MANAGEMENT IN RHODE ISLAND**

Introduced By: Senators DiMario, Valverde, and Euer

Date Introduced: April 20, 2026

Referred To: Senate Commerce

1           WHEREAS, "Sludge" is defined as any solid, semisolid or liquid waste generated from a  
2 municipal, commercial, or industrial wastewater treatment plant, water supply treatment plant, or  
3 air pollution control facility or any other such waste having similar characteristics and effects;  
4 and

5           WHEREAS, Effective sludge management is essential to reduce the massive volumes of  
6 waste generated by wastewater treatment, mitigate severe environmental contamination  
7 (groundwater and soil), and eliminate pathogens in order to protect public health; now, therefore  
8 be it

9           RESOLVED, That a special joint legislative commission be and the same is hereby  
10 created consisting of twenty-one (21) members: three (3) of whom shall be members of the House  
11 of Representatives, not more than two (2) from the same political party, to be appointed by the  
12 Speaker of the House; three (3) of whom shall be members of the Senate, not more than two (2)  
13 from the same political party, to be appointed by the President of the Senate; one of whom shall  
14 be a member of the Rhode Island Clean Water Association (RICWA), to be appointed by the  
15 Chair of the Board of Directors for the RICWA; one of whom shall be the Executive Director of  
16 the Narragansett Bay Commission (NBC), or designee; one of whom shall be the Executive  
17 Director of the Rhode Island Department of Environmental Management, or designee; one of  
18 whom shall be the Executive Director of the Rhode Island Resource Recovery Corporation, or  
19 designee; one of whom shall be the Rhode Island State Director of Clean Water Action, or

1 designee; one of whom shall be the Director of the Rhode Island Department of Administration  
2 Division of Planning, or designee; one of whom shall be a representative of a treatment facility, to  
3 be appointed by the Speaker of the House; two (2) of whom shall be representatives of Rhode  
4 Island communities that have incinerators, one of whom to be appointed by the Speaker of the  
5 House, and one of whom to be appointed by the President of the Senate; one of whom shall be the  
6 Executive Director of the Rhode Island League of Cities and Towns, or designee; one of whom  
7 shall be the Executive Director of the North East Biosolids & Residuals Association (NEBRA),  
8 or designee; one of whom shall be a professor from the University of Rhode Island conversant in  
9 sludge processing, to be appointed by the President of the Senate; one of whom shall be the

12 shall be a representative of a private company involved in biosolids management, to be appointed  
13 by the Speaker of the House.

14 In lieu of any appointment of a member of the legislature to a permanent advisory  
15 commission, a legislative study commission, or any commission created by a General Assembly  
16 resolution, the appointing authority may appoint a member of the general public to serve in lieu  
17 of a legislator.

18 The purpose of said commission shall be to make a comprehensive study and review of  
19 the current state of sludge management in Rhode Island. The commission will study the cost to  
20 ratepayers and environmental and climate impacts, and to also identify potential state-wide  
21 solutions and future opportunities, such as the use of pyrolysis and other technologies and  
22 processes for biosolid disposal, to make sludge management more sustainable in Rhode Island.

23 Forthwith upon passage of this resolution, the members of the commission shall meet at  
24 the call of the Speaker of the House and President of the Senate and organize and shall select a  
25 Chairperson and Vice Chairperson, one of whom shall be a member of the House and one of  
26 whom shall be a member of the Senate.

27 Vacancies in said commission shall be filled in like manner as the original appointment.

28 The membership of said commission shall receive no compensation for their services.

29 All departments and agencies of the state shall furnish such advice and information,  
30 documentary and otherwise, to said commission and its agents as is deemed necessary or  
31 desirable by the commission to facilitate the purposes of this resolution.

32 The Joint Committee on Legislative Services is hereby authorized and directed to provide  
33 suitable quarters for said commission; and be it further

- 1 RESOLVED, That the commission shall report its findings and recommendations to the
- 2 General Assembly no later than April 1, 2027, and said commission shall expire on June 1, 2027.
