3 **34-44-1.1. Inventory of abandoned properties.**

4 (a) On or before April 2, 2025, each town and city shall publish a list of all properties
5 located in each respective town or city which, based on inspection and records, may qualify as
6 abandoned property under this chapter. After April 2, 2025, the list shall be published and updated

14 against a municipality by the record owner or any interested party.

16 [have the right, but not the obligation, to cure or cause to be cured the conditions giving rise to](#)

1 **34-44-2. Definitions.**

2 As used in this chapter:

3 (1) "Abandon" or "abandonment" means a situation where the owner of a building has
4 intended to abandon the building and has manifested the intent with some act or failure to act. In
5 determining whether an owner has abandoned his or her building, a court shall infer the intent of
6 the owner from the existence of serious code violations that pose a health and/or safety hazard to
7 the community ~~and that have gone unrepaired for an unreasonable amount of time~~ and from any of
8 the surrounding facts and circumstances including, but not limited to the following:

- 9 (i) Whether or not the building is vacant;
- 10 (ii) Whether or not the grounds are maintained;
- 11 (iii) Whether or not the building's interior is sound;
- 12 (iv) Whether or not any vandalism on the building has gone unrepaired;
- 13 (v) Whether or not rents have been collected from the building's tenants by the owner;
- 14 (vi) The length of time any of the above conditions have existed;

15 (vii) Notwithstanding the criteria in this section, a property shall not be considered
16 abandoned if, upon a reasonable search of publicly available records, the property is known to be
17 part of a documented plan of redevelopment or community revitalization strategy, and is to be
18 financed in whole or in part with public funds, or is pending sale pursuant to a valid purchase and
19 sale agreement;

20 (viii) Notwithstanding the criteria in this section, a property shall not be considered
21 abandoned solely due to it being vacant and if it is otherwise being maintained and the owner has
22 been responsive to addressing any health or safety issues that may arise.

23 (2) "Abate" or "abatement" in connection with any property means the removal or
24 correction of any hazardous conditions deemed to constitute a public nuisance and the making of
25 such other improvements as are needed to affect a rehabilitation of the property that is consistent
26 with maintaining safe and habitable conditions over the remaining useful life of the property.
27 However, the closing or boarding up of any building that is found to be a public nuisance is not an
28 abatement of the nuisance.

29 (3) "Building" means any building or structure used for residential purposes or used for
30 retail stores, shops, salesrooms, markets, or similar commercial uses, or for offices, banks, civic
31 administration activities, professional services, or similar business or civic uses.

32 (4) "Eligible nonprofit corporation" ("ENC") means a nonprofit corporation registered to
33 do business in the State of Rhode Island which has as one of its primary purposes the production,
34 preservation or repair of dwelling units in the State of Rhode Island.

1 ~~(4)~~(5) "Interested party" means any owner, mortgagee, lienholder, or other entity or person
2 who or that possesses an interest of record in any property that becomes subject to the jurisdiction
3 of the court pursuant to this chapter and any applicant for the appointment of a receiver pursuant to
4 this chapter.

5 ~~(5)~~(6) "Neighboring landowner" means any owner of property, including any entity or
6 person who or that is purchasing property by land installment contract or under a duly executed
7 purchase contract, that is located within two hundred feet (200') of any property that becomes
8 subject to the jurisdiction of the court pursuant to this chapter.

9 ~~(6)~~(7) "Public nuisance" means a building that is a menace to the public health, welfare, or
10 safety; or that is structurally unsafe, unsanitary; or not provided with adequate safe egress; or that
11 constitutes a fire hazard; or is otherwise dangerous to human life; or is otherwise no longer fit and
12 habitable; or that, in relation to existing use, constitutes a hazard to the public health, welfare, or
13 safety by reason of inadequate maintenance, dilapidation, obsolescence, or abandonment. Such
14 condition shall be documented by:

15 (i) Violations of local ordinances, state building codes or minimum housing standards
16 where a municipality, court officers, or the state or municipal entity issuing the notice has notified
17 the building owner of the violations and the owner has failed to address violations in the timeframes
18 set forth in the notice of violation or court order;

19 (ii) The condemnation of the property for reasons of health or safety;

20 (iii) Written notice by public health and safety personnel, code inspectors or state or
21 municipal building officials identifying the nature of the public health or safety risk posed and the
22 failure of the property owner to address these conditions; or

32 at which any mortgagee of record or lienholder of record, or other interested party in the order of
33 their priority of interest in title shall be offered the opportunity to undertake the work and to furnish
34 the materials as are necessary to abate the public nuisance.

1 (c) The court shall require the party selected to demonstrate the ability promptly to
2 undertake the work required, to provide the judge with a viable financial and construction plan for
3 the rehabilitation of the building, and to post security for the performance of the work.

5 on the property if the expenditures were approved in advance by the court and if the party desires

7 court. The lien shall have the same priority as the mortgage of a receiver, as set forth in § 34-44-6,

9 payment of the lien, and a description of the property in question are filed for record, within thirty
10 (30) days of the date of issuance of the order, in the office of the recorder of deeds of the
11 municipality in which the property is located.

12 (e) If the court determines at the hearing that no party can undertake the work and furnish
13 the materials required to abate the public nuisance, or if the court determines at any time after the
14 hearing that any party who is undertaking corrective work pursuant to this chapter cannot or will
15 not proceed, or has not proceeded with due diligence, the judge may appoint a receiver to take
16 possession and control of the property. The receiver shall be appointed in the manner provided in
17 subsection (f).

18 (f) No person shall be appointed a receiver unless the person first has provided the court
19 with a viable financial and construction plan for the rehabilitation of the property in question and
20 has demonstrated the capacity and expertise to perform, or cause to be performed, the required
21 work in a satisfactory manner.

22 (g) Prior to the appointment of a receiver the court may grant access to the property in
23 question to any person who applies to be appointed the receiver of the property, for the limited
24 purpose of developing a viable financial and construction plan for the rehabilitation of the property
25 which shall include the items set forth in § 34-44-4.1.

26 (h) The appointed receiver shall be a lawyer appointed by the court who is certified by the
