2006 -- H 7791 SUBSTITUTE B

AN ACT RELATING TO WATERS AND NAVIGATION -- WATER POLLUTION

Mr. Speaker:

I hereby move to amend 2006 -- H 7791 SUBSTITUTE B, entitled "AN ACT RELATING TO WATERS AND NAVIGATION -- WATER POLLUTION", as follows:

By deleting all the language following the enactment clause and inserting in place thereof the following language:

"SECTION 1. Section 46-12-39.1 of the General Laws in Chapter 46-12 entitled "Water Pollution" is hereby amended to read as follows:

46-12-39.1. No discharge certificate decal -- Required. [Effective June 1, 2006.] -- (a) Definitions. - As used in this section and in conjunction with this chapter, the following terms shall be construed as follows:

(1) "Certification agent" means a marina or boatyard which is capable of installing sewage disposal holding tanks and related equipment; a certified marine sewage pump-out facility, including a mobile facility; ~~the Narragansett Bay Power Squadron; the U.S. Coast Guard; the U.S. Coast Guard auxiliary;~~ other established marine businesses, included but not limited to marine surveyors and mobile marine repair facilities, that are experienced in the evaluation, repair and/or installation of boat sewage systems; and local harbor masters and assistant harbor masters.

(b) No person shall operate or moor for more than thirty (30) days, a boat in the waters of the state, ~~other than an open boat without sleeping accommodations or any vessels for hire licensed by the U.S. Coast Guard to carry six (6) or more passengers;~~ that has a permanently installed marine toilet unless such boat displays in a prominent position an approved "no discharge certificate decal."

(c) Subsection 45-12-39.1(b) shall not apply to any vessel carrying a valid certificate of inspection issued by the U.S. Coast Guard pursuant to title 46 of the U.S. Code.

~~(e)~~(d) Two (2) no discharge certificate decals, differing in color, shall be made available

by the department of environmental management for issuance to boats subject to the requirements of this section. ~~Decals of one color shall signify that the recipient boat has a marine toilet, in proper working order, which is either a marine sanitation device type I, a marine sanitation device type II, or a marine sanitation device type III with a holding tank bypass valve, but the boat owner or operator had taken the steps necessary to prevent the discharge of sewage into the waters of the state. Decals of the other color shall signify that the recipient boat either has a marine sanitation device type III without a holding tank bypass valve, or no marine toilet at all.~~

(i) Decals of one color shall signify that the recipient boat has a marine toilet, in proper working order, which is either a marine sanitation device-type I, a marine sanitation device-type II, or a marine sanitation device-type III with a holding tank and through-hull fitting that would allow sewage to be discharged overboard, but the boat owner or operator had taken the steps necessary to prevent the discharge of sewage into the waters of the state.

(ii) Decals of the other color shall signify that the recipient boat either has a marine sanitation device-type III with a holding tank and no through-hull fitting that would allow sewage to be discharged overboard, or no marine toilet at all.

~~(d)~~(e) Certification shall remain in effect for forty-eight (48) months after each certification, and no additional certification shall be required during that period.

~~(e)~~(f) The department of environmental management shall collect and deposit into a separate general revenue account a fee of ten dollars (\$10.00) for each certificate to defray the cost of implementation of this section.

~~(f)~~(g) Certificate decals may be obtained from any certification agent.

~~(g)~~(h) Before a certificate decal may be issued, a certification agent must visually inspect each permanently installed marine toilet on a boat, as well as any associated plumbing or holding tank fixtures, to ascertain whether the boat is in compliance with section 46-12-39. If necessary, the certification agent shall perform a color-dye flush test of each toilet to verify compliance.

~~(h)~~(i) For inspections conducted pursuant to this section, certification agents may collect and retain a fee, not to exceed twenty-five dollars (\$25.00) for each permanently installed marine toilet aboard each boat. This fee shall be in addition to the minimum ten dollar (\$10.00) fee for each decal issued, which certification agents shall collect and forward to the department of environmental management pursuant to subsection ~~(e)~~(f) above.

~~(i) At the time any boat equipped with a marine sanitation device type III is issued a certificate decal, the certification agent shall also issue a frequency compliance record card, which shall be stamped, by the pump out station operator, or in the event of remote sewage removal, the station operator or pump out boat operator shall issue a receipt to be attached to the compliance record card, when sewage is pumped. This documentation, which may include one or more cards or receipts, shall remain on board a boat and shown when requested during an inspection. This subsection shall not apply to any boats that discharge solely outside the waters of the state.~~

SECTION 2. Section 3 of Chapter 338 and 399 of the 2004 Public Laws entitled "An Act Relating to Waters and Navigation – Water Pollution" are hereby amended as follows:

SECTION 3. This section and section 1 of this act shall take effect on June 1, 2006; Section 2 of this act shall take effect on June 1, 2007.

SECTION 3. Section 46-12-40 of the General Laws in Chapter 46-12 entitled "Water Pollution" is hereby amended to read as follows:

46-12-40. Penalty for violations. [Effective June 1, 2006.] -- (a) Every person in

violation of section 46-12-39 ~~or section 46-12-39.1~~, or owning, operating or causing to be operated, upon the waters of the state, a boat in violation of the provisions of section 46-12-39 ~~or section 46-12-39.1~~, or aiding in so doing, shall for the first offense be punished by a fine of not more than five hundred dollars (\$500) or be imprisoned for not more than one year in the adult correctional institutions, or both such fine and imprisonment, and for a second and each subsequent offense shall be fined not more than one thousand dollars (\$1,000) or be imprisoned for not more than one year in the adult correctional institutions, or both such fine and imprisonment, in the discretion of the court. If a municipality assists in the prosecution of a violation of section 46-12-39 ~~or section 46-12-39.1~~, any fine imposed for that violation shall be paid one-half (1/2) thereof to the general treasurer of the state and one-half (1/2) thereof to the treasurer of the town or city where the offense occurred.

(b) Every person in violation of section 46-12-39.1, or owning, operating or causing to be operated, upon the waters of the state, a boat in violation of the provisions of section 46-12-39.1, shall be guilty of a civil violation and subject to a fine of up to one hundred dollars (\$100). If a municipality assists in the prosecution of a violation of section 46-12-39.1, any fine imposed for that violation shall be paid one-half (1/2) thereof to the general treasurer of the state and one-half (1/2) thereof to the treasurer of the town or city where the offense occurred.

(c) Notwithstanding any inconsistent provision of law, the municipal court shall have concurrent jurisdiction with the district court to hear and adjudicate violations under this section.

SECTION 4. Section 46-12-41 of the General Laws in Chapter 46-12 entitled "Water Pollution" is hereby amended to read as follows:

46-12-41. Enforcement. [Effective June 1, 2006.] -- (a) The department of environmental management, harbor masters, assistant harbor masters, police officers authorized to make arrests, and employees of the department of environmental management authorized to enforce the provisions of chapter 22 of this title shall have the authority to enforce the provisions of section 46-12-39 and section 46-12-39.1, and in the exercise thereof of enforcing the provisions of section 46-12-39 they shall have the authority to stop and board any vessel subject to this chapter.

(b) Harbor masters and assistant harbor masters are authorized to make periodic color dye flush tests of boats subject to section 46-12-39.1, and ~~shall~~ may check such boats moored in their jurisdictions for no discharge certificate decals, as required pursuant to section 46-12-39.1.

~~(c) Any boat not in compliance with section 46-12-39.1 shall not be allowed to receive a mooring permit from any city or town.~~ Municipalities of the state may deny a mooring permit to any boat not in compliance with section 46-12-39.1.

SECTION 5. This act shall take effect upon passage."

Respectfully submitted,

REPRESENTATIVE GINA ITT
