RELATING TO INSURANCE -- PHARMACY BENEFIT MANAGERS ACT

Introduced By: Senators Appollonio, Murray, Lawson, Ciccone, Tikoian, and  
LaMountain

Date Introduced: March 12, 2026

Referred To: Senate Health & Human Services

It is enacted by the General Assembly as follows:

1 SECTION 1. Title 27 of the General Laws entitled "INSURANCE" is hereby amended by  
2 adding thereto the following chapter:

3 CHAPTER 84

4 PHARMACY BENEFIT MANAGERS ACT

5 **27-84-1. Short title.**

6 This chapter shall be known and may be cited as the "Pharmacy Benefit Managers Act."

7 **27-84-2. Definitions.**

8 For the purpose of this chapter:

9 (1) "Controlling person" means any person or entity that directly or indirectly has the power  
10 to direct or cause to be directed the management, control or activities of a pharmacy benefit  
11 manager.

12 (2) "Health insurance commissioner" or "commissioner" means the office of health  
13 insurance commissioner.

14 (3) "Insured" or "covered individual" means any person who is entitled to have pharmacy  
15 services paid by an insurer pursuant to a policy, certificate, contract, or agreement of insurance or  
16 coverage.

17 (4) "Insurer" means a health insurance carrier as defined in chapters 18, 19, 20, and 41 of  
18 this title.

19 (5) "Pharmacy benefit management services" means the management or administration of

1 prescription drug benefit for an insurer, directly or indirectly through another entity, and regardless  
2 of whether the pharmacy benefit manager and the insurer are related, or associated by ownership,  
3 common ownership, organization or otherwise. Such management or administration of prescription  
4 drug benefit includes, but is not limited to:

- 5 (i) The administration or management of prescription drug benefits;
- 6 (ii) Claims processing, retail network management, or payment of claims to pharmacies for  
7 dispensing prescription drugs;
- 8 (iii) Clinical or other formulary or preferred drug list development or management;
- 9 (iv) Negotiation or administration of rebates, discounts, payment differentials, or other  
10 incentives, for the inclusion of particular prescription drugs in a particular category or to promote  
11 the placement of particular prescription drugs on a formulary or preferred drug list;
- 12 (v) Patient compliance, therapeutic intervention, or generic substitution programs;
- 13 (vi) Disease management;
- 14 (vii) Drug utilization review or prior authorization;
- 15 (viii) Adjudication of appeals or grievances related to prescription drug coverage;
- 16 (ix) Contracting with network pharmacies; and
- 17 (x) Controlling the cost of covered prescription drugs.

18 (6) "Pharmacy benefit manager" or "PBM" shall have the meaning provided in § 27-19-  
19 26.2.

20 (7) "Rebate" means all price concessions paid by a manufacturer to a pharmacy benefit  
21 manager or insurer, including rebates, discounts, and other price concessions that are based on the  
22 actual or estimated utilization of a prescription drug. Rebates also include price concessions based  
23 on the effectiveness of a drug as in a value-based or performance-based contract.

24 (8) "Restricted pharmacy network" shall have the meaning provided in § 27-29.1-1.

25 (9) "Spread pricing" means any amount charged or claimed by a pharmacy benefit manager  
26 for a prescription drug that exceeds the amount paid by the pharmacy benefit manager to a  
27 pharmacy or pharmacist for the dispensing of the prescription drug.

28 **27-84-3. Certificate of authority required.**

29 (a) No person, firm, association, corporation or other entity may act, offer to act as, or hold  
30 itself out to be a pharmacy benefit manager, without having a valid certificate of authority as a  
31 pharmacy benefit manager issued by the health insurance commissioner. Notwithstanding the  
32 requirements of this section, for a period of up to two (2) years after the date on which the health  
33 insurance commissioner issues a guidance document outlining the application process for entities  
34 to obtain a valid certificate of authority as a pharmacy benefits manager, a person, firm, association,

1 corporation or other entity may act, offer to act as, or hold itself out to be a pharmacy benefit  
2 manager if it has obtained a provisional pharmacy benefit manager certificate of authority (a  
3 provisional certificate of authority) issued by the health insurance commissioner. The health  
4 insurance commissioner may establish minimum registration standards required for a provisional  
5 certificate of authority. Any person, firm, association or corporation who applies for a provisional  
6 certificate of authority shall make an application to the commissioner in such form(s) and  
7 supplements as required by the commissioner. The commissioner may issue a provisional  
8 certificate of authority to applicants that have complied with the commissioner's minimum  
9 provisional certificate of authority standards. The commissioner may reject an application for a  
10 provisional certificate of authority that fails to comply with the minimum standards. Upon at least  
11 sixty (60) days' notice, the commissioner may advise a holder of a provisional certificate of  
12 authority that the provisional certificate of authority will expire as of a certain date. The  
13 commissioner may revoke a provisional certificate of authority upon at least sixty (60) days' notice  
14 for any reason. For each business entity, the officer(s) and director(s) named in the provisional  
15 certificate of authority and the successors thereof shall be responsible for the business entity's  
16 compliance with the applicable laws, rules and regulations of this state.

17 (b) Any person, firm, association, corporation or other entity that violates this section shall,  
18 in addition to any other penalty provided by law, be liable for restitution and compensatory  
19 damages to any insurer, pharmacy or covered individual, or other person harmed by the violation  
20 and shall also be subject to either a penalty not exceeding the greater of ten thousand dollars  
21 (\$10,000) for the first violation and fifteen thousand dollars (\$15,000) for each subsequent  
22 violation; or the aggregate gross receipts attributable to all violations.

23 **27-84-4. Requirements for pharmacy benefit managers.**

24 (a) Any person, firm, association or corporation who applies to be certified as a pharmacy  
25 benefit manager shall make an application to the commissioner in such form(s) and supplements  
26 required by the commissioner. The commissioner may issue a certificate of authority to applicants  
27 that have complied with the requirements of this chapter. The commissioner may reject an  
28 application filed by a pharmacy benefit manager that fails to comply with the requirements of this  
29 chapter.

30 (b) For each business entity, the officer(s) and director(s) named in the application and the  
31 successors thereof shall be responsible for the business entity's compliance with the applicable  
32 laws, rules and regulations of this state.

33 (c) Applicants to be a pharmacy benefit manager shall make an application to the health  
34 insurance commissioner upon a form to be furnished by the commissioner. The application shall

1 include or be accompanied by the following information and documents:

2 (1) All basic organizational documents of the pharmacy benefit manager including, but not  
3 limited to, any articles of incorporation, articles of association, partnership agreement, trade name  
4 certificate, trust agreement, shareholder agreement, and other applicable documents and all  
5 amendments to those documents;

6 (2) The bylaws, rules, regulations, or similar documents regulating the internal affairs of  
7 the pharmacy benefit manager;

8 (3) The names, addresses, official positions, and professional qualifications of the  
9 individuals who are responsible for the conduct of affairs of the pharmacy benefit manager;  
10 including, all members of the board of directors, board of trustees, executive committee, or other  
11 governing board or committee; the principal officers in the case of a corporation or the partners or  
12 members in the case of a partnership or association; shareholders holding directly or indirectly ten  
13 percent (10%) or more of the voting securities of the pharmacy benefit manager; and any other  
14 person who exercises control or influence over the affairs of the pharmacy benefit manager;

15 (4) Annual financial statements or reports for the two (2) most recent years which prove  
16 that the applicant is solvent and any information that the health insurance commissioner may  
17 require in order to review the current financial condition of the applicant;

18 (5) A statement describing the business plan of the pharmacy benefit manager including,  
19 but not limited to, information pertaining to staffing levels and activities proposed in this state and  
20 nationwide. The plan shall provide details setting forth the pharmacy benefit manager's capability  
21 for providing a sufficient number of experienced and qualified personnel in the areas of claims  
22 processing, recordkeeping and underwriting;

23 (6) Standards and practices utilized by the pharmacy benefit manager for:

24 (i) The creation of pharmacy networks and contracting with network pharmacies and other  
25 providers in compliance with chapter 29.1 of title 27, including promotion and use of independent  
26 and community pharmacies and patient access;

27 (ii) Development of pricing models used by pharmacy benefit manager both for their  
28 services to an insurer and for the payment of services to a pharmacy benefit manager by a third-  
29 party administrator; and

30 (iii) Protection of consumers; and

31 (7) Any other pertinent information that may be required by the commissioner on any of  
32 the following related to a pharmacy benefit manager's operations in any state including, but not  
33 limited to:

34 (i) Conflicts of interest between pharmacy benefit managers and insurers;

1           (ii) Deceptive practices in connection with the performance of pharmacy benefit  
2 management services;

3           (iii) Anti-competitive practices in connection with the performance of pharmacy benefit  
4 management services; and

5           (iv) Unfair claims practices in connection with the performance of pharmacy benefit  
6 management services.

7           (d) The applicant shall make available, for inspection by the office of the health insurance  
8 commissioner, copies of all contracts with insurers, third-party benefit administrators, and other  
9 persons or entities utilizing the services of the pharmacy benefit manager in this state.

10           (e) A pharmacy benefit manager shall immediately notify the office of the health insurance  
11 commissioner of any material change in its ownership, control, or other fact or circumstance  
12 affecting its qualification for a certificate of authority in this state. Any pharmacy benefit manager  
13 holding a certificate issued under this chapter shall inform the office of the health insurance  
14 commissioner by a means acceptable to the commissioner of a change of address within thirty (30)  
15 days of the change.

16           **27-84-5. Certificate of authority term, renewal, and fees.**

17           (a) Any person, firm, association or corporation who applies to be certified as a pharmacy  
18 benefit manager shall provide with the submission of an application to the office of the health  
19 insurance commissioner a fee of ten thousand dollars (\$10,000) for each year or fraction of a year  
20 in which a certificate shall be valid. Any person, firm, association or corporation who applies for a  
21 provisional certificate of authority as a pharmacy benefit manager shall provide with the submission  
22 of an application to the office of the health insurance commissioner a fee of ten thousand dollars  
23 (\$10,000).

24           (b) Every pharmacy benefit manager's certificate of authority shall expire twenty-four (24)  
25 months after the date of issue. Every certificate of authority issued pursuant to this chapter may be  
26 renewed for the ensuing period of twenty-four (24) months upon the filing of an application and  
27 renewal fee of ten thousand dollars (\$10,000) in conformity with this chapter.

28           (c) If an application for a renewal certificate of authority shall have been filed with the  
29 office of the health insurance commissioner at least two (2) months before its expiration, then the  
30 certificate sought to be renewed shall continue in full force and effect either until the issuance by  
31 the health insurance commissioner of the renewal certificate applied for or until five (5) days after  
32 the commissioner shall have refused to issue such renewal certificate and given notice of such  
33 refusal to the applicant.

34           (d) The health insurance commissioner may refuse to issue a pharmacy benefit manager's

1 certificate of authority if, in the commissioner's judgment, the applicant or any member, principal,  
2 officer or director of the applicant, is not trustworthy and competent to act as or in connection with  
3 a pharmacy benefit manager, or that any of the foregoing has given cause for revocation or  
4 suspension of such license, or has failed to comply with any prerequisite for the issuance of such  
5 license.

6 (e) Pharmacy benefit manager applicants and certificate holders shall be subject to  
7 examination by the office of the health insurance commissioner as often as the commissioner may  
8 deem it expedient. The commissioner may promulgate any necessary regulations establishing  
9 methods and procedures for facilitating and verifying compliance with the requirements of this  
10 chapter.

11 (f) The commissioner may issue a replacement for a currently in-force certificate that has  
12 been lost or destroyed. Before the replacement certificate shall be issued, there shall be on file with  
13 the office of the health insurance commissioner a written application for the replacement certificate,  
14 affirming under penalty of perjury that the original certificate has been lost or destroyed, together  
15 with a fee of two thousand dollars (\$2,000).

16 **27-84-6. Reporting requirements for pharmacy benefit managers.**

17 (a) On or before July first of each year, every pharmacy benefit manager shall report to the  
18 office of the health insurance commissioner, in a statement subscribed and affirmed as true under  
19 penalties of perjury, the information requested by the commissioner including, but not limited to:

20 (1) Any pricing discounts, rebates of any kind, inflationary payments, credits, clawbacks,  
21 fees, grants, chargebacks, reimbursements, other financial or other reimbursements, incentives,  
22 inducements, refunds or other benefit received by the pharmacy benefit manager;

23 (2) The terms and conditions of any contract or arrangement, including other financial or  
24 other reimbursements incentives, inducements or refunds between the pharmacy benefit manager  
25 and any other party relating to pharmacy benefit management services provided to an insurer  
26 including, but not limited to, dispensing fees paid to pharmacies;

27 (3) The following information attributable to patient utilization of prescription drugs  
28 covered by insurers in the state including, but not limited to:

29 (i) The aggregated dollar amount of rebates and fees collected from pharmaceutical  
30 manufacturers;

31 (ii) The aggregated dollar amount of rebates and fees collected from pharmaceutical  
32 manufacturers that were passed to insurers;

33 (iii) The aggregated dollar amount of rebates and fees collected from pharmaceutical  
34 manufacturers passed to covered individuals at the point of sale of a prescription drug; and

1           (iv) The aggregated dollar amount of rebates and fees collected from pharmaceutical  
2 manufacturers that were retained by the pharmacy benefit manager.

3           (4) A response to a set of standard questions developed by the commissioner regarding  
4 business practices including, but not limited to, spread pricing, pharmacy network development,  
5 and utilization management;

6           (5) The rebate percentage and dollar amount retained by the pharmacy benefit manager for  
7 every rebate, discount, price concession or other consideration under each rebate contract; and

8           (6) The dollar amount of any other compensation paid by a drug manufacturer to a  
9 pharmacy benefit manager for services, including distribution management services, data or data  
10 services, marketing or promotional services, research programs, or other ancillary services, under  
11 each rebate contract.

12           (b) The office of the health insurance commissioner may require the filing of quarterly or  
13 other statements, which shall be in such form and shall contain such matters as the commissioner  
14 shall prescribe.

15           (c) The commissioner may address to any pharmacy benefit manager or its officers any  
16 inquiry in relation to its provision of pharmacy benefit management services or any matter  
17 connected therewith. Every pharmacy benefit manager or person so addressed shall reply in writing  
18 to such inquiry promptly and truthfully, and such reply shall be, if required by the office of the  
19 health insurance commissioner, subscribed by such individual, or by such officer or officers of the  
20 pharmacy benefit manager, as the commissioner shall designate, and affirmed by them as true under  
21 the penalties of perjury.

22           (d) In the event any pharmacy benefit manager or person does not submit the report  
23 required by subsection (a) of this section, the commissioner is authorized to levy a civil penalty  
24 against such pharmacy benefit manager or person not to exceed ten thousand dollars (\$10,000) per  
25 day for each day beyond the date the report is due or the date specified by the commissioner for  
26 response to the inquiry.

27           (e) Not later than October 1 of each year, the commissioner shall publish the aggregated  
28 data from all reports for that year required by this section in an appropriate location on the office  
29 of health insurance commissioner's Internet website. The combined aggregated data from the  
30 reports must be published in a manner that does not disclose or tend to disclose proprietary or  
31 confidential information of any pharmacy benefit manager or insurer.

32           (f) All information, documents and material disclosed by a pharmacy benefit manager  
33 under this section and in the possession or under the control of the office of the health insurance  
34 commissioner shall be deemed confidential and not subject to disclosure except to the extent such

1 information is included on an aggregated basis across all pharmacy benefit managers in the  
2 published report required by subsection (e) of this section. This subsection shall not apply to  
3 information, documents and materials where they are in the possession and under the control of a  
4 person or entity other than the commissioner.

5 **27-84-7. Additional obligations.**

6 (a) No pharmacy benefit manager shall violate any provisions of the state law applicable  
7 to pharmacy benefit managers.

8 (b) No pharmacy benefit manager shall permit any subcontractor, affiliate, subsidiary, or  
9 other individual or entity performing pharmacy benefit management services for a pharmacy  
10 benefit manager to take any action which would violate any provision of law if taken by the  
11 pharmacy benefit manager. A pharmacy benefit manager shall be responsible for the actions of any  
12 subcontractor, affiliate, subsidiary, or other individual or entity who violates any provision of this  
13 article in performance of any pharmacy benefit management services for such pharmacy benefit  
14 manager whether or not the pharmacy benefit manager was aware of, or sanctioned, the conduct.

15 **27-84-8. Grounds for suspension or revocation of certificate of authority.**

16 (a) The commissioner may revoke or suspend the certificate of authority of any pharmacy  
17 benefit manager if, after notice and hearing, the director determines that the pharmacy benefit  
18 manager or any member, principal, officer, commissioner, or controlling person of the pharmacy  
19 benefit manager, has:

20 (1) Violated any applicable laws, regulations, or orders of the commissioner or another  
21 state's authority who oversees pharmacy benefit managers, or has violated any law in the course of  
22 his or her dealings in such capacity after such certificate of authority has been issued or renewed  
23 pursuant to this chapter;

24 (2) Provided materially incorrect, materially misleading, materially incomplete or  
25 materially untrue information in the application for a certificate of authority;

26 (3) Obtained or attempted to obtain a certificate of authority through misrepresentation or  
27 fraud;

28 (4) Used fraudulent, coercive or dishonest practices;

29 (5) Demonstrated incompetence;

30 (6) Demonstrated untrustworthiness; or

31 (7) Demonstrated financial irresponsibility in the conduct of business in this state or  
32 elsewhere;

33 (8) Improperly withheld, misappropriated or converted any monies or properties received  
34 in the course of business in this state or elsewhere;

1           (9) Intentionally misrepresented the terms of an actual or proposed contract;  
2           (10) Admitted to or been found to have committed any insurance unfair trade practice or  
3 fraud;  
4           (11) Had a pharmacy benefit manager certificate, registration, or license, or its equivalent,  
5 denied, suspended or revoked in any other state, province, district or territory;  
6           (12) Failed to pay state income tax or comply with any administrative or court order  
7 directing payment of state income tax; or  
8           (13) Ceased to meet the requirements for a certificate of authority under this chapter.  
9           (b) Before revoking or suspending the certificate of authority of any pharmacy benefit  
10 manager pursuant to the provisions of this chapter, the commissioner shall give notice to the holder  
11 of the certificate of authority and shall hold, or cause to be held, an adjudicatory proceeding in  
12 conformity with chapter 35 of title 42.  
13           (c) If a pharmacy benefit manager's certificate of authority in accordance with this section  
14 is revoked or suspended by the commissioner, then the commissioner shall forthwith give notice to  
15 the pharmacy benefit manager. For good cause shown, the commissioner may delay the effective  
16 date of a revocation or suspension to permit the pharmacy benefit manager to satisfy some or all of  
17 its contractual obligations to perform pharmacy benefit management services in the state.  
18           (d) No individual, corporation, firm or association whose certificate of authority as a  
19 pharmacy benefit manager has been revoked pursuant to subsection (a) of this section, and no firm  
20 or association of which such individual is a member, and no corporation of which such individual  
21 is an officer or director, and no controlling person of the holder of the certificate of authority shall  
22 be entitled to obtain any certificate of authority under the provisions of this chapter for a minimum  
23 period of one year after such revocation, or, if such revocation be judicially reviewed, for a  
24 minimum period of one year after the final determination thereof affirming the action of the  
25 commissioner in revoking such certificate.  
26           (e) If any such certificate of authority held by a firm, association or corporation be revoked,  
27 no member of such firm or association and no officer or director of such corporation or any  
28 controlling person of the pharmacy benefit manager shall be entitled to obtain any certificate of  
29 authority under this chapter for the same period of time, unless the commissioner determines that  
30 such member, officer or director was not personally at fault in the matter on account of which such  
31 certificate of authority was revoked.  
32           (f) The commissioner shall retain the authority to enforce the provisions of and impose any  
33 penalty or remedy authorized by this chapter against any person or entity who is under investigation  
34 for or charged with a violation of this chapter, even if the person's or entity's certificate of authority

1 has been surrendered, or has expired or has lapsed by operation of law.

2 (g) A pharmacy benefit manager subject to this chapter shall report to the commissioner  
3 any administrative action taken against the holder of the certificate of authority in another  
4 jurisdiction or by another governmental agency in this state within thirty (30) days of the final  
5 disposition of the matter. This report shall include a copy of any order, consent order, decision or  
6 other relevant legal documents.

7 (h) Within thirty (30) days of the initial pretrial hearing date, a pharmacy benefit manager  
8 subject to this chapter shall report to the commissioner any criminal prosecution of the holder of  
9 the certificate of authority taken in any jurisdiction. The report shall include a copy of the initial  
10 complaint filed, the order resulting from the hearing and any other relevant legal documents.

11 (i) Chapter 35 of title 42 ("administrative procedures") shall apply to any notice or hearing  
12 by the commissioner in accordance with this section.

13 **27-84-9. Penalties for violations.**

14 (a) The commissioner, in addition to any other power conferred by law, may, in any one  
15 proceeding by order require the pharmacy benefit manager who violates the provisions of this title,  
16 or related regulation to make restitution and pay compensatory damages, in an amount to be  
17 determined by the commissioner, to any person injured by the unlawful actions of said holder of  
18 certificate of authority and to pay to the people of this state a penalty in a sum not exceeding either  
19 the greater of ten thousand dollars (\$10,000) for each offense and fifteen thousand dollars (\$15,000)  
20 for each subsequent violation; or the aggregate gross receipts attributable to all offenses.

21 (b) Upon the failure of such a holder of a certificate of authority to pay the penalty ordered  
22 pursuant to subsection (a) of this section within twenty (20) days after the mailing of the order,  
23 postage prepaid, registered, and addressed to the last known place of business of the holder of the  
24 certificate of authority, unless the order is stayed by an order of a court of competent jurisdiction,  
25 the commissioner may revoke the holder's certificate of authority or may suspend the same for such  
26 period as the commissioner determines.

27 **27-84-10. Applicability of other laws.**

28 (a) Nothing in this chapter shall be construed to exempt a pharmacy benefit manager from  
29 complying with any other applicable state laws or regulations.

30 (b) Notwithstanding the provisions of 2026--H 7127 Substitute A, as amended, Article 12,  
31 Section 13, relating to the Pharmacy Benefit Manager Transparency Reporting and Study Act, shall  
32 have no force and effect and is hereby superseded by the provisions of this chapter.

33 **27-84-11. Assessments.**

34 Holders of a certificate of authority issued pursuant to this chapter and holders of a

1 provisional certificate of authority shall be assessed by the commissioner for the operating expenses  
2 of the office of the health insurance commissioner including, but not limited to, any reasonable  
3 expenses of any experts, consultants, and contractors, that are attributable to regulating such  
4 pharmacy benefit managers in such proportions as the commissioner shall deem just and  
5 reasonable.

6 **27-84-12. Rules and regulations.**

7 The office of the health insurance commissioner shall promulgate rules and regulations  
8 necessary to effectuate the purpose of this chapter, including procedures for notice to insurers,  
9 covered individuals, employers, and other organizations of the provisions of this chapter.

10 SECTION 2. This act shall take effect on January 1, 2027.
