14 for the child; and the parent's preference as to the type of child care.

15 (h) For purposes of this section, "income" for families receiving cash assistance under §  
16 40-5.2-11 means gross, earned income and unearned income, subject to the income exclusions in  
17 §§ 40-5.2-10(g)(2) and 40-5.2-10(g)(3), and income for other families shall mean gross, earned and

24 to the month of leaving for active duty. This shall continue until the individual is officially  
25 discharged from active duty.

26 (k) Effective from August 1, 2023, through July 31, 2028, the department shall provide  
27 funding for child care for eligible childcare educators, and childcare staff, who work at least twenty  
28 (20) hours a week in licensed childcare centers and licensed family childcare homes as defined in  
29 the department's rules and regulations. Eligibility is limited to qualifying childcare educators and  
30 childcare staff with family incomes up to three hundred percent (300%) of the applicable federal  
31 poverty guidelines and will have no copayments. Qualifying participants may select the childcare  
32 center or family childcare home for their children. The department shall promulgate regulations  
33 necessary to implement this section, and will collect applicant and participant data to report  
34 estimated demand for state-funded child care for eligible childcare educators and childcare staff.

1 The report shall be due annually to the governor and the general assembly by November 1.

2 (I) Protective services. The department shall also provide child care assistance to families
