It is enacted by the General Assembly as follows:

1           SECTION 1. Chapter 22-11 of the General Laws entitled "Joint Committee on Legislative  
2 Services" is hereby amended by adding thereto the following section:  
3           **22-11-3.6. Revision of statutes -- Older adult to replace elder or elderly.**  
4           (a) Unless exempted by subsection (b) of this section, the law revision director is  
5 empowered and directed to produce a bill for introduction in the 2027 legislative session that shall:  
6           (1) Replace the terms "elder" and "elderly person(s)" as they appear throughout the general  
7 laws with the term "older adult(s)";  
8           (2) Replace the terms "handicapped" and "disabled" as they appear throughout the general  
9 laws in regard to elder or elderly person(s) with the term "adult person(s) with disabilities".  
10          (b) The provisions of subsection (a) of this section shall not apply to:

12          (2) Chapter 5 and chapter 68 of title 11;  
13          (3) Chapter 19 of title 17;  
14          (4) Chapter 34 of title 19; and  
15          (5) Any other section of law where the substitution of the term "elder" or "elderly

Provided further, in any situation where the director of law revision believes a change in terminology would likely cause confusion and/or unintended consequences not related to the purpose of the act, the term "elder" or "elderly person(s)" shall remain.

(c) State departments or agencies may elect to use the existing terminology by providing notice to the law revision director indicating such election.

EXPLANATION  
BY THE LEGISLATIVE COUNCIL  
OF  
A N A C T  
RELATING TO GENERAL ASSEMBLY -- JOINT COMMITTEE ON LEGISLATIVE  
SERVICES

\*\*\*

1           This act would advance the interests of older Rhode Islanders by adding a representative  
2   of an aging adult organization to the state planning council and a permanent committee on aging to  
3   the state planning council and would require the long-term care coordinating council to review and  
4   make recommendations for reforming its governing statute, and would change the council's  
5   quorum to twelve (12) members. Additionally, the act would dispense with less-favored terms  
6   related to older persons and persons with disabilities, and would direct the law revision director to  
7   draft a bill for introduction in the 2027 legislative session to revise affected general laws, with  
8   certain exceptions, where the term "elder person" would remain.

9           This act would take effect upon passage.
