be set by the department of health. The registration period shall be for twelve (12) months commencing on the registration renewal date. Any renewal registration fee shall be at the full, annual rate regardless of the date of renewal. Any fee for a first-time application shall have the registration fee pro-rated based upon the date of issuance of registration. If the registration renewal date is changed, the department may make an adjustment to the fees of registered establishments, not to exceed the annual registration fee, in order to implement the changes in registration renewal date. Registrations issued under this chapter may be suspended or revoked for cause. Any

1 registration or license shall be posted in a place accessible and prominently visible to an agent of
2 the director.

3 (c) Registration with the director of health shall be based upon satisfactory compliance
4 with all laws and regulations of the director applicable to the food business for which registration
5 is required.

6 (d) The director of health is authorized to adopt regulations necessary for the
7 implementation of this chapter.

8 (e) Classification for registration shall be as follows:

9 (1) In-state and out-of-state food processors that sell food in Rhode Island (Wholesale)

20 (iii) Eleven (11) or more machines

21 (5) Retail markets:

22 (i) 1 to 2 cash registers

23 (ii) 3 to 5 cash registers

24 (iii) 6 or more cash registers

25 (6) Retail food peddler (meat, seafood, dairy, and frozen dessert products)

26 (7) Food warehouses

27 (f) In no instance, where an individual food business has more than one activity eligible
28 under this chapter for state registration within a single location, shall the business be required to
29 pay more than a single fee for the one highest classified activity listed in subsection (e) of this
30 section; provided, that, where several separate but identically classified activities are located within
31 the same building and under the management and jurisdiction of one person, one fee shall be
32 required. In each of the instances in this subsection, each activity shall be separately registered.

33 (g) Fees for registration of the above classifications shall be as set forth in § 23-1-54.

34 (h) The department shall also annually charge food service establishments, an additional

fee of fifty dollars (\$50.00) per year, which shall be transferred to the department of labor and training and shall be deposited into the hospitality training restricted receipt account, which shall be exempt from the indirect cost recovery provisions of § 35-4-27. Subject to appropriation by the general assembly, these funds shall be used to provide hospitality industry workforce training grants including, but not limited to, certified food and alcohol safety training programs offered in multiple languages.

SECTION 2. Section 35-4-27 of the General Laws in Chapter 35-4 entitled "State Funds" is hereby amended to read as follows:

35-4-27. Indirect cost recoveries on restricted receipt accounts.

Indirect cost recoveries of fifteen percent (15%) of cash receipts shall be transferred from all restricted receipt accounts, to be recorded as general revenues in the general fund. However, there shall be no transfer from cash receipts with restrictions received exclusively: (1) From contributions from nonprofit charitable organizations; (2) From the assessment of indirect cost-recovery rates on federal grant funds; or (3) Through transfers from state agencies to the department of administration for the payment of debt service.
