

LC004249

IN GENERAL ASSEMBLY

RELATING TO FOOD AND DRUGS -- FORCE-FED POULTRY PRODUCTS

Referred To: Senate Environment & Agriculture

1 SECTION 1. Title 21 of the General Laws entitled "FOOD AND DRUGS" is hereby
2 amended by adding thereto the following chapter:

FORCE-FED POULTRY PRODUCTS

6 The general assembly recognizes it is in the public interest to protect the public health and
7 general welfare of the State of Rhode Island by regulating industries, such as foie gras, that are
8 inhumane, environmentally unsustainable, and increase the risk of zoonotic diseases.

10 For the purposes of this chapter, the following terms have the following meanings:

11 (1) “Force-fed poultry product” means any product that is the result of force-feeding a bird,
12 including, but not limited to, a duck or a goose, with the intent to fatten or enlarge the bird's liver.

13 (2) “Force-feeding” means the practice of forcing, by any means, food or supplements into
14 the throat, esophagus, crop or stomach of an animal.

15 (3) “Sell” means any act of selling, trading, or bartering for monetary or nonmonetary
16 consideration, and includes any transfer of ownership that occurs in the course of a commercial
17 transaction.

19 (a) A person shall not engage in force-feeding to create a force-fed poultry product nor hire

1 another to engage in force-feeding to create a force-fed poultry product.

2 (b) A person shall not sell in Rhode Island by any means, including, but not limited to,

3 direct, telephone, electronic or Internet sales, any force-fed poultry product or food containing a

4 force-fed poultry product. For purposes of this chapter, there shall be a rebuttable presumption that

5 an item that is in any way identified or labeled as "foie gras", or listed on a menu as "foie gras", is

6 a force-fed poultry product. Any party seeking to rebut such presumption shall provide

7 documentary evidence proving that the product they are storing, keeping, maintaining, offering for

8 sale, or selling is not a force-fed poultry product as defined in this chapter.

9 **21-13.1-4. Enforcement.**

10 (a) Any person who is found to violate any provision of this chapter shall be subject to a

11 civil penalty of five hundred dollars (\$500) for each violation. Each such violation may be treated

12 as a separate and distinct offense, and in the case of a continuing violation, each day's continuance

13 thereof may be treated as a separate and distinct offense.

14 (b) Any person who violates any provision of this chapter may be prosecuted by the city

15 or town where the violation occurs, or by the state department of health, and the municipality or

16 department of health, after deducting the costs of trial and conviction, may retain the balance of the

17 fine or fines recovered for the use of the municipality or department.

18 (c) A peace officer, officer of an animal control or animal regulation department of a public

19 agency, may issue a citation to a person who violates this chapter.

20 SECTION 2. This act shall take effect on January 1, 2027.
