A N A C T

RELATING TO HEALTH AND SAFETY -- AUTOMATED EXTERNAL DEFIBRILLATORS
REQUIRED AT PUBLIC PLACES AND HEALTHCARE FACILITIES

Introduced By: Senators Dimitri, Ciccone, Thompson, Britto, LaMountain, Raptakis,
Appollonio, Patalano, Burke, and McKenney

Date Introduced: February 26, 2025

Referred To: Senate Health & Human Services

It is enacted by the General Assembly as follows:

1 SECTION 1. Section 23-6.5-4 of the General Laws in Chapter 23-6.5 entitled "Automated
2 External Defibrillators Required at Public Places and Healthcare Facilities" is hereby amended to
3 read as follows:

4 **23-6.5-4. Definitions.**

5 The following definitions govern the construction of this chapter:

6 (1) "Healthcare facility" means any healthcare facility licensed by the department of health
7 including any institutional health-service provider, facility, or institution, place, building, agency,
8 or portion thereof, whether a partnership or corporation, whether public or private, whether
9 organized for profit or not, used, operated, or engaged in providing healthcare services, including,
10 but not limited to: hospitals; nursing facilities; rehabilitation centers; kidney disease treatment
11 centers; health maintenance organizations; and facilities providing surgical treatment to patients
12 not requiring hospitalization (surgi-centers); hospice care; and physician ambulatory-surgery
13 centers and podiatry ambulatory-surgery centers providing surgical treatment. The term "healthcare
14 facility" also includes organized ambulatory-care facilities that are not part of a hospital but that
15 are organized and operated to provide healthcare services to outpatients, such as: central-services
16 facilities serving more than one healthcare facility or healthcare provider; treatment centers;
17 diagnostic centers; outpatient clinics; infirmaries and health centers; school-based health centers;
18 and neighborhood health centers. The term "healthcare facility" also includes a practitioner's

1 (physician, dentist, or other healthcare provider) office or group of practitioners' offices (whether
2 owned and/or operated by a hospital or an affiliate of a hospital or an individual practitioner, alone
3 or as a member of a partnership, professional service corporation, organization, or association).

4 (2) "Public place" means an enclosed area capable of holding three hundred (300) people
5 or more and to which the public is invited or in which the public is permitted, including, but not
6 limited to: banks; bars; educational facilities; laundromats; [public or private golf courses](#); public
7 transportation facilities; reception areas; restaurants; retail food production and marketing
8 establishments; retail service establishments; retail stores; shopping malls; sports arenas;
9 government offices; theaters; and waiting rooms. A private residence is not a "public place" unless
10 it is used as a childcare or adult daycare facility.

11 SECTION 2. This act shall take effect upon passage.
