(3) "Political subdivision" means governmental branches, departments, agencies, counties, municipalities, special districts, as well as other governmental entities and quasi-governmental entities created by the authorization of law.

(4) "Subsidy" means an economic benefit, direct or indirect, granted by a state government or any political subdivision including, but not limited to, direct grants, tax consideration, favorable bonding status, special district status, or any other benefit that has the effect of reducing

1 governmental costs for a venture or class of ventures compared to others similarly situated, with  
2 the primary purpose or substantial effect of encouraging or maintaining within a state's or political  
3 subdivision's borders particular or specific classes of ventures in which private persons have a  
4 substantial financial or ownership interest.

6 When two (2) or more states have passed and signed the compact, the party state  
7 governments, or any political subdivision, shall not give a subsidy to a private enterprise for the  
8 purpose of selectively supporting a specific industry or company, or to entice a specific industry or  
9 company to relocate an existing facility from one party state to another party state or open a new  
10 facility.

11 **44-73-4. Compact administrator and exchange of information.**

12 (a) The governor of each party state or the governor's designee is the compact

22 the attorney general of that member party state to enforce this compact.

23 **44-73-6. Construction and severability.**

24 This compact shall be liberally construed in order to effectuate its purposes. If any phrase,
