6 demonstrated by appropriate documentation presented by the missing person's family, legal  
7 guardian, long-term care ombudsman, or long-term care facility where such person resides.  
8 Provided, however, that any medical or personal information provided pursuant to this section shall  
9 be kept strictly confidential and not subject to disclosure pursuant to chapter 2 of title 36 ("access  
10 to public records").

11 (e) If a law enforcement agency has confirmed the disappearance of a missing adult with  
12 the above disability or conditions, the law enforcement agency shall immediately obtain descriptive

14 and identify a point of contact within its agency.

15 (f) The PURPLE alert program shall provide a proactive emergency public alert plan,  
16 including, where appropriate, access and use of IPAWS as part of the response to the disappearance  
17 of a missing adult with a serious physical, behavioral health, neurological disability or condition.  
18 This program shall be capable of being expediently triggered by law enforcement personnel in  
19 accordance with protocols, procedures, and rules established by the division of state police in  
20 consultation with appropriate law enforcement authorities, the Rhode Island emergency

22 of the broadcast media ("PURPLE alert").

26 PURPLE alert. The protocols, procedures, and rules shall be updated as may be necessary in  
27 consultation with the entities and agencies involved in the PURPLE alert process to provide  
28 effective and efficient procedures to assist law enforcement agencies, broadcast media and other  
29 cooperating agencies or entities in providing an emergency alert to the public in response to a  
30 missing adult with a serious physical, behavioral health, neurological disability or condition.

31 (b) The Rhode Island emergency management agency ("RIEMA") shall, no later than  
32 January 1, 2026, and annually thereafter review the policies and procedures implemented and  
33 conducted in accordance with the provisions of this section. The review shall involve all agencies  
34 that participate in IPAWS.

1           (c) RIEMA shall conduct and keep records for annual training to be provided for all
